

2025-26 & 2026-27 Calendar Survey Data

Summary of Process

The Calendar Committee consists of volunteers representing students, parents, community members, school staff, and district members, meeting monthly to craft a school calendar reflective of diverse stakeholder needs.

- Student representatives prioritize academic schedules and breaks
- Parents and Community Members advocate for family-friendly arrangements
- Staff members consider operational implications, and ensure alignment with local events and traditions
- District representatives ensure compliance and coordination.

The committee met once a month to create 30 options per calendar year focusing on 5 different start dates and 6 different break variables. The committee then narrowed it down to 4 options per year to present to DCSD stakeholders for feedback.

Stakeholders then ranked the options in a survey. The responses were weighted as follows:

- 1st Choice - 10 Points
- 2nd Choice - 6 Points
- 3rd Choice - 4 Points
- 4th Choice - 1 Point

The responses are then averaged to find the average weighted response. The top average weighted response is deemed as the most palatable calendar, even if it wasn't the most popular.

Like/Dislike	Comment #	What did you like about Calendar A?
Like	1	Finished before Memorial Day
Like	2	I don't like anything about it.
Like	3	its the same as it has been
Like	4	fall break
Like	5	Nothing
Like	6	out early for Christmas
Like	7	* Consistency with current calendar * A full week for thanksgiving break. I don't think kids should have school that week. As a former teacher, Monday and Tuesday of Thanksgiving week there is no opportunity for instructional time because half of the kids are gone anyways. * I like that school ends before the last holiday in May.
Like	8	1. Full week off at Thanksgiving 2. Full week off for Fall Break 3. Out before Memorial Day weekend 4. Starts before Labor Day
Like	9	1) The Breaks! Full weeks instead of half weeks are easier on families. DON'T Get rid of Fall Break...dislike calendars C & D for that reason. It's a great & necessary travel time for all. 2) get out of school in earlier May (before Memorial)
Like	10	4 day weekend in April and ending before June.
Like	11	5 days Fall Break 5 days Thanksgiving Break Last day of school in May
Like	12	A & B are strong preference. Fall break is important to families, and kids who need that mind-break mid-semester. By this time in the school year kids are struggling with burnout and exhaustion. A week gives them a little reprieve and refreshes them to finish out the semester.
Like	13	A ends before Memorial Day and has a fall break
Like	14	A fall break, a full break for thanksgiving and being out before memorial day
Like	15	a full week for fall break in October, a full week off for Thanksgiving because many families take the whole week regardless, the first day of school is not a Monday, the first day back from winter break is a work day, the professional development day in April is a Friday and the comp day in April is a Monday rather than a Thursday and a Friday, last day with students is before Memorial Day
Like	16	A full week of fall break in October.
Like	17	A full week of Fall Break, as well as a full week of thanksgiving.
Like	18	A full week of Fall Break, Thanksgiving Break, and Spring Break
Like	19	A full week off in October as well as November gives students and staff the mental health breaks that allow us to keep going. Also, I'm worried that without a fall break, more families will take students out of school to travel.

Like	20	A has a good amount of breaks for students and staff to recharge.
Like	21	A has fall break and a full week for Thanksgiving. Lots of people travel. If you don't give the days for this we will have low attendance.
Like	22	A is no good
Like	23	A is our #3 choice. We liked having the entire week of Thanksgiving. As a parent and DCSD employee (K-8 charter), many families are going to take the entire week off, regardless of whether the district does. For teachers, if they have a "normal" academic day on Monday and Tuesday, they then have to manage student make-up work and catching students up.
Like	24	A is the only one that makes sense.
Like	25	A later start gives us an opportunity to spend more warm days outside as a family.
Like	26	A true "going back to school in the fall" calendar. Midwest states follow this and it works out great. Fall break is unnecessary.
Like	27	a week at thanksgiving
Like	28	A week for Fall Break and Thanksgiving Break
Like	29	A week of autumn break!!
Like	30	A week of fall break
Like	31	absolutely nothing
Like	32	Absolutely nothing! Too early of a start in August
Like	33	absolutely nothing.
Like	34	absolutely nothing. starting that early ruins the summer and you might as well just go year round
Like	35	All 4 of the breaks but starting too early and ending too early
Like	36	All breaks are maintained and long enough.
Like	37	All breaks still in place and earlier may dismissal
Like	38	All of the teacher work days are unacceptable especially when parents have to take off work to watch their kids and Teachers utilize this day to extend their weekend or vacation plans.
Like	39	all the breaks
Like	40	All the breaks.
Like	41	All the dates
Like	42	All the days off - a full week for fall break and Thanksgiving.
Like	43	All three "big" breaks and ends before Memorial Weekend.
Like	44	allow the kids a later start. New york starts after labor day and the kids enjoy it. gives them more summer to be kids

Like	45	Allowing enough breaks through the year.
Like	46	Almost a normal tradition calendar.
Like	47	Almost nothing. School starts too soon. Ends too soon. Colorado is still very cold moving into June. Give the kids August off.
Like	48	Amount of breaks offered
Like	49	As a family, we really appreciate both fall break and a full week for Thanksgiving. It is much less expensive to vacation during fall break than spring break, and a full week at Thanksgiving allows us to travel and see family. Plus, a shorter time off during the summer means less summer slide.
Like	50	As a high school teacher who teaches AP/IB courses for which students can gain college credit to alleviate cost. Starting earlier is a distinct advantage.
Like	51	As a parent and teacher, I love a full week fall break and a full week at Thanksgiving! I feel like the students come back to school more refreshed and ready to learn.
Like	52	As a teacher calendar A provides breaks that keep students in school. For example, when there is a complete week off the attendance prior to the break is higher than when the break is just a few days. Also, this calendar allowed for a day of no students right after winter break.
Like	53	As a teacher, students and teachers need quarterly breaks. I like that Calendar A has breaks for Fall, Winter, and Spring.
Like	54	As above stated
Like	55	At least a 4 day weekend in every month.
Like	56	Aug. start, maintain Fall Break, early release in May
Like	57	August is summer!! It is so hot still. Let kids be at the pools and out in August please
Like	58	backing up comp days and professional days or holidays so families have a longer weekend
Like	59	Balanced year. No finals after winter break. Fall break is really nice to have.
Like	60	Because of the heat and summery weather, it has always made sense to start school later than earlier.
Like	61	Best
Like	62	Best flow throughout the year. Ending the school year before Labor Day Weekend is preferred over returning to school for a couple days, no learning, testing etc. would be accomplished, it is too choppy for students, their families, teachers and staff.
Like	63	Better then starting after Labor Day but I,Âd prefer a later start
Like	64	Break dates
Like	65	Breaks

Like	66	Breaks and out in May
Like	67	Breaks and schedule around holidays
Like	68	Breaks are important! Please keep current calendar. Thanks.
Like	69	breaks for Fall, Thanksgiving, Christmas, Spring Break
Like	70	Breaks throughout the year (keeping fall break) and allowing families more vacation, travel opportunities different than holiday and summer when travel costs are higher.
Like	71	Breaks throughout the year.
Like	72	Breaks were nicely spread out
Like	73	Breaks were similar to how they are now
Like	74	breaks.
Like	75	breaks/start/end
Like	76	C coincides with my wife,Ãs schedule. She,Ãs a teacher in a different district. Please don,Ãt change things too much A was my second choice
Like	77	Calendar A ends earlier than the rest if Calendar D is not chosen.
Like	78	Calendar A feels most like what we're used to, very typical.
Like	79	Calendar A has a Fall Break
Like	80	Calendar A is awful! It starts way too early and puts kids in schools during the best part of summer/the hottest month.
Like	81	Calendar A is familiar, it's basically what we have now
Like	82	Calendar A is least favorite due to start date of 8/6. That is summer. Please consider pushing this to later in Aug if not to the Sept date of a more traditional calendar across the US.
Like	83	Calendar A is my second choice. I like that it still has a fall break but I don,Ãt like the early August start date.
Like	84	Calendar A is nice because your starting school in August, ending in May, and keeping with normal breaks throughout the school year. This is the most similar calendar to what I'm used to having with my kids.
Like	85	Calendar A is perfect. It is best for high school to begin in early August to accommodate AP testing and student graduation. I like the Fall, Thanksgiving, Winter, and Spring Breaks. Families take these times off anyway - so it is best to not hold school when there are fewer students in the classroom.
Like	86	Calendar A is the most similar to what is used now. Students, parents, and staff will not need to adjust their schedules.
Like	87	Calendar A is the most similar to what we have now!

Like	88	Calendar A is the worst option for children as they do not get to enjoy their summer. School starts way too early and gets done too early. This is the current calendar that has been in place for a while, and every year when these surveys come out, I pick a different calendar.
Like	89	Calendar A is very similar to our current calendar.
Like	90	Calendar A seems closest to what we have now. I don't like it.
Like	91	Calendar A still has Fall Break, which is our families favorite time off in the school year.
Like	92	Calendar A will start the week before her sister starts college. This will allow us to take time to help each child get settled into school.
Like	93	Christmas break
Like	94	Close to current calendar
Like	95	close to what we are already doing
Like	96	Close to what we have been doing. Allows time for more student contact days before AP EXAM testing. Provides students with equal breaks during school year to refresh and reset
Like	97	Consistency, time off stays balanced
Like	98	Consistent breaks
Like	99	Consistent breaks as previous
Like	100	Consistent Fall and Spring Breaks
Like	101	Consistent with current schedule, full week for fall break and Thanksgiving
Like	102	Consistent with current schedule. Summer isn't overly long and allows Fall Break. Fall Break is great for families and for teachers. It's more convenient to travel during summer and flights and other activities are cheaper because not everyone is off across the country.
Like	103	Consistent with previous years calendars
Like	104	Consistent with prior years. Families plan trips on a consistent fall and spring break. Changing it from year to year causes challenges.
Like	105	Consistent with what we are currently doing.
Like	106	Consistent with what we are used to.
Like	107	Contiguous breaks
Like	108	Could you explain why Option A has an earlier start date but later fall break than Option B? Also, DCSD has always had a fall break, is there a reason we don't give more options that include it? It seems like taking it away at this point would be very difficult. Also, could you explain why we can't have a later start date, later end date, and a fall break - why do semesters have to be completely equal?

Like	109	Current calendar alignment and break for fall and early summer start.
Like	110	Current schedule
Like	111	Current school end date (mid-May) and current starting date (early August) are too early. Mid-May is often still cool and sometimes snowy (better suited to class time than break), and August is a hot, prime summer month (better suited to summer break than being in classroom). The 26/27 option "C" seems like the best all-around compromise - later start and finish while maintaining all four breaks.
Like	112	Dates and there is a fall break

Like	122	Didn't really like A, same calendar we have every year.
Like	123	Dislike the starting school so early in the summer
Like	124	Do not want to start do early
Like	125	Doesn't aligns with other neighboring school districts so parents who are teachers and their students in other districts won't share the breaks.
Like	126	Don,Äôt like it at all..time for a change
Like	127	Don,Äôt really like much starts too early and too many breaks
Like	128	don't like A
Like	129	Don't like it at all. It's a terrible schedule. Nobody wants to go back the first week of August when it's actually much hotter outside than all of June. Please don't use A
Like	130	Done before memorial Day
Like	131	Done before Memorial Day Weekend, has fall break
Like	132	Dont like any of the choices.. How about have a calendar that we can subscribe to that will import in our calendar of choice??
Like	133	Dont like it

Like	135	Earlier end to school year, full week breaks for fall and thanksgiving
Like	136	Earlier spring break, later fall break

Like	142	Earlier summer break release date

Like	150	Early start and early end.
Like	151	early start and end date
Like	152	Early start and end of school year. Having a Fall Break.
Like	153	Early start and full thanksgiving break
Like	154	Early start date is advantageous for AP/IB classes, who test starting in late April. There's more ability to cover the curriculum.
Like	155	Early start date, later Fall Break, long Thanksgiving break, late return after winter break, early end date in May.
Like	156	Early start to accommodate a full week of Fall Break and a full week off for Thanksgiving Break. Our families are used to having this time off and they vacation a lot. I think that if we don't schedule this time students will be absent anyways and have their parents call them out and then we'll have to catch them up. Starting earlier to get those full breaks is the best part of our calendars!
Like	157	Early start, early end to school year, breaks are spaced.

Like	398	I appreciate less days in school and more days to have with family. I really hate only get a few days before Christmas with my kids. Workplaces understand holidays and spending time with family the week before Christmas. They're highly unsupportive when we have kids at home after the new year.
Like	399	I believe school starts too early in the year and should be pushed back to the Tuesday after Labor Day. August is still summer and it has never felt right sending the kids back to school in the middle of summer. This also allows families more time to travel during actual summer months of July and August.
Like	400	I chose calendar A as my 3rd choice. I prefer the status quo (one I really don't like) over a calendar that doesn't get out until mid-June, option D.
Like	401	I did not like A at all
Like	402	I did not like Calendar A
Like	403	I did not like Calendar A. The start is too early, and there is no need for fall break
Like	404	I did not like it at all, it is way too early to put kids back in school early August.
Like	405	I did not like it. I want the kids to start later and not be in school during the hottest month of the year. We buy new clothes to be worn for a short period of time, and the kids miss out on experiencing a "real" summer.
Like	406	I didn't like it

Like	413	I didn't. It starts way too early. Colorado is still cold in May/early June. August is the best time for kids to be outside and enjoying the weather.
Like	414	I didn't. Start day way too early

Like	415	I dislike option (A) because it cuts too much into the Summer season.
Like	416	I disliked this calendar the most
Like	417	I do not like anything about calendar A
Like	418	I do not like Calendar A
Like	419	I do not like Calendar A - this is our current calendar and starting so early in August is difficult for children and adults. Children aren't ready to be in school and we waste weeks getting them in school mode
Like	420	I do not like Calendar A as an option. We do not need both a full week off in "fall" and then another "fall" week off at Thanksgiving. One of these breaks is more than enough. For students and educators this is too much "up and down" in instructional time--all before MOY assessments are due in December.
Like	421	I do not like Calendar A at all. Starting that early in Colorado makes no sense. August is our warmest month. Half the time in June it is still cold.
Like	422	I do not like calendar A at all. It starts way too early in August and gets out too early in May.

Like	431	I don,Äôt like Calendar A. This has the children starting too early in August. This limits family summer time and opportunities for high school students to have summer jobs.

Like	433	I don,Äôt like it
Like	434	I don,Äôt like the fall break.

Like	439	I don't
Like	440	I don't like A
Like	441	I don't like calendar A
Like	442	I don't like calendar A option at all. I honestly do not see a reason for such long breaks. Not a single employer accommodates these extra long breaks. Plus, why does a child need a break in October when they just started school in August? As for Christmas, also there is no need for 2,5 weeks of time off. Thanksgiving should only be the couple days just like the federal holiday. Our school also does late start every week that makes no sense and only throws off the household schedule. After all these days off my child only learns 161,5 hours in a school year (given that there is no weather closures or a child doesn't miss school due to sickness).
Like	443	I don't like it. You guys need to stop starting so early in the summer.
Like	444	I don't like the early start of the school the weather is still nice and children have to go back to school so early. I prefer warmer summer break
Like	445	I don't mind starting a week earlier in August for the kids to be out of school before memorial weekend. I like having the duration of Fall Break, one week for Thanksgiving, Winter break and Spring Break.
Like	446	I don't mind the earlier start to summer if it means a week off in October and for Thanksgiving. It also means an earlier end date in May.
Like	447	I don't particularly care for the extremely early start date in August, but I'd rather start earlier in August and have the traditional Fall Break, traditional holiday breaks and finish at the end of the year ready for summer break before Memorial Day holiday. I grew up out east and we went to school well into the month of June every year and I hated it! Half the summer was over already! I love it here and that the kids are finished before Memorial Day. Let's keep it that way!
Like	448	I feel like keeping Fall Break and Thanksgiving break full weeks is more important than the start and end dates. For divorced families, these allow us to keep time more balanced.
Like	449	I feel the majority of the parent population would prefer to go back in September as the weather is still Favorable, pools open verse June when It's too cold to enjoy the pool and other ,Äúhot,Äù activities.
Like	450	I guess same old, same old. Consistent.
Like	451	I has all the breaks that work for most adults and students. This one is the ONLY one in my opinion!
Like	452	I have a child in DPS and would like them to have the same Spring Break which I feel majority of the other countys have the same spring break.
Like	453	I honestly am not understanding why we are changing the dates etc of the school year/ but I did not like how early school starts on calendar A.

Like	454	I like a Fall break
Like	455	I like A or B to keep a fall break.
Like	456	I like both A and B for the fall break option. Parents who are not together but co-parent rely on having a fall and spring break so each parent can have a break.
Like	457	I like calander A because it starts later in August I wanted to choose calendar D but last day of school in June is a deal breaker. Families like to use the summer to travel and enjoy the summer.
Like	458	I like Calendar A as it is the most like our current school schedule.
Like	459	I like fall break and I like the when the school year begins and ends
Like	460	I like getting out before memorial weekend!
Like	461	I like getting out earlier in May, fall break
Like	462	I like having a fall break and having the entire week of Thanksgiving off.
Like	463	I like having a fall break, a Thanksgiving break as a full week. A partial week does not work well with student attendance patterns. I also like school ending before Memorial Day.
Like	464	I like having a fall break.
Like	465	I like having a full week of fall break, all of Thanksgiving week and a full spring break.
Like	466	I like having a more days prior to Christmas off instead of only a day or so before and returning earlier to school in January. Thanks for letting us share our feedback.

Like	471	I like having fall break.
Like	472	I like having fall, winter, and spring breaks.
Like	473	I like having some time off for fall break and Thanksgiving break. I like ending in May - would not mind ending even another week later in May. I also like when Christmas break starts and ends.
Like	474	I like how it is the same from previous years
Like	475	I like it because this is our current model and I don't like the changes
Like	476	I like it have a fall break
Like	477	I like just about everything except that it gives no summer break during August, which is the hottest month of summer.

Like	478	I like keeping a full week of fall break
Like	479	I like keeping fall break as it is a less expensive option for families looking to travel on vacation than the more popular Spring break and Summer break times.
Like	480	I like keeping the fall break and thanksgiving breaks.
Like	481	I like nothing about calendar A
Like	482	I like our current schedule, the fall break, the full week at Thanksgiving, getting out before Memorial Day
Like	483	I like preserving a full week for fall break and Thanksgiving break.
Like	484	I like starting earlier, having a fall break and Thanksgiving break.
Like	485	I like starting early and ending early.
Like	486	I like starting in August because it allows for plenty of instruction time before AP tests in May
Like	487	I like starting in the middle of August instead of the beginning to give us all a substantial summer break. Also, there is no need for a full week of fall break, a full week of Thanksgiving, and a full winter break. These are too many long breaks, which is difficult to get students re-engaged after long breaks too often.
Like	488	I like that A gives a full week off in October
Like	489	I like that A gives us a full fall break, a full thanksgiving break, and puts finals for high schoolers BEFORE winter break. It is unfair to expect high schoolers to have finals after winter break. They either spend their time studying and miss out on holiday time with their family, or they don't study and don't do as well after the break.
Like	490	I like that A has a fall break.
Like	491	I like that calendar A begins in August and ends before June. I also like that it provides a full week for Thanksgiving break.
Like	492	I like that final exams are before winter break.
Like	493	I like that is it a shortened Thanksgiving Break
Like	494	I like that it aligns with other area schools for breaks. The kids are use to the schedule
Like	495	I like that it follows the calendars from previous years
Like	496	I like that it has a fall break
Like	497	I like that it has a fall break
Like	498	I like that it has a fall break, and that it ends early.
Like	499	I like that it has a full week for fall break and Thanksgiving.
Like	500	I like that it has a week for fall break.
Like	501	I like that it includes a fall, thanksgiving, winter and spring break, while also getting out of school before the Memorial Day weekend.

Like	502	I like that it is most similar to our current schedule, which seems to work the best for both staff and students. In my opinion, don't fix what isn't broken.
Like	503	I like that it is similar to the last two school calendar years.
Like	504	I like that it is similar to this year's calendar
Like	505	I like that it keeps Fall, Thanksgiving and Christmas breaks.
Like	506	I like that it kept the fall break and school ends before Memorial Day. Ending before Memorial Day is the most important thing to me.
Like	507	I like that it starts later in August and end in May
Like	508	I like that it still has Fall and Spring Break. I wish it had only one week in December and started later in August.
Like	509	I like that it went through August into May. I like that it included all the breaks.
Like	510	I like that our summer break starts so early, in mid-May, before the East Coast starts their break. That way we can take our summer vacation before everything gets too crowded. And I think having a Fall Break is crucial for both kids and staff.
Like	511	I like that school starts earlier, ends earlier, and has a Fall break.
Like	512	I like that some of the teacher work days and PD days are before the student are in session. Helping to keep as many full 5 day student contact weeks as possible.
Like	513	I like that the school year ends before Memorial Day!
Like	514	I like that the school year ends before Memorial Day.
Like	515	I like that there is a fall break and that the school session ends before Memorial Day
Like	516	I like that there is a fall break in October and school gets out with Memorial day weekend.
Like	517	I like that there is fall break.
Like	518	I like that there is still a Fall Break and a Thanksgiving break AND that finals for fall will be complete prior to winter break.
Like	519	I like that there is still a Fall Break and a week for Thanksgiving. As a teacher, when we have the 2 day week for Thanksgiving, it is just a pain because many families take off early anyways, and there is not much learning happening. I also like that we would be done before Memorial Day
Like	520	I like that they get the whole week of Thanksgiving off.
Like	521	I like that they had still a fall break
Like	522	I like that they start early and get out early and it keeps the fall break
Like	523	I like that they still get all their breaks
Like	524	I like that this calendar ends at memorial day

Like	525	I like that we end before Memorial Day
Like	526	I like that we get Fall Break
Like	527	I like that we have a week for Thanksgiving because our family is in another state.
Like	528	I like that we have both a full Fall Break and Spring Break. Also, that we have the full week at Thanksgiving. As a teacher, students will take it off anyway and we will be teaching to half full classes.
Like	529	I like that we start a little later in August. I live in Connecticut so I travel home in the summers to visit my family. It would be nice to have a longer time at home!
Like	530	I like that we still get a Fall Break.
Like	531	I like that we would still have a fall break, still have a week for thanksgiving, still start in August and end in May.
Like	532	I like the break lengths.
Like	533	I like the breaks
Like	534	I like the breaks
Like	535	I like the calendar the way it is. The only problem with option A in my opinion is fall break. Why so late? That makes for a 10 week quarter 1 and a 7 week quarter 2. For middle schools, we run off of quarters, so this is not balanced. Please keep option A and put fall break back to where it should be - 10/13-10/17. This also aligns with other districts which is nice for employees who work for DC and have kids in other districts (and vice versa).
Like	536	I like the consistency of the schedule as has been over the last several years. I like that there are the same breaks of the same length over the last few calendars. I feel it's important to have those breaks at the different times for the overall wellbeing of teachers and students.
Like	537	I like the consistency since this is what we are used to.
Like	538	I like the dates of fall break.
Like	539	I like the days off in April
Like	540	I like the early August start date and that it still has a fall break
Like	541	I like the early start in August, the early end to the school year in May, the Fall Break, and the whole week off for Thanksgiving.
Like	542	I like the end date of May 22nd as it's not all of May where we are still in school and the breaks seem to be spread out in a balanced manner
Like	543	I like the end of year date
Like	544	I like the fact that Fall Break is preserved and school ends before Memorial Day.
Like	545	I like the fact that we get out early in May. Kids just get tired and there is no motivation. It's better to begin school early in August and get out quickly in May!

Like	546	I like the fall and spring breaks and winter break time frame
Like	547	I like the fall break and full Thanksgiving break.
Like	548	I like the fall break and keeping our breaks the same
Like	549	I like the Fall Break, And week off for Thanksgiving
Like	550	I like the Fall, Thanksgiving, and Spring Breaks. The students, parents, and staff appreciate them.
Like	551	I like the full fall break, thanksgiving break and still getting out early for summer break.
Like	552	I like the full week breaks for winter, Thanksgiving, and Spring. The time frame for Christmas break is perfect and the end date for the school year is excellent.
Like	553	I like the full week for fall break and I like that students are out prior to Memorial Day.
Like	554	I like the full week for fall break as a chance to get away as a family.
Like	555	I like the full week of Thanksgiving off and the semester starting after Winter Break
Like	556	I like the full week off at Thanksgiving in addition to the Fall Break.
Like	557	I like the later August start date, but still gettin gout prior to memorial day.
Like	558	I like the later Fall Break dates.
Like	559	I like the later start after summer and like that the kids stay in a little longer. Matches the CO weather pattern a bit better.
Like	560	I like the later starts but I don't want to lose fall break!
Like	561	I like the long breaks.
Like	562	I like the more time off in the school year. I think It's better for the students mental health to have more time off like that as opposed to more added to summer
Like	563	I like the number of breaks
Like	564	I like the number of breaks that are on this calendar.
Like	565	I like the one week Fall Break so that we can travel during the low season to visit relatives and save money. Many years ago we had a 2 week Fall Break and were able to visit the grandparents in Thailand. The airfare was very cheap. I also think that it would be best to minimize the summer break so that the students are less likely to forget the math skills from the previous year.
Like	566	I like the presence of fall break, the full thanksgiving break, and the fact that finals are before Christmas. This is crucial for high schoolers!
Like	567	I like the regular heartbeat of breaks so kids (and families together) have time away from school and hopefully don't burn out as much.
Like	568	I like the spaced out breaks. I LOVE fall break and Thanksgiving Break.

Like	569	I like the start and end date and the fact that they still have a full fall break and Thanksgiving break. I prefer to end in May and not go into June.
Like	570	I like the symmetry of having both a fall and spring break. It signifies the mid-point of the semester. Also, as a side benefit for divorced parents it allows one parent to take fall break and the other to take spring.
Like	571	I like the timeline of this version of the calendar. I have a 1st grader, who, like nearly all of her peers, enjoys being active and spending time outdoors. Being outside is one of the most developmentally appropriate and healthy ways for a child to spend the summer breaks. Be it in the backyard, park, pool, or the great outdoors. This time is also the most memorable part of childhood. Colorado climate tends to be extremely hot (and thundery) in the peak summer months, between July and September, and it's not as easy to spend time outdoors, as it is in the months prior and after that stretch of time. Therefore, ending as early as possible in May, gives kids much better chances at enjoying summer outdoors, when the temperatures are not too hot yet. Starting as early as possible in August, gives kids a fall break in October, when again, the temperatures are very nice to spend time outdoors. We don't tend to leave the state during that time, but for the families who do enjoy traveling during school breaks, the time before Memorial Day, and the time during the fall break makes it much more affordable and logistically manageable, because the travel-related prices are below their peaks during these times.
Like	572	I like the timing and length of the breaks, works perfectly
Like	573	I like the timing of the Spring Break and the full week for Thanksgiving.
Like	574	I like the traditional breaks that we have had in DCSD for many years.
Like	575	I like the week off for Thanksgiving and I am guessing the spring break matches Jeffco schools.
Like	576	I like the winter break dates
Like	577	I like there is a fall break and they have a good Christmas break.
Like	578	I like to start early in August to the school year as a teacher.
Like	579	I like what we have right now! It's perfect!
Like	580	I liked having a week off at Thanksgiving.
Like	581	I liked how we had a full fall break and Thanksgiving break.
Like	582	i liked that it has all the breaks and ends at a good time
Like	583	I liked that it is similar to the current calendar.
Like	584	I liked that students still had a week long fall break and spring break with two weeks for winter break.
Like	585	I liked that that it had a fall break. Wish it was a partial fall break instead. Otherwise, did not like option A.
Like	586	I liked that there is a Fall, Thanksgiving, & Spring break. It is so very much needed!! Also, Fall break is an easier time to fly and look at colleges with my high schooler.

Like	587	I liked that there was a Teacher work day on Jan 5 allowing teachers to "gear up" for the 2nd half of the school year. I liked that there were 2 teacher days in April, and that the end of the school year was before Memorial Day.
Like	588	I liked that they got a Fall break and got out right before Memorial Day!
Like	589	I liked that this calendar gave us an extra week of summer, took away fall break, kept Thanksgiving break to one week and got out in May
Like	590	I liked that we are done by Memorial day, and we have a full week off for fall break in October, as well as a full week off for Thanksgiving.
Like	591	I liked the beginning and end date range of A-C.
Like	592	I liked the breaks during Thanksgiving break.
Like	593	I liked the breaks throughout the year
Like	594	I liked the full week breaks for fall and Thanksgiving
Like	595	I liked the longer breaks through out the year and not going until June
Like	596	I liked the longer Thanksgiving Break
Like	597	I liked the start and end date. Fall break fell on a good week in October. For Thanksgiving a week or 3 days I think is good since fall break happens in October.
Like	598	I liked the whole calendar. It's consistent with what we have done every year and we are used to planning vacations around this time.
Like	599	I liked this calendar the least
Like	600	I liked this least, August is so warm and nice we would prefer to have that time as part of summer vacation instead of starting so early
Like	601	I love fall break. It's the one time I have time with my grandkids.
Like	602	I love having a Fall Break, I also like having 5 days for Thanksgiving.
Like	603	I love having a full week for fall break, Thanksgiving week and spring break, and I love ending school in May.
Like	604	I love having a week for Fall break, Spring Break, and Thanksgiving. When we start and when those breaks are are less important to me.
Like	605	I love having fall break. It's a great time to do things with your kids while the weather is still nice and not every school is out.
Like	606	I love starting later but keeping fall break and having a shorter Thanksgiving break.
Like	607	I love that there is a week of fall break on calendar A and B. Please do not take away that special time for families to travel and rest from school.

Like	608	I love that we have natural breaks between the quarters of the school year with fall break, and a full week off for Thanksgiving.
Like	609	I love the fall break and DO NOT want to lose that. I also like the April days off make a 4 day weekend.
Like	610	I LOVE the full week for Fall Break! Please do not take it away from us!
Like	611	I loved the layout of the breaks, they're very helpful to all members of DCSD.
Like	612	I personally did not like anything about Calendar A.
Like	613	I prefer a later school start and end so A just seems too rigid.
Like	614	I prefer a little later start in August. June is in often rainy in Colorado and August is beautiful
Like	615	I prefer no fall break!
Like	616	I prefer to start earlier and get out earlier. I would very much disagree with being in school into June.
Like	617	I really like that there are, fall break, Thanksgiving week break, winter break and spring breaks. I also like that school ends before Memorial day. This really helps break up the year with needed breaks for staff and students who may get burnt out with a long continuous schedule.
Like	618	I really like the October break. It gives my family a chance to travel when It's not peak season and all schools are on break.
Like	619	I strongly dislike this option. We start too early when it is too hot and end too early. This is challenging for camps/child care as a working parent and causes us to miss the nicest parts of summer as a family.
Like	620	I think a full week at Thanksgiving break is important but I also wouldn't mind a slight later shift to the schedule as a whole (somewhere in between a & d)
Like	621	I think August 6th is to soon to begin as It's the best weather of summer, I will have students at both public charter and feeding into high school so I just need charter schools and high schools to be on the same schedule so it works for our larger family. We have enjoyed fall break and thanksgiving break but I'm ok to see less breaks if we finish school earlier
Like	622	I think it is important to finish before Memorial Day. As a teacher i know we will have a bunch of students miss the last days of school if they are after Memorial Day. They just wont come back!
Like	623	I think starting in August is IDEAL and getting out at the end of May. It closely alligns with colleges and for those who have students at Colorado Early Colleges which is very helpful. I think starting later is a HUGE mistake.
Like	624	I think starting mid-august is great. LOVE the idea of not having a full fall break, that is just too much. A couple days off here and there is better and more doable for parents than a WEEK long break in October, followed by another WEEK in November and then Christmas.

Like	625	I think there are so many families who have students/parents that work and go to schools in neighboring districts, it is imperative to do our best to align fall and spring breaks to avoid absenteeism.
Like	626	I think they need fall break, and that is one of two calendars that in incorporates it.
Like	627	I think we should keep fall break.
Like	628	I think you should combine the teacher work days & professional days, allowing for more days off in a row for the students around president,Äôs day &/or more days before Christmas, fewer at the beginning of January! Keep options to have students begin 2nd or 3rd week in August. Ending year 3rd week in May. Also, there should be more options for when the spring break weeks are.
Like	629	I understand people might like D,Ä¶ but it just doesn,Äôt align well with HS/middle school for testing, semesters, sports and transition to college. Please not D. I enjoy fall break immensely. We did not have this in Illinois, maybe a calendar that gives 2-3 days off but doesn,Äôt eliminate it completely would be a future option. Also consider a few less days at thanksgiving break,Ä¶ starting a little later in August. A September start would be painful and HS kids (which I will have by the time this goes into affect), will have very uneven semesters.
Like	630	I want a full week fall break, a full week at Thanksgiving, and to be out before memorial day
Like	631	I want to keep a full week for Fall Break. Is there any talk about going to a 4-day week like many other districts? This could solve a lot of issues.
Like	632	I wish there were an option that had both the Fall Break dates on October 13-17 and the week of Thanksgiving Break on 24-28. Even if that meant starting earlier (8/6) and ending a littler later (5/28).
Like	633	I would like to be able to vote on the start time of the day and end of day. The current schedule is not working.
Like	634	I would like to keep fall break, this important to our family
Like	635	I would like to see more long weekends and less long breaks. I would like to have school start later in the summer so that there are more opportunities to participate in summer activities and programs.
Like	636	I would like to suggest students start later. It's well-known that biology shows high school. Students have quality sleep later in the morning. Therefore, it would be better for classes to start at 8:30 and go until 330.
Like	637	I would love fall break to be eliminated It's so close to Thanksgiving and as a working parent It's hard to juggle. Starting the school year in late August would give us time to plan summer vacations for longer spans than only 2 months
Like	638	I would really like for school to start in early September or late August. Going back to school in the beginning of August is too early. It is still summer in August and the kids should be enjoying themselves. We really dislike going back so soon in August.
Like	639	I,Äôm happy to continue with the calendar we,Äöre used to.

