

**Douglas County School District Re-RE-1**  
**LONG RANGE PLANNING COMMITTEE ~~Bylaws~~ BYLAWS**

PART

**PREAMBLE**

The Long Range Planning Committee was created by the Douglas County School District Board of Education (the “Board”) in 1983 to evaluate growth trends within the Douglas County School District RE-1 (“DCSD”) and to make recommendations to the Board on the utilization of existing facilities, remodeling, construction of new facilities and assistance in planning for capital reserve projects. In 2003, under Policy Governance, the Committee’s role was changed to make recommendations to the Board for approval. On May 17, 2005, the Board unanimously voted to formally recognize the Long Range Planning Committee as a committee of the Board.

These LRPC Bylaws (the “Bylaws”) define the role, responsibilities, and membership of this Committee. The Bylaws provide for how Committee membership is determined, the election and responsibilities of officers, and the scope of acts and functions to be carried out by the Committee.

The function, role and responsibilities of the Committee shall be consistent with and shall not exceed the charges given to the LRPC by the Board from time to time.

**ARTICLE I: ~~GOALS~~ NAME**

Continually analyze \_\_\_\_\_

The name of the school district long-range planning committee within the DSCD shall be the “Long Range Planning Committee,” hereinafter referred to in these Bylaws as the “LRPC” or “Committee.”

**ARTICLE II: PURPOSE**

The purpose of the LRPC is to focus on the charges assigned to it by the DCSD’s Board. The Board’s Policy Governance Book at GP 1.7.2 provides that the LRPC is charged with producing:

1.7.2.1.1 For the Superintendent/District, as reasonably requested by the Superintendent and delivered on a schedule reasonably determined by the Superintendent: (a) community opinions, alternatives and their implications, and recommendations and their rationale concerning attendance boundaries, facility usage, anticipated capital expenditures, anticipated project needs, and site feasibility; and (b) other products reasonably requested.

1.7.2.1.2 For the Board, to help the Board accomplish a portion of its job, and as more specifically requested by the Board: (a) population changes, trends and impacts on facilities; (b) alternatives and their implications, along with recommendations preferred by the committee as a whole along with appropriate rationale, for relevant Board policy changes, for specific projects needed over the intermediate-term, and for proposed uses of

facilities; (c) community opinions concerning facility use, boundaries, and capital requirements; and (d) other products as the Board may request.

The following is a non-exhaustive list representative of the work regularly performed by the LRPC in support of its purpose:

~~A.1.~~ Analysis of community population change and trend data, ~~evaluate;~~ evaluation of population impacts on District education and support facilities, ~~collect;~~ collection of community feedback; and ~~recommend~~ recommendation of appropriate actions to the Board of Education regarding school attendance boundaries, facility usage (including facility construction, renovation or closure) and anticipated capital outlay requirements.

Annually present

~~B.2.~~ Presentation of rolling Multi-Year Capital Facility Plans to the Board of Education, with recommendations for specific projects that may be needed in the ~~next six years~~ short, intermediate, and long-term.

Upon request from the Board, assess

~~C.3.~~ Assessment of site feasibility for specific proposed uses by evaluating community impacts, collecting community feedback and making appropriate recommendations regarding how a site could be used by the District to further its purposes.

The LRPC shall determine the specific representative makeup of Non-Voting Members other than the District Staff Liaison each year and inform the Board via memo.

Non-Voting Members shall be nominated by the LRPC as a nonvoting member and selected by the Board. The development community member must be either a homebuilder or developer with an active project within the District's boundaries, and preferably a resident of the School District and appointed by the Board following the same process as applied to Voting Members unless the LRPC establishes a separate application and review process, which it may do as it sees fit. The LRPC shall nominate Non-Voting Members based on its self-determined representative make-up to serve on the LRPC.

~~A representative of the Douglas County student body may be nominated by the LRPC as a nonvoting member and selected by the Board. The student body member must be a student attending a Douglas County District High School and preferably a resident of the School District. The student body~~

representative shall serve a one-year term. The LRPC shall establish an application process for said Student Body member.

There shall be a minimum of five ex-officio, non-voting members in this category:

- Secondary School representative
- Elementary School representative
- Development Community representative
- Director of Planning
- Director of Construction

#### C. ADDITIONS TO MEMBERSHIP

Addition of a new high school feeder area to the District will allow the Board to select two additional resident members. These new members will be selected, from the appropriate planning area, during the member selection period one year prior to the scheduled opening date of the new high school. After the new feeder boundary has been established by the Board of Education, adjustments may be made to the LRPC membership to ensure adequate representation for all feeder areas.

#### PART III

Finally, there may be alternative (non-voting) members appointed by the Board if recommended by the LRPC with the expectation that these members would move into voting positions as vacancies occur.
