

**RESOLUTION OF THE BOARD OF EDUCATION
OF
DOUGLAS COUNTY SCHOOL DISTRICT RE-1**

(Approving District Bond Plan)

WHEREAS, the Douglas County School District RE-1 (the “District”), in the Counties of Douglas and Elbert and the State of Colorado, is a public corporation duly organized and existing under the Constitution and the laws of the State of Colorado; and

WHEREAS, District staff has carefully reviewed and considered the capital needs of the District to: update and equip aging schools and facilities; build additional career and technical education pathways, including for students with special educational needs, by constructing and expanding school facilities; construct, equip, and expand neighborhood schools to accommodate growth and reduce overcrowding; and, upgrade school safety and security; and

WHEREAS, District staff has determined that it is in the best interest of the District and necessary to enhance educational opportunities for students that an investment be made in updating and equipping aging schools and facilities; building additional career and technical education pathways, including for students with special educational needs, by constructing and expanding school facilities; constructing, equipping, and expanding neighborhood schools to accommodate growth and reduce overcrowding; and, upgrading school safety and security; and

WHEREAS, District staff has recommended to the Board that the needs of the District require that up to \$490 Million be spent to invest in updating and equipping aging schools and facilities; building additional career and technical education pathways, including for students with special educational needs, by constructing and expanding school facilities; constructing, equipping, and expanding neighborhood schools to accommodate growth and reduce overcrowding; and, upgrading school safety and security consistent with the Bond Plan attached as Attachment A (the “Bond Plan”); and

WHEREAS, District staff and the Board recognize that the costs associated with the projects identified in the Bond Plan are based on 2024 cost data and projected inflation and may likely change; and

WHEREAS, the Board of Education of the Douglas County School District RE-1 (the “Board”) has carefully considered staff’s proposed Bond Plan and concurs that it is in the best interest of the District and necessary to enhance educational opportunities for students for an investment of \$490 Million to be made.

NOW, THEREFORE, BE IT RESOLVED by the Board as follows:

1. The Board has determined that it is in the best interest of the District and necessary to enhance educational opportunities for students for an investment of \$490 Million to be made in updating and equipping aging schools and facilities; building additional career

and technical education pathways, including for students with special educational needs, by constructing and expanding school facilities; constructing, equipping, and expanding neighborhood schools to accommodate growth and reduce overcrowding; and, upgrading school safety and security consistent with the Bond Plan.

2. The Board hereby approves the Bond Plan understanding that the costs associated with the projects identified in the Bond Plan are based on 2024 cost data and projected inflation and may likely change. Therefore, if a specific project or parts thereof become impractical or cost prohibitive, or if excess funds become available through certain efficiencies, certain other projects may be substituted for, or completed in addition to projects shown in the Bond Plan provided, however, that any such changes shall be approved by the Board based on recommendations from the Mill Bond Oversight Committee and shall be projects contemplated in the District's Master Plan.

APPROVED this 27th day of August, 2024 by a vote of _____.

Attachment A: Bond Plan

Bond Plan Summary

\$490M

\$490 MILLION

Career and Technical Education, Safe and Adequate Learning Spaces for Students and Staff

The bond would be an investment in school safety and security upgrades; Career and Technical Education opportunities for students; and updating, maintaining, equipping, replacing and constructing educational facilities consistent with the district bond plan to provide safe and adequate learning spaces for students and staff, and to reduce overcrowding.

Neighborhood School Construction	\$150M
Capital Renewal and Replacement	\$179M
Transportation	\$8.3M
Growth and Decline	\$20M
Security	\$10M
Career and Technical Education	\$38.2M
Special Education	\$15.3M
Information Technology	\$20M
Athletics and Activities	\$12M
Bond Fees and Contingency	\$37.1M
Total Bond for the Entire District	\$490M

Neighborhood School Construction

New neighborhood elementary schools and an expansion to one existing middle school are needed to accommodate growth.