Like	640	I,Ãm like the later start and elimination of fall break. I wish we could just go Labor Day to Memorial Day and cut back on the breaks. A four day school week would be most ideal.
Like	641	I,Ãm used to it
Like	642	I'm in favor of fall break.
Like	643	I've already booked vacation for 2025 and 2026 based on the released calendar on the website!
Like	644	In general, our children do not receive enough active academic instruction. When my children have asked for clarification about a subject, they have been told to "Google it." Between holidays, professional development days, teacher work days, and school breaks, I'm surprised they learn anything. I am grateful to have a Master's Degree so I can help them.
Like	645	included all breaks + ending before Memorial Day
Like	646	Includes a fall break
Like	647	Includes a fall break and last day of school is May 22nd before Memorial Day.
Like	648	includes a fall break, end date before Memorial Day
Like	649	Is the most similar to the current calendar, which keeps consistency for families and students and staff.
Like	650	It aligns with my kids in Jeffco
Like	651	It aligns with neighboring districts
Like	652	It at least still includes a fall break
Like	653	It begins at the 1st week of month so that the months is utilised to settle and adjust with class mates
Like	654	It didn't really change anything
Like	655	It does not get very warm until the middle of June, and stays warm well through September. It would be better for kids to be out of school when it is warm versus going back in the beginning of August when the heat is really just starting.
Like	656	It ends before Memorial Day
Like	657	It ends earlier in May
Like	658	It ends last week in May
Like	659	It feels like what we are used to
Like	660	It follows a schedule similar to what,Ãs previously been in place. This is helpful for family schedules.
Like	661	It follows the most traditional schedule to what we have every year- it includes a fall break and has staff out before Memorial Day
Like	662	it gave us a fall break, which is nice, but not as nice as a longer summer

Like	663	It gives kids more of a traditional summer, it is too hot in August and if we have family elsewhere they have summer June, July and August
Like	664	It had a Fall break
Like	665	It had all the breaks
Like	666	It had the normal breaks and normal start/stop time I'm used to
Like	667	It has a fall break
Like	668	It has a fall break and gets out before June
Like	669	It has a fall break, a full week off in October is extremely important.
Like	670	It has all breaks
Like	671	It has fall break and spring break where it should be and the end of school year before Memorial Day
Like	672	It has fall break.
Like	673	It has the same weeks off as every year. Need to have a calendar in both years being reviewed that has a start week in August around the 18th. None of the choices start that week and could end just after Memorial Day. I believe the last time our feedback was requested it was the same. Why not start that week and end just after Memorial Day?
Like	674	It included a fall break, which is a great chance for kids & teachers to get a break and recharge.
Like	675	It included all breaks
Like	676	it includes a fall break, a week for Thanksgiving, and out by Memorial day.
Like	677	It includes a fall break, which I think is critical for high schoolers' mental health. I also like that starting in August gives our students an academic advantage when it comes to taking high stakes tests like AP, IB, and SAT. More time to cover material.
Like	678	It includes fall break and has reasonable start and end dates.
Like	679	It includes fall break. Start date is too early.
Like	680	It is a format everyone is used to. Preserves fall break and week long Thanksgiving break
Like	681	It is about the same it is now
Like	682	It is already what we are used to.
Like	683	It is close to what we have now, we can make plans and not go into june
Like	684	It is closest to what people are accustomed to.
Like	685	It is consistent with what our children, parents, teachers and district are used to in the state of Colorado.
Like	686	It is how we have been for years
Like	687	It is important to have full fall, Thanksgiving, and winter breaks.

Like	688	It is most consistent to the calendar in place today. I like the winter break ending close to January 1st in support of working parents. Having the kids go back the 8th or beyond was disruptive/hard with childcare.
Like	689	It is most like the calendar we have had historically and I would like to keep this, and have fall break.
Like	690	It is most similar to recent/current school schedules and would best align with the Renaissance Elementary schedule. I also like that it has both a fall break and a break at Thanksgiving.
Like	691	It is nice to have a fall break and some days at thanksgiving. It is also very important to finish the semester before winter break.
Like	692	It is nice to have a long Thanksgiving break for families to travel, as well as a break in October.
Like	693	It is similar if not the same as what the school district has been doing and what we have been planning vacations and other activities around for years. It also has complete breaks for fall break and Thanksgiving without messing with the usual beginning and ending dates of school
Like	694	It is similar to what we are used to and has many breaks.
Like	695	It is similar to what we have been using and the Fall Break is such a well-received and liked pause during the first semester since we start the school year so early.
Like	696	It is the closest to what we have been doing for the past few years which is good - don't mess up something that already works well.
Like	697	It is the most similar to the calendar that we currently use at DCSD. It offered well spaced our breaks and puts the last day of school before June.
Like	698	It is the normal calendar that the kids and parents are used to
Like	699	It is the same as our current schedule.
Like	700	It is way to early to start school August 6th!!!!
Like	701	It is what we have been doing. It has breaks that families plan for.
Like	702	It keeps fall break and the full week for Thanksgiving. It also does NOT put us into mid June. We need those breaks, please stop trying to take them away.
Like	703	It keeps fall break. This is a great time to take a vacation since most other states will be in school.
Like	704	It keeps fall break. Fall break is the cheapest time to travel which is helpful when you're a family of 5
Like	705	It keeps the same schedule we have had for many years. It works well with high school athletics and graduation dates. It correlates most closely with college breaks. It allows for fall, Thanksgiving and winter and spring break. It ends before Memorial Day.
Like	706	It keeps the status quo, which works for us

Like	707	It looks like the current calendar, and it's not great. I suppose I like getting out earlier in May. I also like having a fall break, but I think a 4 day weekend would suffice; a whole week is not necessary.
Like	708	It looks pretty similar to what we're used to. I like that we still get a fall break.
Like	709	It makes most sense for families sans air conditioning, and it is what the DCSD community is used to doing. It's great.
Like	710	It makes the most sense for our children to get an actual summer. Going back during a prime month of summer takes away the opportunity for them to grow with their peers outside of school. Going back in September will also give our children more opportunity to visit family or have family visit during the month of August.
Like	711	It matches what we do now. It also includes fall break. Our family is able to travel
Like	712	It offered a later fall break.
Like	713	It offers a Fall Break. As a caregiver for a special needs child, a Fall break gives the child the opportunity to take a break from returning to school.
Like	714	It preserves the Fall Break week, early Aug start, Week for Thanksgiving, Christmas 2 weeks, Spring Break, and ending towards the end of May. I do not want my high schooler going to school after Memorial Day or into June. They will miss out on jobs and opportunities. I also don't want Fall Break reduced to less days or cut out. And, Spring Break week is also essential. I am not certain why we re-do this survey every year when our current schedule has been in place since the time my kids started with the district in the 2011-12 school year. Please don't mess with this schedule and just adjust start and end dates by a few here and there, like you always have done. I lived in OH before moving here and they didn't have Fall Break. Wow, I didn't realize what a blessing it was until coming here. We are more than willing to start school in early Aug to preserve that much needed break for a week in Oct.
Like	715	It provides reasonable breaks throughout the school year without making kids go to school into the summer.
Like	716	It respects the faith of those of us who celebrate Easter...providing time to travel. It also still gets us out of school in May.
Like	717	It similar to the current calendar
Like	718	It starts a bit later in the year which is nice
Like	719	It starts and ends similar to the way it has been.
Like	720	it starts earlier and gets out earlier
Like	721	It starts early ends esrly
Like	722	It stays pretty much the same as it is now (23-24) and that is the calendar I like.
Like	723	It was a standard schedule that mirrors other school districts and does not force children to go to school in summer months
Like	724	It was awful - too early to start. Colorado summer has barely start before this

Like	725	It was fine - what we are used to I guess
Like	726	It was my least favorite. We start too soon back to school in the Fall (lose summer vacation time)
Like	727	It was okay except for an early start.
Like	728	It was the closest to our typical year we're used to
Like	729	It's aligned with the calendar we've had and it resembles the calendars of other school districts in the area.
Like	730	It's appears to be the same as the previous calendars that have been accepted.
Like	731	it's as close as possible to what we are used to. the kids will be able to have fall brake which we love traveling in, and enjoy a real winter brake (since the semester will be over)
Like	732	It's basically the same as this year
Like	733	It's fine but I wish we could have that break calendar w the later aug start and later may end
Like	734	It's in line with previous years. Early Aug start, May release and all of the breaks during the year with a full week at Thanksgiving.
Like	735	It's infinitely ridiculous to start school the first week of August.
Like	736	It's like it is now.
Like	737	It's like we have now
Like	738	It's most similar to our current calendar. I like how it is now.
Like	739	It's my least favorite
Like	740	It's no change
Like	741	It's not broken. It's a great schedule. If you want a greater impact on students, the start time of the day should be later for middle and high school students based on research. That,Ãs where yiu should spend energy.
Like	742	It's ok to go after Memorial day if you still end in May.
Like	743	It's predictable.
Like	744	It's similar too this year's calendar and gets the kids out of school before memorial day, which is good because there's no point in going back for 2-3 days after then ending the school year.
Like	745	It's terrible. No summer for kids/family. Please stop with the early August starts. Plus, weather is still crappy in Colorado in May. Let's get to June and enjoy the summer months with our kids.
Like	746	It's the best for myself and my kids.
Like	747	It's the current calendar, so kids know the schedule.
Like	748	It's the current schedule
Like	749	It's the most familiar, would not require any changes to my current life. School is out before Memorial Day weekend.
Like	750	It's the most similar to what we have been doing.

Like	751	It's the one we are use to
Like	752	It's the same as current
Like	753	It's the same as the calendar from recent years, and it's nice to have all the breaks throughout the year.
Like	754	It's the same as what we are used to. Lines up with planned vacations.
Like	755	It's the same calendar as before which will not disrupt our future plans.
Like	756	It's the same calendar we,Äöve had for years
Like	757	It's the same thing we've been doing for a long time now and the kids do really well with this schedule.
Like	758	It's the same/familiar pattern that we,Äöve been used to for the past several years.
Like	759	It's the third option. No change
Like	760	It's the traditional calendar, everyone is pretty used to it
Like	761	It's the what we're used to having.
Like	762	It's very similar to what we had this year.
Like	763	It's what we already have in place. - don,Äöt change it
Like	764	It's what we are used to
Like	765	It's what we are used to.
Like	766	It's what we are used to.
Like	767	It's what we are used to. Has the full Oct and Nov breaks.
Like	768	It's what we are used to. Not broken, don't fix it.
Like	769	It's what we currently have and are used to it.
Like	770	It's what we have now I assume.
Like	771	It's what we,Äöve been doing,Ä¶ okay but takes too much summer, lots of long fall breaks and ends a bit early in May
Like	772	It's what we're used to
Like	773	It's what we're used to, what we've done for several years now.
Like	774	Its basically the same calendar we currently have so my lesson plans would align well with it.
Like	775	Its close to what we have now
Like	776	Its the same thing we have always done so its familiar.
Like	777	Its what we have been doing so its familiar.
Like	778	Jan 6th start date after Christmas is perfect
Like	779	June and May are still cold in Colorado and August is hot when kids return. Not only will it save money for the district with energy usage the kids also won't be suffering at recess

Like	780	June has no students. I have to use vacation by the end of June and its difficult to take time off while students are in session.
Like	781	Keep fall break
Like	782	Keep fall break & Thanksgiving break. Semester 1 ends in December. Finals before break.
Like	783	Keep it he same it has been for years
Like	784	Keep the schedule. Regular breaks are great for physical and mental wellness.
Like	785	Keeping Fall Break
Like	786	Keeping fall break
Like	787	Keeping fall break and having thanksgiving week off
Like	788	Keeping it similar to counties around us. People have kids in different counties. This options keeps it similar to the past and other counties
Like	789	Keeping the week of Fall Break in October and the full week of Thanksgiving off. We often as a family use those vacations to visit family out of state,
Like	790	Keeping things as close to what the current calendar is is preferable
Like	791	Keeps fall break, May finish
Like	792	keeps the fall break
Like	793	Keeps the same
Like	794	Keeps things the same. Lots of people travel in this community on Thanksgiving Break so we need the full week. Fall break has been a tradition for a long time.
Like	795	Kept to the current schedule, but started way too soon.
Like	796	Kids in CO need a summer! When school is out in May then back in early August there is no time to really enjoy the summer!
Like	797	Kids need fall break and earlier school start is crucial for marching band and sports
Like	798	Kids need to go back to school after winter break as early as possible. Lingering around through January is ridiculous.
Like	799	Last choice
Like	800	last day
Like	801	last day
Like	802	Last day was before Memorial Day
Like	803	Late start (September)
Like	804	Late start, still had a week for fall break
Like	805	Later fall break

Like	806	Later first day of school, not having all week of Thanksgiving is better
Like	807	Later release in May/early June so later start in late Aug/early September
Like	808	Later school time start for middle school and high school like other districts
Like	809	Later spring break
Like	810	Later start
Like	811	later start and not a full thanksgiving week off while keeping a full fall break.
Like	812	Later start date is necessary. Beginning of August is ridiculous!
Like	813	Later start date with fall break.
Like	814	Later start date, no fall break and end of May end date
Like	815	Later start date. Shorter thanksgiving break
Like	816	Later start in August, still have fall break
Like	817	Least aligns with surrounding districts. Families may have children in different districts or parents who work for neighboring districts. This option starts way too early and gets out too early
Like	818	Least favorite
Like	819	Least favorite. Not a fan of fall break
Like	820	Least favorite. Too little summer.
Like	821	Least favorite...not a fan of school starting 08/06
Like	822	Least liked option. Makes it really hard on working parents
Like	823	Least liked. We don't need so many breaks
Like	824	Let's keep the calendar year as it is. I'm not sure what the commissioner is trying to achieve.
Like	825	Like fall break.
Like	826	like inclusion of fall break, but it is too long.
Like	827	Like that school goes back early in August and gets out in May; Love that there is a full week off in October and for Thanksgiving; love the 4-day weekend in April; like that Winter Break starts on Friday. Great calendar!
Like	828	Like that there is a fall break and TGiving and we get out in May
Like	829	Like the breaks, but starts too early!
Like	830	Literally nothing.
Like	831	Little. I like that the kids get a fall break and a spring break.
Like	832	Long breaks and more breaks
Like	833	Long Christmas break
Like	834	Long thanksgiving and Christmas breaks

Like	835	long thanksgiving break
Like	836	Long winter break
Like	837	longer break over thanksgiving, fall break being a week later
Like	838	Longer Thanksgiving break
Like	839	Longer winter and Thanksgiving break coupled with end of school in May
Like	840	lots of breaks
Like	841	Lots of days off
Like	842	Lots of days off...but too many!
Like	843	Lots of long breaks
Like	844	Love a little later start date!
Like	845	LOVE fall break!
Like	846	Love having fall break! Feel the kiddos need lots of breaks throughout the year, rather than 3 months in the summer.
Like	847	Love it
Like	848	Love that it mimics what already exists. I love the full fall break as this is amazing weather and season for traveling when weather is perfect and so comfortable before winter sets in. Also love the full week for Thanksgiving allowing more time to travel and have kiddos be part of the prep. I also really love that the early start in August & early release in May compared to schools in other states starting in Sept after Labor Day and ending in June allows less busy travels for beating the larger crowds to fun family & kid-friendly attractions.
Like	849	Love that option
Like	850	Love the full week at Thanksgiving and Fall Break as kids need those breaks throughout the school year to make it more manageable. Teachers need the breaks too!

Like	868	More time for Thanksgiving.
Like	869	more traditional schedule, allows for monthly breaks for students, nothing should be scheduled until August including new staff orientation - benefit of working for a school!
Like	870	Most closely aligns to our current school schedule that we've been used to for years. We love having a fall break because not a lot of other districts/states do it so it's a nice time to travel when places aren't so busy.
Like	871	Most countries do not start school in the middle of the summer. In Canada, we always started the Tuesday after labor day. As a bus driver, I'm sweating bullets in a non-air conditioned bus. Perhaps a Sept start will decrease the bus driver shortage:)

Like	879	Most traditional and keeps a fall break on the calendar.
Like	880	My family enjoys and takes advantage of a full week of Fall Break as well as a full week of Thanksgiving Break. We love to travel and Fall Break is a great time to do it. For Thanksgiving Break, we visit elderly parents out of state for the entire week. We also like starting our summer break in May.
Like	881	My husband works a lot in the summer but less in the fall and spring so having a fall break is important for us as a family. Also I think the kids need a few more days before Christmas hits to unwind so I voted for longer options before the Christmas holiday.

Like	882	My kids attend DPS schools. Every year I go back 2.5 weeks before DPS and have to scramble to find childcare. If DCSD could more closely align with DPS that would be great. Same with spring break-we never have the same spring break. It would help our family out considerably if DCSD could more closely align with DPS (and other metro area districts).
Like	883	My least favorite. School starts to early, fall break,
Like	884	My least favorite. There's still so much summer when the kids go back to school
Like	885	My opinion is weather based. In general, I think it's best to start the school year later. This allows students to enjoy their summer break with more days with temperate weather. May weather can be variable and still quite cold in the mornings. Summer activities (swimming, camping, etc.) are probably better enjoyed if summer break is shifted later in the season. Also with Thanksgiving break, there's no need to have a Fall break.
Like	886	Need more time off leading to winter break. Exciting time. Would rather go back earlier after winter break. Also, later August start.

Like	895	Normal fall break schedule
Like	896	Not a huge fan of Calendar A. Early start in August ends summer break too early. Do like May 22 date as last day of school year though.
Like	897	Not a whole lot. It starts early and has an October break. Neither of which I like.
Like	898	not much, but I liked getting out before June
Like	899	Not much, it makes the summer too short
Like	900	Not much, this calendar has way too many days off
Like	901	Not much. Except the early end date
Like	902	Not much. Just same old.
Like	903	Not much. School starts too early and our kids are not ready just yet to head back to school.
Like	904	Not much. But I do like a full week for thanksgiving

Like	905	Not much. Kids go to school too early, do not need a fall break and get out too early as well. August should be included in the Summer break
Like	906	Not much. Start date is way too early.
Like	907	Not sure I love any of these options.
Like	908	Not too early of a start date with still getting out for summer early. Many students have athletics and training camps that require June attendance.
Like	909	Nothing We live in Colorado where it can snow up til Memorial Day and not even warm up until mid June A is a terrible option
Like	910	Nothing - I hate how early school in DCSD starts. We barely get to enjoy the summer by the time it warms up.
Like	911	Nothing - starts school too early in August.
Like	912	Nothing - starts too early in Aug and ends too early in May

Like	920	Nothing--it's terrible.
Like	921	Nothing, but Spring break dates are good
Like	922	Nothing, I want to start in September ,Ä¶ It's still cold end of May and early June
Like	923	Nothing, it is my last choice.
Like	924	Nothing, it is too early to start
Like	925	Nothing, it starts early in August and has several long breaks.
Like	926	Nothing, it starts in August and only allows 2 months of summer for my kids to visit family out of state.
Like	927	Nothing, it starts too early
Like	928	Nothing, it starts too early and it is too hot for the kids to go back to school at the beginning of August.
Like	929	Nothing, it starts too early when It's still so hot outside and ends too early.
Like	930	nothing, it starts way too early. August is still summer, school shouldn't start until the end or middle of August.
Like	931	Nothing, school starts too early in August and Christmas break is too long

Like	932	nothing, start school in September, drop the October break
Like	933	NOTHING, starting school the first week of August is awful.
Like	934	Nothing, that schedule makes zero sense for higher altitude schools. I hate the fact that school starts a week into August, do you not like summer vacation? This allows for 2 legitimate weeks of summer.
Like	935	Nothing, the fact that there is an option that considers school starting in the middle of the summer is absolutely horrible! Let the kids enjoy the actual summer!!
Like	936	Nothing, the year is too long with too many breaks.
Like	937	NOTHING, with this calendar, teachers start school August 1, this is almost JULY. Since when did starting school in July become a thing. August is the warmest month in Colorado, why are we in school?
Like	938	Nothing: It's way too many breaks and the kids have to keep starting over all the time. I hate starting school so early in August. It's too hot for sports and late May/early June is still too rainy to do fun summer stuff
Like	939	nothing!
Like	940	Nothing! Too early to go back to school
Like	941	Nothing! Calendar A is and always will be a bad choice.
Like	942	Nothing! Nobody likes this choice to start so early in August, but it always wins because the other 3 calendars are very similar and split our votes three ways. It's terrible! In the last survey, 67% of respondents said they DID NOT want to start so early, but since the other 3 calendars were very similar (two of them almost completely identical outside of 2 or 3 days!) the votes were split and the early calendar that nobody wants and everybody complains about won. We either need a RANKED CHOICE system, or ONLY two calendars to choose from! It's absurd to have 4 calendars with the least popular and most hated calendar winning every year.
Like	943	Nothing! Starts way too early
Like	944	Nothing! The year starts too early, I feel fall break is unnecessary, and the year ends approximately one month before summer actually starts.

Like	949	Nothing. Starting school first week of August is ASININE
Like	950	Nothing. Starting too early for school.

Like	951	Nothing. Starts way too early, ends way too early. Too many long breaks early in the year (fall break/Thanksgiving/Christmas in short order) are hard for working families and students to be engaged. This is a very difficult schedule that seems to be selected every year.
Like	952	Nothing. They start too early and have too many breaks
Like	953	Nothing. This contributes to Douglas County students farther behind their national peers. RIDICULOUS. Starts too early and ends too early
Like	954	Nothing. This is by far the worst option for kids and teachers.
Like	955	Nothing. All these breaks screw up routines. They are also impossible for working parents.
Like	956	Nothing. August is peak summer time
Like	957	Nothing. DCSD starts way too early! so much earlier than other school districts - it's still summer when our kids are back in school! There is no reason to start this early and end so early in May.
Like	958	Nothing. Going back to school the first of second week of August is ridiculous, the kids miss the most summer-y weather.
Like	959	Nothing. I don't like that they start back so early in August.
Like	960	Nothing. I felt it was the worst option.
Like	961	Nothing. I hate the early start date and having fall break and thanksgiving off is redundant
Like	962	Nothing. It is terrible.
Like	963	NOTHING. IT IS THE WORST BY FAR!
Like	964	Nothing. It returns to school far too early for both kids and teachers. August is beautiful in Colorado and kids are sent back inside to sit in a classroom for 8 hours a day when they could have the opportunity to be outside. It is also unfair to ask teachers to return in July!
Like	965	Nothing. It starts too early
Like	966	Nothing. It starts when the actual summer season is half over and ends when it's often still snowing.
Like	967	Nothing. It's exactly what it is now.
Like	968	Nothing. It's the same as every other year. Starts too early! Too many breaks!
Like	969	Nothing. Move start date later.
Like	970	Nothing. Schools ends too soon and starts too soon. Unable to travel and take August off. June is too cold to do anything in Colorado
Like	971	Nothing. Started school way too early. You would get 1 month of hot weather for summer break.
Like	972	Nothing. Started way too early and gets out way too early.

Like	973	Nothing. Starting back way too early in August. Don't need a full week for fall break and Thanksgiving break, give the kids more summer
Like	974	nothing. starting in early August is literally the best part of summer, terrible time to start school.
Like	975	Nothing. Starting school the first week of August is always awful and my kids hate it. It's hot and makes summer break feel short. So many other districts start later in August or early September.
Like	976	Nothing. Starting that early in August takes away the one month of the year that families don't have activities, leaving one week for family vacations before school starts.
Like	977	Nothing. Starting the first week in August is the worst
Like	978	Nothing. Starts too early and too long of Christmas break
Like	979	Nothing. Starts too early in August.
Like	980	Nothing. Starts TOO EARLY IN THE YEAR
Like	981	Nothing. Starts way too early and ends too early.
Like	982	Nothing. The start date is much too early.
Like	983	Nothing. The summer is too short. Starting school at the very start of August is too early.
Like	984	Nothing. This is too much like our current calendar year which starts and ends way too early for our Colorado weather.
Like	985	Nothing. Too early a start and way too much time off
Like	986	Nothing. Too early to start school
Like	987	Nothing. Too many breaks and not a long enough summer.
Like	988	Nothing. We hate starting a month before the rest of the country. Colorado summer is July and August, not June and July, based on mountain weather. Why are we in school so early?!
Like	989	Nothing...why are you starting with this one? This is awful. It is too hot in August. The blacktop on playgrounds are too hot for little kids. The air conditioning in buildings isn't adequate. Summer is still happening. I hate this option.
Like	990	Nothing, It's the same as what we have. Too many week long breaks!

Like	995	One full week for thanksgiving and out on the 19th for winter break
Like	996	One of the best deals we have in Douglas County is our Fall Break. Don't lose that. That's priority. Beyond that, anything you can do to give the kids a reasonable summer (considering weather) is understandable.
Like	997	one week for fall break in October is good bc the weather is usually decent.

Like	998	Open-Ended Response
Like	999	Option A is good, starts a little early
Like	1000	Our family with three children enjoys the earlier starts and earlier in dates, and appreciates having weeklong time frames to visit, family and other parts of the country during fall break Thanksgiving break, and spring break. Because many of the other school systems Are not out of session when we travel for vacation, travel cost are lower, and crowds are fewer. Moreover, the travel we are able to do further exposes our children to other parts of the country, and gives them a greater breath of experience than we would otherwise have. We appreciate Douglas County,Äôs existing school calendar structure, and would be very disappointed to see that change.

Like	1114	Starting school early September, or even late August would be ideal. August is still a very hot month here in Colorado and it is nice for the children to still be on summer vacation. It feels like there are too many breaks. One school starts with fall break Thanksgiving break and Christmas break. Personally, I don't think the children need a full week break in October.

Prefer Thanksgiving just end of the week, it may be easier on teacher because a short week is hard to get much done but It's a pain for families. My work makes me choose between time off at Christmas or Thanksgiving. If the option for no fall break passes move to the Sept date as it aligns more with East coast breaks for visitation.

Like	1138	Summer doesn't really start until July in Colorado. Kids should be able to enjoy a full summer. Back to school after Labor Day makes more sense for Colorado. Also no need for a fall break and such a long thanksgiving break. It's a logistical nightmare for working parents.
Like	1139	Summer is hardly over in August. These kids miss out one some of the best days of their lives by going back to school in early August.
Like	1140	Teachers and staff need a Fall, Winter, & Spring break. For Thanksgiving break, a week off is nice as so many students will miss Mon & Tues anyways, it makes those days basically worthless for learning, so may as well take the entire week.

Like	1192	The earlier you start the more instructional time you get in. There's less disruption at the beginning of the year (ie May activities, state testing, etc). As a former educator who started in late August, I had to get the majority of my standards taught by winter break if my students were to be prepared for state assessments. However, when I started in early August I was able to get more uninterrupted instructional time in before winter break. As a parent, I loathed the early August start, but now I appreciate so much more. In addition, October break is perfect for traveling, it's the shoulder season!

Like	1195	The end date and that it keeps the fall break, full Thanksgiving break, and spring break.
Like	1196	The end date of the school year needs to be changed to end in June. The weather in May is always dicey. Every year, high schools sit in frigid temperatures for graduation. August is our best weather month and kids are back in school. Students should begin school at the end of August or September. In addition, high school athletes are always forced to choose between CHSAA Athletic and activity events and graduation. Senior students are often finished with school and their athletic contests are not complete.

Like	1200	The Fall Break and week-long Thanksgiving Break. I like the Semester to end right before Winter Break - this is important for students so that there is not a long break right before Final Exams. Like	1211	The kids need breaks throughout the semester to recharge. Please keep Calendar A or B
Like	1212	The last day is in May

Like	1230	The start date and end date the fact they still get breaks in between like they have done for years. These kids need breaks and so do the teachers. Why fix it if it not broken.
Like	1231	The start date of the calendar options jumps from 8/13 to 9/2. Why not have a 8/20 or 8/27 option. 8/20 with no fall break would provide an end date of 5/28. It would give the kids an extra week of summer break making it more like a traditional US school summer break and term year. The calendar choices offered create a biased survey which gives the impression the committee wants calendar 2 with at 8/13 start and memorial weekend finish (ie the status quo). I've had 2 kids go through this system and they don't need a week at fall and a week at thanksgiving off. They need more time over summer so they can travel to visit family that live long distances away and do summer camps and summer student exchanges. As well as just enjoy this amazing Colorado summer. DCSD is the earliest starting school district in the Denver metro area! The last time we went through this exercise the results showed the chosen calendar was the single most popular option but the two alternatives that had later starts were significantly more popular than that single item and reflected the majority choice. When these types of surveys are analyzed to make or inform policy decisions the pattern of responses should be analyzed not just the single most popular. The policy decision should reflect the preferences of the majority.

It would be helpful to know this when answering this survey. If midterm exams happen after the 2 week winter break, we're not interested.
Like	1267	This is our favorite calendar!!! It is perfect!!! Fall break, Winter break, Spring break, Summer break. I love the breaks between quarters. Something my kids always look forward to is Fall break and Spring break. Summer is long enough and we don't mind going back to school earlier in August to be able to have all the breaks. Also enjoy having full week of Thanksgiving off. It ends up being a useless week if there was school because so many families take those days off, may as well make it official.

Like	1308	We have too many breaks. The start/stop status quo is not an effective way to teach kids, in my opinion. I like smaller breaks and a longer summer. I feel that this a more traditional calendar that most of the country follows. Thank you for asking our opinion.
Like	1309	We have warmer weather June-Sept, so it makes more sense to start in Sept & end in June! This would be amazing!!!

Like	1310	We keep Fall Break, a week for Thanksgiving, end before Memorial Day
Like	1311	We love Fall Break
Like	1312	We love fall break, if it were shorter a lot of people would just continue taking a whole week anyways and then there would just be more absences, same with Thanksgiving break, when other districts have a short Thanksgiving break people end up just taking the whole week anyways and then being absent more. As far as ending the semester after the holidays then you take away their holiday break because they spend the entire time studying and stressing about their finals not giving a true break to high school students and some middle school students. Having a fall break is so ideal especially for school trips, visiting colleges, providing a cheaper vacation time for families etc. as well as a good mental health break for kids and staff. Same with Thanksgiving break,Ä¶

Like	1317	We love the FALL BREAK. My children need it, as a teacher - I need it - it is a break that allows me to refresh and be a better teacher
Like	1318	We love the week-long fall break. It's a terrific time to travel just about anywhere, and it's off peak pricing. Our family looks forward to this as a core memory maker: Washington DC, Costa Rica, London, etc. Also like the week-long Thanksgiving break, allowing for more travel options.
Like	1319	We need fall break.
Like	1320	We need those breaks in the semester - all of us - teachers, students, and families! Students come back refreshed and rejuvenated and ready to get back to learning! Please keep the Fall, Thanksgiving, Winter, and Spring breaks as currently in use! Just like sitting too long is bad for you, so is long block days (high school) with no breaks to anticipate!
Like	1321	We need to start later.
Like	1322	We need two early start options and two late start options with a balance of fall break, and a no fall break. As it stands right now, late start will lose automatically with 3 calendar choices where early start has 1 real option.

Like	1324	We value a fall break

Like	1325	We would love to see winter break moved from the 19th to the week before. Getting out the 19th is so tough on staff members, and it was less stressful when we had the whole week before Christmas off and went back right after new years.

Like	1332	What we have now, used to it
Like	1333	What we have right now is great! Ending semester at winter break is a MUST for high school! I teach only semester classes and having to finish a semester after the new year is terrible. There,Ãs a reason CCSD moved away from that model. Please keep it the same. Some parents are complaining about colder pool days. Not a priority!!! Giving breaks through the year is better!!
Like	1334	While the breaks are longer than I would like, I also understand that parents will schedule life activities whenever they want. Knowing most students will be out the whole week of Thanksgiving, for example, it feels like a waste of resources to hold classes. Teachers also need and deserve breaks where they can truly relax and recharge.

Like	1340	Wish the district would consider a winter break in February over president's daytime period. The Fall break is a weird time. It doesn't even align with the changing of leaves in Colorado. At least for winter break families could plan to escape the cold or go enjoy the high country a bit more.
Like	1341	Work day when returning from the winter holidays. Fall break. Start earlier and get out earlier--easier to get a summer job when you say you can start at the end of May. Summer employers are okay if you leave early (i.e. schools starts in early Aug) but really want you to be available for the Memorial Day weekend (or SOON thereafter). November is also a good time for a PD day--still lots of time to implement what is discussed.
Like	1342	worst choice because it starts too soon in August
Like	1343	worst one. too many days off and kids start way to early in August.

Like	1344	Would like a longer summer break. Instead of a week off at Thanksgiving; bunch of random Fridays and Mondays off
Like	1345	Would love to NOT have a fall break. It feels very unnecessary. I like the idea of having the week of Thanksgiving off. For working parents It's much easier to take time off associated with a holiday versus a random week in October. I love the idea of the kids enjoying all of August in the great Colorado weather and going back to school after the holiday. I also love the idea of them staying in school through the month of May and ending in June. This is the schedule I grew up with as a kid and it felt like a true summer.
Like	1346	You finish up early

		Was there anything you didn't like about Calendar A?
Dislike	1	it starts too early when It's still so hot outside and ends too early. We also do not need that many full weeks off. So hard for working parents.
Dislike	2	No
Dislike	3	- Starts way too early. - We don't need a fall break and Thanksgiving break.
Dislike	4	- Year starts too early. - I don't see a need for a fall break. - I strongly dislike breaks starting on a Friday. That makes it difficult for work schedules. Large breaks need to be within a week and not spread a day or two a week before/after.
Dislike	5	1) We don't want our kids to start school the first week of August. Please stop doing this. 2) We do not need a whole week off at Thanksgiving, two days is fine 3) No reason the kids cannot go to school through May
Dislike	6	12/19 better than 12/22 out for break
Dislike	7	1st week of August start date
Dislike	8	A sooner fall break could be nice
Dislike	9	A starts and ends too early. It wastes energy on Air Conditioning and costs the district too much money in maintenance.
Dislike	10	A starts the first full week of August
Dislike	11	A week at Thanksgiving is too long, especially after a week off in Oct and almost 3 weeks off in Dec/Jan
Dislike	12	A whole week off at Fall Break- now I have to find child care!
Dislike	13	A whole week off for Thanksgiving is unnecessary
Dislike	14	added days to Christmas/new year break, make MLK weekend a 4-day weekend with one of those days

Dislike	24	All of it. Too early and too many days off
Dislike	25	Allllllllll of it! Too early
Dislike	26	An entire week for Thanksgiving is not necessary
Dislike	27	As a community, we are tired of calendar A and want to actually see a change by going back later
Dislike	28	As a family with two working parents, having to schedule childcare for multiple week-long breaks is expensive and disruptive to regular work schedules. Furthermore, we miss out on the best of summer by starting school in the first week of August.
Dislike	29	Aug 6 is starting WAY too early!

