Monitoring Report: Policy End III. Safe, Positive Culture and Climate

Policy End - Safe, Positive Culture and Climate

- A. A purposeful focus on creating a caring, safe, fun, supportive, and positive learning and working environment for all students, district employees, parents, and community is manifest throughout the district.
- B. There is clear evidence and a common understanding of the shared belief that all students can succeed when given a safe and caring learning environment. To that end:
 - District employees, parents, and community work collaboratively, proactively and responsibly to ensure the psychological wellbeing of all students.
 - A focused level of teamwork and professional development is ongoing among district employees, community, and law enforcement agencies to ensure the physical safety of students, district employees and visitors.
- C. Behavior expectations are clearly articulated, supported, and taught.
- D. Multiple communication systems are available and used by students, district employees, parents, and community to ensure all voices are heard.

Associated Executive Limitations:

- EL-8: Treatment of Students, Parents/Guardians and Community Members
- EL-9: Student Conduct, Discipline and Attendance
- EL-10: School Safety

Safe, Positive Culture and Climate, Policy Subend (A)

Policy End: (III-A) - A purposeful focus on creating a caring, safe, fun, supportive, and positive learning and working environment for all students, district employees, parents, and community is manifest throughout the district.

Interpretation: Compliance will be demonstrated when the district focuses on consistent climate and culture norms, teachers and staff feel supported by their leaders and the district, and when teachers and staff would recommend their environment as a safe and caring place to work and learn. Further, compliance will be demonstrated when students perceive that their school is safe and that they have a sense of belonging.

Evidence

- a. **Teaching and Learning Conditions Colorado Survey** - Initiated through HB08-1384, the Teaching and Learning Conditions in Colorado (TLCC) survey is a statewide, anonymous survey intended to support school, district, and state improvement planning, as well as research and policy.

- b. **Healthy Kids Colorado Survey** - DCSD voluntarily participates in the Healthy Kids Colorado Survey (HKCS), the state's only comprehensive survey on the health and well-being of young people. The purpose of this survey is to better understand youth health and the factors that help young people make healthy choices.

- c. **Superintendent Climate and Culture Norms:**
 - Presume Positive Intent
 - Exude and Expect Optimism
 - Address Concerns the Right Way
 - Create a Culture of Safe Mistakes
 - Communicate Kindly and Respectfully

Evidence

EL-10: School Safety

EL-10: The Board of Education recognizes that effective learning and teaching takes place in a safe, secure, and welcoming environment and that safe schools contribute to improved attendance, increased student achievement, and community support. Safe schools are a priority of the district and the district is committed to providing a safe environment in school, on school vehicles, and at school-sponsored activities.

Accordingly, the Superintendent is responsible to assure that a safe schools plan is developed in accordance with applicable law and Board policies.

Interpretation: Compliance will be demonstrated when the Safe Schools Act Accreditation Report demonstrates compliance with state law and the procedures required by the Colorado Department of Education.

A photograph of a graduation ceremony. In the foreground, a group of graduates in blue and white gowns are seen from behind, many with their arms raised. Numerous blue graduation caps are flying through the air, scattered across the frame. The background is a bright, clear blue sky with a soft white glow on the right side, suggesting a bright sun. The overall mood is celebratory and hopeful.
