

DCSD Application for 2022-2023 ESSA Title Funds

Summary

The Every Student Succeeds Act (ESSA) provides supplemental funding for school districts across the country. Based upon estimated preliminary allocations, Douglas County School District (DCSD) is estimated to receive total Title funding for Titles I, II, III & IV of \$2,267,100 for the 2022-2023 school year. The funds must be used in compliance with the specific requirements of each Title program.

Title IA – Supplemental funding focused on providing additional instructional time to address the needs of a Title I identified school’s lowest performing students and those students found to be at most risk for not meeting academic standards. Programming includes support for evidence-based programs and strategies, intensive instructional interventions (inclusive of additional FTE in the form of literacy and math interventionists at all Title I schools), behavioral supports which may be in the form of additional FTE at Title I schools; extended-time programs (after school tutoring and summer school programming), parent involvement, supplemental instructional supplies, and professional development for staff. Additionally, these funds support all services required by the McKinney-Vento Act for all district homeless students with the use of the Title I Homeless Set-Aside.

Title IIA – Supplemental funding intended to increase student academic achievement by improving educator quality. These funds are used for the direct support of professional development and coaching of teachers, paraeducators, principals and assistant principals, as well as any specialized staff positions (e.g., special education, ELL, GT, mental health, etc.). Funds provide for courses in a variety of areas as outlined in the Uses of Funds including paraeducator and supervisory training, literacy supports (e.g., Orton Gillingham, GT trainings, EL trainings, and a variety of MTSS (Multi-tiered Systems of Support) courses.

Title IIIA – Supplemental funding designed to improve the education of English Language Learners by helping these students learn English and meet challenging academic content and student academic achievement standards. The supplemental programming supports are inclusive of ELD instructional strategies and resources, tutoring, parent outreach, professional development for ESL and classroom teachers, coordinated activities with community partners to enhance learning for students, and SAT Prep in the Use of Funds summary.

Title IVA – Supplemental funding designed to support activities that provide well-rounded educational opportunities; improve school conditions for student learning (safe and healthy students); and improve the use of educational technology in order to improve the academic achievement and digital literacy of all students. The supplemental programming supports suicide prevention and intervention training, restorative practices, support for low-income students on advanced placement exam fees, and other supports as outlined in the summary.

To access the funds, DCSD will submit a detailed application to the Colorado Department of Education by June 30, 2022. DCSD will propose the projects briefly summarized on the following page. Opportunity for public comment on the application will be provided at the Board of Education meeting on April 26, 2022.