Dislike	30	Aug 6 start date
Dislike	31	Aug 6 start, May 22 end, early start to winter break and late finish to winter break (hard for working families), long Thanksgiving break (hard for working families)
Dislike	32	August 6 is much too early to start school.
Dislike	33	August 6 is starting too early
Dislike	34	august 6 is too early start of a date for school.
Dislike	35	August 6 is TOO EARLY to expect kids to start school ready to learn. As our world gets hotter, this reality holds even more importance. Would love to know why there are no start dates between Aug 14 - early September for consideration. Other school districts in Colorado start in late August. Douglas County seems to always be the earliest one.
Dislike	36	August 6 start to the year makes summer travel plans difficult.
Dislike	37	August 6th is extremely early to start. It really shortens the Summer in Colorado. The school calendar needs to appreciate that it still snows in Colorado sometimes in May and early June and how hot August is. That,Ãs when they should be at the pool, etc.
Dislike	38	August 6th is just too early to start school - it is so hot, and the students/families are not ready to start that early.
Dislike	39	August 6th is too early to start school
Dislike	40	August 6th is way to early to go back to school. Sometimes our "summers" begin so late here due to the weather that it feels like we've barely had summer and then we're going back to school.
Dislike	41	August 6th is way too early to go back to school

Dislike	47	beginning of year so early in august
Dislike	48	Begins too early and breaks are too long. Makes it very challenging for kids that go to summer overnight camp and for parents that work full-time
Dislike	49	Both the fall holiday and the Thanksgiving week.
Dislike	50	break over thanksgiving is too long
Dislike	51	Bummer to start so early in August (cuts the summer short) but not too many other options in Colorado so...

Dislike	52	Calendar A begins the school year MUCH too early in August. The weather is too nice in August to be back in school that early. Such an early start date makes it difficult to arrange family travel with extended family in other states.
Dislike	53	Calendar A has school starting too early. It is hot outside and it is still summer. I really think the District should try and change it. So many people would like to see this change.
Dislike	54	Calendar A put 2 more weeks (school starting earlier and Fall break occurring later) between the start of the year and a break than calendar B. It seems like it would be smart to split the difference on that and have the one starting the school year earlier have fall break earlier also.
Dislike	55	Calendar A starts to early. Everyone is still enjoy their summer.
Dislike	56	Calendar A starts too early in August.
Dislike	57	Calendar A starts too early. Early August is incredibly hot - classrooms are hot and buses are extremely uncomfortable. Calendar has too many breaks. Limit the number and size of breaks and shorten the school year
Dislike	58	Calendar A starts WAY too early. August is a summer month here in Colorado, our kids are missing out on a great month of summer fun with HOT temps. Schools are also having to pay a LOT of money to run AC to keep school cool during the month of August.
Dislike	59	Calendar A Worked Well for us, no suggested changes.
Dislike	60	Can we take all the random processional development days and lump them in to a professional development week before school starts to add a week to summer? It's very hard on parents to have so many random 3 and 4 day weekends.
Dislike	61	Colorado summers are incredible and don't really get going until June and the weather through September is still beautiful. Many of the kids activities such as going to the pool, etc are timed to a traditional summer calendar so it is incredibly frustrating to begin school in what feels like the middle of the summer and to be let out in spring. We don't need a week off each fall either.
Dislike	62	Could maybe start a week or 2 later then finish a week or 2 later while incorporating the breaks
Dislike	63	Could we eliminate some of the days slotted for Thanksgiving to give us more days ahead of beginning school in August?
Dislike	64	Did not like that fall break moved out a week for 25-26 only. People plan in advance and moving fall break for only one year messes that up. Please reconsider keeping it consistent with every other year and move back to 12-18.
Dislike	65	Didn like at all

Dislike	69	Dislike the earliest start date of August 6th, inclusion of Fall Break, full week Thanksgiving break
Dislike	70	Dislike the early August start date and finish date before Memorial Day weekend
Dislike	71	Do not like having to start so early in August, do not like having to come back one single day after Memorial Day.
Dislike	72	do not like how early school begins in august, do not like how late school returns after winter break, why can't we have a two day fall break instead of full week?
Dislike	73	Do not like starting early in August. Summer in Colorado is August. It snows in May and kids really can't do anything outside till June. Also it is hot in August. Schools can save on AC if they have it. Kids need a true summer in Colorado. Im tired of voting year after year for a later start and nothing comes of it. You do not give people a choice! Sports can start early if that is the problem but other states do not start early and other schools in Colorado do not start this early. It is ridiculous !
Dislike	74	Do not like starting to early and getting out so early. Rather enjoy the warm months of July and August with my kids

Dislike	86	Don't need a week off for Thanksgiving and school starts too early in August. Christmas break is too early. Would rather have Christmas break closer to Christmas and start later in January.
Dislike	87	Don't need both a full week at fall break and THanksgiving. Make Thanksgiving a two day break. Also school year starts way too early.

Dislike	128	early start and early get out. Bad for environment, student safety, family plans
Dislike	129	Early start and end
Dislike	130	Early start and we do not need a full week off at Thanksgiving. EVER.
Dislike	131	Early start back
Dislike	132	Early start date
Dislike	143	Early start date
Dislike	146	Early start date and early end date
Dislike	147	Early Start date in August
Dislike	149	Early start date, having a full week off of fall break on top of having a full week for thanksgiving barely a month later
Dislike	150	Early start date. Would rather keep calendar, a exactly as is with brakes, but start later in the year, and get out later in the year.
Dislike	151	Early start early out
Dislike	152	Early start in Aug
Dislike	153	Early start in August
Dislike	157	Early start in August, but not a huge deal

Dislike	158	early start in August, while its still too hot, too many long breaks, end of school too son (June does not feel like summer yet)
Dislike	159	Early start in August.
Dislike	160	Early start in August.
Dislike	161	Early start in August. Would like to start later in August and get out later in May.
Dislike	162	early start of the year
Dislike	163	Early start to year for 2 additional days over thanksgiving.
Dislike	164	early start- short summer. do the others allow finals before wintr break
Dislike	165	Early start, early end. May weather is lousy.
Dislike	166	Early start, full week at Thanksgiving
Dislike	167	Early start, full week off of Thanksgiving. Happy to extend the year longer to later May/early June and shorter Thanksgiving break to start earlier.
Dislike	168	Early start, kids are missing the warm days of summer and when the school ends sometimes May is still cold to enjoy the summer break
Dislike	169	Early start, long breaks
Dislike	170	Early start, more time off in the fall
Dislike	171	Early start.
Dislike	172	Early start. Calendar B is more appealing.
Dislike	173	Early starting date
Dislike	174	Early summer timeframe start
Dislike	175	Eliminate Fall Break please!
Dislike	176	Ending in May
Dislike	192	Everything
Dislike	193	Everything - it's a terrible schedule. We miss out on the nicest month of summer going back that early. Please do NOT use this Calendar A.
Dislike	194	Everything - the early August start date is too early. I would gladly give up fall break or shorten thanksgiving break or go later into may to avoid starting during the summer.
Dislike	195	Everything about that calendar is anti-summer
Dislike	196	Everything else
Dislike	197	Everything else. Its a terrible calendar. Starts too Early. Fall break is too late. And ends too early
Dislike	198	Everything, starts early, ends early, do not prefer full week fall break or Thanksgiving

Dislike	199	Everything! It starts WAY too early- August is the nicest month, the best month for camping and being outside, but instead we are stuck inside during the best month of the year.
Dislike	200	Everything! School would start too early in the summer and get out before the weather is actually enjoyable.
Dislike	203	Everything. Starts way too early, ends way too early. Too many long breaks early in the year (fall break/Thanksgiving/Christmas in short order) are hard for working families and students to be engaged. This is a very difficult schedule that seems to be selected every year.
Dislike	204	Everything. Getting out in the spring (a month before summer starts) means school is in session for the nicest summer month (August).
Dislike	205	Everything. Starting school August 6th is insane. Having so many breaks and having summer end a month before it's supposed to is crazy. I can't express how much I hate this setup. We have talked to DOZENS of families over the last 2 years since the last survey and we have not found one single person who voted for this system. Is the survey flawed? Can you vote multiple times? Why are you putting the bad schedule first? I don't know if I'll be given a space to write about the survey in general so I'm entering my grievances here. It's also extremely unfair for the 26/27 schedule to not have a similar structure for the optimal later start schedule. Why don't the years mirror each other to provide the same no fall break/later start for two? This feels like the survey is produced in a way to make people choose the bad schedule. I don't get it.
Dislike	206	Everything. The early start date takes away a month for family vacations that usually doesn't interfere with other activities. There is no reason to finish before Memorial Day. We do not need a full week of fall break and a full week at Thanksgiving. Compress the in-year days off and start later and end later.
Dislike	207	Everything. This gives the kids such a short summer. They do not need a Fall Break, a week for Thanksgiving and then Winter break.
Dislike	208	Everything. Too early of a start and end day of the school year.
Dislike	209	Everything. Too early of a start date.
Dislike	210	Everything. Too many breaks that parents have to schedule around and too short of a summer.
Dislike	211	Everything. Why are we starting so early. It's blistering hot and then we end when it's still cold and snowy. Everyone says it's because of testing...but other districts have figured it out.
Dislike	212	Everything. Year starts too early, don't need a full week at Thanksgiving
Dislike	213	Everything...see previous answer because it is a waste of time to ask this many questions
Dislike	214	Everything...too early of a start in August.
Dislike	221	Fall break - too late. Makes the quarters unbalanced.
Dislike	222	Fall break - way too many days off in the fall already. The start date is a little too early as well.

Dislike	223	Fall break and Thanksgiving break are too long together. Winter break is too short.
Dislike	224	Fall break and Winter break do not match Cherry Creek Schools where I work.
Dislike	225	Fall break changed
Dislike	226	Fall Break comes late
Dislike	227	Fall break comes much too soon after kids have started school and gotten into a routine, as well as parents getting into a routine. I don't understand the purpose of fall break, as we just have to find childcare and pay for that. We lose an entire month of summer when school starts in early august.
Dislike	228	Fall Break does not align with CCSD. This would result in our family not being able to travel during this time.
Dislike	229	Fall break does not match neighboring districts breaks
Dislike	230	Fall Break doesn't align with neighboring districts (Cherry Creek)
Dislike	231	Fall break feels later than normal.
Dislike	232	Fall break is a little late.
Dislike	233	Fall break is a week later, even though we go back earlier in August. That's a long stretch! Why can't Fall Break start Oct 13, like on the other calendars? Also, I hate the idea of going back on Aug. 1st as a staff member. August feels incredibly long already, and going back early in the month feels like it's still the middle of summer. What I'd really like is to go back mid-August and finish at the very end of May or beg. of June, before summer weather really starts.
Dislike	234	Fall break is a week too late
Dislike	235	Fall break is not aligned with Cherry Creek School District. This is a huge problem for teachers who live in other districts and whose children attend schools in other districts.
Dislike	236	Fall break is not necessary and puts a huge strain on working families. Mid to late-August through end of May is ideal school calendar.
Dislike	237	Fall break is not needed
Dislike	238	Fall Break is pretty late in October.
Dislike	239	Fall break is pushed back a week and we start early. B was the better choice in this case.
Dislike	240	fall break is too late in the month, conflicts with marching band state championships at the end of October
Dislike	241	Fall break is too many consecutive weeks off with thanksgiving and Christmas break. Disrupts learning too much.
Dislike	242	Fall break is unnecessary.
Dislike	243	fall break seems late
Dislike	244	Fall break should be 2 weeks.
Dislike	245	Fall break too close to Thanksgiving.
Dislike	246	Fall break, extra days before and after winter break

Dislike	247	Fall break, I think it's unnecessary
Dislike	248	Fall break. School starts way too early in August.
Dislike	249	Fall break. Start and end times.
Dislike	250	Fall semester starts TOO early - 1st week of August
Dislike	251	Feel like shortening the thanks/Xmas break and starting later in Aug would be better
Dislike	252	Finding child care for Fall Break and Thanksgiving break, in addition to two weeks in December, will be very difficult. Finding camps or child care the week during memorial day is going to be a challenge.
Dislike	253	Fine
Dislike	254	First day is too early - let the kids have summer and enjoy the warmer weather.
Dislike	255	First day is too early, fall break too late
Dislike	256	First day of school is too early
Dislike	257	First week of August is way too early. Starting the second week is best.
Dislike	258	Full thanksgiving week
Dislike	259	Full week at thanksgiving makes it hard to take off all of the time needed to cover the winter break.
Dislike	260	Full week for thanksgiving break, early start of the school year
Dislike	261	Full week off for Thanksgiving and early start
Dislike	262	Get out too early in May and go back too early in August.
Dislike	263	Getting out before the pools even open and it's too cold in the mountains to go camping is pointless. There is too much time taken for Winter Break.
Dislike	264	Getting out for summer in may when It's still cold and starting school in the dead heat of summer
Dislike	265	Go back to school too early
Dislike	266	Go back too earlier and start Summer break too early
Dislike	267	Going back to school in the middle of the summer and getting out in the middle of the spring. It's terrible.
Dislike	268	Greatly dislike the very early start of the school year. The kids should be enjoying summer
Dislike	269	Hard to start the year so early
Dislike	270	Hate starting early August. You miss a month of summer.
Dislike	271	hate starting so early in August
Dislike	272	Hate the early August start
Dislike	274	Hate the early August start date. It's still the height of the summer and they are stuck sitting inside in class all day.
Dislike	275	Hate the early start date.
Dislike	276	Have you thought of shortening Fall break so that we can start a few days later

Dislike	278	How early in Aug it starts
Dislike	279	How early in August it starts
Dislike	280	How early in August it starts!!! Let kids have more summer! August is so hot in Colorado and May/June is so rainy and cold still.
Dislike	281	How early in august school starts
Dislike	282	How early in August the start date is. August has the best weather for summer and it gets wasted having school the entire month.
Dislike	283	How early in August we,Äôd start
Dislike	284	How early in the summer the school year began.
Dislike	285	How early it started
Dislike	286	How early it starts AND gets out!
Dislike	287	how early it starts in august
Dislike	288	How early it starts in August and ends in May
Dislike	289	How early it starts.
Dislike	290	How early school started in August
Dislike	291	How early school starts
Dislike	292	How early school starts in August.
Dislike	293	How early the kids start school
Dislike	294	How early the school year starts, an unnecessary week off in October, school ends way too early in May.
Dislike	295	How early the school year starts.
Dislike	296	How early the start date in August was
Dislike	297	How early the year starts/ends
Dislike	298	How early we start school. August should still be summer.
Dislike	299	How early we start, and I don't feel we need a fall and Thanksgiving break. I don't think it helps our students.
Dislike	300	How early we start, but that is outweighed by a full winter break and the fall and thanksgiving breaks.
Dislike	301	How short Thanksgiving break is
Dislike	302	How soon the school year starts.
Dislike	303	I absolutely hate the idea of starting school on August 6th. It is 100 degrees outside, the kids are all getting sun burns at recess, the classrooms are all either hot, or else freezing because the AC is working so hard to cool the sections of the building that never actually cool off. The pools are still open, and kids should be enjoying that time.
Dislike	304	I am against Fall break in October and too early of a start in August

Dislike	307	I did not like how early in August it started and how the school year ends in spring still. We need more warmer weather.
Dislike	308	I did not like how early school starts in August.
Dislike	309	I did not like the early Aug. start date
Dislike	310	I didn't like how early they started and how early they ended on May.
Dislike	311	I didn't like the early start date.
Dislike	312	I didn't like how early the school year started
Dislike	313	I didn't like how the teacher's work day was after Memorial Day.
Dislike	314	I didn't like starting so early or ending so early. I'd rather have school start late August and go until closer to June.
Dislike	315	I didn't like that the school year ended on May 22nd as opposed to May 28th.
Dislike	316	I didn't like the Fall Break and another break in Nov and then a Winter Break- Can we just have a solid 2-3 months of school? These starts and stops are not good for retention of skills or good for momentum of skill building for students.
Dislike	318	I dislike the long winter break. Why is there no option for a one week break? All 4 calendars only have a 2+ week break option. It is too long for working parents. There should be other options provided.
Dislike	320	I do not like Calendar A at all, the early start and the full week of Thanksgiving.
Dislike	321	I do not like fall break.
Dislike	322	I do not like getting out that early in May
Dislike	323	I do not like how early the school year starts and ends. Most neighboring districts start the 2nd or 3rd week of Aug.
Dislike	324	I do not like how early they go back to school in August. Let the kids enjoy summer!
Dislike	325	I do not like start school on August 6, 2025. Too early, and May 22 is too early.
Dislike	326	I do not like starting so early in Aug and then having so many breaks during the fall. This is disruptive to our family and to working parents schedule. I also believe its disruptive to have so many starts and stops w/ long breaks for the kids.
Dislike	327	I do not like starting so early in August. It is too hot and it still feels like summer.
Dislike	328	I do not like starting so early in August. Kids miss so much of prime summer in that one week.
Dislike	329	I do not like starting the year so early. August is still summer and it is hard for families to take vacations that align with family in other states.
Dislike	330	I do not like that school starts back so early in August.
Dislike	331	I do not like that school would start so early, August 6.

Dislike	332	I do not like the early August start date, I do not feel we need a fall break and we do not need a full week off for Thanksgiving. Having a fall break in October, a week off for Thanksgiving and then 2 weeks for winter break does not provide consistency for our students and makes it hard for families.
Dislike	333	I do not like the early start date. Aug. 6 is way too early to start.
Dislike	334	I do not like the early start. I would rather start a week later and end a week later.
Dislike	335	I do not like this calendar at all.
Dislike	336	I do not want school to start aug 6
Dislike	337	I do think Thanksgiving break should only be 2 days, I think it's excessive to have a full week.
Dislike	338	I don't like a whole week off for Thanksgiving. Unnecessary.
Dislike	339	I don't like any of it
Dislike	341	I don't like going back early in August
Dislike	342	I don't like it at all
Dislike	343	I don't like that it starts so early
Dislike	344	I don't like the early return date. Also, May can also be dreary, rainy and cold. So kids are on "Summer Break" only to be stuck inside again. It is absurd.
Dislike	346	I don't like the start date for the school year being so early.
Dislike	347	I don't love how early we start in august
Dislike	348	I don't believe a Fall Break is needed. I would rather start a bit later and reserve the Fall break for Thanksgiving week.
Dislike	349	I don't know if we need a full week off at Thanksgiving Break.
Dislike	350	I don't like a week long fall break. A 4 day weekend would be sufficient and maybe a 4 day weekend in the end of April would be nice.
Dislike	351	I don't like another full week off for Thanksgiving, right before Winter Break. I think it's better just to have a couple days off so the routine stays more constant.
Dislike	352	I don't like any of it.
Dislike	353	I don't like how early in August the kids go back to school because that is still summer time that they can be spending with family and preparing for sports.
Dislike	354	I don't like how early it starts and how long thanksgiving break is
Dislike	355	I don't like how early the school year begins.
Dislike	356	I don't like how early they get out in May and how early they go back in August. The weather in May is still so unpredictable for outdoor activities. Would be nice to take advantage of the summer months more.
Dislike	357	I don't like how early they go back to school. August is prime summer weather and we would like to spend it outdoors.

Dislike	358	I don't like it at all.. I think the kids have way too much time off. Should not have a week off for fall break and then a week for Thanksgiving. They get out too early and go back too early. It is hard to even enjoy summer break getting out that early in May.
Dislike	359	I don't like it much, but at least there's a fall break.
Dislike	360	I don't like starting so early in August.
Dislike	361	I don't like starting so early in August. This impacts students participating in 4-H and fair events. It impacts hot summer activities with families.
Dislike	362	I don't like starting that early in August.
Dislike	363	I don't like that early of a start to the school year
Dislike	364	I don't like that it includes an entire week for thanksgiving, that is just unnecessary since any travel during that week is painful and ridiculously expensive, so the kids end up just sitting around the house on electronics Mon-Tues while the parents have to still work. Also Fall Break is too late in this calendar, it's much better the week earlier, especially considering ANOTHER full week is coming for thanksgiving only 4 weeks later. If you choose a full week thanksgiving calendar, please move fall break sooner in October.
Dislike	365	I don't like that it starts so early in August and gets out of school late in May. It would be nice to see this calendar option with a later August start time and getting out of school later in June. Calendar D shows these start/end times but does not include Fall Break.
Dislike	366	I don't like that it starts so early in August. I am also a teacher :)
Dislike	367	I don't like that it starts so early, so I think B is better.
Dislike	368	I don't like that it still ends in later may
Dislike	369	I don't like that teachers have to come back for a workday after the 3 day Memorial Day weekend.
Dislike	370	I don't like that there is a teacher work day after memorial day.
Dislike	371	I don't like the dates of spring break. I would like it pushed back to the 23rd-27th. I only like teacher work days after breaks. I don't think they are useful before breaks (like December 19th).
Dislike	372	I don't like the earlier start to the school year
Dislike	373	I don't like the early August start and early end in May
Dislike	374	I don't like the early end and start dates.
Dislike	375	I don't like the early start and early end dates of the school year in calendar A.
Dislike	376	I don't like the early start and fall break
Dislike	377	I don't like the early start date
Dislike	378	I don't like the early start date and I would be fine to reduce Thanksgiving Break to 2 days off.

Dislike	379	I don't like the early start date, extra friday added to the front of winter break and early end to the year.
Dislike	380	I don't like the early start in August
Dislike	381	I don't like the early start in August.
Dislike	382	I don't like the early start of the school year. I don't like having the fall break. I think the students get out unnecessarily early.
Dislike	383	I don't like the full week for fall break. I think that is much too long. I would rather have 1-2 days for fall break which is not an option for any of them. I have had to pay for my kids to be in camp every year since I am a teacher in a different district and I cannot take a week off of school.
Dislike	384	I don't like the teacher work day after Memorial Day. We have done this in the past. It is very inconvenient to have to work after the holiday weekend for one day and then start summer break.
Dislike	385	I don't like them having the whole week of Thanksgiving off.
Dislike	386	I don't love how early we start
Dislike	387	I don't love starting school so early in August.
Dislike	388	I don't love that new teachers have to report back at the end of July and that all staff members have to report back at the very beginning of August.
Dislike	389	I don't prefer Fall Break as a teacher
Dislike	390	I don't think we need a week at Thanksgiving.
Dislike	391	I don't think we need a whole week off for Thanksgiving.
Dislike	392	I don't think we need to start school that early in August
Dislike	393	I don't want to start in August
Dislike	394	I dont like staring so early.
Dislike	395	I feel It's a short fall break.
Dislike	396	I feel like August 6th is very early to start.
Dislike	397	I HATE going back so early in August when the weather is still nice.
Dislike	398	I hate having the school year start so early in August.
Dislike	399	I hate how early option A starts. The 3rd week of August would be a lot better. As a family, June is too cold to really enjoy camping and stuff. I wish to enjoy the warmer summer month in August.
Dislike	400	I hate how early we start
Dislike	401	I hate starting school so early.
Dislike	402	I hate the whole week of Thanksgiving off right before long winter break
Dislike	403	I have never liked starting school for the kids so early in August And ending at the end of May.

Dislike	404	I know it's petty, but don't put the comp day the day before Thanksgiving. That feels like a cheap out and that it's not really a comp day. I'd even be happier if it were on that Monday or January 2nd. Optics thing.
Dislike	405	I like B's later start date, but that is not a big deal.
Dislike	406	I like everything about A
Dislike	407	I like having fall break in mid October, but otherwise it has everything!
Dislike	408	I like it
Dislike	409	I like teacher work days after breaks not before. I feel like they are more productive when we get back from a break.
Dislike	410	I like that there is a fall break
Dislike	411	I loved it!
Dislike	412	I prefer a shorter Thanksgiving break.
Dislike	413	I prefer fall break to start on Oct 13 b/c it is a Federal holiday so some parents have that day off. I wouldn't mind starting Winter Break on Dec 22.
Dislike	414	I prefer no fall break
Dislike	415	I prefer the week of fall break in B
Dislike	416	I prefer to not have a full week for thanksgiving break.
Dislike	417	I really would like a later school start date.
Dislike	418	I stated it above
Dislike	419	I still believe starting the school year the first week of August is too early. It's still summer. While the kids get out of school in May when it's still cold. Also, it was reported to me at Fall P/T conference that my Kindy has been struggling in school since Winter break due to so much time off. I do feel like Winter break is too long, especially for working parents who need to find and pay for childcare. Further, there is a district holiday every week thereafter for the rest of January (MLK, President's Day)
Dislike	421	I think the District could save a ton of money in energy costs if they didn't put kids in school during the hottest month of summer. It starts way too early!
Dislike	423	I very much dislike the early start dates.
Dislike	424	I want to start in September
Dislike	425	I wish 25/26 Spring break was a week earlier
Dislike	426	I wish school started later in Aug/early Sept but that would mean no Fall break
Dislike	427	I wish they could start one week later, like in C. Everything else was good.
Dislike	428	I wish they didn't start as early as August 6th.
Dislike	429	I wish we could start a week later

Dislike	430	I wish Winter break started on December 22nd.
Dislike	431	I would have pushed the start date and end date back on week.
Dislike	432	I would like a day or two for fall break. You can even start school the week before Labor Day . A long weekend after school starts could help with the transition back to school
Dislike	433	I would like it to start later in the year and end later in the year.
Dislike	434	I would like to start later and shrink fall break a little.
Dislike	435	I would liked to have seen 3 days for fall break and 3 days for Thanksgiving. That would have given us 4 more school days and allowed for families/staff to start 4 days later into July/August.
Dislike	436	I would love to do calendar D, with a full Thanksgiving break, but end for summer sooner, since there,Äôs no Fall Break. Or option C to start August 13, with a shorter fall break, and starting later for winter break, like option D, and getting out of school by May 22.
Dislike	437	I would love to have a fall break added.
Dislike	438	I would love to see school start a little later in August and a three day fall break, not a full week
Dislike	439	I would prefer a later start time and shortened fall break,
Dislike	440	I would prefer having the option to have a later August start and finishing the school year in June.
Dislike	441	I would prefer later start in August
Dislike	442	I would prefer the 4 day weekend in April to coincide with Easter.
Dislike	443	I would prefer to have winter break start a little sooner and go back right after New Year's Day. There is always so much to do before the holidays and nothing afterwards.
Dislike	444	I would prefer to not have this option. This would move fall break 1 week later than what we have typically had in the past and we have already made plans. If we change the date can we please give more notice.
Dislike	445	I would prefer to start on the Monday, August 4, not Friday, August 1.
Dislike	446	I would prefer two weeks of fall and spring break (for all calendar options). I'm ok with summer beginning later to accommodate this. Our kids' former elementary school (Meadow View Elementary) had a calendar like this when we entered the district back in the early-mid 2010's.
Dislike	447	I would rather start school a few days later in August and go back sooner in January.
Dislike	448	I wouldn,Äôt mind if the start and finish dates were both pushed back a week
Dislike	449	I wouldn't mind adjusting the timeline for an even sooner start and end dates.
Dislike	450	I'd like to see school start mid-August vs early August
Dislike	451	I'd rather start the year later and not have fall break
Dislike	452	I'm not a fan of fall break and all the 4 day weekends!

Dislike	453	I'm not sure we need a full week for Thanksgiving--but it is REALLY nice to have.
Dislike	454	In a perfect world, a later start. Can't have everything in 1 calendar.
Dislike	455	Is too early the kids still have really good weather to enjoy playing outside rather have the kids entering in September best choice is D
Dislike	456	It begins early, but it allows for breaks throughout the year so that's alright.
Dislike	457	It conflicts with the first two days of March Madness, which is a huge "guys Vegas weekend" event
Dislike	458	It cuts into summer and terms too early
Dislike	459	It didn't change anything as far as start date, fall break etc
Dislike	460	It doesn't align with other school districts in the area.
Dislike	461	It is absolutely disgusting that Douglas County does not acknowledge or celebrate Veterans day. What an embarrassment.
Dislike	462	It is an early start date
Dislike	463	It is consistent with what we are use to
Dislike	464	It is perfect
Dislike	465	It is perfect!
Dislike	466	It is too early in August
Dislike	467	It is usually very hot in August, even inside air conditioned schools because the buildings are so large and the systems can't always keep up with the extreme heat.
Dislike	468	It is way too early of a start date. It's so hot at the start of August and the schools can't regulate indoor temperature.
Dislike	469	It should delineate teacher workday or a fall holiday day for Yom Kippur
Dislike	470	It started too early in Aug!
Dislike	471	It started too early, it could have started a week later and gotten out a week later and still had the full breaks
Dislike	472	It started too early. Ended too early.
Dislike	473	It starts a bit early and ends the year a bit early. Lots of Oct/Nov days off (the two full weeks off could be trimmed a little)
Dislike	474	It starts early
Dislike	475	It starts early in August and has several long breaks.
Dislike	476	It starts really early
Dislike	477	It starts school so early.
Dislike	478	It starts so early in August.

Dislike	479	it starts SOOOO early! Way too early. That's icky to start so early.
Dislike	480	It starts to early
Dislike	481	It starts to early in the year, fall break is more of a burden than anything else
Dislike	482	It starts to early. Pools are still open. There is no value in a October week break when skiing is not available and warm places have hurricane risk
Dislike	483	It starts too early
Dislike	485	It starts too early and ends too early season wise
Dislike	486	It starts too early for calendar A. Calendar B is much better on the start date. The end date after Memorial Day is totally fine because it still isn't in June yet (a big plus for the 26-27 proposed calendar).
Dislike	487	It starts too early in August
Dislike	489	It starts too early in August and end so early in May that it most likely won't even be very warm yet.
Dislike	490	It starts too early in August.
Dislike	491	It starts too early into the summer, let kids and families enjoy more of the summer
Dislike	492	It starts too early kids across the country don't usually start that early and would like more of a summer break.
Dislike	493	It starts too early.
Dislike	495	It starts too early.
Dislike	496	It starts WAAAAY too early. You lose all the best outdoor/mountain time.
Dislike	497	It starts way too early as too hot in early Aug. so wasting money on AC instead of teachers, etc., no need for a Fall break if school is started later and no need to get out May 22nd when it is cold and rainy.
Dislike	498	It starts way too early in August and completely torpedoes what is one of two of our "real" summer months here in Colorado. Instead, the kids get out of school only one or two weeks after what is often our last snow around mother's day and it's still cold and rainy. The pools aren't even open yet! So this is bad at the start AND bad at the end.
Dislike	499	It starts way too early in August... the summer is just getting started and we have to send the kids to school. We have family around the country and the summer breaks don't line up and it makes it difficult to get together. This is my least favorite schedule!
Dislike	500	It starts WAY TOO EARLY. It is still summer through August, and the kids need that time to still enjoy summer. Finishing before Memorial Day is not that great as it still doesn't get that warm here until later into June.
Dislike	501	It was my least favorite. We start too soon back to school in the Fall (lose summer vacation time.
Dislike	502	It was my second choice
Dislike	503	It would be nice to cut time around Christmas to be closer to Calendar D with just 2 weeks off. I also personally don't feel like we need a full week for Thanksgiving.