Neighborhood Elementary School for Sterling Ranch/Solstice	\$60M
Neighborhood Elementary School for RidgeGate	\$60M
Sierra Middle School Expansion	\$30M
Total Neighborhood School Construction	\$150M

Capital Renewal and Replacement

Investments in maintaining the school district's 112 buildings (\$30M-\$35M/year) for 3-5 years.

District Educational Facilities Capital Maintenance	\$158.5M
Charter School Facilities Capital Maintenance	\$14M
Emergency Capital Maintenance Allowance	\$3M
LED Upgrades District-Wide	\$3M
Playground Upgrades	\$0.5M
Total Capital Renewal and Replacement	\$179M

Transportation

Responsible upkeep and replacement of vehicles.

School Bus Replacement	\$4.6M
Support Fleet Vehicle Replacement	\$3.7M
Total Transportation	\$8.3M

Growth and Decline

Responding to growth and decline challenges via facility modifications.

Facility Modifications	\$20M
Total Growth and Decline	\$20M

Security

Continuing to update building security to ensure the school district is adopting the latest recommendations and continuously replacing older equipment.

Security Equipment Replacement/Upgrades	\$3.1M
Radio Communication Upgrades	\$3M
Building Upgrades	\$3.9M
Total Security	\$10M

Career and Technical Education

Investments in Career and Technical Education (CTE) offerings for students to improve student access and better meet demand for programming.

Legacy Campus Phase II (<i>6 new CTE pathways</i>)	\$25.2M
Cosmetology Program Expansion (DCHS)	\$4M
Automotive CTE Program Expansion (HRHS)	\$9M
Total Career and Technical Education	\$38.2M

Special Education

Investments in Special Education facilities, school buses and center-based programming.

Specialized Career and Technical Education Capital Improvements	\$2.5M
Additional Center-Based Programming	\$5M
Student Support Center (Parker) Phase III	\$2.1M
Replacement of Special Education School Buses	\$4.7M
Special Education/ADA-Related Improvements	\$1M
Total Special Education	\$15.3M

Information Technology

Investment in regularly refreshing staff and student information technology devices.

Staff and Student Device Refresh	\$20M
Total Information Technology	\$20M

Athletics and Activities

Investment in upgrading athletic and auditorium facilities.

Athletic Facilities Upgrades	\$10.4M
Auditorium Upgrades	\$1.6M
Total Athletics and Activities	\$12M

Bond Fees and Contingency

Contingency (either Bond, Bond Premium, and/or Bond Interest)	\$16.3M
Bond Management Staff and Contractors	\$17.5M
Bond Fee	\$2.4M
Software	\$0.9M
Total Bond Fees and Contingency	\$37.1M

***Important Note:** Projects described in this Bond Plan and the costs associated with the same may vary due to contingencies, changed circumstances, or changed conditions. Bond project cost estimates are based on 2024 cost data and projected inflation, however, costs reflected in this Bond Plan will likely change. If a specific project or parts thereof become impractical or cost prohibitive, or if excess funds become available through certain efficiencies, certain other projects may be substituted for, or completed in addition to projects shown in the Bond Plan provided, however, that any such changes shall be approved by the Board of Education based on recommendations from the Mill Bond Oversight Committee and shall be projects contemplated in the Douglas County School District's Master Plan.

Bond Plan: Detailed Project List By School (\$490M)

**Actual projects may vary slightly based on cost at the time the work is performed and emerging system needs and priorities.*

Academy Charter School

Replace elevator
 Replace exhaust fans
 Replace phones and phone system
 Safety & Security Upgrades

Acres Green Elementary

Intercommunication & Paging System
 Safety & Security Upgrades
 Student & Staff Device Refresh

All Schools

Bi-Directional Amplification Systems
 High School Secure Front Entries
 Legacy Burglar Alarm Panel Replacement
 Legacy Server and Client Computer Replacements
 Security Device Additions/Replacements (e.g. Cameras)
 Transportation/Security Fleet Radios
 Bring all Buildings up to Security Standards

