SCHOOL PROPERTIES DISPOSAL PROCEDURE

The Board of Education shall authorize the Superintendent or designee to act as the authorized agent in the disposition of District property.

The Superintendent or designee shall determine whether District property, other than real property, is obsolete, surplus, and/or of no further value to the District in the foreseeable future. The repurpose of such surplus property within the District shall be attempted wherever practical.

1. The determination that real property is no longer needed for public school purposes shall be made by the Board.
2. The Board shall order an appraisal or shall otherwise determine the commercially reasonable value of the property prior to sale.
3. Real property shall be sold or otherwise conveyed by the Board upon such terms and conditions as it may approve.