Dislike	504	It would be nice to have spring break a week later.
Dislike	505	It would be nice to know the beginning and ends of the quarters.
Dislike	506	It's a really early start date and winter break is really long.
Dislike	507	It's an early start, but I'd rather do that than lose the breaks.
Dislike	508	It's better to have a shorter fall break and start later. Winter break is long.
Dislike	509	It's my least favorite option because of the early August return to school date.
Dislike	510	It's SO hot in early August and cool/rainy end of May & early June. This calendar makes no sense for enjoying summer and also THEY NEVER GO TO SCHOOL with all these breaks.
Dislike	511	It's still so hot in August and cold in May and June. We need to shift the school year to better accommodate this. Starts too early
Dislike	512	It's the same as we have and we start too early in August.
Dislike	513	It's the same we're used to having.
Dislike	514	It's too early to start the school year.
Dislike	515	January 5th start date after break
Dislike	516	Just the early start date in August
Dislike	517	Just the super early start in August, but it's not super terrible. We get plenty of nice long breaks which is amazing!
Dislike	518	Kids do not need a fall break
Dislike	519	Kids get out of school to early
Dislike	520	Kids need summer. August is so hot here, lets so start them so early
Dislike	521	Lack of movement on spring break days
Dislike	522	Last choice. Starts too early and we miss most of the actual summer here. Gets out so early.
Dislike	523	last day of school being May 22, 2026
Dislike	524	Late Fall Break, early schedule start in August (would rather end later in May)
Dislike	525	Late fall break, fall break in general
Dislike	526	later fall break that I would like
Dislike	527	Later start would be better but not to sacrifice fall/ Thanksgiving breaks
Dislike	528	Least favorite. School gets out/starts too soon. Too many long breaks within the school year - no need for full week off for fall break, then 3 weeks later a week off for Thanksgiving, then a few weeks later, 2 weeks off for Christmas. Kids and family would rather have more of that time in summer.
Dislike	529	Length of time off for Christmas early start of year and early dismissal
Dislike	530	like the later start date of calendar B

Dislike	531	Liked it all
Dislike	532	long and lots of breaks
Dislike	533	Long Christmas break and too early of a start time
Dislike	534	Long winter break
Dislike	535	Longer summer less school year breaks
Dislike	537	Love it.
Dislike	538	Loved it
Dislike	539	Makes it hard on working parents
Dislike	540	May be adding additional day or two holidays to start late first week of Jan will be good
Dislike	541	Maybe a slightly later spring break
Dislike	542	Maybe add in a two day ,Áúfall break,Àù
Dislike	543	maybe starts a little too soon not sure i want a full week for thanksgiving
Dislike	544	Maybe that Fall Break was the following week after Calendar B
Dislike	545	Maybe two weeks at thanksgiving instead of a fall break
Dislike	546	Me parecen que esta Bien planificado
Dislike	547	Mid June end date seems very late.
Dislike	548	Most of it.
Dislike	549	My children go Rock Canyon and American Academy and having start dates two weeks apart does not help. When they belong to the same county they should have same schedules I think.
Dislike	550	My kids don't need a full week off for Fall Break AND Thanksgiving break
Dislike	551	my least favorite because there are too many small breaks.
Dislike	552	N/A
Dislike	566	n/a
Dislike	567	NO
Dislike	568	NA
Dislike	581	Na
Dislike	583	Need more days in August to allow for a break between summer sports and the start of school
Dislike	584	Need two weeks for fall break.
Dislike	585	Needs a later start date
Dislike	586	New teachers starting in July, but that only affects a small percentage of teachers.
Dislike	587	no

Dislike	807	No
Dislike	813	no
Dislike	814	No - it was great. We don't need all these extra days off during the year, and I sincerely hope that you take our feedback into account because I have personally heard from several teachers that in the past the votes have been overwhelming to get rid of fall break in October but the teachers have told us that you don't even care about parent feedback. You just do it for show. That is extremely disappointing to hear. I hope that is not the case.
Dislike	815	No (prefer to start later but given the breaks understand the early start)
Dislike	816	No break until thanksgiving.
Dislike	817	No Fall Break
Dislike	818	No it is pretty much the same as what we usually have
Dislike	819	No It's pretty balanced
Dislike	820	No need for October break
Dislike	821	no perfect
Dislike	822	No- liked everything
Dislike	823	No, as long as it matches CCSD
Dislike	824	No, Calendar A is acceptable.
Dislike	825	No, I liked it all.
Dislike	826	No, I prefer this calendar.
Dislike	827	No, I really like this calendar option.
Dislike	828	No, I think it's perfect!
Dislike	829	No, I think the calendar is spaced out evenly with breaks.
Dislike	830	No, I thought it was perfect.
Dislike	831	No, it is the best option. No comparison.
Dislike	832	no, it looks similar to previous calendars
Dislike	833	No, it's perfect!
Dislike	834	No; It's great
Dislike	835	no; it's perfect as is
Dislike	836	No.
Dislike	847	No.
Dislike	855	No.
Dislike	856	no. It is a little early but I would rather start early and have a fall break

Dislike	857	No. This one is good
Dislike	858	No. I like it better than any others. Lose fall break and start later in August.
Dislike	859	No. I loved everything
Dislike	860	No. I think it is the best choice.
Dislike	861	No. I,Ãm used to this school schedule and want to keep it as it. It works for us.
Dislike	862	None
Dislike	869	none!
Dislike	870	None. Some complain about coming back so early. If you plan for it, It's just fine!
Dislike	871	Nop
Dislike	872	Nope
Dislike	886	Nope- love Calendar A.
Dislike	887	Nope, love it
Dislike	888	Nope!
Dislike	889	Nope.
Dislike	890	not aligned to other districts.
Dislike	891	Not enough days of school.
Dislike	892	Not in school enough
Dislike	893	Not late enough.
Dislike	894	Not much.
Dislike	896	Not really
Dislike	897	Not really It's prefered
Dislike	898	Not really just maybe a little early
Dislike	899	Not really, I just love the idea of starting the school year in September so D is my choice head & shoulders above the rest.
Dislike	900	Not really.
Dislike	901	Not really. This calendar works the best.
Dislike	902	Not really...I think it does help break up the school year.
Dislike	903	Not smart to start school still in august
Dislike	904	Not sure why you need 5 teacher prof development days all through the year. We had maybe 1 growing up and rest were over summer (aunt was teacher). I,Ãd rather have the extra time in Aug. Don,Ãt start kids on Wed. Start following Monday and add those teacher prof days up front. Seems like district just wants a lot of long weekends.

Dislike	905	Not too much, but it just starts a little bit early
Dislike	906	Noted above.
Dislike	907	Nothing
Dislike	920	Nothing
Dislike	921	Nothing at all It's the perfect schedule
Dislike	922	Nothing comes to mind.
Dislike	923	NOthing has remotely changed on this survey and would like to see some considerations take into account for responses
Dislike	924	Nothing. A is perfect.
Dislike	925	October break
Dislike	926	October Fall Break is unnecessary and shortens summer break.
Dislike	928	Option d will create issues with summer camp counselor staff. All the breaks are already difficult to manage, didn't need to be worse.
Dislike	929	Our family loves this calendar!!! Our out of state friends who have calendars similar to C & D are envious of our calendar and hate their minimal time off during the school year.
Dislike	930	Overall would prefer a shorter winter break
Dislike	931	Prefer fall break coordinated with Indigenous Peoples Day , calendar version for B is; would prefer a break the week of President's Day
Dislike	932	Prefer later start (late August or early September)
Dislike	933	Prefer later start. Still summer in first week of August
Dislike	934	Prefer less breaks. Prefer later start.
Dislike	935	Prefer the following week for spring break.
Dislike	936	Quarter 1 is 10 weeks, quarter 2 is 7 weeks. For teaching purposes it should be closer to the same amount of time. Why can't we move fall break ahead by one week and it would be 9 then 8 weeks for the quarters.
Dislike	937	Recommend shorter Thanksgiving break, students do not need a whole week after just having a week long fall break.
Dislike	938	Same as always
Dislike	939	Same as B, but 1 week earlier
Dislike	940	Same is current calendar
Dislike	941	School Begins to soon when it is still hot and it cuts into summer plans,
Dislike	942	school begins too early in August

Dislike	943	School begins too early in August. The school year needs to be shortened to begin middle or end of August, still keep all breaks the same and still end the school year at the end of May.
Dislike	945	School goes back too early in August
Dislike	946	School in August is terrible! The fall break is NOT needed.
Dislike	947	School should not start until September
Dislike	948	School start and finish dates are both too early. See comments above. May is better suited to class time, and August better suited to break time.
Dislike	949	School start date
Dislike	951	School start date is too early.
Dislike	952	School start is still too early. It's nice how in the 25-26 calendar you have later starts in August while still having 3 out of 4 options having a fall break option
Dislike	953	School started and ended early.
Dislike	954	School started so early
Dislike	955	School started too soon, in peak summer
Dislike	956	School starting too early
Dislike	957	School starts and gets out too early.
Dislike	958	School starts back TOO early!
Dislike	959	school starts early
Dislike	960	school starts early in august
Dislike	961	school starts much too early
Dislike	962	School starts much too early. Our kids (and the parents we speak with) feel their kids need a few more weeks. This is mostly because their family members are still on break and families can be active together. The weather the first couple of weeks when school ends in May/June is not good for family activities. August is the best time of the year for families to be together and do things.
Dislike	963	School starts so early in August
Dislike	964	School starts the first week of August. Fall break is the worst. While our kids are in middle school and high school, many parents need to arrange child care for younger children.
Dislike	965	School starts to early, and if we start so early why do we need a fall break. Just start later and remove fall break. Keep last day before memorial day
Dislike	966	School starts too early
Dislike	967	School starts too early

Dislike	968	School starts too early & fall break is unnecessary. Makes the year too long.
Dislike	969	School starts too early and ends too late - summer break is very short
Dislike	970	School starts too early in August
Dislike	971	School starts TOO early in August
Dislike	972	school starts too early in August and Christmas break is too long
Dislike	973	School starts too early in August, summer starts before summer weather starts in Colorado.
Dislike	974	School starts too early in August.
Dislike	975	School starts too early in August. Spring break should be later in the year. The middle of March is too cold still for a nice Spring break. Please stop catering to skiers by having such an early Spring break. I would prefer a spring break that was in April.
Dislike	976	School starts too early in the summer months. Making classes too warm.
Dislike	977	school starts too early in the year and gets out too early
Dislike	978	School starts too early, and ends too early.
Dislike	979	School starts too early, and they get out too early
Dislike	980	School starts too early, get rid of fall break
Dislike	981	School starts too early, it is still summer. Kids have a hard time concentrating on school work while it's still hot outside and it still feels like it should be a summer break
Dislike	982	School starts too early, should be later August
Dislike	983	School starts too early, too many breaks, gets out too early.
Dislike	984	School starts too early, winter break is too long
Dislike	985	School starts too early. Some folks would like to take vacation time during August.
Dislike	986	School starts too soon and ends too soon. We often have cold, even snowy months of May and August is still warm. It would make much more sense for summer break to be during June, July, and August instead of having the kids in school yet August when it's still 90-degrees out!
Dislike	987	School starts too soon and ends too soon. It's the worst of all of the calendars.
Dislike	988	school starts too soon. it's still summer. many parts of the country dont go back to school yet
Dislike	989	School starts WAAAAAYYYYYY too early in August.
Dislike	990	School starts way early, less summer
Dislike	991	School starts way to early and ends too early
Dislike	992	School starts WAY too early

Dislike	993	School starts way too early and ends too early. No need for a long fall and thanksgiving break. That is a logistical nightmare for parents.
Dislike	994	School starts way too early and gets done too early. Whoever created calendar A does not live in Colorado during the month of August when kids want to enjoy the end of summer.
Dislike	995	School starts WAY too early, preventing many things looked-forward to during the summer, like family vacations, etc. It also is still too hot for classrooms and uncomfortable being inside during August. It's is not good for kid's learning, attention spans, and mental state to be cooped up in the summer heat of August in Colorado.
Dislike	996	School still starts so early. For those of us with family and vacation spots on the east cost, this does not align with anyone else's vacation, and my daughter has to leave our timeshare vacation early to go back to school.
Dislike	997	School year begins too early, interfering with summer travel plans.
Dislike	998	School year ends too early and starts way too early. It doesn't warm up in Douglas county until well into June. These kids have a good 6 weeks of summer vacation
Dislike	999	School year seems long
Dislike	1000	School year start and end dates.
Dislike	1001	School year started too early
Dislike	1002	School year starting the first week of August-it's still summer!
Dislike	1003	School year starts and ends too early
Dislike	1004	School year starts too early and ends too early
Dislike	1005	School year starts too early.
Dislike	1006	School year starts too early. Let the kids have the time off when It's warm. Also we don't need a week for fall break & a week for Thanksgiving. It's too hard to have the kids home when trying to prepare for Thanksgiving.
Dislike	1007	see above
Dislike	1010	See above
Dislike	1011	See above.
Dislike	1012	See above. We don't need a fall break. It's too much! Start school a week later then. Or Give teachers a day off a month to themselves. It's a lot being a teacher! I don't like the extra two days that have been added to the winter break. Two weeks is long enough. You could always have a break start and end mid week. That way, the week break starts and ends isn't complete wastes. Kids, at least at the elementary level, and the teachers alike, are fried! Going to break and coming back, they're fried. Full weeks on either end makes it a lot harder!
Dislike	1013	See above. Year starts too early, ends to early.
Dislike	1014	See last answer

Dislike	1015	See my previous comment
Dislike	1016	See previous
Dislike	1018	Session begins to early in August. There is only 1 month of school between Fall and Thanksgiving break, then immediately followed by less then 3 weeks of school until winter break. That is a lot of stops and starts with lengthy non instruction gaps to the learning calendar packed tightly together. Fall break is not needed especially when there is an entire week off for students in November.
Dislike	1019	Shifts fall break to 42nd week of the year vs prior week 41
Dislike	1020	Short summer
Dislike	1021	Short, cold summer
Dislike	1022	Shorter summer break
Dislike	1023	Should be end of August for start and get out in May. Stop having so many in service days. Do those prior to school starting.
Dislike	1025	Specifically, I am troubled by the timing of the school year. It seems that the schedule has students attending classes until late May, when the weather is still not ideal for outdoor activities, and starting in early August, which can encroach upon the prime summer months when many students seek employment or engage in enriching experiences. This arrangement not only limits opportunities for students but also presents challenges for local businesses, particularly those reliant on summer help. Furthermore, while I appreciate the importance of breaks in maintaining student well-being and academic performance, I believe the inclusion of both a fall break and Thanksgiving break may be excessive. While breaks are undoubtedly beneficial, having two extended breaks in such close succession might disrupt the flow of learning and make it difficult for students to maintain momentum in their studies.
Dislike	1026	Spring Break
Dislike	1027	Spring break doesn't match university of Denver spring break.
Dislike	1028	spring break is too early
Dislike	1029	Staff back in July.
Dislike	1030	Start and end dates
Dislike	1031	Start after summer too early. Kids should be able enjoy more of the summer with a later release date as in early June to compensate.
Dislike	1032	Start and end date are extremely early, making it difficult for the kids and the parents. I work with schools across the country and our start date is a detriment, regardless of how some think it may improve a tests score. Aug 6 is too early. Additionally, now all our schools have air conditioning.
Dislike	1033	Start and end date. Both too early.

Dislike	1035	Start and end dates don't align with CHSAA calendar and weather for ideal summer plans for students and graduation events
Dislike	1036	Start back way too early. We travel to see family in Canada every summer and we would like August as an option for visiting since the weather is nicer and my family there does not get out of school until a month after us.
Dislike	1037	Start Date
Dislike	1044	Start date
Dislike	1045	Start date and last day of school. First week of August is too soon. It is the peak of summer as far as great weather and parents take vacations with kids during this time. Mid may is too soon as it still snows; weather is typically cold. Pools are not open and kids can be in school!
Dislike	1046	Start date and Thanksgiving break not needed
Dislike	1047	Start date and thanksgiving too long
Dislike	1048	Start date end date length of Christmas break
Dislike	1049	Start date in early, early August. Awful.
Dislike	1050	Start date is early
Dislike	1051	Start date is early.
Dislike	1052	Start date is not consistent with neighboring districts (e.g., JeffCo, Littleton)
Dislike	1053	Start date is so early
Dislike	1054	Start date is too early
Dislike	1056	Start date is too early in August. It is still summer, give the kids until mid August off for summer break.
Dislike	1057	Start date is too early, we don't need a full week of fall and Thanksgiving break
Dislike	1058	Start date is too early!
Dislike	1059	Start date is too early.
Dislike	1061	Start date is too early. Summer in CO doesn't really begin until end of June with nice weather. When we come back in early August the weather is hot, buildings AC always fail and it's hot and costly. Wouldn't schools save money on energy if they didn't need AC in August for students?
Dislike	1062	Start date is too early. Way too early.
Dislike	1063	Start date is too early. I do not think fall or Thanksgiving break needs to be a whole week. I would rather have a couple of longer weekends after January.
Dislike	1064	Start date is too early. Working parents have hard time with extended breaks. Last day before Memorial Day is hard to find child care
Dislike	1065	Start date is too early

Dislike	1066	Start date is waaayyy to early!!!!
Dislike	1067	Start date is way to early. Feels like kids won't really get a summer
Dislike	1068	Start date is way too early
Dislike	1070	Start date is way too early.
Dislike	1071	start date may conflict with 4h and county fair
Dislike	1072	Start date of 8/6 is too early in the month and the hottest time of the summer.
Dislike	1073	Start date really early
Dislike	1074	start date too early
Dislike	1076	Start date too early
Dislike	1077	Start date too early, fall break, end date too early
Dislike	1078	Start date too early. Too hot in school & outside.
Dislike	1079	Start date was far too early and takes summer away from kids. They shouldn't start until September or late August.
Dislike	1080	Start date would be preferred to be a week later and end date a week later, correspondingly.
Dislike	1081	Start date.
Dislike	1083	Start date. Too soon. Summer is just getting g nice.
Dislike	1084	Start dates is too early. Thanksgiving/Christmas break are too long. End date should be in June not May.
Dislike	1085	Start day
Dislike	1086	Start day is too early
Dislike	1087	Start is too early and cuts into all the perfect summer months and travels.
Dislike	1088	Start later and get out later
Dislike	1089	Start of 8/6--too early Full week in October and November
Dislike	1090	Start of school is too early
Dislike	1091	Start of school, end of school, thanksgiving break isn't necessary to be a week
Dislike	1092	Start of the school year is too early
Dislike	1093	Start of year in early August
Dislike	1094	Start school way too soon
Dislike	1095	Start so early in August- feels like middle of summer
Dislike	1096	Start so early in August.
Dislike	1097	start time is insanely early
Dislike	1098	Start time so early in August
Dislike	1099	start to early

Dislike	1100	Start too early
Dislike	1108	Start too early
Dislike	1110	Start too early and get out too early for summer
Dislike	1111	Start too early in August
Dislike	1112	Start too early in August, end too early in May. Summer in CO doesn't really start until June. We should go September through June.
Dislike	1113	Start too early in August.
Dislike	1114	Start too early, get out to early. Too many breaks.
Dislike	1115	start too early, too many long breaks
Dislike	1116	Start too early; too much fall vacation
Dislike	1117	Start too early. Why not start on 8/25 and get out on 5/29. Scrap the random days off before and after winter break, before spring break, and the other random 3/4 day weekends, like in September and April.
Dislike	1118	Start tooooooo early
Dislike	1119	Start was too early
Dislike	1120	Start WAY to early in August
Dislike	1121	Start way too early in August
Dislike	1122	Started a little early for me
Dislike	1123	Started date of Aug 6 is early. Couldn't off days be switched (Sept, 26, Nov. 7, Dec. 19) and start Aug. 11. Why can't school start on a Monday?
Dislike	1124	Started the earliest
Dislike	1125	Started too early in August
Dislike	1126	Started too early.
Dislike	1127	Starting a bit too early
Dislike	1128	Starting at the beginning of August. It is often cool in June and always hot in August. I would like summer vacation to extend through August.
Dislike	1129	Starting Aug 6 is WAY too early!!
Dislike	1130	Starting Aug 6. I preferred starting Aug 13.
Dislike	1131	starting August 6
Dislike	1132	Starting August 6 is way too early. Again, no need for a full week off school in October and November and then full 2 weeks off in December. The kids are never in school.
Dislike	1133	Starting beginning of August

Dislike	1134	Starting beginning of August
Dislike	1135	Starting date (so early)
Dislike	1136	Starting during the hottest month and ending before It's really summer weather
Dislike	1137	Starting earlier
Dislike	1138	Starting early in August and having a full week off at Thanksgiving
Dislike	1139	Starting early in August, Fall Break is not necessary, a week for Thanksgiving is not necessary.
Dislike	1140	Starting early in August.
Dislike	1141	Starting first week in August
Dislike	1142	Starting in early Aug when that is the best time to be out and about in Colorado.
Dislike	1143	starting in early August
Dislike	1144	Starting in early August is not good.
Dislike	1145	Starting in early August.
Dislike	1146	Starting in the beginning of August is cutting off the best month of summer. It's hotter than any other month, getting out in mid/end May It's still cold out. We need to shift it to start in September and end mid June.
Dislike	1147	Starting in the beginning of August is hard and cuts into family time.
Dislike	1148	Starting on 6 August is pretty early. If we could have a start date of 13 August and get out of school a week later, that would be ideal.
Dislike	1149	Starting on August 6 (too early), the last day of school is over a week prior to Memorial Day. Pools aren't open yet and it's usually not even summer weather yet.
Dislike	1150	Starting on August 6th
Dislike	1152	Starting school in August, when the weather is beautiful and hot, and ending in late May, when the weather is rainy, cool, and unpredictable
Dislike	1153	Starting school in early August is awful. August is still summer
Dislike	1154	starting school in the middle of summer
Dislike	1155	Starting school much too early in August.
Dislike	1156	Starting school on a Wednesday means that after balanced beginnings, kindergarten would start on a Monday. That makes for a very long week for our littlest learners.
Dislike	1157	starting school on August 6th is absolutely absurd. that is still the middle of summer. we need to start behaving like the rest of the country and start school after Labor Day... aka FALL.
Dislike	1158	Starting school the first week of August is way too early. Especially when May is so cold these days, and August is so hot!

Dislike	1159	Starting school too early in August
Dislike	1160	Starting school way to early
Dislike	1161	Starting so early
Dislike	1163	starting so early in aug.
Dislike	1164	Starting so early in August
Dislike	1170	Starting so early in August seems like the warmest part of the summer is spent in school rather than making fall or Thanksgiving break shorter. Overall, I think you dilute the voting by providing 4 options. Last time you chose the option with the most YES votes, but also the most NO votes, meaning you alienated half the district. Please consider both sides when analyzing votes.
Dislike	1171	Starting so early in August when it is still nice and warm to enjoy community pools. Ending so early in May when it is still too cold to enjoy the warm Colorado weather. Typically it isn't quite warm enough and the pools aren't even open yet.
Dislike	1172	Starting so early in August when it's still so hot and sunny.
Dislike	1173	Starting so early in August.
Dislike	1176	Starting so early in August. Fall breaks and a whole week for Thanksgiving are unnecessary.
Dislike	1177	Starting so early in the summer!
Dislike	1178	Starting so early. ending early. we still get snow in May. why not let the kids enjoy the summer and not deal with may release and questionable weather. it's not like going longer will mess them up. they have so many breaks they never get a routine anyway.
Dislike	1179	Starting so soon
Dislike	1180	Starting that early is ridiculous.
Dislike	1181	Starting that early is uncalled for!!
Dislike	1182	Starting that early. I really like B better except that it doesn't have a full week for Thanksgiving.
Dislike	1183	Starting the beginning of August. Also we don't need a full week off in October and again in November. Getting out so early in May is awful.
Dislike	1184	Starting the first full week of August
Dislike	1185	Starting the first week of August is terrible.
Dislike	1186	Starting the first week of August.
Dislike	1187	starting the school year too soon, fall break
Dislike	1188	Starting the year so early

Dislike	1189	Starting too early in the summer, getting out before Memorial Day, too many breaks clustered together for a long period of time, coming back from winter break is too close to President's Day
Dislike	1190	Starting too early
Dislike	1191	Starting too early in August
Dislike	1192	Starting too early in August and gets out too early to enjoy any good weather in summer. We do not need a fall break after starting a couple weeks earlier
Dislike	1193	Starting too early in August, ending too early in May.
Dislike	1194	Starting too early in August, fall break, long winter break.
Dislike	1195	starting too early in August.
Dislike	1196	Starting too early in the year.
Dislike	1197	Starting too early.
Dislike	1198	Starting too school year too early in August and ending too early in May
Dislike	1199	Starting us early August makes the summer break too short. Get rid of fall break
Dislike	1200	Starting way too early
Dislike	1201	Starting way too early!
Dislike	1202	Starts a bit too early.
Dislike	1203	Starts a little early
Dislike	1204	Starts a little early in August.
Dislike	1205	Starts and ends too early.
Dislike	1206	Starts and ends too early. Weather is not good enough when school gets out to do much, better off for all of us to be at school still.
Dislike	1207	Starts August 6 The fall break is late, I think the fall break should be a week earlier
Dislike	1208	Starts earlier
Dislike	1209	Starts early
Dislike	1210	starts early August
Dislike	1211	Starts early in August
Dislike	1212	Starts early...ends early. Puts kids in school during the hot month of August and out of school during the temperate month of June. Lots of extra \$ spent on A/C in the schools
Dislike	1213	Starts far too early in August
Dislike	1214	Starts FAR too early. Lets out too early too. late Aug to late May is perfect.
Dislike	1215	Starts really early in August

Dislike	1216	Starts school VERY early.
Dislike	1217	Starts so early in August
Dislike	1219	Starts so early in August. Don't feel that students need a full week off in October and again in November. Would rather start later in the year than have longer breaks during the school year
Dislike	1220	Starts so early, still the middle of summer
Dislike	1221	Starts super early in August and I would prefer losing a few days at Thanksgiving and starting a week later
Dislike	1222	Starts to early and ends too early
Dislike	1223	Starts to early and has too many breaks extending the time needed for school to be open. It has a full week of fall break and full week break for Thanksgiving. That's a bit much. A fall break is nice, but if there is a full week for thanksgiving, truncate the fall break to 2-3 day or vice versa, a full fall break with three days for Thanksgiving.
Dislike	1224	Starts to Early in August and has to many breaks. The breaks aren't aligned with other school districts.
Dislike	1225	Starts to early in August.
Dislike	1226	Starts to early in August. August has the best weather in Colorado.
Dislike	1227	starts to early, ends too early, October break unnecessary.... overall Calendar A and Calendar B are both equally bad... school should not start in August ever.
Dislike	1228	Starts to early. August is the summer my son does camp had has to go in June due to the start date is school. This causes him to miss swim School ends too early. May is too early. They do not need a week for fall break and a week for thanksgiving
Dislike	1250	Starts too early
Dislike	1255	Starts too early again.
Dislike	1256	starts too early and dont like having a long fall break right after school started.
Dislike	1257	Starts too early and ends too early and has too many breaks.
Dislike	1258	Starts too early and ends too early. Also do not like fall break.
Dislike	1259	Starts too early and ends too early. Aren't there schools without AC? How is starting earlier in August a good idea for those students?
Dislike	1260	Starts too early and ends too early. Kids often miss out on the best summer weather starting so early in August.
Dislike	1261	Starts too early and ends too early. There's no reason to end before the end of May.
Dislike	1262	Starts too early and gets out to early. A week at fall break and a week at thanksgiving is too long too close together
Dislike	1263	Starts too early in August
Dislike	1270	Starts too early in August
Dislike	1272	Starts too early in August when it's still very hot outside.

Dislike	1273	Starts too early in August!
Dislike	1274	Starts too early in August.
Dislike	1277	Starts too early in August.
Dislike	1279	Starts too early in August. Don't need a full week off in October because there are full weeks off in November, December, January, and March.
Dislike	1280	Starts too early in August. Shorten fall break and push out end date to accommodate a later August start date. Kids can go back to school in 1/5 to accommodate a day off elsewhere.
Dislike	1281	starts too early in summer
Dislike	1282	Starts too early in the summer
Dislike	1283	Starts too early in the year.
Dislike	1284	Starts too early with it being in the thick of summer weather, even a week later would be better for kids and families. Don't need so many breaks either.
Dislike	1285	Starts too early, and gets-out too early. Essentially this is the worst schedule to align with Parent schedules (...the tax-paying parents have careers and DCSD's schedule is incredibly challenging to support)
Dislike	1286	Starts too early, breaks too long, don't need fall break
Dislike	1287	starts too early, don't like fall break
Dislike	1288	Starts too early, ends too early, our typical excessive amount of days off of school
Dislike	1289	Starts too early, ends too early. It's still snowing in May and doesn't really get warm until July, but we can't schedule summer activities in August because school starts so early
Dislike	1290	Starts too early, ends too early, would be perfect if start and end dates shifted by 2 weeks.
Dislike	1291	Starts too early, gets out too early
Dislike	1292	starts too early, has fall break
Dislike	1293	Starts too early, its still summer
Dislike	1294	Starts too early, Less summer time vacation.
Dislike	1295	Starts too early, no need for fall break
Dislike	1296	starts too early, out too early, too much time off in October and November - should not do a week off in each
Dislike	1297	starts too early, you don't need a full week for fall break, a full week for thanksgiving break.
Dislike	1298	Starts too early.
Dislike	1300	Starts too early.
Dislike	1302	Starts too early. Fall break is unnecessary
Dislike	1303	Starts too early. Kids don't need a fall break, especially if they are in sports.

Dislike	1304	Starts too early. It's the middle of summer.
Dislike	1305	Starts too early. Too many days off. Winter break is too long.
Dislike	1306	Starts too soon
Dislike	1307	starts too soon, no need for 4 days at thansksgiving
Dislike	1308	Starts too soon,Ä¶,Ä¶gets out too soon
Dislike	1309	Starts very early
Dislike	1310	Starts very early
Dislike	1311	Starts way to early. August is the warmest month of the summer and the kids have very little time to enjoy summer weather
Dislike	1312	Starts way too early
Dislike	1317	Starts WAY too early - it is TOO HOT to start kids back to school the first week of August!!!!!!
Dislike	1318	Starts way too early in August
Dislike	1319	Starts way too early in August.
Dislike	1320	Starts way too early in August. The kids are robbed of their summer.
Dislike	1321	Starts way too early in August. August is our hottest month and these kids are back to school already. Teachers go back to school in July. It takes away their summer.
Dislike	1322	Starts way too early in the year
Dislike	1323	Starts way too early, in the hottest time of year, making kids sit in hot classrooms in peak summertime weather instead of enjoying some warmth outside. Ends so early in May that it isn't even summer yet.
Dislike	1324	Starts way too early, it's still summer! Kids still want to have a summer and enjoy the warm weather! Getting out in the middle of May is still cool outside and sometimes still snows!
Dislike	1325	Starts way too early, starting in the beginning of August is a challenge for traditional summer holidays and contradicts most of the country.
Dislike	1326	Starts way too early!
Dislike	1327	Starts way too early! We miss so much school in August because it is the best weather for some of the places we would like to go. And May 22 is way too early to get out. Family and friends in other districts are not out yet, the weather is no good, so we spend that time waiting anyway. Would rather have that school off in August.
Dislike	1328	Starts way too early!!!!!!
Dislike	1329	Starts way too early.
Dislike	1330	Starts way too early.
Dislike	1332	Starts way too early. Cuts into summer days.

Dislike	1333	Starts way too early. Our kids barely get enough summer as it is, quit making it even shorter! I would rather they go longer in May than start so early in August. The weather is still great, and there are still so many family events happening in August (weddings, reunions, etc.) because most people consider it to be 'summertime'. Its frustrating when our kids are already in school.
Dislike	1334	Starts way too early. We lose half the Colorado summer by starting in early August
Dislike	1335	Starts way tooo early and gets out too early
Dislike	1336	Starts WAYYYYYY to early- no school should start at the beginning of August for a number of reasons but one of the big ones should be the cost factor of running all the HVAC systems at the beginning of August!
Dislike	1337	Starts/ends too early
Dislike	1338	Students start too early in August; they get out too early in May. First half of their summer break they are usually indoors d/t rain/hail. By the time they get to enjoy the outdoors, they are getting ready to go back to school.
Dislike	1339	Such an early start and end date. Don't love that the Thanksgiving break is a full week and with the fall break being later in October it makes it so there are a lot of breaks in a one month span.
Dislike	1340	Such an early start in August
Dislike	1341	Summer break is too short, breaks throughout the year are more difficult to navigate with my work schedule
Dislike	1342	Summer break starts way too soon
Dislike	1343	Summer ends too early. The mountains and all they offer are not even accessible until the end of June or mid July.
Dislike	1344	Summer is cut off too early. Going back to school when it is 100 degrees every day is ridiculous.
Dislike	1345	Summer is too short.
Dislike	1346	Summer too short
Dislike	1347	Super early August start
Dislike	1348	taking away the summer month of August from the kiddos
Dislike	1349	Teachers coming back the day after Memorial Day. I would prefer to finish before, like move the Work Day to Friday and have the students finish on Thursday.
Dislike	1350	Terrible start date
Dislike	1351	Thanksgiving 1 week
Dislike	1352	Thanksgiving break dates
Dislike	1353	Thanksgiving break doesn't need a full week
Dislike	1354	Thanksgiving Break is too long
Dislike	1355	That early start week. I'd prefer to keep all breaks but push back start to calendar b start time
Dislike	1356	That is starts so early in August

Dislike	1357	That is way too early to go back to school. August is the best time to be up enjoying the mountains.
Dislike	1358	That it started so early in August.
Dislike	1359	That It's not a four day school week.
Dislike	1360	That the start date is so early.
Dislike	1361	that we are starting in July
Dislike	1362	The Aug 6th start time is too early. There are still a lot of warm days, and the kids are out on the playground running around. In May, we still have snow storms; it's not even summer yet.
Dislike	1363	The August 6 start is really early. A full week off for Thanksgiving is not necessary.
Dislike	1364	The August start date.
Dislike	1365	The constant tacking on of teacher days around the christmas holiday is ridiculous. The friday before and cutting Monday the first week back
Dislike	1366	The earlier Spring Break, one week later when it is warmer is nice
Dislike	1367	The earlier spring break. I prefer the later spring break.
Dislike	1368	The earlier start
Dislike	1369	The earlier start date
Dislike	1370	The earlier start date, but I understand the logistics in order to provide the longer breaks.
Dislike	1371	The earlier start date.
Dislike	1372	The earlier start to school year. I,Äöd prefer later start not first week in August
Dislike	1373	The earlier start when the weather is very warm and a full week off at thanksgiving
Dislike	1374	The earliest start date, fall break
Dislike	1375	The early Aug start
Dislike	1376	The early August start
Dislike	1377	The early August start date
Dislike	1378	The early August start date, the weather is still nice out and with summer being so short in Colorado, I'd rather my kids be outside while the weather cooperates
Dislike	1379	The early August start date.
Dislike	1380	The early August start is difficult. Also in December, we need to be out a couple of days earlier for Winter break - most kids are gone, we just babysit. Make an adjustment somewhere else - take out a PD day (most PD days are not helpful to most staff)
Dislike	1381	The early August start time is insane and kills summer break for everyone involved.
Dislike	1382	the early calendar start.

