

**District Accountability Committee  
Membership Recommendations  
June 21, 2022**

The District Accountability Committee recommends membership for one (1) Parent Representative, and renewal of one (1) Community Representative, five (5) Parent Representatives, and one (1) Principal Representative.

Individual Recommended to Fill Vacancies

Parent Representative

Ashley Opfer

Ponderosa High School Feeder Area

First Term: June 2022 - June 2023 (Completing unexpired term of vacant parent representative)

Please tell us a little bit about yourself and what skills or abilities you can bring to the District Accountability Committee and the school district.

- I am a Douglas County resident, business owner, attorney, mediator and, most importantly, wife and mother of two beautiful boys enrolled in Douglas County schools. My undergraduate degree is in theatre and dance secondary education. I am passionate about public education and the law. I have extensive experience in logic driven problem solving, planning, and conflict resolution and I would love to make a difference in our school district using those skills.

Statement of Interest: Please provide a statement of why you are interested in serving on the DCSD District Accountability Committee.

- I have recently joined my children's school's SAC and will be serving as the DAC liaison to our SAC. I believe that our school district has had a rough year and a half due to the pandemic and the overall public climate of our country. I believe DCSD can not only survive, moving forward, but can thrive. I want to be a part of the solution and would like to help the schools, the board, parents, and the district as a whole come together in the best interests of the education of our children.