American Academy-Castle Pines

Replace and upgrade security cameras
 Replace building automation system for HVAC
 Replace network fiber optic cabling
 Replace phones and phone system
 Replace pour and play component of playground
 Replace rooftop units
 Safety & Security Upgrades
 Upgrade interior door hardware

American Academy-Lincoln Meadows

Safety & Security Upgrades

American Academy-Motsenbocker

Safety & Security Upgrades

Arrowwood Elementary

Exterior Wall Construction
 Fixed Walls
 Intercommunication & Paging System
 Safety & Security Upgrades
 Student & Staff Device Refresh

Aspen View Academy

Safety & Security Upgrades

Bear Canyon Elementary

Controls Needs-Upgrade control system
 Fire Alarm Systems
 Intercommunication & Paging System
 Panels and Transformers
 Restroom Flooring
 Safety & Security Upgrades
 Student & Staff Device Refresh

Ben Franklin Academy

Replace 2 water heaters
 Replace electric unit heaters
 Safety & Security Upgrades

***Important Note:** Projects described in this Bond Plan and the costs associated with the same may vary due to contingencies, changed circumstances, or changed conditions. Bond project cost estimates are based on 2024 cost data and projected inflation, however, costs reflected in this Bond Plan will likely change. If a specific project or parts thereof become impractical or cost prohibitive, or if excess funds become available through certain efficiencies, certain other projects may be substituted for, or completed in addition to projects shown in the Bond Plan provided, however, that any such changes shall be approved by the Board of Education based on recommendations from the Mill Bond Oversight Committee and shall be projects contemplated in the Douglas County School District's Master Plan.

- Upgrade phone system (2011)
- Upgrade phone system (2013)

Bridge Programs

- Replace 5 Bridge Program Vehicles
- Safety & Security Upgrades
- Student & Staff Device Refresh

Buffalo Ridge Elementary

- Cafeteria Flooring
- Intercommunication & Paging System
- Paving and Surfacing Parking Lot
- Playing Fields Playground
- Retractable Partitions
- Safety & Security Upgrades
- Student & Staff Device Refresh

Castle Rock Elementary

- Boilers
- Cafeteria Flooring
- Gym Flooring
- Intercommunication & Paging System
- Kitchen Flooring
- Restroom Flooring
- Safety & Security Upgrades
- Student & Staff Device Refresh

Castle Rock Middle School

- Exterior Wall Construction
- Intercommunication & Paging System
- Kitchen Flooring
- Safety & Security Upgrades
- Student & Staff Device Refresh
- Switchgear-Main
- Theater & Stage Equipment, Auditorium Sound Equipment

Castle View High School

- Direct Expansion Systems Roof top units
- Exterior Wall Construction CMU
- Intercommunication & Paging System
- Repairs and upgrades to auditorium seating as needed
- Replace turf field
- Safety & Security Upgrades
- Shot clocks for the gym
- Student & Staff Device Refresh
- Tennis court repairs as needed
- Theater and Stage Equipment

Challenge To Excellence

- Renew kitchen hood suppression
- Replace closed circuit TV system
- Replace electric unit heaters
- Replace exhaust system in kitchen
- Replace exterior lighting on side of building
- Replace interior exit signs
- Replace water heater (100 gallon)
- Replace water heater (50 gallon)
- Safety & Security Upgrades
- Update playground equipment
- Update site lighting controls - add photocell

*Important Note: Projects described in this Bond Plan and the costs associated with the same may vary due to contingencies, changed circumstances, or changed conditions. ***Important Note:** Projects described in this Bond Plan and the costs associated with the same may vary due to contingencies, changed circumstances, or changed conditions. Bond project cost estimates are based on 2024 cost data and projected inflation, however, costs reflected in this Bond Plan will likely change. If a specific project or parts thereof become impractical or cost prohibitive, or if excess funds become available through certain efficiencies, certain other projects may be substituted for, or completed in addition to projects shown in the Bond Plan provided, however, that any such changes shall be approved by the Board of Education based on recommendations from the Mill Bond Oversight Committee and shall be projects contemplated in the Douglas County School District's Master Plan.