Dislike	1383	The early dates for starting school
Dislike	1384	The early school start. Weather is just getting hot here in August.
Dislike	1385	The early start
Dislike	1386	The early start
Dislike	1387	The early start and end is too early. Why isn't there an option to start later, end later, and keep thanksgiving break?
Dislike	1388	The early start date
Dislike	1390	The early start date
Dislike	1391	The early start date and a full week of for Thanksgiving
Dislike	1392	The early start date and too many breaks.
Dislike	1393	The early start date of Aug 6th. Too early.
Dislike	1394	The early start date! Kids starting that early means teachers would have to report back in July. No thank you.
Dislike	1395	The early start date.
Dislike	1398	The early start date.
Dislike	1399	The early start in August
Dislike	1400	The early start in August.
Dislike	1401	The early start limits our kids ability to enjoy the outdoors.
Dislike	1402	The early start time in August, but I know that can't be avoided
Dislike	1403	The early start time, and Lee end of the calendar year
Dislike	1404	The early start to the year
Dislike	1405	The early start, starting in the beginning of August is a no go.
Dislike	1406	The early start!! It's too soon!
Dislike	1407	The early start.
Dislike	1408	The fact that school starts so early in August. August is a prime summer month for families to spend time together.
Dislike	1409	The fact that they are starting in early AUGUST.
Dislike	1410	The Fall Break is later in October, which means the 2nd Quarter is very short.
Dislike	1411	The fall break is later in October. We do prefer a week earlier in October since they start school very early in August. The weather is warmer earlier in October also and less likely to be snowy.
Dislike	1412	The first week of August is too early and too hot to start school. I believe student safety is at risk. I can deal with two less days of Thanksgiving break to get even a two day later start.
Dislike	1413	The late fall break is bad.
Dislike	1414	The later fall break

Dislike	1415	The later fall break was why I made it 2nd choice
Dislike	1416	the long break for Thanksgiving
Dislike	1417	The only thing I didn't like was that school the last teacher work day is after Memorial Day. This is a minor preference as I prefer to be done before the holiday weekend, other staff may not have a preference.
Dislike	1418	The school start and end date
Dislike	1419	The school start date
Dislike	1420	The school year begins too soon. We need to align with more of the country with a late August early September start. Seeing family due to this truncated summer having only July mutually off is problematic. Also, it's still summer; why have the kids back in school when the weather is so nice.
Dislike	1421	The school year started too early. I wish it started a week later (8/13) and then ended a week later (5/29).
Dislike	1422	The school year starts and ends too early. The month of June is chilly and rainy. I would rather start later so you can enjoy more of Summer.
Dislike	1423	The school year starts too early.
Dislike	1424	The school year starts very early. There are one week holidays almost every month.
Dislike	1425	The semester starts WAY too early. :)
Dislike	1426	the shorter thanksgiving break and the earlier aug start date
Dislike	1427	The spring break timing - wish it were a week or 2 later
Dislike	1428	The start and end dates
Dislike	1430	The start and end dates, should match Calendar B
Dislike	1431	the start and end days
Dislike	1432	The start date
Dislike	1434	The start date is far too early. August is still summer.
Dislike	1435	The start date is in the heat of summer. June is often cool in Colorado and August is perfect for swimming and other water sports. Children should be in school in June and off in August. I would really like to see this change in Colorado!
Dislike	1436	the start date is incredibly early
Dislike	1437	The start date is really early, just based on the way the days fall. I would rather give back 2 days at Thanksgiving and start 2 days later.
Dislike	1438	The start date is so early
Dislike	1439	The start date is SO early in August. Thanksgiving and Winter breaks are SO long. Thanksgiving should only have off Wednesday-Friday and Winter Break should only encompass the 2 weeks surrounding Christmas and New Years.
Dislike	1440	The start date is too early in august

Dislike	1441	The start date is too early, would prefer late August or early September
Dislike	1442	The start date is too early.
Dislike	1444	The start date is too early. Why can't Calendar A's start and end dates be moved to match Calendar B?
Dislike	1445	The start date is too early. August is one of our warmest months.
Dislike	1446	The start date is too early. We need to start pushing the first day of school back into September. July and August are very hot months.
Dislike	1447	The start date is way too early
Dislike	1448	The start date is WAY too early
Dislike	1449	The start date is way too early. August is just starting.
Dislike	1450	The start date of the school year, August 6, is WAY too early!!!!!! It is still summer!!!!
Dislike	1451	The start date, too early
Dislike	1452	The start date.
Dislike	1453	The start date. (I would rather move around the winter break and but the start date back a day or two).
Dislike	1454	The start date. First week of August is WAY too early.
Dislike	1455	The start day
Dislike	1456	The start day for the school year is too early.
Dislike	1457	The start day of the school year.
Dislike	1458	The start day, too soon in August
Dislike	1459	The start is so early and does not align with other local districts.
Dislike	1460	The start of the year is too early.
Dislike	1461	The start time is a little early
Dislike	1462	The start time is soooo early.
Dislike	1463	The start/end dates for school are just a tad too early.
Dislike	1464	The super early start
Dislike	1465	The teacher work day after Memorial Day
Dislike	1466	The thanks giving break could be shorter
Dislike	1467	The week at thanksgiving
Dislike	1468	The week long break for thanksgiving. Too long
Dislike	1469	The week long break in October is too much. Starting school in August is also frustrating as that is when the summer weather begins in Colorado.
Dislike	1470	The week long Fall & Thanksgiving breaks- feel those are too long for elementary students

Dislike	1471	The whole schedule, too long and too many breaks.
Dislike	1472	The whole week off for thanksgiving is challenging.
Dislike	1473	The winter break is always so late. Should be mid December til new years
Dislike	1474	The winter break schedule starting so late. I would rather have time off with the family before Christmas than after New Year's
Dislike	1475	The year ends so early that it is still cold outside. Then the following school year starts so early that the kids miss out on the best weather of the summer.
Dislike	1476	There are 10 weeks before October break on calendar A
Dislike	1477	There is a fall break, too many days off each month and long holiday break
Dislike	1478	There is nothing that I didn't like about calendar A, if I had to say anything it would be that I don't like having a teacher workday after Memorial Day, but I would live with it for all the other benefits!
Dislike	1479	They didn't have a fall break. They have too many days off as it is
Dislike	1480	They go back to school SO early when it's still warm outside and they should be enjoying summer.
Dislike	1481	They go back too early as well as get out too early. Why can't we go back after Labor Day and get out in June plus still have a fall break.
Dislike	1482	They go back WAY too early in August
Dislike	1483	They start in the hottest months wasting tax payer money to cool a school that can't regulate itself. Kids should be enjoying the weather until after August.
Dislike	1484	They start school way too early in the year! They need more summer! May is still too cold to do anything, I would rather stay longer in May.
Dislike	1485	They start too early and have too many breaks
Dislike	1486	they start too early in my opinion
Dislike	1487	They start too early and do not need a full week off in October and November
Dislike	1488	They start way too early in August and the break in October is unnecessary
Dislike	1489	This calendar has school starting too early and keeps the fall break which I feel is unnecessary when the students then get an entire week off for Thanksgiving.
Dislike	1490	This calendar has school starting way to soon.
Dislike	1491	This calendar starts way to early in August. I end up having students missing for vacations and camping and it is hard to set up the classroom routines and structures with students gone all the time.
Dislike	1492	This calendar would be perfect if it started on Aug 13 and ended on May 28.

Dislike	1493	This doesn't work for ag related kids and their families with the start date so early when kids are still in 4-H county and state programs
Dislike	1494	This is our current schedule and nobody likes it. We get out and it is still snowing. We go back when we could be camping and swimming.
Dislike	1495	This is too early to start school. August is often the hottest month of the year and summer activities are still happening.
Dislike	1496	This start date is so early!! I don't like having early report dates.
Dislike	1497	This was my preferred option. The start time is earlier but I would rather start earlier and still get a full week of spring break and Thanksgiving.
Dislike	1498	To early of a start in August
Dislike	1499	To early start
Dislike	1500	to early to start, FALL BREAK- I have to find daycare because I work. And your BASE programs are extremely expensive for full day. I am a single mother and cant afford \$600 for the week
Dislike	1501	Ton of long breaks during the year, It's really hard on the working parents.
Dislike	1502	Too early
Dislike	1503	Too early a start / end - in Colorado our best summer months are June-August. Ending in May means we're front loading summer break during a rainy and potentially cold time of year.
Dislike	1504	Too early calendar start.
Dislike	1505	Too early for school to start with CO weather. No need for fall break as high schoolers have activities during that time regardless that are school mandated.
Dislike	1506	too early for start of school
Dislike	1507	Too early for the start
Dislike	1508	Too early in August
Dislike	1509	Too early in August for the return date
Dislike	1510	Too early in the summer
Dislike	1511	Too early in the year to start. Summer feels very short.
Dislike	1512	Too early of a school start.
Dislike	1513	Too early of a start
Dislike	1516	Too early of a start
Dislike	1517	too early of a start and too much time off during the year on top of all the holidays and teacher days. this is very hard on dual working households to be able to accomodate

Dislike	1518	Too early of a start date
Dislike	1521	too early of a start date and end date
Dislike	1522	Too early of a start date and no need for a full fall break and a full week for Thanksgiving - adjust one or the other.
Dislike	1523	Too early of a start date and too many days off
Dislike	1524	Too early of a start date, too early of an end date. Pools are open till Labor day, and don't open till Memorial day. We experience cold weather till June 1st. The weather is extremely hot throughout August. Don't understand the reasoning for having kids in school the beginning of August! Makes planning summer vacations a little more difficult as well.
Dislike	1525	Too early of a start date! DCSD is already one of the earliest districts to go back, just seems too soon.
Dislike	1526	too early of a start date. August is a nice month in CO, while May can be cold. I would prefer to start later and get out later
Dislike	1527	Too early of a start date. Too early of an end date.
Dislike	1528	Too early of a start in August
Dislike	1531	Too early of a start time and does not align with a traditional start time - after Labor Day
Dislike	1532	Too early of a start time. Why does it creep up every year? Starting this early is crazy.
Dislike	1533	Too early of a start. There is such limited time that we have with our kids. Our family, as well as many others, use Summer as a time to bond, make memories, travel and spend quality time together. Starting school in early August takes away lots of opportunities for travel.
Dislike	1535	Too early of start in August
Dislike	1537	Too early of start time.
Dislike	1538	Too early return. This is prime season to enjoy our state and it is too hot on the playgrounds.
Dislike	1539	Too early start
Dislike	1542	Too early start and end dates. Too long a fall break. I don't care when spring break is.
Dislike	1543	Too early start and end dates. Too long thanksgiving break.
Dislike	1544	Too early start date
Dislike	1548	Too early start in august
Dislike	1549	too early start to early getting out
Dislike	1550	Too early start to year
Dislike	1551	too early starting school when august is super nice
Dislike	1552	too early to start
Dislike	1554	Too early to start

Dislike	1555	Too early to start school
Dislike	1556	Too early to start school Aug is the hottest month so being outdoors for recess PE is a struggle AC units don,Äôt keep the school cool enough
Dislike	1557	Too early to start, too many breaks in the first half of the school year and out too early.
Dislike	1558	too early to start.
Dislike	1560	Too little summer. August is a consistently hot month and great for summer activities/pool. Not so great for old AC systems. Start later.
Dislike	1561	Too long breaks
Dislike	1562	Too long thanksgiving break
Dislike	1563	Too many breaks - don't need both Fall break full week and Thanksgiving break full week.
Dislike	1564	Too many breaks and not a long enough summer.
Dislike	1565	Too many breaks and the early start.
Dislike	1566	too many breaks! and they're too long. Summer is way too short
Dislike	1567	Too many breaks.
Dislike	1568	Too many breaks. This is very difficult for working parents, who don't get five weeks vacation every year.
Dislike	1569	Too many breaks. The kids barely go to school a full week all year. This very challenging for working parents.
Dislike	1570	Too many broken up weeks.
Dislike	1571	too many days off
Dislike	1572	Too many days off do not need off in October
Dislike	1573	Too many days off during the year and too short of a summer. Plus starting early in August is hotter than going into june
Dislike	1574	Too many days off. NO reason for a week for Fall break when we then have another week off for Thanksgiving the very next month.
Dislike	1575	too much breaks and early start
Dislike	1576	Too much time off and prefer a later start to the school year
Dislike	1577	Too much time off, too early start, fall break doesn't need to be a whole week, or at all, Thanksgiving break doesn't need to be a whole week. Parents work, and can't afford to take this time off.
Dislike	1578	Too much time off. Ridiculous
Dislike	1579	Too much time off. We do not need a week off in October and November. The start time for the school year is way too early.
Dislike	1580	Very early Aug. start date.

Dislike	1581	Very early start
Dislike	1583	Very early start date 8/6.
Dislike	1584	Way to early to start.
Dislike	1585	Way to early end date; way to early start date.
Dislike	1586	Way to early of a start
Dislike	1587	Way to early to start School
Dislike	1588	way to early to start the school
Dislike	1589	Way too early - still summer!
Dislike	1590	WAY TOO early a start date!
Dislike	1591	way too early of a start date - back in school when weather is best in Colorado; don't need full week for Thanksgiving if just had full week Fall Break
Dislike	1592	Way too early of a start date. August 6 is peak summer. And then May 22 is a bit too early to get out for the summer.
Dislike	1593	Way too early of a start. Fall Break and Thanksgiving break are too long.
Dislike	1594	Way too early of a start. Long and unnecessary fall break.
Dislike	1595	way too early of a start..
Dislike	1596	WAY TOO EARLY start - dont need a full week for thanksgiving
Dislike	1597	Way too early start date
Dislike	1599	Way too early start in August
Dislike	1600	Way too early summer start. Shortens the summer for our family. Prefer to start later.
Dislike	1601	Way too early to start school. Kids are walking home school in sometimes 100 degree heat.
Dislike	1602	Way too early to start/end
Dislike	1603	Way too many breaks. It's highly inconvenient for us. Let them stay in school and extend summer
Dislike	1604	We are one of the districts in CO that starts the earliest (first or second week of August).
Dislike	1605	We are starting in early August.
Dislike	1606	We are used to it, it works great, their sports (like summer swim team) and other sports work great with calendar A.
Dislike	1607	We do not need a full week off for fall break and Thanksgiving break. At most- Thanksgiving week. But even that can be 3 days.
Dislike	1608	We do not need a week off in the Fall in October and another week off at Thanksgiving. We start the school year way too early and get out too early. All of these disruptions cause gaps in learning. Plus, when you pay to cool a building in August, it's expensive. Start later in August and get out later in June: it lines up better with the weather of the seasons and other surrounding schools (state-wide and nationally). And the district saves money on cooling costs.

Dislike	1609	We do not need both a full week off in "fall" and then another "fall" week off at Thanksgiving. One of these breaks is more than enough. For students and educators this is too much "up and down" in instructional time--all before MOY assessments are due in December.
Dislike	1610	We don't like the early August first day of school. Could take or leave Fall Break and would prefer Spring Break to be the final full week of March.
Dislike	1611	we don't need an entire week off for Thanksgiving. We don't need two whole weeks off for Christmas break. Many good school districts only have one week off at Christmas time. We would prefer to start the school year later in August because the weather is great for swimming and being outside, hiking.
Dislike	1612	We don't need both Thanksgiving and fall break
Dislike	1613	we go back too early
Dislike	1614	We miss the 2 week Spring Break
Dislike	1615	We need the day after Halloween to always be a teacher workday. It's too hard for the students and teachers to go to school (too much sugar and too little sleep)
Dislike	1616	We need to start later
Dislike	1617	We need two weeks for Fall Break.
Dislike	1618	We start in early August when the weather is perfect for travel in Colorado.
Dislike	1619	We start so early
Dislike	1620	We start so early in August, such a great summer month.
Dislike	1621	We start to early! We go to late and start to early in August! There is no summer! Less days off during the school year and more summer days is better for working families!
Dislike	1622	WE START TOO EARLY!
Dislike	1623	We start very early in august
Dislike	1624	Week for Thanksgiving break feels too much with Fall Break and Christmas Break.
Dislike	1625	What start a break on a Saturday and end on a Wednesday make no sense.
Dislike	1626	why start school on August 6th? Way too early. Still Summer.
Dislike	1627	Why such a long Winter break and Thanksgiving break? Cut those down, keep Fall and Spring breaks, and extend summer.
Dislike	1629	Winter break dates.
Dislike	1630	Winter break is always too long. Take time away from winter break and add back into the summer.
Dislike	1631	Winter break is too long
Dislike	1633	Winter break is too long and school starts too early in August

Dislike	1634	Winter break too long
Dislike	1635	Winter break too long. Don't need a full week off for Thanksgiving.
Dislike	1636	Wish school started later in August and get rid of fall break
Dislike	1637	Wish the Fall Break would align with Mother Cabrini Day (first monday in October). Would be nice if Fall break starts on 10/6.
Dislike	1638	Wish the spring break was what Calendar C had. Seems with the weather here the later spring break is just better for outdoor weather. Plus the later spring break is just nice because after that kids are starting to look towards summer break so to me the later the better.
Dislike	1639	wished spring break was the following week
Dislike	1640	Workday after memorial day
Dislike	1641	Working parents cannot continue to scramble to find child care due to all these breaks. It is not plausible or affordable.
Dislike	1642	Would be nice to have a couple more days before Christmas off
Dislike	1643	Would like it to start a week later.
Dislike	1644	Would like to move spring break out of March. It's such a busy time because EVERYONE is on spring break, it would be nice to have spring break in February or April
Dislike	1645	Would like to start a bit later
Dislike	1646	Would like to start a week later
Dislike	1647	Would prefer the start date and end dates to be a week later.
Dislike	1648	Would prefer to be out before Memorial Day. Offering a work day switch so we'd be out prior would be nice.
Dislike	1649	Would prefer to have Professional Development day on another February day other than connecting to President's Day weekend.
Dislike	1650	Would rather start Christmas break a day or two earlier and go back a day or two earlier
Dislike	1651	Ya, going back to school in the heat of the summer. Ridiculous!
Dislike	1652	Yea
Dislike	1653	yeah its thr same as always dtart early screw the parents with a ton of useless painful breaks
Dislike	1654	Yes
Dislike	1656	Yes ~ Would like to start in September vs August . . .
Dislike	1657	Yes early start back to school
Dislike	1658	Yes I didn,Äôt like when the children would start school

Dislike	1659	Yes I don't like early start of school and early end of school. 22 may sometimes it is still cold and kids cant enjoy warm weather
Dislike	1660	Yes it starts way too early!! August is usually the month most people hold family reunions and my kids have to miss out.
Dislike	1661	Yes starts too early
Dislike	1662	Yes the days off
Dislike	1663	Yes the start date.
Dislike	1664	Yes too early of a start
Dislike	1665	Yes too early of a start date in August
Dislike	1666	Yes too early of a start for the kids
Dislike	1667	Yes too early start date
Dislike	1668	Yes-too many week long breaks
Dislike	1669	Yes, hottest month of summer and interrupts most summer vacations since May and early June are too cold still
Dislike	1670	Yes, I already mentioned it above
Dislike	1671	Yes, I do not like starting at the beginning of August and ending in May. August is hot and still summer. May is still chilly and lately it has snowed at the end of May.
Dislike	1672	Yes, I do not like starting so early in August. I like to vacation with my family in August and the kids are always in school and it make it so inconvenient. June is a bad weather month in colorado so why not have the kids in school and let them enjoy the summer months out of hot class rooms.
Dislike	1673	Yes, I don't like how early the kids go back to school in August
Dislike	1674	Yes, I don't like that it starts in August.
Dislike	1675	Yes, it starts too early.
Dislike	1676	Yes, school starts and ends too early. We don't need a fall break with a week off at Thanksgiving.
Dislike	1677	Yes, school starts too soon
Dislike	1678	Yes, start date too soon.
Dislike	1679	Yes, starting school too early in August. Rather go later into May or June because the weather is nicer
Dislike	1680	Yes, starts too early in my opinion. And don't need the fall break.
Dislike	1681	Yes, summer is too short. Would like to start school in September.
Dislike	1682	yes, too many days off. kids start way to early in august. We need to keep up with the chinese and get our kids more education focused on learning and growth and not woke, progressive ideologies

Dislike	1683	Yes, would be much better if it would start the school on August 15th And end school year in the end of May And still have fall and spring breaks
Dislike	1684	Yes! 1. Early start time in August
Dislike	1685	YES. August 6 is too early to begin and before Memorial Day dismissal is too early. This forces teacher to return in July and puts a strain on building AC and infrastructure. It misaligns with the rest of the country's breaks and does not take into account the needs of Colorado's climates and temperatures between May and August. I am continually disappointed that this option is what has been chosen over clear public dislike.
Dislike	1686	Yes. Fall break.
Dislike	1687	Yes. Whoever created it, why would they think it was a good idea to go back in early August? Jk, hopefully those reading this have a sense of humor. My biggest qualm was the fact that it started in early August. The weather really starts to get consistently nice in June, so ending earlier in May actually doesn't feel like a ,Áúfull summer break,Äù.
Dislike	1688	you start too early
Dislike	1689	Zero.

Like/Dislike	Comment #	What did you like about Calendar B?
Like	1	aligns with other neighboring school districts so parents who are teachers and their students in other districts share the breaks.
Like	2	fall break

Like	4	1 week later start and end. Still have Fall Break. Shorter Thanksgiving break ok.
Like	5	2 week winter break
Like	6	2nd best option. Keeps fall break.
Like	7	3 days for Thanksgiving - don't need a week off there with Christmas break so soon after
Like	8	A & B are strong preference. Fall break is important to families, and kids who need that mind-break mid-semester. By this time in the school year kids are struggling with burnout and exhaustion. A week gives them a little reprieve and refreshes them to finish out the semester.
Like	9	A bit later of a start
Like	10	A bit later start date

Like	13	A full week for fall break and spring break and starting the year a bit later
Like	14	A full week of Fall Break
Like	15	A full week of fall break. I like the limited Thanksgiving Break, actually. We are still working that week, so having the kids in school Monday and Tuesday is good.
Like	16	A good mid-August start and a shortened Thanksgiving break are good, and more time over spring break could be good or bad.
Like	17	A later start date is better
Like	18	A later start date.
Like	19	A later start to the school year. The weather in Colorado doesn't truly turn to summer until at least June. School goes back so early and students don't get a chance to enjoy a good summer.

Like	36	A little later start.
Like	37	A little less days off than current. Goes a week later in May And starts a little later. Summer does not seem to start here until later. Thank you
Like	38	A little more time in August, shorter thanksgiving break, don't end too late

Like	46	Again, fall break should be mandatory
Like	47	Again, I like that there is a fall break and this one at least has a little bit later of a start date. I like the earlier dates of this calendar for fall break in comparison to Calendar A. I also like that the Thanksgiving break is a 1/2 week.
Like	48	ah, it was similar to calendar A and the start date was like a week later than calendar A- which seems nice
Like	49	Aligns best with CCSD (where I am a teacher) and allows for the most family time without missing any school days.
Like	50	All breaks are maintained and are long enough; start date is better than A.
Like	51	All my breaks
Like	52	Allowed for a later start date. Would rather go past Memorial Day and start later.

Like	57	Appreciate the spring break
Like	58	appropriate days off
Like	59	As a staff member, I like students coming back the second week of August. The extra week off in August maximizes the enjoyment of summer weather! Students coming back for three days after Memorial Day is really not a big deal because the weather can still be cold, snowy (crazy!), and windy.
Like	60	at least a little bit later start date
Like	61	At least it starts 8/13 and not 8/6. Still early, but not ridiculously early.
Like	62	At least it starts a week later than Cakendar A. Shortened Thanksgiving break
Like	63	at least it starts and ends a week later. Still pretty early
Like	64	Aug. 13 is slightly more reasonable to start the year than Aug. 6 in Calendar A.
Like	65	August 13 is better than August 6, but still too early.
Like	66	August 13 start is preferable to Calendar A start of August 6, but still prevents some summer travel plans.
Like	67	August 13 start, all breaks including an early winter break.
Like	68	August 13th is a more reasonable start for a school year. It allows for a fall break for both students and teachers.
Like	69	August start
Like	70	August start date
Like	71	Autumn Break!
Like	72	B has reasonable start and end dates, more consistent with other districts in the state. It allows families some time in the summer to decompress. Also, May 22 is too early to start summer. That is difficult on working parents.
Like	73	B is definitely the best option. The start date is reasonable and it includes a Fall Break. Fall Break is a MUST!!
Like	74	B starts the second full week of August and has a fall break
Like	75	B was the best out of the 4, for its end date and arrangements of breaks. The distance between fall and thanksgiving is great. I like the shortened thanksgiving break. The end date is perfect.
Like	76	Balance of fall break with latest start
Like	77	Balance of time off and start of year and end of year. I believe this is still too early but better than Calendar A.

Like	103	Cal. B is the clear winner. A little more summer time in August. Finishing at the end of May, rather than 1-1.5 weeks before June. I love having a Teacher Workday right before Spring Break.
Like	104	Calendar B best matches neighboring school districts for families and staff who may have students who are in a different school district and want similar breaks.
Like	105	Calendar B for 2025-2026 would be acceptable as well.
Like	106	Calendar B is ideal because they still get all the breaks and have a little bit longer summer, while still getting out before Memorial Day.

Like	107	Calendar B is my favorite! It starts a week later than now while only going a few days later into May. I appreciate that we still have Fall Break. I also like that Thanksgiving Break is shorter as I don't think we need all that time off in November and December. I would rather have a later start in August for this. I also like that the April Comp and PD back up to each other. This is the best choice!!!
Like	108	Calendar B is the best! Breaks during the school year for both teachers and students and going to school until the end of May. I like the later start in August too
Like	109	Calendar B starts a little later but you have a full week off for fall break.
Like	110	Calendar B to me seems like the best choice. We still begin in August. We still end before memorial day. We have both fall and spring breaks along with Christmas break.

Like	408	I like how the holiday break ends at an appropriate time after the holidays
Like	409	I like Jan 6th start day after Christmas. Also starting in Mid August instead of 1st week of August (although last week of August start would be ideal)

Like	411	I like most of it.
Like	412	I like no Fall Break. In my opinion, kids need to be in school more. We never had a Fall Break when I was growing up, and it is hard as working parents to be home during breaks like this.
Like	413	I like not starting so early
Like	414	I like not starting so early in Aug. Starting mid Aug seems better. Still getting a decent fall break.

Like	428	I like that it has fall break and that it starts a week later.
Like	429	I like that it has the full week for fall break, and I don't mind the short week for Thanksgiving.
Like	430	I like that it is a second option to as close to the last couple school calendar years.
Like	431	I like that it is more closely aligned with calendar A.
Like	432	I like that it is not a crazy early start for the school year. I like the full week for Thanksgiving and the spring break might align with Jeffco.
Like	433	I like that it is relatively similar to Calendar A.
Like	434	I like that it is starting a little later & breaks.
Like	435	I like that it kept most of the breaks and ends before June.

Like	441	I like that it starts a little bit later and has a fall break
Like	442	I like that it starts a little later (would love it if it pushed back the start another week) and ends right before Memorial Day. I also like that it retains Fall Break and shortens thanksgiving breaks.
Like	443	I like that it starts a little later in August and still has the fall, winter and Spring breaks.
Like	444	I like that it starts a little later in the year - Aug weather for outdoor activities is much nicer than May/June and it can often be too hot in schools.
Like	445	I like that it starts a little later than Calendar A
Like	446	I like that it starts a little later, giving us an extra week of summer break. I like the full Fall and Spring Breaks.
Like	447	I like that it starts a week later than Calendar A and that we get fall break and a shorter Thanksgiving break.

Like	453	I like that it's not calendar A.
Like	454	I like that option (B) starts a little later, but I don't like the Fall break in October.
Like	455	I like that our started a week later than A, but ends later it also has a short Thanksgiving break which makes me wonder why they would end the school year after memorial day. Also why does the teaching staff need an additional 14 days where the kids are not in school but your willing to take their breaks away or shorten
Like	456	I like that school starts a little later, second week of August,
Like	457	I like that school starts a week later for students.
Like	458	I like that school starts mid August and we still get some breaks in the Fall
Like	459	I like that starts a little later, and includes a fall break.
Like	460	I like that the break for Christmas starts not too close to Dec. 25 but allows a teacher work day Jan. 4 before students start back up.
Like	461	I like that the school year ends in May and not June. I like having a Fall Break.
Like	462	I like that there is still a Fall Break AND that finals for fall will be complete prior to winter break.
Like	463	I like that they go a little later but still have fall break
Like	464	I like that they go in a few days later, giving a little longer in the summer, and that only the Thanksgiving break is affected.
Like	465	I like that they start a little later and don't have all of thanksgiving week off.
Like	466	I like that they still get all their breaks but atleast it is a little later in August but still too early

Like	478	I like the change of the Thanksgiving break, to WThF break instead of the whole week. I like the later start date in August.
Like	479	I like the date of the last day of school
Like	480	I like the dates of Fall break.
Like	481	I like the dates of fall break.
Like	482	I like the extra week before starting, having fall break and a longer winter break.
Like	483	I like the fall break in October
Like	484	I like the full week of in October and that there is still a little time in November. I think it's important for the kids (and the faculty) to have that break.
Like	485	I like the idea of starting a week later, August 1 is just too early to come back. I also like that comp days, professional days and holidays are backed up together for longer weekends for families when possible.
Like	486	I like the kids going back later in August so we can enjoy the hot weather doing outside activities like swimming, etc
Like	487	I like the last day of school date.

Like	503	I like the little bit of a later start in August, but still keeping the breaks
Like	504	I like the mid August start date. winter break return date is good, end of school year before June is good
Like	505	I like the option of a fall break
Like	506	I like the shorter number of days off for Thanksgiving.
Like	507	I like the shorter Thanksgiving break. With a Fall break and Christmas break surrounding Thanksgiving, a week off seems unnecessary. I would prefer a later start date.
Like	508	I like the somewhat later start.
Like	509	I like the Spring Break timing. I love the last day timing.
Like	510	I like the start a week later and end a week later, but why did you also take away full thanksgiving break? It seems everything could stay the same except start later and end later?
Like	511	I like the start and end dates
Like	512	I like the start and end dates the most in this calendar. This calendar includes fall break.
Like	513	I like the start and end of the year better than calendar A. I like the shorter Thanksgiving break. I would rather have those days elsewhere.
Like	514	I like the start date and end dates and that it has a fall break
Like	515	I like the start date better!!
Like	516	I like the start date in mid-aug
Like	517	I like the teacher work day right before Spring Break. I like the Semester to end right before Winter Break - this is important for students so that there is not a long break right before Final Exams.
Like	518	I like the week later start date of Calendar B and still having a fall break.
Like	519	I like the week later start, the reduction of Thanksgiving Break to 3 days (stopping such a disrupted schedule) while retaining a full fall break and ending only a few days after Memorial Day.
Like	520	I like this one the most because the start date is mid August, Thanksgiving break is a little shorter than A and we end in later May.
Like	521	I like when both October break and spring break are in relation to the school year. I also like that there is not a full week off for Thanksgiving break.
Like	522	I liked all of the start/end date options as well as the Breaks. (Except for the short Thanksgiving Break)

Like	524	I liked everything about B, except not having a full week at Thanksgiving. If this calendar is chosen, we will just pull our kids out of school that Monday & Tuesday.
Like	525	I liked everything about calendar B. The timing of B was perfect, especially the start/end dates
Like	526	I liked everything with B except I would prefer to end school before Memorial Day, therefore starting a bit earlier in Aug
Like	527	I liked everything. I especially liked the shorter Thanksgiving break.
Like	528	I liked starting the school year a little later.
Like	529	I liked that Calendar b started later.
Like	530	I liked that calendar B still included fall AND spring break.

Like	532	I liked that it has a fall break. I liked that Thanksgiving break was shorter and it started later than Calendar A
Like	533	I liked that it started a little later and ended a little later while still having a fall break and a longer winter break. I wish that there was an option that started on the 20th and ended June 4th. That would have been a strong option.
Like	534	I liked that it started in mid August.
Like	535	I liked that it started later.
Like	536	I liked that it still had all the breaks
Like	537	I liked that it was a bit later start and still has a fall break
Like	538	I liked that school started later in the summer and got out closer to June.
Like	539	I liked that the Fall break was earlier in October. I realize this is not a possibility for the next couple of years, but something to consider in the future is to have the Fall break fall under the second week in October. Our family along with families and teachers I have spoken with, enjoy taking advantage of the Albuquerque International Balloon fiesta which goes the first two weeks in October when it has overlapped with Fall break in the past. Would love to have the weeks align again in the future.
Like	540	I liked that the school start date was pushed back.
Like	541	I liked that the start date was a little later in August and the later in May end date. I would be fine with the shorter Thanksgiving break given the close time frame to the Fall and Winter Breaks.

Like	549	I liked the fact that school didn't start as early in August as it does currently.
Like	550	I liked the fall break week.
Like	551	I liked the fall break.
Like	552	I liked the first and last day of school. Liked the full week for spring break and still getting 3 days off for Thanksgiving.
Like	553	I liked the first day of school date
Like	554	I liked the later start and shorter Thanksgiving break. I do like it that we'd be out before labor day.
Like	555	I liked the later start date and the fall break. I also like that school gets out a week later, as it's often still snowing in May and I'd rather let the kids have a summer break where they want to play outside.
Like	556	I liked the shorter break for Thanksgiving. This makes it easier on parents who work to not have to find childcare for an entire week or take it off even if you are not traveling somewhere. Some jobs it is incredibly hard to get time off during the holidays year after year.
Like	557	I liked the somewhat later start (compared to A) as well as the later May end
Like	558	I liked the start date and 3 days for Thanksgiving
Like	559	I liked the week later start and shortened Thanksgiving break
Like	560	I liked this one the best-later start date, breaks in every month, school ending in late May.
Like	561	I liked when the kids go back to school later in August.
Like	562	I love fall break!
Like	563	i love late start end good time as well
Like	564	I love that the Thanksgiving break is shorter so school starts a week later, and we still get a Fall Break
Like	565	I love that there is a week of fall break on calendar A and B. Please do not take away that special time for families to travel and rest from school.
Like	566	I LOVE the full week for Fall Break! Please do not take it away from us!
Like	567	I love the later start and end dates of calendar B and still getting Fall Break.
Like	568	I loved Calendar B. I liked that we started a little later, but still got out before June
Like	569	I loved starting a week later in august
Like	570	I prefer the earlier dates. But otherwise it was OK.
Like	571	I prefer the later start date

Like	572	I prefer this option
Like	573	I really don't like this one
Like	574	I should not have had to put a calendar b This survey sucks
Like	575	I think a shorter November break is a good balance.
Like	576	I think Calendar B has a better flow. It has equal quarters (about 8-10 weeks between each quarter). This gives my student a better routine, with a more steady flow of learning between needed breaks. It also gives them just a little time to celebrate Thanksgiving, but still keep their head in the game so that they finish the semester strong.
Like	577	I think you should combine the teacher work days & professional days, allowing for more days off in a row for the students around president,Äôs day &/or more days before Christmas, fewer at the beginning of January! Keep options to have students begin 2nd or 3rd week in August. Ending year 3rd week in May. Also, there should be more options for when the spring break weeks are.
Like	578	Ideal schedule - start later, full fall break, end late May, long Winter break
Like	579	If it were a choice between on A and B then prefer B because start and end date are little later in fall and spring
Like	580	If we have to start early at least mid August is better than the first week.
Like	581	If we must start in August, I like how the kids start mid August vs. the first week of August and the end date.
Like	582	If we're going to go back mid-august, I'd still prefer a fall break.

Like	591	It at least has a fall break
Like	592	It got out a little later in August
Like	593	It had a later start date for students and had a fall break
Like	594	It had the latest starting date and still included all breaks. Need to have a calendar with a back to school for the kids starting August 18th.
Like	595	It has a fall break
Like	596	It has a fall break

Like	597	It has a fall break
Like	598	It has a fall break and gets out before June
Like	599	It has a fall break with a shorter Thanksgiving break. Better first/last days.
Like	600	It has a fall break, a full week off in October is extremely important.
Like	601	It has a later start time and doesn't get out early in May when the weather is still terrible
Like	602	It has fall break. We need fall break.
Like	603	It has the breaks built in.
Like	604	It has the waiter starting in August, and a reasonable date for the end of the school year in May
Like	605	It included a fall break, which is a great chance for kids & teachers to get a break and recharge.
Like	606	It included all the breaks
Like	607	It includes a fall break, which I think is critical for high schoolers' mental health. I also think we don't need a whole week off for Thanksgiving. A five day break is a solid break! And I like that starting in August gives our students an academic advantage when it comes to taking high stakes tests like AP, IB, and SAT. More time to cover material.
Like	608	It is a perfect blend of all the best things. Not starting the first week of August, keeping Fall break, extended Thanksgiving break, and going to school the week after Memorial Day is the perfect opportunity to do all of the fun end-of-the-year activities!
Like	609	It is a tiny bit better than calendar A, but giving the kids an extra week out and in.
Like	610	It is absolutely disgusting that Douglas County does not acknowledge or celebrate Veterans day. What an embarrassment.
Like	611	It is most closely aligned with the school district I work in, so my children and I will have the most aligned breaks with this calendar.
Like	612	It is not ideal but is a good second
Like	613	It is ok and provides the same consistency.
Like	614	It is similar to recent/current school schedules and would mostly align with the Renaissance Elementary schedule. I also like that it has both a fall break and a break at Thanksgiving.
Like	615	It is the 2nd closest calendar to what we have now.
Like	616	It is the closest alignment to Aurora Public Schools
Like	617	It is the closest fit to schedule A and starts before Labor day. Doesn't make sense for sports competitions to be starting in school and kids aren't back to school yet.
Like	618	It is the one second most like our current calendar and also includes fall break.
Like	619	It is the second most similar to our current calendar

Like	620	It isn't Calendar A.
Like	621	It keeps fall break, which is a great time to take a vacation since other states are typically in school.
Like	622	It keeps Fall, Thanksgiving and Christmas break while starting later in August.
Like	623	It kept fall break.
Like	624	It maintained the October Break
Like	625	It maintains the Fall Break.
Like	626	It matches the other local district
Like	627	It offers a Fall Break. I am a caregiver for a special needs child. The Fall break gives my child the opportunity to take a break from returning to school.
Like	628	It pushes the start date out a week which is really important to me and keeps fall break.
Like	629	It retained fall break and still had slightly later start time in August
Like	630	It should be later in August but at least it isn't the very beginning. Should be later.
Like	631	It sill had fall break.
Like	632	It starts a bit later in August.
Like	633	it starts a few days later but ends later which is nice
Like	634	It starts a little later and ends a little later.
Like	635	It starts a little later and has a shorter thanksgiving break.
Like	636	It starts a little later in August which is nice
Like	637	It starts a little later in August.
Like	638	It starts at least a little bit later than school has been starting and I don't mind the end date. And I don't mind Thanksgiving break being shorter. The current Fall to Winter breaks are too long.
Like	639	It starts later in August and we don't lose fall break
Like	640	It starts later than A.
Like	641	It starts later than calendar A but still too soon.
Like	642	It starts later than calendar A, Thanksgiving break is shorter.
Like	643	It starts later, but still has breaks
Like	644	It starts the year later in August
Like	645	It still aligns with local areas calanders
Like	646	It still has a fall break
Like	647	It still has a fall break, but it's not long enough

Like	648	It still has a Fall Break. Even though I am part of fall athletics programs it is important to have a break for students to regroup and get caught up on rest and work with time off to decompress and reset. Not sure if I like the end of the year date in the event we need to add days due to Snow closures.
Like	649	It still has a full fall break
Like	650	It still has fall break
Like	651	It was better than A.

Like	653	It was ok
Like	654	it was ok
Like	655	It was the closest to calendar A. It kept spring and fall break, similar start and end dates for the school year and 2 weeks for Christmas break
Like	656	It was the second best choice.
Like	657	It was the second calendar that worked closest to getting both kids settled into school.
Like	658	It,Ä¶s a little bit better
Like	659	It,Ä¶s a slight better option but still school starts in the summer
Like	660	It,Ä¶s better than A
Like	661	It,Ä¶s better than A

Like	664	It,Ä¶s similar to a
Like	665	It,Ä¶s the most similar to A.
Like	666	It,Ä¶s the most similar to A.
Like	667	It's aligned with the calendar we've had and it resembles the calendars of other school districts in the area.
Like	668	It's basically what we have now
Like	669	It's fairly standard & the Spring Break option is later in the month.
Like	670	It's hard to remember all the calendar options as I did not take notes. Our family would prefer a later start to the school year and no fall break.
Like	671	It's like today's calendar
Like	672	It's most similar to other school districts so child care will be more accessible and it helps to have all family members on the same calendar, or extremely similar. We have family in both DCSD and Cherry Creek Schools.

Like	673	It's nice to start a little later in the month of August but still get out of school in May. Has the fall, winter and spring breaks. Thanksgiving week is shorter, but in most cases we do not travel for that holiday.
Like	674	It's ok (but prefer Calendar A)
Like	675	It's OK, at least it's not starting on the 6th. I like that Thanksgiving is not a whole week, that is not needed right after fall break for a week. BUT - fall break would be better if it was just a long weekend. Then you can start later.
Like	676	It's ok, my 3rd choice. Seems close to traditional calendar.
Like	677	It's ok.
Like	678	It's was ok nothing to bad at all.

Like	692	Keeps Fall Break, and the first couple of days of school are pretty worthless so making those their own 1/2 week is nice.
Like	693	Keeps fall break. Allows travel time for Christmas

Not clear why there isn't a calendar option that includes starting one week later and minimizing the fall/Thanksgiving break? Why are our only options to start Aug 13, or jump all the way to sept 2nd? Why aren't we exploring one week later and not having such large breaks in October, November, December?

Like	1203	Since the county forces us generally into an earlier calendar at least its not the first week. and thank god we don't have a full week at Thanksgiving and a break. Like	1414	<p>Thank you DCSD in asking for parent/student/community feedback as part of this calendar survey. I am hoping that you will take all feedback into consideration as you plan moving forward. In speaking with many parents and neighbors in the district when it comes to the school calendar survey I hear a lot of frustration around there being one calendar with an early start and an early end date with three other options that are so similar that it splits the votes and the early start, early end calendar always wins despite getting the lowest amount of total votes. The frustration is that the overwhelming majority of parents want a later start to the school year but this never ends up ,Äúwinning,Äù even though the total votes for a later start option far surpass the total number of early start calendar. In the future please either make the survey ranked choice voting or only 2 calendar options. This I believe would be less confusing and give a more accurate picture of exactly what is desired. I would like to see less or shorter breaks in the fall/winter and have more time for families to enjoy the beautiful summer weather here in Colorado. Having so many or longer breaks in the fall/winter is disruptive to learning patterns/school attendance behaviors but is also very disruptive for students with special needs that need more continuity and routine structure in their school environment. Colorado,Äôs summer season on the calendar actually begins around June 20th every year and extends well throughout August which makes more sense to have the school year start later in August or early September and go through the first few weeks of June. I would also be interested in seeing the cost savings to the district as far as air conditioning/energy cost this would provide to start later in the summer.</p>

Like	1534	This calendar seems like the best fit. All the dates for vacations and the start and end dates for the school year are very good and allows parents and students to get have time for all their holidays and needed breaks while starting the school year a week later but still ending school within the month of May. In my opinion, this is the best calendar option.
Like	1535	This is my favorite. It still has Fall Break, Thanksgiving Break is only 3 days - which is perfect. It allows school to start a little bit later as well.
Like	1536	This is my preferred because we start later
Like	1537	This is my top choice. I like that it has a later start date in August, while still keeping the fall break.
Like	1538	This is not feedback but a question. This comes up every time a calendar survey comes out - how will this affect the timing of first semester midterm exams for high school kids? It would be helpful to know this when answering this survey. If midterm exams happen after the 2 week winter break, we're not interested.
Like	1539	This is our 2nd choice. We are okay with a big longer summer and having a 2 day Thanksgiving week.
Like	1540	This is the best calendar. Starts a little later in August, ends at the end of May and keeps fall break.

Also it still gives us a couple of days before the second semester starts after the new year.
Like	1564	we appreciate the slightly later start date in August. We like the week off for fall break in October. We like the shorter thanksgiving time off.
Like	1565	We are keeping all the breaks, but still have reasonable start and end dates
Like	1566	We do not need both a full week off in"fall" and then another "fall" week off at Thanksgiving. One of these breaks is more than enough. For students and educators this is too much "up and down" in instructional time--all before MOY assessments are due in December.

We still get out fairly early--easier to get a summer job when you say you can start at the end of May. Summer employers are okay if you leave early (i.e. schools starts in early Aug) but really want you to be available for the Memorial Day weekend (or SOON thereafter)
Like	1591	year ends later

Was there anything you didn't like about Calendar B?		
Dislike	1	The shorter week at Thanksgiving is difficult to plan around and if traveling, or having visitors the full week is preferred. Returning to school after the long Memorial Day weekend for a couple days never makes sense. No learning, testing etc. would be accomplished, it is disruptive for students, their families, teachers and staff.
Dislike	2	starts too early, ends too early, October break unnecessary.... overall Calendar A and Calendar B are both equally bad... school should not start in August ever.
Dislike	3	I would rather have the week of Thanksgiving off and get out a couple days later at the end of the year.
Dislike	4	it starts too early when it,Äôs still so hot outside and ends too early. We also do not need that many full weeks off. So hard for working parents.
Dislike	5	No
Dislike	6	Still too many long breaks early in the year. Very hard for working families and kids to be engaged. Not clear why there isn't a calendar option that includes starting one week later and minimizing the fall/Thanksgiving break? Why are our only options to start Aug 13, or jump all the way to sept 2nd? Why aren't we exploring one week later and not having such large breaks in October, November, December?
Dislike	7	We need to be out a couple of days earlier for Winter break - most kids are gone, we just babysit. Make an adjustment somewhere else - take out a PD day (most PD days are not helpful to most staff)
Dislike	8	- I don't see a need for a fall break. - Thanksgiving break should be a week. - Winter break starting on a Friday makes work scheduling hard. I don't like breaks starting on a day or two the week before.
Dislike	9	-Start is a little better but still in the middle of summer. - We don't need a fall break.
Dislike	10	1) Half week break for Thanksgiving instead of full week (difficult for families)
Dislike	11	1) Would still like summer break to go later into August. 2) No reason the kids cannot go to school through May, or even first week of June
Dislike	12	3 day thanksgiving means students and families missing school Mon/Tuesday. Not having a full Break doesn't make sense.
Dislike	13	3 days at thanksgiving
Dislike	14	3 days for thanksgiving is not a good idea. Been in districts with that before just leads to bad attendance
Dislike	15	3 days of school after Memorial Day.
Dislike	16	3 more days of study after memorial day will not really be used for learning with the kids, and the older ones will not be able to enjoy the long weekend since they will have to study
Dislike	17	A bit late in May for my preference.

Dislike	18	Again prefer start school in Sept and end in June
Dislike	19	Again, I would like the start date to be later in August
Dislike	20	Again, kids do not need a fall break. When they leave for break and come back it is like starting all over again from the summer. Adjusting behaviors, getting back into a routine.... It literally takes 1-2 weeks to get back on track and miss out on optimal learning.
Dislike	21	Again, too early a start and no need for fall break
Dislike	22	Again, we don't need both fall break and Thanksgiving Break.
Dislike	23	Again, we start so early here. I am a Colorado native, we have always started early, but lets make a change, and start later! August is one of the hottest months of the year.
Dislike	24	All
Dislike	25	All of it
Dislike	26	All of it. Too early a start and too many days off
Dislike	27	Almost everything
Dislike	28	Amazing option that includes fall break and a bit later start.
Dislike	29	An entire week for Thanksgiving is not necessary
Dislike	30	As a HS teacher the two days before Thanksgiving break become very low attended. While I see we don't need the full week off, it is efficient for attendance.
Dislike	31	As a teacher, having school during Thanksgiving Break is a waste because over 50% of students are gone.
Dislike	32	As above stated
Dislike	33	AS mentioned above starting last week of august or 3rd week of August would be better
Dislike	34	Aug 13th start is still too early
Dislike	35	Aug start
Dislike	36	August 13 is still too early of a start date.
Dislike	37	August 13 is still too early to start since the weather is beautiful then.
Dislike	38	August 13 is still too early. would prefer 1 more week
Dislike	39	August 13 start date is okay, but not great. Still very warm outside and fun time to spend traveling and in the mountains.
Dislike	40	August 13 start is a bit too early
Dislike	41	August 13th is still to early start time. Push the Start and End Dates by one week and that would be perfect
Dislike	42	August start
Dislike	43	B has school after Memorial Day and has school for two days during the week of Thanksgiving

Dislike	44	B is almost perfect, but is there a way to shift the Fall Break down to three days off (and still create a 5-day weekend) and have the remaining two days create a 4-day weekend in the spring a few weeks either side of Spring Break? It would create two shorter breaks in the Fall (Fall Break and Thanksgiving Break). And still provide another long weekend in the Spring. Or, is it possible to have the day after Halloween off?
Dislike	45	B is my favorite of all 4.
Dislike	46	B is okay
Dislike	47	B starts and ends too early. It wastes energy on Air Conditioning and costs the district too much money in maintenance.
Dislike	48	Being in school until May 28th is horrendous.
Dislike	49	best option for us.
Dislike	50	Breaks are misaligned with other school districts.
Dislike	51	breaks didn't line up as well with DPS
Dislike	52	Breaks seemed shorter
Dislike	53	BUT - fall break would be better if it was just a long weekend. Then you can start later.
Dislike	54	Calendar B I believe it,Ãs still too early for kids to start school on August 13. The third or fourth week of August would be even better, and school ending at the end of May is a much better option than calendar A. At this point anything is better than calendar A.
Dislike	55	Calendar B starts too early in August and includes the fall break, which needs to be eliminated. the excessive amount of breaks make it very difficult to get the students back into the daily routine of school
Dislike	56	Christmas break being so close to Christmas.
Dislike	57	Christmas break is too early. Would rather have Christmas break closer to Christmas and start later in January.
Dislike	58	Christmas break too long and too early.

Dislike	76	Doesn't retain Thanksgiving Break
Dislike	77	Don,Äôt like starting so early in the fall

Dislike	79	Don,Äôt need a fall break, or less of one.
Dislike	80	Don,Äôt need fall break
Dislike	81	Don't like having memorial day and then a few worthless days of school. Winter break too long.
Dislike	82	Don't like the calendar ends date and some how shorter winter break
Dislike	83	Don't like the fall break when they have Thanksgiving break a few weeks later.
Dislike	84	Don't like there isn't a full week at Thanksgiving for the celebration with family.

Dislike	167	Fall break a little early
Dislike	168	Fall break and Thanksgiving break, along with option A just seems too much at the beginning do the school year.
Dislike	169	Fall break and the later school year start date
Dislike	170	Fall break and Winter break do not match Cherry Creek Schools where I work.
Dislike	171	Fall break being 2 days shorter. People are just going to excuse their children for those two days anyways to have a full week if they are taking advantage and are traveling.
Dislike	172	Fall break could be shorter as well, to keep us from coming back after memorial day
Dislike	173	Fall break could be shorter so we could have a 3-week winter break.
Dislike	174	Fall break doesn't align with jeffco
Dislike	175	Fall break is a must for our family. It's one of the best times of year to take our kids somewhere warm for affordable prices. Getting out of school closer to June and starting closer to sept make a lot more sense in our climate.
Dislike	176	Fall break is a total disruption to the learning process and should be taken out.

Dislike	182	Fall break is too short Thanksgiving break is too short Don't like having Memorial Day off and then having to go back to school for three days. They are wasted days and except for the high school the schools won't do anything but watch movies for those three days

Dislike	183	Fall break is unnecessary

Dislike	190	Fall Break seems unnecessary when kids are still trying to get back into the swing of school
Dislike	191	Fall break start
Dislike	192	Fall break was early, wish start could be later in August.
Dislike	193	FALL BREAK- I have to find daycare because I work. And your BASE programs are extremely expensive for full day. I am a single mother and cant afford \$600 for the week

Dislike	197	Fall break, long break at Christmas.
Dislike	198	Fall break, start and stop dates
Dislike	199	Fall Break, Thanksgiving, Christmas, and Spring Break should always be 1 full week.
Dislike	200	Fall break.
Dislike	201	Fall break. Also, why put a teacher work day right before spring break? This makes it even longer
Dislike	202	Fall break. I wish there wasn't one.
Dislike	203	Fall break...seems unnecessary
Dislike	204	Fall break, but overall not bad
Dislike	205	Fall hreak
Dislike	206	finish after memorial day
Dislike	207	Finishing school well after memorial day. It would be sad to lose the days around Thanksgiving.
Dislike	208	Finishing school year AFTER Memorial Day, half week for Thanksgiving
Dislike	209	Finishing the year after Memorial Day is not ideal.
Dislike	210	First day of school and fall break

Dislike	211	First day of school needs to be later and then last day of school can be later and breaks remain the same
Dislike	212	For Calendar B I would prefer no fall break and a full week at Thanksgiving.
Dislike	213	Full week of thanksgiving not off. School ends after Memorial Day.
Dislike	214	Full week off for Thanksgiving is not needed
Dislike	215	Get out after Memorial Day
Dislike	216	Get out later
Dislike	217	gets out a little late
Dislike	218	Gets out a smidge late.
Dislike	219	Gets out very early at the end of the school year
Dislike	220	Getting done so late in May. Surrounding districts (and friends in those districts) already get out earlier than DSCD, and this would make that problem even worse.
Dislike	221	Getting out one week later in spring.
Dislike	222	Go back after Memorial Day
Dislike	223	Go back to school too early. School should start in September!
Dislike	224	goes to last week of May. Still has full week of Fall break.
Dislike	225	going back after memorial day - unproductive days
Dislike	226	Going back for a few days after Memorial Day.
Dislike	227	Going back to school after Memorial Day
Dislike	228	Going back to school on January 5th for Winter Break
Dislike	229	Going late in May
Dislike	230	Going past Memorial Day
Dislike	231	Going to school for just 3 days after Memorial Day is a joke. It will be a nightmare for teachers and parents
Dislike	232	has a fall break
Dislike	233	Has kids going back to school for 3 days after Memorial Day weekend
Dislike	234	Have to come back after Memorial Day
Dislike	235	Have to go back after memorial day
Dislike	236	Having a 2 day Thanksgiving week is basically a wasted 2 days in school since many students are gone for the two days and the teachers generally do not do much because of it. It also ends on May 28. Nobody wants to go back to school after Memorial Day.
Dislike	237	Having a 3 day weekend and then 2 days of school feels silly. Could we move inservice days around?
Dislike	238	having a fall break and school ending the week after memorial day weekend. My least favorite option

Dislike	239	having a full week off of fall break with having another full week off of thanksgiving barely a month later.
Dislike	240	Having the end date after memorial day.
Dislike	241	Having to go to school the Monday & Tuesday before Thanksgiving. Many families pull their kids from school those days and they end up being kind of wasted time anyway. We've tried that option in the past and attendance was terrible.
Dislike	242	Holding school for just a few days after Memorial Day would be a total waste of days - no one will be paying attention
Dislike	243	holiday break seems too long
Dislike	244	Hopefully BUSES will run all year
Dislike	245	horrible being and end date, no break
Dislike	246	How early school started in August
Dislike	247	How early school starts.
Dislike	248	How late in the year it ends
Dislike	249	How late summer starts
Dislike	250	How late we go till
Dislike	251	I did not like how we had to come back on the Friday after Thanksgiving.
Dislike	252	I did not like only having three days for Thanksgiving. As a teacher, students will take it off anyway and teachers will be instructing to half full classes (if that).
Dislike	253	I did not like that Calendar B only gives 3 days off for Thanksgiving break.
Dislike	254	I did not like that it did not have a week off for Thanksgiving. Families take their students out of school for more than Thursday and Friday, so I end up with many students being absent and I have to reteach the material after Thanksgiving.
Dislike	255	I did not like that we would go after Memorial Day, and I did not like that we don't get a full week in November for Thanksgiving break.
Dislike	256	I did not like that you would have to return to school after Memorial Day weekend for a 4 day school week.
Dislike	257	I did not like the fact that they get out of school the whole week of Thanksgiving.
Dislike	258	I did not like the shortened Thanksgiving break. So many families take the whole week for for trips and it's hard as a teacher to have so few kids in school for two days - hard to start anything new, give assessments, etc with so many students out
Dislike	259	I did not like the shortened Thanksgiving week break as it interferes with travel with family
Dislike	260	I did not like the Thanksgiving break.

Dislike	261	I did not like they would have to come back after Memorial Day just for a couple of days. Those days wouldn't be productive at all anyways.
Dislike	262	I didn't like how they still started in early August and ended in May.
Dislike	263	I didn't like that thanksgiving break was shortened
Dislike	264	I didn't like how short Thanksgiving break was.
Dislike	265	I didn't like how the Thanksgiving break was cut short!
Dislike	266	I didn't like how there were only a couple of days off for Thanksgiving.
Dislike	267	I didn't like only having three days for Thanksgiving Break.
Dislike	268	I didn't like that Calendar B ended later.
Dislike	269	I didn't like that it went past Memorial Day
Dislike	270	I didn't like that there is not a full week for Thanksgiving.
Dislike	271	I didn't like that we don't get a full week off for Thanksgiving break.
Dislike	272	I didn't like that we had school on Monday and Tuesday of Thanksgiving.
Dislike	273	I didn't like the 3 day Thanksgiving Break. We use that time to visit elderly parents/grandparents out of state.
Dislike	274	I didn't like the shorter Thanksgiving Break
Dislike	275	I didn't like the shorter Thanksgiving break or that they'd have a holiday weekend then have to go back to school only for a couple days before releasing after Memorial Day.
Dislike	276	I dislike the long winter break. Why is there no option for a one week break? All 4 calendars only have a 2+ week break option. It is too long for working parents. There should be other options provided.
Dislike	277	I dislike the Thanksgiving bresk
Dislike	278	I do like fall break
Dislike	279	I do not like that we do not have the whole week off for Thanksgiving. Since we historically have it off, I think most families will continue to take their students out of school that Monday and Tuesday.
Dislike	280	I do not like the idea of going back to school for two days after Memorial Day I also do no like the shorter Thanksgiving break
Dislike	281	I don't care about fall break so B or C was best
Dislike	282	I don't know why they make the Christmas break extra long with the Friday and Monday days off, it's dumb.
Dislike	283	I don't like having classes the M and T before Thanksgiving. In the past, when we had classes on these days there was very low attendance and because of this they become days when there is no instruction - wasted days.
Dislike	284	I don't like how they have taken breaks off from their Thanksgiving breaks
Dislike	285	I don't like it.

Dislike	286	I don't like that they still go back mid August which is the second hottest month.
Dislike	287	I don't like the fall break.
Dislike	288	I don't like the shorter thanksgiving break. I would prefer fall break to be a short week, and get the full week for thanksgiving.
Dislike	289	I don't like ending on May 28th
Dislike	290	I don't like how early Calendar B starts in August. As a family, June is too cold to really enjoy camping and stuff. I wish to enjoy the warmer summer month in August.
Dislike	291	I don't like how early it starts.
Dislike	292	I don't like how late we get to start Summer break. I don't want to start later in August as well.
Dislike	293	I don't like losing Thanksgiving break.
Dislike	294	I don't like not having all Thanksgiving week off
Dislike	295	I don't like only have 3 day off for Thanksgiving break.
Dislike	296	I don't like teacher work days before breaks (December 19th or March 13th) I'd rather have them after the break. Neither of the fall or spring breaks work out for my schedule. I'd prefer them a week later.
Dislike	297	I don't like that fall break is shortened. I'm unclear when finals would be (if they'd be before or after winter break).
Dislike	298	I don't like that it doesn't have a full week for Thanksgiving and I don't like the work day before Spring Break. I'd rather have a work day after Spring Break or after any break, not before one.
Dislike	299	I don't like that Thanksgiving Break is not a week. We travel to Oklahoma to see family and that does not give us enough travel time. Plus does not give this teacher time to relax before going back to work.
Dislike	300	I don't like that Thanksgiving is not a full week and that school goes beyond Memorial Day weekend.
Dislike	301	I don't like that the last day of school is after memorial day.
Dislike	302	I don't like that there is not a full week for Thanksgiving break and that the last day is after the holiday in May.
Dislike	303	I don't like that they have to attend school for 2 days in during Thanksgiving. It's a waste of the children's and teacher's time.
Dislike	304	I don't like the abbreviated breaks.
Dislike	305	I don't like the Aug 13 start. Still too early. I am ok with a shorter fall break or none in order to start later.
Dislike	306	I don't like the early start in August. Better than A, but still sucks. Move it to September.
Dislike	307	I don't like the half week of Thanksgiving off and the full week off for Fall Break. I would prefer for a full week during Thanksgiving and a long weekend in lieu of Fall Break.
Dislike	308	I don't like the partial-week off for thanksgiving. And as stated above, I would like to return to two-week fall and spring breaks.

Dislike	309	I don't like the short Thanksgiving break. I'd love to see this option with a shorter October break.
Dislike	310	I don't like the short Thanksgiving Break. As an educator, many students take the whole week off anyway, so it makes those days not very productive. I don't like ending after Memorial Day. It is nice to be finished before Memorial Day.
Dislike	311	I don't like the shortened Thanksgiving break.
Dislike	312	I don't like the shorter Thanksgiving Break
Dislike	313	I don't like the shorter Thanksgiving break or finishing school after Memorial day.
Dislike	314	I don't like the shorter time off at Thanksgiving; harder to book affordable travel options. I'd rather have a weeklong Thanksgiving break and start school year earlier or end later
Dislike	315	I don't like the start date; I don't like the dates for fall break- I'd like it pushed back a week. I don't like teacher work days before winter break (I'd rather have school and after a teacher work day after break); I don't like the Feb 13th pd day- I'd rather have students; I don't like the dates for spring break- I'd rather have break a week later
Dislike	316	I don't love that it ended a few days after Memorial Day.
Dislike	317	I don't love that Thanksgiving is short. However, I understand that we would come back to school earlier if it wasn't short.
Dislike	318	I don't love the week off for fall break. I also don't like the shorter Thanksgiving break.
Dislike	319	I don't prefer Fall Break as a teacher
Dislike	320	I don't see the point of a fall break if we are unable to use it due to our kids being in athletics and coaches not caring about time off.
Dislike	321	I don't see the purpose of a Fall break in October.
Dislike	322	I don't want fall breaks
Dislike	323	I dont
Dislike	324	I dont like it at all
Dislike	325	I feel fall break is unnecessary.
Dislike	326	I feel like Fall break is too much when Thanksgiving and Christmas is right behind it. Working parents can't take that much time off or afford care for all of these breaks.
Dislike	327	I feel like going just a few days after memorial day (long weekend) the last days will be very wasted.
Dislike	328	I fell like you're going to have some serious attendance issues those last two days of school (after Memorial Day). This option doesn't make a whole lot of sense to me.
Dislike	329	I hate how late we get out.
Dislike	330	I just feel like we have a lot of breaks packed into three months (October, November and December). May 28 end date it better than May 22 but still not warm enough for pools.

Dislike	331	i just prefer d with the later start
Dislike	332	I like be the best
Dislike	333	I like everything about B
Dislike	334	I like everything about Option B.
Dislike	335	I like having the full week off for Thanksgiving
Dislike	336	I like the full week for thanksgiving
Dislike	337	I like this option over what we currently have.
Dislike	338	I liked everything with B except I would prefer to end school before Memorial Day, therefore starting a bit earlier in Aug
Dislike	339	I liked the schedule
Dislike	340	I love late start and end time is good as well
Dislike	341	I LOVE the full week for Fall Break! Please do not take it away from us!
Dislike	342	I prefer a later start and release date.
Dislike	343	I prefer calendar D
Dislike	344	I prefer starting in early August
Dislike	345	I prefer the dates on Calendar A
Dislike	346	I prefer the earlier release date.
Dislike	347	I prefer the week of thanksgiving break off!
Dislike	348	I preferred the full week for Thanksgiving like in A, but the August 13th start in this one.
Dislike	349	I really don't like the partial week around Thanksgiving because Monday and Tuesday are so poorly attended by students. Families often plan to be away for the entire week anyway. In addition, I would prefer the week after Memorial Day to be put at the beginning of the year. Again, attendance during this last week will be awful.
Dislike	350	I really prefer a full 5 days for Thanksgiving break, rather than 3 days.
Dislike	351	I should not have had to put a calendar b This survey sucks
Dislike	352	I still think august 13 is too soon, but better than the 6th.
Dislike	353	I still think mid-August is too early for a start date and I don't feel students need a full week of fall break AND Thanksgiving break.
Dislike	354	I still wish it would start even later and end later in the summer.
Dislike	355	I think August 13 is too early to start the school year
Dislike	356	I think having school the Monday & Tuesday of Thanksgiving break are worthless as many students are absent and it becomes babysitting days instead of learning days.

Dislike	357	I think Thanksgiving break is too short.
Dislike	358	I think the school year starts a little early.
Dislike	359	I think the school year still starts too early
Dislike	360	I think the start date is still too early
Dislike	361	I think the start date should be even later...late August.
Dislike	362	I think the we could shorten the breaks a bit and don't like that they end in the middle of the week. Fall Break could be: October 16th-18th or something like that
Dislike	363	I think you should combine the teacher work days & professional days, allowing for more days off in a row for the students around president,Ã day &/or more days before Christmas, fewer at the beginning of January! Keep options to have students begin 2nd or 3rd week in August. Ending year 3rd week in May. Also, there should be more options for when the spring break weeks are.
Dislike	364	I wish classes started a little later in August and went maybe a week longer into June.
Dislike	365	I wish it had started later in the year and gone further into June.
Dislike	366	I wish that it started on August 20th and ended on June 4th.
Dislike	367	I wish that Spring Break was a week later like Calendar C
Dislike	368	I wish the 24th and 25th were not school days but can work around that. Instead, I wish fall breaks were not a think in Colorado - makes it hard for parents that week who work.
Dislike	369	I wish the start and end dates could still be a little later. I would even be fine with only having a 1/2 week off for spring break (or no spring break) to adjust those.
Dislike	370	I wish the start date could be two weeks later, to the third week in August.
Dislike	371	I wish there was a way to start a week later
Dislike	372	I wish we could have this calendar but make it so we start closer to September. It,Ã so hot still in August, and getting out in May is miserable when the weather is crappy
Dislike	373	I would have still liked to see the start pushed back later into August or September and Thanksgiving lengthened and Fall break shortened or eliminated
Dislike	374	I would like a full week for Thanksgiving break.
Dislike	375	I would like a later start to the beginning of the year.
Dislike	376	I would like for spring break to like up with LPS since my husband works for them and we can never make plans during this break since his week is different.
Dislike	377	I would like it to start a week later and get out a week later.
Dislike	378	I would like the school year to start a week (or even 2) later, and finish a week or 2 later.

Dislike	379	I would like to see 3 days for Fall Break, have a clearer understanding what the comp days are tied to, and not have the last 3 days of school be after Memorial Day.
Dislike	380	I would like to start school in September. I did not like the August 13th start date, but it's better than the earlier date.
Dislike	381	I would love to see an option of a start date in third week of August.
Dislike	382	I would maybe start 1 week later and end one week later
Dislike	383	I would miss getting the whole week of Thanksgiving off! We might have low attendance the last week of school since the families are used to being done before Memorial Day.
Dislike	384	I would prefer the 4 day weekend in April coincide with Easter.
Dislike	385	I would prefer the week long fall break be replaced to a 4 day weekend in October and a 4/3 day weekend in the end of April/beginning of May. I don't like the shortened Thanksgiving break.
Dislike	386	I would prefer to have a week off at Thanksgiving
Dislike	387	I would prefer to take a couple of days from fall break and get out a couple of days earlier.
Dislike	388	I would prefer it to start the week before.
Dislike	389	I would rather end earlier in May and not have fall break
Dislike	390	I would rather have another week of summer and loose fall break.
Dislike	391	I would rather have it start later in august and end later in june.
Dislike	392	I would rather start earlier and end earlier.
Dislike	393	I would still prefer they start later
Dislike	394	I would still prefer to start in September
Dislike	395	I wouldn't mind starting Winter Break on Dec 22.
Dislike	396	I,Ãd rather start the last weekend in August
Dislike	397	I'd like to have both the week at thanksgiving and fall break, but I get the time won't allow both if you start later. For my two cents....I'd like to see days off mid-week reduced and a few minutes added to the school day so we could have both. Time away from school is important for kids and families.
Dislike	398	I'd rather see a full week for Thanksgiving and getting out of school later in June.
Dislike	399	I'd rather start at Labor Day and go until June with a fall and a Spring Break
Dislike	400	I'd rather start earlier in August and get out in May.
Dislike	401	I'd rather start even later in August and have a shorter winter break or no fall break
Dislike	402	I'd rather still have Fall break and Thanksgiving break, and would rather be done with school by Memorial Day.
Dislike	403	I'm concerned the 2 days the week of thanksgiving will not be very productive in the classroom and become wasted days.

Dislike	404	I'm indifferent on having a Fall break.
Dislike	405	if fall break could be week of October 20 this would be the perfect calendar
Dislike	406	If you could remove the Friday March 13, and Friday, Dec 19, Feb 13 this would allow kiddos to get out before Memorial Day.
Dislike	407	inclusion of Fall Break
Dislike	408	Incomplete breaks
Dislike	409	is it possible to come up with an option where they start somewhere between Aug 13-Sept 2?? Would be ok with shorter fall break and thanksgiving break even winter break to extend summer a bit
Dislike	410	issue with breaks
Dislike	411	It aligns with Cherry Creek where my own kids attend school.
Dislike	412	It conflicts with the first two days of March Madness, which is a huge "guys Vegas weekend" event
Dislike	413	It doesn't have a full week at Thanksgiving. I'd rather not have the work day before Spring Break and have that day off for another day during Thanksgiving Break.
Dislike	414	It doesn't have a full week for Thanksgiving
Dislike	415	It doesn't have a week off for Thanksgiving
Dislike	416	It doesn't have halloween off. The day after appears to be the weekend, but I always wish that we could have halloween and the day after off, but that's the trade off for fall break, I guess.
Dislike	417	It ends too late in the year. Also, I don't like that it wasn't a full week for Thanksgiving. Giving a full week for Thanksgiving helps for families who travel (we don't, but many others do). This gives them options for driving or flying during times when EVERYONE is not competing for the road or the airplane seat.
Dislike	418	It ends too late.
Dislike	419	It finishes after Memorial day. The Thanksgiving break is not the full week. I travel out of state for Thanksgiving as well as others it doesn't make sense to have a half week.
Dislike	420	It gets rid of the Thanksgiving Break. While I can understand the desire to have a later start for school, the likelihood that parents will just take their kids from school these days are 95%. After working in education for 24 years, I have had both only Wednesday-Friday off and the whole week. When I worked Monday and Tuesday, attendance was 75% on Monday and 50% on Tuesday. Students will still be gone. We can avoid this by having this entire week off for parents to travel to family. Also, getting out after Memorial Day is ridiculous. Parents tend to make their own calendar anyway and take their kids out because Memorial Day is a huge vacation weekend.
Dislike	421	it had all the breaks but started later in august

Dislike	422	It is absolutely disgusting that Douglas County does not acknowledge or celebrate Veterans day. What an embarrassment.
Dislike	423	It is pretty good. It is a close tie with calendar D. We prefer a later start to the school year.
Dislike	424	It means we end later in the summer.
Dislike	425	It needs to have a week break at Thanksgiving.
Dislike	426	it shortens fall break
Dislike	427	It should start a week later.
Dislike	428	It should,Ãve started a week or two later. Possibly the week before Labor Day. The only problem with that is you then create a three day weekend after one week of school.
Dislike	429	It started later than A and ended later.
Dislike	430	It starts a week later than A and ends a week later so why would they take out a full thanksgiving break. Start and end a week later and keep thanksgiving break and that would be perfect
Dislike	431	It starts and ends earlier than preffered, weather.
Dislike	432	It starts one week (5 student contact days) later than choice A, but it adds 4 of those student contact days to the end of the school year AND adds 2 student contact days to the week of Thanksgiving, so it seems to net one additional student contact day beyond calendar A. Why is this?
Dislike	433	It starts too early in August
Dislike	434	It starts too early in August still.
Dislike	435	It starts too early. Would like more of a summer break to play outside when the days are longer. Fall break stinks for parents. Just another week to have to find care for working parents.
Dislike	436	It still starts August 6th, which is literally the middle of summer.
Dislike	437	It still starts too early season wise
Dislike	438	It was my first choice
Dislike	439	It was my first choice but still would think shortening Xmas break for a later start date would be nice for them to enjoy summer a bit more.
Dislike	440	It wasn,Ãt clear when the semester ends. The first semester should NOT extend beyond Winter Break. That is not setting students up for success as retention of learned materials diminishes over that 3 week non-classroom time.
Dislike	441	It went longer in May.
Dislike	442	It went past Memorial Day
Dislike	443	It would be great if school could still start a few days or a week later like August 19th.
Dislike	444	It would be nice if the start date could be a week later, while still maintaining all breaks, just ending a week later.

Dislike	445	It would be nice to have a longer Thanksgiving break for those who travel over the holidays.
Dislike	446	It would be nice to start later and end later. June is often still too cool to enjoy the pools etc but by August summer is in full swing and it feels like a shame to go back to school so early.
Dislike	447	It would be nice to take a few days out of the Christmas vacation and just have 2 weeks off - the week of Christmas and the week of New Years instead of the few days on the front and tail end.
Dislike	448	It,Äôs a lot of time in December and early January off for working families.
Dislike	449	It,Äôs cold in May, keep the kids in school later and start them at the END of august
Dislike	450	It,Äôs not a four day school week.
Dislike	451	It,Äôs okay. Similar to a
Dislike	452	It,Äôs still starting pretty early in August.
Dislike	453	It,Äôs very similar to calendar A
Dislike	454	It's an improvement over the current schedule, but I'd still rather start and end later in the year.
Dislike	455	It's better than calendar A but not by much.
Dislike	456	It's better to have a full week off Thanksgiving rather than Fall Break.
Dislike	457	It's hard to remember all the calendar options as I did not take notes. Our family would prefer a later start to the school year and no fall break.
Dislike	458	It's not option d
Dislike	459	It's still too early in August to return to school.
Dislike	460	It's too similar to A, the few differences aren't that big a deal between the two.
Dislike	461	Its by far the most logical option in my opinion.
Dislike	462	Its my preferred.
Dislike	463	Just wish the start date was at least a week later.
Dislike	464	Last day after memorial day
Dislike	465	Late end date
Dislike	466	Late end of school year, shortened Thanksgiving break
Dislike	467	late ending
Dislike	468	Late finish
Dislike	469	Late last day
Dislike	470	Late start and later release
Dislike	471	Late start dated and school year ending after Memorial Day
Dislike	472	Later end date

Dislike	473	later end date
Dislike	474	Later start but earlier fall break. Seems non-ideal
Dislike	475	Later than option a for end date
Dislike	476	Lengthy breaks
Dislike	477	Less breaks during school year
Dislike	478	Less days off for Thanksgiving and long winter break.
Dislike	479	Less days off of fall break, attendance on that Monday and Tuesday will be extremely low
Dislike	480	Less time off at Thanksgiving
Dislike	481	less time off for Thanksgiving, last day of school is later in May
Dislike	482	Liked it all
Dislike	483	Limited Fall break;
Dislike	484	Lo parecido al A
Dislike	485	Long breaks, starting in early August

Dislike	495	Loss of full week for Thanksgiving
Dislike	496	May 25th District Holiday and then school gets out that Thursday.
Dislike	497	May be adding additional day or two holidays to start late first week of Jan will be good
Dislike	498	Mid august start
Dislike	499	Missing fall break could be a bummer, but isn't the end of the world
Dislike	500	Moving away from a normal schedule
Dislike	501	Moving fall break up a week. Maybe move it to the week of Halloween
Dislike	502	my #1 choice
Dislike	503	NA, option A or B is preferred.

Dislike	504	need shorter Christmas break so 5/22 is still the last day
Dislike	505	Need to be done before Memorial Day. Going to be hard to come back for four days!
Dislike	506	Needs a back to school date for the kids starting August 18-19th with an end date just after Memorial Day. You skip this whole week as a start date week for the kids. Why?
Dislike	507	Needs a later start date between August 13th and Sept 2nd and then adjust other dates.
Dislike	508	Needs to start later in August or September.
Dislike	509	No fall break
Dislike	510	No Fall break
Dislike	511	no fall break - only a long weekend only two days off at Thnaksgiving - not enough time to prepare
Dislike	512	no full Thanksgiving Break
Dislike	513	No Full Thanksgiving Break
Dislike	514	No full week at Thanksgiving
Dislike	515	No full week at Thanksgiving. Don,Äôt need a fall break.
Dislike	516	No full week for thanksgiving
Dislike	517	No full week of Thanksgiving break and going later in May.
Dislike	518	No I like it
Dislike	519	No it is my first choice
Dislike	520	No it was pretty good as choice a.
Dislike	521	No it's great! Summer doesn't start until very end ofay so not worried that it goes past memorial day.
Dislike	522	No it's my favorite (would be okay to extend the start and end date another week)
Dislike	523	No kid should have to go to school before aug 20th-25th.
Dislike	524	No Monday and Tuesday off of Thanksgiving break, but I would rather have a later start date.
Dislike	525	No need for a week at Thanksgiving.
Dislike	526	no need for fall break
Dislike	527	no need for fall break, starts too early
Dislike	528	No need for October break
Dislike	529	No need for October break or a Christmas 2,5 week vacation at home...
Dislike	530	no need to start later in the summer, just my opinion
Dislike	531	No needed for fall break
Dislike	532	No really

Dislike	533	No students will come to school on the days leading up to Thanksgiving, which will make teaching on those days moot.
Dislike	534	No thanksgiving break
Dislike	535	no thanksgiving break. you will end up with many empty chairs on Monday and Tuesday of that week.
Dislike	536	No variance for winter break; still just as long and prefer later start (late August vs mid-August)
Dislike	537	No work day right before the start of the year, PD days can be rough to have no work time the day before school starts. End of of the school year is pretty late as well, not sure why since Thanksgiving is a shorter break than A.
Dislike	538	No, I like calendar B
Dislike	539	No, I like it all.
Dislike	540	No, I love everything
Dislike	541	No, I love this calendar.
Dislike	542	No, it's great!
Dislike	543	No, just prefer a full week off for Thanksgiving to travel to see family
Dislike	544	No, not really
Dislike	545	No, this is first choice.
Dislike	546	not a full break for thanksgiving
Dislike	547	Not a full thanksgiving break
Dislike	548	Not a full thanksgiving break
Dislike	549	Not a full week at breaks
Dislike	550	not a full week at Thanksgiving
Dislike	551	not a full week at thanksgiving
Dislike	552	Not a full week for Thanksgiving
Dislike	553	Not a full week for Thanksgiving
Dislike	554	not a full week for Thanksgiving
Dislike	555	Not a full week for Thanksgiving
Dislike	556	Not a full week for Thanksgiving break
Dislike	557	Not a full week for Thanksgiving.
Dislike	558	Not a full week for Thanksgiving.
Dislike	559	Not a full week of Thanksgiving Break
Dislike	560	not a full week of Thanksgiving- most families will leave so learning will be a hot mess Coming back after Memorial Day

Dislike	561	not a full week off at Thanksgiving
Dislike	562	Not a full week off at Thanksgiving, out in May
Dislike	563	Not a full week off for one of the breaks I think
Dislike	564	not a full week off for thanksgiving
Dislike	565	not a full week off for Thanksgiving-many families take the whole week regardless and most of the teaching they are missing (any day of the year) cannot be replicated, the professional development day and comp day are a Thursday and a Friday interrupting the flow of the week and making Monday difficult because the students get out of wack, the last day of school is after Memorial Day
Dislike	566	Not a lot
Dislike	567	Not as bad as A, but still starts a little too early (Aug 20 or 27 would be way better, but this isn't an option)
Dislike	568	Not as good as A
Dislike	569	not as late as others
Dislike	570	not done by Memorial Day
Dislike	571	Not done by memorial Day
Dislike	572	Not enough breaks
Dislike	573	Not enough days of school.
Dislike	574	Not enough time for thanksgiving travel
Dislike	575	Not full week off for Thanksgiving
Dislike	576	Not full weeks for breaks
Dislike	577	Not getting a full week at thanksgiving
Dislike	578	Not having a full Thanksgiving break.
Dislike	579	Not having a full week at Thanksgiving. Last day is 1 week later than A.
Dislike	580	Not having a full week for Thanksgiving
Dislike	581	Not having a full week for Thanksgiving will cause a massive absence issue with students.
Dislike	582	not having a full week of at thanksgiving, but absolutely understandable and worth it to start later
Dislike	583	Not having a full week off for Thanksgiving
Dislike	584	Not having all of Thanksgiving week off
Dislike	585	Not having all of thanksgiving week off
Dislike	586	Not having all thanksgiving week off.
Dislike	587	Not having as long a Thanksgiving break
Dislike	588	Not having Thanksgiving week off to visit family would mean taking my kids out of school for a few days.

Dislike	589	Not having the full thanksgiving week
Dislike	590	not having the full week at thanksgiving
Dislike	591	Not having the full week for Thanksgiving
Dislike	592	Not having the full week of Thanksgiving off.
Dislike	593	Not having the week of Thanksgiving off.
Dislike	594	Not late enough start date
Dislike	595	not late enough start date
Dislike	596	Not much
Dislike	597	Not much. Kids go to school too early, do not need a fall break and get out too early as well. August should be included in the Summer break
Dislike	598	Not particularly
Dislike	599	Not particularly.
Dislike	600	Not really, it is pretty similar but with a later start
Dislike	601	Not really, it,Âs not ideal like C but it,Âs more manageable than the no sense A.
Dislike	602	Not starting later.
Dislike	603	Not the whole week off for Thanksgiving
Dislike	604	Nothing alarming stuck out to me that I did not like.
Dislike	605	nothing I can think of offhand.
Dislike	606	Nothing in school enough
Dislike	607	Nothing really stuck out that I did not like.
Dislike	608	Nothing, it's my first choice.
Dislike	609	Nothing, it's pretty standard.
Dislike	610	Nothing, my favorite
Dislike	611	October break
Dislike	612	October Fall Break is unnecessary and shortens summer break.
Dislike	613	On the calendar PDF it says fall break is the week of the 13th, but on the comparison it says fall break is the week of the 20th on all. So that is confusing.
Dislike	614	Once again, August 13th is still too early for a school start.
Dislike	615	Only 2 days for thanksgiving
Dislike	616	only 2 days for Thanksgiving break instead of a full week
Dislike	617	Only 3 days at Thanksgiving break school finishing after memorial day

Dislike	618	Only 3 days for Thanksgiving
Dislike	619	Only 3 days for Thanksgiving will have an effect on student attendance
Dislike	620	Only 3 days off for Thanksgiving
Dislike	621	Only a few days off for Thanksgiving break
Dislike	622	only a little better than A with a bit later start for the year
Dislike	623	Only a partial week at Thanksgiving
Dislike	624	Only few days off for thanksgiving
Dislike	625	Only going back after Memorial Day for 3 days. That will be hard not only on students, but on teachers as well. As a former teacher, when I taught in Nebraska I always liked that student days ended prior to Memorial Day. I wouldn't want a long weekend just to come back for three days. I know a lot of families kick off summer with vacations over Memorial Day which makes it hard to do if the students have to return for three days. You could end up seeing a drop in attendance numbers those last three days.
Dislike	626	Only having 3 days for Thanksgiving.
Dislike	627	Open-Ended Response
Dislike	628	Out after Memorial Day.
Dislike	629	Out of school after memorial day
Dislike	630	Overall would prefer a shorter winter break
Dislike	631	Please get rid of the fall break.
Dislike	632	Prefer a longer break at Thanksgiving.
Dislike	633	Prefer no fall break, thanksgiving too short, spring break too early
Dislike	634	Prefer to be off the entire week of Thanksgiving for travel and family time.
Dislike	635	Prefer to have full week off for Thanksgiving
Dislike	636	Professional days on Thursday
Dislike	637	Recommend shorter Thanksgiving break,Ästudents do not need a whole week after just having a week long fall break.
Dislike	638	Return to school after Memorial Day. No full week at Thanksgiving.
Dislike	639	returning for 3 days after memorial day seems silly
Dislike	640	Right now fall and spring semesters seem to fit with winter break in the middle. I wouldn,Äôt want finals to be in January and after break
Dislike	641	Same
Dislike	642	Same answer as A. Start after August. Save tax payer money.
Dislike	643	Same answer as above

Dislike	644	Same as A
Dislike	645	Same as A
Dislike	646	Same response to option A - It is in my opinion, still too early in and out with quite a bit of time off. Hard for working parents.
Dislike	647	Same with Calendar A, a week of fall break is completely useless. No skiing, minimal beach / pool time (hurricane risk). School ends after memorial day. Those are worthless school days after memorial day.
Dislike	648	School begins to early in August. A week for fall break not needed when students have barely been in school 2 full months since summer. Winter break is to long.
Dislike	649	School ended after Memorial Day but this is fine with such an early Memorial Day.
Dislike	650	School ends 3 days after Memorial day weekend? Those last 3 days will be a total waste.
Dislike	651	School ends after Memorial Day.
Dislike	652	School in August is terrible. The fall break is not needed!
Dislike	653	School is out after Memorial Day, but this to me is not a big deal.
Dislike	654	School not out before Memorial Day
Dislike	655	School start date
Dislike	656	school started early
Dislike	657	School starting the second week of August is better, but it's still early, and there is still a fall break.
Dislike	658	School starts early
Dislike	659	School starts later.
Dislike	660	school starts still much too early for these kids
Dislike	661	school starts to early in August and Christmas break is too long
Dislike	662	School starts too early and ends too early
Dislike	663	School starts too early in August and ends too late in May. Fall break is not necessary.
Dislike	664	School starts too early in the summer months.
Dislike	665	School starts too soon and ends too soon. We often have cold, even snowy months of May and August is still warm. It would make much more sense for summer break to be during June, July, and August instead of having the kids in school in August when it's still 90-degrees out!
Dislike	666	School year ends pretty late in May.
Dislike	667	School year start and end dates.
Dislike	668	School year start time

Dislike	669	School year still starts too early, winter break is too long, 3 days of school after Memorial Day seems clunky and unproductive
Dislike	670	School year still starts too early. Let us enjoy summer while the weather is nice.
Dislike	671	Seems unnecessary to have the day before spring break a day off as well. Would rather have it sometime in April for teachers and students to have a break
Dislike	672	Short fall break
Dislike	673	Short TG break
Dislike	674	Short Thanksgiving
Dislike	675	short thanksgiving
Dislike	676	Short Thanksgiving
Dislike	677	Short thanksgiving
Dislike	678	Short thanksgiving
Dislike	679	Short Thanksgiving
Dislike	680	short thanksgiving - would rather go back Jan 2.

Dislike	690	Short Thanksgiving break
Dislike	691	short Thanksgiving break
Dislike	692	Short thanksgiving break
Dislike	693	Short thanksgiving break
Dislike	694	Short thanksgiving break
Dislike	695	Short Thanksgiving break and to early of a start date in August.
Dislike	696	Short thanksgiving break doesn't give time to travel.

Dislike	697	short thanksgiving break, added days on Christmas/New Year break instead, should make a 4 day weekend for MLK with one of those days
Dislike	698	Short Thanksgiving break, extra friday off before winter break
Dislike	699	short thanksgiving break, going back after memorial day
Dislike	700	Short Thanksgiving break, makes travel to see family difficult
Dislike	701	Short Thanksgiving break, school starts too soon and ends too soon.
Dislike	702	Short Thanksgiving break.
Dislike	703	Short Thanksgiving Break.
Dislike	704	Short Thanksgiving Break. Families need to time to travel.
Dislike	705	Short Thanksgiving Break. For those of us traveling to see family, having the full week at Thanksgiving is good. No need for a full week off in October. Would prefer a long weekend in Oct and the full week at Thanksgiving. Why is that not an option. If that were an option, B would be my favorite.
Dislike	706	Short Thanksgiving break. In high school..kids don't come those 2 days before Thanksgiving.
Dislike	707	Short Thanksgiving week.
Dislike	708	short Thanksgiving will lead to increased absences during that week
Dislike	709	Short Thanksgiving.
Dislike	710	shortened fall break & Thanksgiving break
Dislike	711	Shortened Thanksgiving break
Dislike	712	Shortened thanksgiving break
Dislike	713	shortened Thanksgiving break
Dislike	714	Shortened Thanksgiving break
Dislike	715	Shortened Thanksgiving break doesn't align with my college kids.
Dislike	716	Shortened Thanksgiving Break limits travel.
Dislike	717	shortened Thanksgiving break, end date after Memorial Day
Dislike	718	Shortened Thanksgiving break. Attendance for the Monday/Tuesday that week is very low and hard to teach small classes with an abundance of missing students.
Dislike	719	Shortened Thanksgiving break. I like the full week to travel.
Dislike	720	Shortened Thanksgiving Break. Many of us must travel to see family for the holiday. This will remove the option of being with any family for the holiday.
Dislike	721	Shortened time off at Thanksgiving
Dislike	722	shorter break for thanksgiving, later end to the year

Dislike	723	Shorter break that option A
Dislike	724	shorter fall break
Dislike	725	shorter Thanksgiving Break, but willing to reduce for all the things that I liked.
Dislike	726	shorter thanksgiving
Dislike	727	Shorter Thanksgiving
Dislike	728	Shorter thanksgiving
Dislike	729	Shorter thanksgiving and school starts later

Dislike	740	Shorter Thanksgiving break
Dislike	741	Shorter thanksgiving break
Dislike	742	Shorter thanksgiving break
Dislike	743	Shorter thanksgiving break
Dislike	744	Shorter Thanksgiving break and having the kids go back to school after memorial weekend.
Dislike	745	Shorter thanksgiving break makes it hard to travel to see family or spend family time
Dislike	746	Shorter thanksgiving break results in school starting and ending a week later - doesn't make much of a difference in the overall summer break time
Dislike	747	Shorter thanksgiving break school ends after Memorial Day
Dislike	748	Shorter Thanksgiving break should equal out somewhere else
Dislike	749	Shorter Thanksgiving break.
Dislike	750	Shorter Thanksgiving break.
Dislike	751	Shorter thanksgiving break.
Dislike	752	Shorter Thanksgiving break.

Dislike	753	Shorter Thanksgiving break. I'd have a shorter Fall break and give a week at Thanksgiving.
Dislike	754	Shorter Thanksgiving break. Out late May.
Dislike	755	shorter Thanksgiving break. The kids travel then to see family. So a short break results in loads of absences.
Dislike	756	Shorter Thanksgiving Break. We love to travel to family for that break and love that the kids get a week off.
Dislike	757	shorter thanksgiving could interfere with travel
Dislike	758	Shorter Thanksgiving Holiday
Dislike	759	Shorter thanksgiving week
Dislike	760	Shorter Thanksgiving week, but this is fine. We've had that calendar before and having a week off in October, plus winter break on the horizon, really helps offset this.
Dislike	761	Shorter Thanksgiving. I like having the entire week off
Dislike	762	Should be end of August for start and get out in May. Stop having so many in service days. Do those prior to school starting.
Dislike	763	Should start a week later and get out a week later
Dislike	764	Should start later in August.
Dislike	765	Similar to Calendar A it has too many breaks which can be frustrating. We don't need a week off each fall.
Dislike	766	Similar to Calendar A.
Dislike	767	Similar to choice A
Dislike	768	Since it feels like current one, it just feels like too many breaks
Dislike	769	Since this has the start date in middle August, I wish fall break would be pushed back a week to October 20-24.
Dislike	770	Since we would be starting a week later, I question why you put fall break a week earlier. It should stay Oct. 20 - 24. This would better align with first quarter conferences for the elementary schools.
Dislike	771	Smaller breaks
Dislike	772	Smaller breaks
Dislike	773	some of the breaks I think were shortened the end of the year date was later in May- which I am not a fan of.
Dislike	774	Spring break doesn't match university of Denver spring break.
Dislike	775	Spring Break doesn't align with DPS calendar
Dislike	776	spring break is too early
Dislike	777	Spring break should be later in the year. The middle of March is too cold still for a nice Spring break. Please stop catering to skiers by having such an early Spring break. I would prefer a spring break that was in April.
Dislike	778	Spring break? What?? too short! We need the WHOLE week! AND finishing after Memorial Day. Boooooooo
Dislike	779	Start after Labor Day!

Dislike	780	Start and end dates
Dislike	781	Start and end dates
Dislike	782	start and end dates

Dislike	787	Start date
Dislike	788	Start date
Dislike	789	Start date
Dislike	790	Start date
Dislike	791	Start date could still be later. Summer is still in full swing til mid September and it's still very hot
Dislike	792	Start date is still a bit early. Winter break is too long.
Dislike	793	Start date is still a week too early. The third or 4th week or August would be preferred.
Dislike	794	Start date is still right in the middle of summer
Dislike	795	Start date is still too early
Dislike	796	Start date is too early
Dislike	797	Start date is too early!
Dislike	798	Start date is too early. Children should have all/most of August for summer break. That's the hottest time of the summer.
Dislike	799	Start date length of Christmas break
Dislike	800	Start date not consistent with current years.
Dislike	801	Start date should still be later and keep the breaks but get out later in June
Dislike	802	start date too early
Dislike	803	Start date, fall break. Why not start school on Mon, Aug 18 and take away Oct 13 & 14 for Fall break? Would be terrific for a school calendar

Dislike	826	Starting later and thus getting out later into May.
Dislike	827	Starting school in early August is not okay
Dislike	828	Starting school too early in the year
Dislike	829	starting so early! Why can't they start the last week or sept. drop fall break and keep thanksgiving short. see prior comments about working parents
Dislike	830	Starting summer break a week later.

Dislike	852	Starts too early
Dislike	853	Starts too early and ends later.
Dislike	854	Starts too early as too hot in Aug. so money is spent on AC instead of teachers, etc., no need for a Fall break if school is started later, Thanksgiving Break is short.
Dislike	855	Starts too early in August
Dislike	856	Starts too early in August
Dislike	857	Starts too early in August.

Dislike	864	starts too early, gets out too early
Dislike	865	Starts too early.
Dislike	866	Starts too early.
Dislike	867	Starts too early. Would be just as effective to start a week or two later and drop the fall break.
Dislike	868	Starts too soon

Dislike	869	Starts too soon
Dislike	870	Starts way to early
Dislike	871	State date and end date could be later
Dislike	872	Still a bit early
Dislike	873	Still a bit early start in august
Dislike	874	still a good schedule, but I would love to have a full week for Thanksgiving to visit family
Dislike	875	still a little too early of a start in August.
Dislike	876	Still a too early of a start date in august
Dislike	877	Still a very early start date
Dislike	878	Still an early start date but better than calendar A.
Dislike	879	Still an early start in August when we have the best weather for travel in Colorado.
Dislike	880	Still an early start to the year when it's really hot outside.
Dislike	881	Still early
Dislike	882	Still early start date
Dislike	883	Still fairly early start in August
Dislike	884	Still has an October break.
Dislike	885	still having fall break
Dislike	886	Still having school in session after Memorial Day weekend.
Dislike	887	Still not enough change from the current schedule
Dislike	888	Still seems like too many breaks and disruptions in learning throughout the year.
Dislike	889	Still start pretty early and has a really long winter break
Dislike	890	Still starting about a week too soon (or at least a few more days!).
Dislike	891	Still starting and ending too early in the year, based on the weather in CO.
Dislike	892	Still starting in August isn't my favorite calendar option.
Dislike	893	Still starting slightly to early
Dislike	894	Still starting too early, October break unnecessary
Dislike	895	Still starts a little too early in August, but better than option A.
Dislike	896	Still starts a little too early. I'd strongly prefer a start closer to August 20th. I'd start a week later and then get rid of fall break.
Dislike	897	Still starts a week earlier than I would like, would prefer shorter fall break
Dislike	898	Still starts and ends too early

Dislike	899	Still starts kind of early.
Dislike	900	still starts pretty early
Dislike	901	Still starts school way too early! It is still summer in August!
Dislike	902	Still starts to early for me... I prefer Labor Day till June schedule. That feels like summer!!!
Dislike	903	Still starts too early
Dislike	904	Still starts too early
Dislike	905	Still starts too early and ends when it,Ãs still cold. We can,Ãt even use the neighborhood pool until 2 weeks into break.
Dislike	906	Still starts too early and too many breaks.
Dislike	907	Still starts too early for my taste. LATE August to late May is better. I also dont like the way DCSD eliminates St Patrick's day every year. But again B was over all the best.
Dislike	908	Still starts too early in August. Would easily forgo fall break to avoid this. Fair trade off!
Dislike	909	Still starts too early in fall
Dislike	910	Still starts too early in the year
Dislike	911	Still starts too early in the year.
Dislike	912	Still starts too early, should start in September Thanksgiving break should be full week
Dislike	913	still starts too early; could go later in year
Dislike	914	Still starts too early. Why not start on 8/25 and get out on 5/29. Scrap the random days off before and after winter break, before spring break, and the other random 3/4 day weekends, like in September and April.
Dislike	915	Still starts way way too early. We miss most l of August and have to be back in school during the optimal vacation times.
Dislike	916	Still think it is such an early starting day of the school year.
Dislike	917	Still too early
Dislike	918	still too early
Dislike	919	Still too early a start/late finish
Dislike	920	Still too early but it is what it is
Dislike	921	Still too early in August
Dislike	922	Still too early of a start
Dislike	923	Still too early of a start
Dislike	924	Still too early of a start and too much time for Fall Break.
Dislike	925	Still too early of a start date

Dislike	926	Still too early return to school from summer break.
Dislike	927	Still too early to go Back
Dislike	928	Still too early to start school (especially for staff)
Dislike	929	Still too little weeks of summer break in August. Fall break
Dislike	930	Still too many breaks and too short of a summer
Dislike	931	still too many days off, our kids are getting soft and we need to toughen them up
Dislike	932	Still too much time off
Dislike	933	Strats too early. Fall break unnecessary
Dislike	934	summer too short
Dislike	935	taking finals after Memorial Day will be a challenge, but the Midwest has been doing this for decades! Also don't love the shortened Thanksgiving break, but again the Midwest has been doing this for years so it's not a huge problem. You will see reduced attendance that week if it is not an "off" week.
Dislike	936	Taking our full week for Thanksgiving is a non-negotiable for me. It's pretty worthless that week anyway, as about half of our students would be gone those Monday and Tuesday anyway, so doesn't make any sense for us to be here either.
Dislike	937	Thanksgiving and winter break are too long following a one week fall break
Dislike	938	thanksgiving break
Dislike	939	Thanksgiving Break
Dislike	940	Thanksgiving break is short
Dislike	941	Thanksgiving break is shortened. Educators deserve a full week off, however, I wonder if Winter break could be shortened just a bit. It was reported to me at Fall P/T conference that my Kindy has been struggling in school since Winter break due to so much time off. I do feel like Winter break is too long, especially for working parents who need to find and pay for childcare. Further, there is a district holiday every week thereafter for the rest of January (MLK, President's Day)
Dislike	942	Thanksgiving break is shorter
Dislike	943	Thanksgiving break is too short
Dislike	944	Thanksgiving break is too short
Dislike	945	Thanksgiving Break is too short. Everyone is gone anyway.
Dislike	946	Thanksgiving Break needs to be the entire week off.
Dislike	947	Thanksgiving break really doesn't need to be a week.
Dislike	948	Thanksgiving break shorter

Dislike	949	Thanksgiving Break should be a week long. I did not like the shortened Thanksgiving break
Dislike	950	Thanksgiving break should include Monday and Tuesday.
Dislike	951	Thanksgiving break too short
Dislike	952	Thanksgiving Break too short
Dislike	953	Thanksgiving break too short
Dislike	954	Thanksgiving break was pretty long.
Dislike	955	Thanksgiving break. No one would go to school for one day
Dislike	956	Thanksgiving only 3 day break
Dislike	957	Thanksgiving week has school Monday and Tuesday School days after Memorial Day
Dislike	958	Thanksgiving week.
Dislike	959	That Christmas break goes for so looong.
Dislike	960	That fall break wasn't a week long, that Thanksgiving wasn't a whole week
Dislike	961	That it doesn't start in September
Dislike	962	That it resembled A
Dislike	963	That it still isn't starting late enough into August. I'd prefer the kids go back later, and get out later.
Dislike	964	That school ends so late
Dislike	965	That Thanksgiving break wasn't the full week.
Dislike	966	That there was a week at fall and less at thanksgiving
Dislike	967	The three day fall break. Kids in our feeder will just miss school.
Dislike	968	The actual time school starts is far too early for teens. What ever happened to the survey parents completed years ago about later start times? The only action that happened after that was to shift the start of school EARLIER.
Dislike	969	The August Start date.
Dislike	970	The breaks are shorter and the end date is later at the end of May
Dislike	971	the breaks are sufficient, they should match Calendar A
Dislike	972	The calendar looks good. No problems with it.
Dislike	973	The chopped Thanksgiving break as well as the altered beginning and ending dates
Dislike	974	The dates for thanksgiving are showing 2023
Dislike	975	The decreased Thanksgiving break and the later release date.
Dislike	976	The earlier start and finish
Dislike	977	The earlier start date
Dislike	978	The early start and early end dates of the calendar year. We also don't need a Week for fall break.

Dislike	979	The early start in August
Dislike	980	The end date is later but that doesn't really bother me. Still like it the best
Dislike	981	The end of the year after Memorial Day.
Dislike	982	The end of the year date.
Dislike	983	The fact that they are starting in early AUGUST.
Dislike	984	The fall break does not align with Cherry Creek Schools break.
Dislike	985	The fall break is too early
Dislike	986	The fall holiday, the short Thanksgiving break
Dislike	987	The last day being so late
Dislike	988	The last day of school is later.
Dislike	989	The later end date.
Dislike	990	The later May release date and not getting full Thanksgiving break
Dislike	991	the later start
Dislike	992	The later start
Dislike	993	The length of winter break
Dislike	994	The longer Christmas break and fall break.
Dislike	995	The longer winter break. It could be shorter.
Dislike	996	The ONLY thing I didn't like about this calendar was the short Thanksgiving break. I prefer the full week.
Dislike	997	The partial thanksgiving week break. Having a full week here would be favorable.
Dislike	998	The same complaints that I had about calendar A, and there is no need for a fall break, it's ridiculous, and difficult for kids to transition back into the classroom learning environment with, how many breaks the kids have during the year for a week or more.
Dislike	999	The school year drags into summer for an extra week.
Dislike	1000	The school year goes past Memorial Day. Parents start taking vacations and that final week is a disaster with excitement especially when we have been done before Memorial Day in the past. Students have mentally checked out.
Dislike	1001	The short Thanksgiving Break
Dislike	1002	The short Thanksgiving Break
Dislike	1003	The short Thanksgiving break
Dislike	1004	The short thanksgiving break
Dislike	1005	The short thanksgiving break
Dislike	1006	The short thanksgiving break

Dislike	1007	The short thanksgiving break, we are always traveling that week so the full week is our personal preference
Dislike	1008	The short Thanksgiving break.
Dislike	1009	The short Thanksgiving week
Dislike	1010	The shortened Thanksgiving break
Dislike	1011	The shortened Thanksgiving break
Dislike	1012	The shortened thanksgiving break.
Dislike	1013	The shorter Nov break
Dislike	1014	the shorter thanksgiving break
Dislike	1015	The shorter thanksgiving break isn't great but I understand that the days have to come from somewhere if we start later in August.
Dislike	1016	The shorter Thanksgiving Break isn't as nice, but I still prefer this calendar above all the others.
Dislike	1017	The shorter thanksgiving break wouldn't be my first choice
Dislike	1018	The shorter thanksgiving break. Fall break is too long.
Dislike	1019	the shorter Thanksgiving break. the 2 days of school that week are useless and no teaching gets done. Most families take off anyways.
Dislike	1020	The shorter Thanksgiving, fall break, and early start time.
Dislike	1021	the start and end dates are too early.....it is blazing hot in August and difficult for students to study
Dislike	1022	The start and end days
Dislike	1023	The start date and keeping fall break.
Dislike	1024	the start date for students
Dislike	1025	The start date is a little early
Dislike	1026	The start date is still in August which is undesirable. Definitely prefer less time off for Thanksgiving.
Dislike	1027	The start date is still too early in August but preferable to August 6th.
Dislike	1028	The start date is too early. We need to start pushing the first day of school back into September. July and August are very hot months.
Dislike	1029	The start date was a little later.
Dislike	1030	The start to school could be later. Families want to have the option to travel in August.
Dislike	1031	The teacher workday on March 13 seems superfluous, given that parent-teacher conferences are usually scheduled for that week. Teachers would benefit from having time to prepare for those meetings earlier in the month.
Dislike	1032	The Thanksgiving break dates, wish it were full week off
Dislike	1033	The Thanksgiving plan is horrible.

Dislike	1034	The times, the breaks, i don't like it at all.
Dislike	1035	The two month gap before fall break, but it's the best scenario overall IMO.
Dislike	1036	The week long break in October is too much. Starting school in August is also frustrating as that is when the summer weather begins in Colorado.
Dislike	1037	The week long breaks for Fall & Thanksgiving- feel they are too long for elementary students
Dislike	1038	the week long Thanksgiving after having a week off for Fall Break.
Dislike	1039	The week of school after Memorial.
Dislike	1040	The winter break should start earlier
Dislike	1041	There are one week holidays almost every month.
Dislike	1042	There is a fall break
Dislike	1043	There is no need for a full five day fall break
Dislike	1044	There is no need for a week off at fall break. Especially difficult for working parents and children who have trouble with retention.
Dislike	1045	There still is a fall break.
Dislike	1046	There,Ãs really nothing I dislike about this one. It is my top choice.
Dislike	1047	They get out a bit late
Dislike	1048	They go back too early as well as get out too early. Why can,Ãt we go back after Labor Day and get out in June plus still have a fall break.
Dislike	1049	Think fall break could be shorter than a full week
Dislike	1050	This calendar is preferred but I wish they started 8/18 and just had 20-30 extra mins to school each day
Dislike	1051	This calendar starts way to early in August. I end up having students missing for vacations and camping and it is hard to set up the classroom routines and structures with students gone all the time.
Dislike	1052	This is my preferred choice
Dislike	1053	This schedule is ALMOST perfect. I would keep kids in school on 12/19 or/and 1/5 and give them 11/24 and/or 25 off. Not ideal for staff but maybe Move a teacher in service to 11/24? The kids can go back on 1/5 for sure.
Dislike	1054	This seemed like the best compromise. Winter break is long.
Dislike	1055	three days at thanksgiving
Dislike	1056	Timing of spring break. Align with other districts!
Dislike	1057	To early start
Dislike	1058	Too early
Dislike	1059	Too early

Dislike	1060	Too early calendar start
Dislike	1061	Too early dismissal. There is no need to be out by Memorial Day. It is a weekend holiday as is, and to go one more week into June does not disrupt fall sport schedules and allows better infastucture, teacher scheduling etc balance in Aug.
Dislike	1062	Too early for school to start with CO weather. No need for fall break as high schoolers have activities during that time regardless that are school mandated.
Dislike	1063	Too early for start
Dislike	1064	Too early for start of summer
Dislike	1065	Too early of a start
Dislike	1066	Too early of a start and too many breaks with fall break and Thanksgiving making it disruptive to learning
Dislike	1067	Too early of a start date
Dislike	1068	Too early of a start date
Dislike	1069	Too early of a start date and too many breaks
Dislike	1070	Too early of a start time.
Dislike	1071	Too early of a start. Spring break is a little too late. Long and unnecessary fall break. It,Äôs disruptive right as kids get into the groove of school.
Dislike	1072	too early start and too early out
Dislike	1073	too early start date
Dislike	1074	TOO EARLY START DATE
Dislike	1075	Too early start in August
Dislike	1076	Too early start time
Dislike	1077	too early start, too short Thanksgiving break
Dislike	1078	Too early to start in August, still too hot and interrupts summer vacations with may not summer most places yet either
Dislike	1079	Too early to start the school year.
Dislike	1080	Too late
Dislike	1081	Too long of a year.
Dislike	1082	Too many breaks during the year.
Dislike	1083	Too many breaks in the all. Starts too early in Aug
Dislike	1084	Too many breaks throughout the year
Dislike	1085	Too many breaks, early start.

Dislike	1086	Too many breaks.
Dislike	1087	Too many breaks. Please get rid of Fall break. Also, August 13th is too early to start.
Dislike	1088	Too many school breaks
Dislike	1089	Too much time off, too early start, fall break doesn't need to be a whole week, or at all, Thanksgiving break doesn't need to be a whole week. Parents work, and can't afford to take this time off. STOP DOING THIS TO US!!!!
Dislike	1090	Too short of a break for Thanksgiving
Dislike	1091	Too short thanksgiving
Dislike	1092	Two less days of Thanksgiving Break and the end of the year is after Memorial Day.
Dislike	1093	Two weeks off in fall
Dislike	1094	Way too many breaks. It,Äôs highly inconvenient for us. Let them stay in school and extend summer
Dislike	1095	We can't start so early! This is nuts!
Dislike	1096	We could end the date on May 27th instead of 28th.
Dislike	1097	We didn't like the short Thanksgiving break.
Dislike	1098	We do not need both a full week off in "fall" and then another "fall" week off at Thanksgiving. One of these breaks is more than enough. For students and educators this is too much "up and down" in instructional time--all before MOY assessments are due in December.
Dislike	1099	We don't like the abbreviated Thanksgiving option. As a parent and DCSD employee (K-8 charter), many families are going to take the entire week off, regardless of whether the district does. For teachers, if they have a "normal" academic day on Monday and Tuesday, they then have to manage student make-up work and catching students up.
Dislike	1100	We don't need a full week for fall break - use those days around 2x weekends, and/or shorten the entire year by a day or two with proper spacing...we want more summer
Dislike	1101	We don't need such a LONG time off school in December and Jan. for winter break. It's better to be out of school during the summer (August) when the weather is better for family vacations.
Dislike	1102	we end so late
Dislike	1103	we go back too early
Dislike	1104	We go for a three day weekend and then we come back for three days in may
Dislike	1105	We miss the 2 week Spring Break
Dislike	1106	We need 2 weeks for fall break.
Dislike	1107	We would prefer to start in Sept and get out mid June with both fall and Thanksgiving break. It,Äôs so hot in Aug and cold in June, it makes more sense to shift summer break.
Dislike	1108	Wee need to start later

Dislike	1109	week off for thanksgiving break
Dislike	1110	When does semester 1 end?
Dislike	1111	When Thanksgiving break started and Winter break ended.
Dislike	1112	Which there was no fall break and instead longer Thanksgiving break.
Dislike	1113	Why can we start 3 rd week of August,Ä¶ options are Aug 13 and skips to Sept 2!!??? Start August 20. Have a 3 day fall break. Add 2 days to end of year if you must. Give us our summer for families!!
Dislike	1114	Why come back for two days after Memorial Day?
Dislike	1115	Why does the desire to alter the school year calendar exist in the past few years? LEAVE IT ALONE. Absolute waste of resources. There are many working parents who must plan their time off a year in advance. Keep the predictable traditional calendar. All summer activities and camps structure their timeline around the long existing school calendar. Why shake up the flow of everything? What could possibly be gained with screwing with the school calendar???? I doubt much...
Dislike	1116	Why start a break on a Saturday and end on Wednesday
Dislike	1117	Why take fall break if just a long weekend
Dislike	1118	WHY WHY WHY do we need TWO breaks in this semester???? WHY???????????????
Dislike	1119	Winter break
Dislike	1120	Winter break could be a bit shorter as a working parent
Dislike	1121	winter break end date
Dislike	1122	Winter break is really long, especially with several other long breaks.
Dislike	1123	Winter Break is still too long. I would prefer the winter break was only 2 weeks: December 22 - January 2. And instead, school could start 2 days later or end 2 days earlier for the year...
Dislike	1124	Winter break is too long and it still starts too early in August
Dislike	1125	Winter break is too long and the start date is too early
Dislike	1126	Winter break seems a bit long.
Dislike	1127	Winter break too long after fall break and week of Thanksgiving
Dislike	1128	Wish could push back one week (or at least a few days). Reduce or remove fall break to achieve.
Dislike	1129	Wish for a later start still in August.
Dislike	1130	Wish is started a little later.
Dislike	1131	Wish it started a week later in August and got out in early June
Dislike	1132	Wish it started later.
Dislike	1133	Wish it started later.

Dislike	1134	Wish it was a later summer start.
Dislike	1135	wish it was a little later in august
Dislike	1136	Wish it was a partial fall break.
Dislike	1137	Wish it would push out in to August by one more week!
Dislike	1138	Wish school started earlier
Dislike	1139	Wish the Fall Break would align with Mother Cabrini Day (first monday in October). Would be nice if Fall break starts on 10/6.
Dislike	1140	Wish the start date was later in August still
Dislike	1141	Wish the thanks giving break was the full week
Dislike	1142	wished spring break was pushed back a week
Dislike	1143	Working after memorial day... Students won't focus after the long weekend.
Dislike	1144	would be ok starting even a week later Aug 18 and getting out later first week of June
Dislike	1145	Would like a later fall break and spring break.
Dislike	1146	Would like a start date a week later.
Dislike	1147	would like to go back later in August - example August 27th or 25th
Dislike	1148	Would like to see an option for an 8/20 or 8/27 start date, with corresponding later finish dates.
Dislike	1149	Would like to see later start and continue school into June.
Dislike	1150	would like to start a week later.
Dislike	1151	Would love to maybe start a week later if possible.
Dislike	1152	Would prefer a full week of break at Thanksgiving.
Dislike	1153	Would prefer a whole week for Thanksgiving break.
Dislike	1154	Would prefer full week of thanksgiving off
Dislike	1155	Would prefer little later spring break week due to CO weather (more like calendar C).
Dislike	1156	Would prefer longer Thanksgiving break
Dislike	1157	Would prefer no fall break
Dislike	1158	Would prefer shorter fall break and full week Thanksgiving break. Flip flop the durations of those two breaks.
Dislike	1159	would prefer the whole week off for Thanksgiving
Dislike	1160	Would prefer to have Teacher Work Day on another day besides March 13, 2026; preferably not connected to Spring Break.
Dislike	1161	Would prefer to start in September
Dislike	1162	would prefer to start later

Dislike	1163	Would prefer week of President,Äôs Day for break
Dislike	1164	Would rather a later school start and shorter fall/Thanksgiving breaks
Dislike	1165	Would rather no fall break
Dislike	1166	Would still like to start later.
Dislike	1167	Would still prefer a later start in August
Dislike	1168	yeah not started mid august or late augustm whats 2 days?
Dislike	1169	Yes
Dislike	1170	yes , fall break is a waste.
Dislike	1171	Yes days off
Dislike	1172	Yes early start
Dislike	1173	Yes it starts to early in August.
Dislike	1174	Yes too many days off in October not enough in November
Dislike	1175	Yes, extending the school year to have 3 school days after memorial day would just suck. Random workday in March seems like that could be removed, as well as starting back earlier on Jan 5th, and skip those last 3 student days, and make those the PD and WK days. That would make so much more sense!
Dislike	1176	Yes, I do not like starting in August and ending in May
Dislike	1177	Yes, starts too early in my opinion. And don,Äôt need the fall break.
Dislike	1178	Yes, the start date is still way too early. It's still literally in the middle of the summer.
Dislike	1179	Yes, we lost part of our Thanksgiving break.
Dislike	1180	Yes,Ä¶.my third choice and I like to see my wife (a teacher on a different schedule) once in a while. No to B!
Dislike	1181	You end 2 days after memorial day. Who wants to come back for two days after a 3 day weekend? Why don't you start on August 20th, keep all the holidays as is, and end of June 4th? I think this is a middle of the road compromise. Preserves some of August so families can still enjoy the heart of the summer. And ends when it should be starting to warm up a little here in Colorado.
Dislike	1182	you get a fall break
Dislike	1183	You still end before Memorial Day weekend.

Like	24	All of it
Like	25	almost right, starts too early
Like	26	As a household with both parents working full-time, it's very difficult to balance childcare with all of the breaks during the school year. So I really like how Calendar C eliminates Fall Break and gives a longer Thanksgiving break.
Like	27	At least it starts a week later than Calendar A
Like	28	At least starts later august
Like	29	Aug 13 start

Like	30	aug 13 start, thanksgiving week, winter break, spring break, finish before memorial day

Like	32	August 13 is better than August 6, but still too early.
Like	33	August 13 start date and the May 22 end date
Like	34	August 13 start is preferable to earlier Calendar A start of August 6
Like	35	August 13th is a more reasonable start for a school year, and the full week at Thanksgiving is convenient for family travel.
Like	36	August start
Like	37	Awful
Like	38	Beginning later in August, ending in May, protecting Thanksgiving break as a full week, spring break aligning with other districts.
Like	39	Best choice! Because start is mid-August and the last day of school is still before Memorial Day
Like	40	Best mix of the options. Longer summer, no fall break that disrupts kids and routines just as they,Äre really settling in. Summer is far too short.
Like	41	Best overall calendar. No Fall Break. Start's a little to early but end date is nice. This calendar but push the start and end dates by one week would be even better.
Like	42	Best schedule with mid-August start date and May 22 last day of school. Shorter school year and longer summer break.
Like	43	Best starting and ending dates.
Like	44	Better
Like	45	Better at consecutive days taught.
Like	46	Better option for parents that work! Schools starts later in the cooler months of summer.
Like	47	Better start and end dates for the school year.
Like	48	Better start date- Aug is the best month for the pool and it,Äs too hot for the kids in the classrooms. Some schools don,Ät have AC. June and July are always rainy

Like	53	Better to start later & end later

Like	54	Better. I really want a summer that goes later as the weather is much better in September than May and June, if you ask me.
Like	55	Both Thanksgiving and Winter break the same as Calendar A. The full week of Spring Break later in the month of March is fine. School ends before Memorial Day Weekend.

Like	60	Calendar C ends school before Memorial Day.
Like	61	Calendar C has all of the things I would prefer. The semester starting after Winter Break, the full week off during Thanksgiving and the long weekend in lieu of a Fall Break.
Like	62	Calendar C is a clone of the first two calendars but without fall break; that,Äôs quite a long time between breaks. I would be interested in pushing Fall Break back to the last week in October, though.
Like	63	Calendar c is good.
Like	64	Calendar C is my 3rd option but only because it,Äôs on this survey. This option should not be considered.
Like	65	Calendar C starts a little later and you have a week off for fall break.
Like	66	Christmas break not being short and Spring break being a week later.

Like	161	First day of school is end of august
Like	162	first day of school is not a Monday, full week off for Thanksgiving, first day after winter break is a work day, last day of school is before Memorial Day
Like	163	Frankly, a week off for Thanksgiving is absurd, if there is a week-long fall break, and then a huge break at the end of the year. I don't think traveling is a good reason; because Thanksgiving is one meal on one day.

Like	164	full fall break - Please consider the impacts of the October slump for teachers. Starting the school year is very busy and stressful. They are working a lot of extra time. It isn't possible to do everything in our set working hours, and we cannot work 24/7, so some things must be put on the back burner for a bit. Fall break gives teachers a moment to regroup for mental health and time to catch up on paperwork, spreadsheets, assessment analysis, planning and prepping for differentiated instruction, etc. If your goal truly is to retain teachers, please refrain from shortening breaks. Maybe cut some PD days instead, because in some cases, teachers are planning and presenting at PD days. This adds to their workload instead of providing new learning for them.

Like	269	I like how school starts a little later than Calendar A.
Like	270	I like how school starts later in the month but taking away fall break is a mistake and pushing the school year past memorial day is a dumb choice because the teachers are not actively teaching on those days so what is the purpose?
Like	271	I like how we start later (8-13) but our last day is the same as Calendar A. :)
Like	272	I like no fall break! this is just tough for working parents. I like more time off around thanksgiving to allow for travel if desired and this also tends to be a less busy time and more able to get work off if needed.

Like	294	I like that later start date, but not at the expense of the Fall Break. I like a week-long Thanksgiving Break. I like the Semester to end right before Winter Break - this is important for students so that there is not a long break right before Final Exams. I like ending before Memorial Day.
Like	295	I like that school starts later in August. I like that finals are finished before Christmas break.

Like	300	I like that there is no fall break in this calendar

Like	301	I like that there is not a week break in both October and November. I'd rather have a week in October and not at Thanksgiving, but at least this calendar takes one of them away.
Like	302	I like that this calendar ends at memorial day
Like	303	I like that this option removes the fall break.
Like	304	I like that we get rid of Fall break and make Thanksgiving break longer.
Like	305	I like that we start a little later in August and don't have such a choppy fall and early winter. Having fall break and then Thanksgiving and then Winter is too much in too little time. It's also nice to have some lead time before the holidays and a little time after New Year's.

Like	322	I like the later spring break.
Like	323	I like the later start and a later spring break
Like	324	I like the later start and later end date
Like	325	I like the later start date and no fall break. High school sports prohibits breaks anyway and the first semester is do disjointed with three day weekends, fall break, Thanksgiving and Winter break.

Like	326	I like the later start date and the early end date for the school year.
Like	327	I like the later start date in 2026 and the later end date. We don't need fall break if we get a little more time to enjoy summer. As Colorado doesn't really get warmer weather until end of June and it is so hot in August I would rather my kids have a longer summer to enjoy. I also like the later Spring break dates in the 2025 calendar.

Like	351	I like this option because school starts later, the October break is removed and the kids get out later in June when seasonal summer is actually starting.

Like	352	I liked an almost mid-August start date, 3 days for Thanksgiving Break, a Teacher work day on Jan 5 allowing teachers to "gear up" for the 2nd half of the school year, and the 2 plan days in April.

Like	361	I liked that Calendar C started later and ended before Memorial Day.
Like	362	I liked that it is similar to our current calendar
Like	363	I liked that it started in August and went to May. I have mixed feelings about the lack of fall break. On one hand, fall break seems unnecessary since Thanksgiving break, but we also like to plan trips during fall break. So that would take away our option to do so.
Like	364	I liked that it wasn't calendar D
Like	365	I liked that school started later in August

Like	367	I liked that they start school a little later in August. I think School starts way too early for the first week in August. It's just starting to get warm, and so many fun activities yet to do! Ideally, even maybe start the 3rd week of August.

Like	378	I liked the start date.
Like	379	I liked the started date was pushed back to September.
Like	380	I liked the time off for winter break.
Like	381	I LOVE the elimination of Fall Break. Fall Break is a headache for working parents -- as kids are out for a full week and we have to find childcare or pay \$250 per kid for BASE. Even universities in Colorado don't have a fall break.
Like	382	I love the later start, and that there is only one break between the beginning of the year and winter.
Like	383	I loved how late the calendar started later. I like going until June. Please add a fall and Spring Break with only a week or so off for Christmas- New Years or give us more personal days. Previous districts I have been given 11 annual sick/personal days per year. I'd also like to start after Labor Day.
Like	384	I loved starting a week later. I thought no fall break was creative so we can still end early May.
Like	385	I loved the late start date in Aug.
Like	386	I only want option d
Like	387	I really don't like this option.
Like	388	I REALLY liked the start date and end date of the 2026-27 school year! They align with a more traditional school year.
Like	389	I should not have had to put a calendar c This survey sucks
Like	390	I strongly prefer the later start date in August and also like that those days were taken from fall break instead of Thanksgiving break.
Like	391	I think the breaks are the most appropriate of all of the choices. I like the slightly later start date. Very happy with no fall break choice.
Like	392	I think you should combine the teacher work days & professional days, allowing for more days off in a row for the students around president,Ãs day &/or more days before Christmas, fewer at the beginning of January! Keep options to have students begin 2nd or 3rd week in August. Ending year 3rd week in May. Also, there should be more options for when the spring break weeks are.
Like	393	I wish atleast one calendar had a shortened fall break (a long weekend) and kept the full week of Thanksgiving off.
Like	394	I would like to skip Fall break because the Thanksgiving break is so close.

Like	403	Is a good trade off for the number of breaks but also has a later August start. Spring break is more aligned to other districts.
Like	404	Is there a reason why a start date either in the week of the 18th or 25th wasn't explored? It seems like a massive jump to go from August 13th to the next choice being Sept 2.
Like	405	It did away with fall break and did give the kids a week more off time in August
Like	406	It does not start too early in the summer. I'm happy to lose fall break in order to have more of a summer.
Like	407	It ended before Memorial Day

Like	412	It has a longer summer
Like	413	It is absolutely disgusting that Douglas County does not acknowledge or celebrate Veterans day. What an embarrassment.
Like	414	It is better than calendar A and B.
Like	415	It is better to have finals finish prior to winter break.
Like	416	It is mediocre in the time frame back and out with the same response to option A, with an extra week.
Like	417	It is my second favorite
Like	418	It is ok
Like	419	It is the best use of District Resources.
Like	420	It seems, to me, like the best of all options (although I'd still love a long weekend "fall break" in October). It gives kids an extra week of summer at both the beginning and end of the school year. It also still allows for family travel at Thanksgiving by providing a whole week at that point and also provides the most extended "reset" break over Christmas.
Like	421	It starts a little later
Like	422	It starts early enough to give our kids the time to prepare for high stakes testing: AP, IB, SAT.
Like	423	It starts later and finishes earlier, giving the kids a longer summer break.
Like	424	It starts later in August and ends earlier in May. No fall break
Like	425	It starts later in August.

Like	426	It starts later in the August and spring break is one week later making it easier to travel. The current spring break time is such an expensive time to do anything.

Like	437	It's close to what we've had.
Like	438	It's hard to remember all the calendar options as I did not take notes. Our family would prefer a later start to the school year and no fall break.

Like	660	Like the long thanksgiving and Christmas break
Like	661	liked no fall break and starting later in august

Like	662	Liked the first/last day of school dates. Also prefer having the entire week of Thanksgiving off and that Spring Break is the final full week of March. While we don't always travel the week of Thanksgiving, we like the option for our family. As a DCSD employee (K-8 charter), many families are going to take the entire week off, regardless of whether the district does. For teachers, if they have a "normal" academic day on Monday and Tuesday, they then have to manage student make-up work and catching students up.

Dislike	1	I fall break life,Äôs to short to not have fall break
Dislike	2	Kids go to school too early, and get out too early as well. August should be included in the Summer break
Dislike	3	Start date in August.
Dislike	4	1) Would still like summer break to go later into August. 2) No Fall break. This is nice to have 3) We do not need a whole week off at Thanksgiving, two or three days is fine 4) Spring break is later? Doesn't align with much else 5) No reason the kids cannot go to school through May
Dislike	5	2 day fall break is not enough. This is when seniors visit potential colleges
Dislike	6	3 of the PD days are at the beginning of the year making it hard to do any staff PD later in the year. Spring break is really late for the time the school ends (Before memorial day)
Dislike	7	A & B are strong preference. Fall break is important to families, and kids who need that mind-break mid-semester. By this time in the school year kids are struggling with burnout and exhaustion. A week gives them a little reprieve and refreshes them to finish out the semester.
Dislike	8	A little better but not ideal.
Dislike	9	A LOT! No fall break is not a good idea, a day after winter break without students is needed.
Dislike	10	A week for Thanksgiving is not necessary.
Dislike	11	Add fall break back in and make the end date May 28th.
Dislike	12	added days on Christmas/New Year break instead of making MLK and possibly another holiday a 4-day week
Dislike	13	Again school starts and ends way too early.
Dislike	14	Again would be great to see start date the third week of August as an option.
Dislike	15	Again...starting school right in the middle of summer

Dislike	22	All of it
Dislike	23	All of it
Dislike	24	All of it

Dislike	25	All of it.
Dislike	26	All of it....seems outdated. We wouldn't align with other surrounding school districts. Many of us have kids in other school districts so makes it tough.
Dislike	27	all.ot
Dislike	28	Almost all of it.
Dislike	29	Almost everything - no fall break and a shortened Thanksgiving week.
Dislike	30	also ends too early
Dislike	31	Although it starts later in August, it is still too early. I don't think the kids should go back to school until after labor day.
Dislike	32	As a parent and teacher I prefer to have a fall break.
Dislike	33	As a teacher I really don't think it is beneficial for students to be in school into June. Students do not put forth effort in June since CMAS testing is in April. Therefore, student behaviors are going to increase and at the end of May into June it will be just about managing behaviors. I also don't like the fact that the Fall break would be cut out.
Dislike	34	Aug 13 is still too early for a start date. School end date is too early.
Dislike	35	Aug 13 is too early to start the school year and May 22 is too early to end the school year.
Dislike	36	Aug start
Dislike	37	August 13 start date still seems early.
Dislike	38	August 13 start, May 22 end, full week Thanksgiving, too early start and too late finish to winter break
Dislike	39	August start
Dislike	40	August start date should be pushed back a week and we should go to school on Dec. 19 and then past memorial day as needed.
Dislike	41	Breaks
Dislike	42	Breaks are too long.
Dislike	43	C has no fall break week
Dislike	44	C is the worst! No fall break! and out so so so early in May
Dislike	45	C starts and ends too early. It wastes energy on Air Conditioning and costs the district too much money in maintenance.
Dislike	46	C,Ä¶My best choice,Ä¶.lines up with my wife,Äôs schedule
Dislike	47	Calendar C doesn't include fall break at all.
Dislike	48	Calendar C has one too many PD days at the beginning of the school year. Additionally, I don't like the lack of fall break.

Dislike	49	Calendar C is horrible! Who thought it was a good idea to go ~14 weeks without a substantial break? That is INSANE. It seems like people who have never taught in a school or around children came up with this concept. This calendar will lead to burn out among staff and students.
Dislike	50	Can we please just figure out how to go to school from labor day to Memorial Day!?!?
Dislike	51	Christmas & thanksgiving breaks are too long.
Dislike	52	Christmas break goes until January 5, it,Äôs more enjoyable to have days off of school before Christmas, after Christmas there isn,Äôt much to do!
Dislike	53	Christmas break is too long. Parents have jobs and not enough vacation to support all of this time off. STOP DOING THIS TO US!!!!
Dislike	54	Christmas Break seemed a little long.
Dislike	55	Christmas break too long.
Dislike	56	Completely lose the fall break. Would love a partial break during that span.
Dislike	57	Could add a short fall break
Dislike	58	could start later and gets out early.
Dislike	59	Could start later in the fall and get out later in the spring.
Dislike	60	Cuts out fall break.
Dislike	61	D
Dislike	62	Dates for spring break- no fall break
Dislike	63	Days off
Dislike	64	Deleting fall break entirely isn't great.
Dislike	65	Did not appear to be a Fall break
Dislike	66	did not like the full week off at Thanksgiving
Dislike	67	Didn,Äôt agree with this one
Dislike	68	Didn,Äôt like going back to school in August
Dislike	69	Didn,Äôt like no fall break if starting in August still.
Dislike	70	Didn,Äôt like that fall break was taken out
Dislike	71	DIDN'T LIKE AT ALL!
Dislike	72	didn't like it
Dislike	73	Didn't like this calendar.
Dislike	74	Didn't start late enough in August

Dislike	75	do DCSD breaks align with other Districts (thinking about DCSD employees whose children attend school in other districts)
Dislike	76	Do not like that there is no fall break for the kids
Dislike	77	Do not take away fall break.
Dislike	78	DO NOT take away our fall break. It is the break that teachers need the most.
Dislike	79	Does not align with CCSD (where I am a teacher). Taking family vacations would result in missed school days by either me or my student. Neither is ideal.
Dislike	80	Doesn't align with neighboring districts my children won't have the same breaks as me (teacher in neighboring district.
Dislike	81	Don,Äôt like no fall break
Dislike	82	Don,Äôt like that there is no fall break
Dislike	83	Don,Äôt like that we lose fall break
Dislike	84	Don,Äôt like, Kids needs a fall break
Dislike	85	Don't care for this option
Dislike	86	Don't feel that students need a full week off for Thanksgiving
Dislike	87	Don't have so many work days at beginning of school year, spread them out over the year or couple in October
Dislike	88	don't like how early it starts, also don't feel its necessary to have full week at Thanksgiving. Also like Spring break being in the middle of March.
Dislike	89	Don't like it removing fall break. I'd rather get out later in May
Dislike	90	Don't like missing Fall break - son has band competitions this week and when he doesn't we'd prefer to travel this time of year due to lower travel rates and still nice weather in many places.
Dislike	91	Don't like not having a fall break
Dislike	92	Don't like that there is no big break until Thanksgiving.
Dislike	93	don't like there isn't a fall break
Dislike	94	Don't need the full week at Thanksgiving! Give back the 24th and 25th and add them to fall break to make that a longer break!
Dislike	95	Don't prefer this option
Dislike	96	Don't remember
Dislike	97	Don't remove fall break. Students and families need it, and many families/teachers plan activities knowing they'll have this time off well in advance.
Dislike	98	Don't take out Fall Break!!!

Dislike	99	Don't want to go back mid august, skip fall break, and get released when weather is still iffy
Dislike	100	Dont like any of the choices.. How about have a calendar that we can subscribe to that will import in our calendar of choice??
Dislike	101	Dont love that there is no fall break and instead full thanksgiving week off
Dislike	102	Earlier end date in May, no fall break
Dislike	103	Earlier start
Dislike	104	Early August start and no fall break feels like too much for the kids.
Dislike	105	Early release date in May
Dislike	106	early release date, i want to enjoy the summer
Dislike	107	Early start
Dislike	108	early start (in August)
Dislike	109	Early start date.
Dislike	110	Early start date. School shouldn't start until later.
Dislike	111	early start in Aug without a fall break
Dislike	112	Early start to school year
Dislike	113	early start. Bump it back a week to late aug and go to late may
Dislike	114	Eh
Dislike	115	Eliminating fall break! Students and teachers need this time for a reset.
Dislike	116	Eliminating Fall Break. I'd rather shorten Thanksgiving Break and keep a Fall Break.
Dislike	117	Elimination of Fall break
Dislike	118	End a little too early
Dislike	119	end date
Dislike	120	End of school too esrly
Dislike	121	Ended too early in May. Start school later in the summer and end school in June! Why are you cutting our summer so short? May and June weather is iffy but August is always warm.
Dislike	122	Ending in June after Memorial day, half week for Thanksgiving break.
Dislike	123	Ending school to early.
Dislike	124	Ending school year too early
Dislike	125	Ending semester after winter break is not good for high school
Dislike	126	Ends way too early.

Dislike	150	Everything else. Getting out of school in the spring makes it so the first half of summer break is useless.
Dislike	151	Everything no fall break, yeah right these kids need there breaks and ending far later in may then needed
Dislike	152	Everything, but mostly no break in October.
Dislike	153	Everything.
Dislike	154	Everything. How are they going to start so early in August and then get NO break until Thanksgiving. That,Ãs over 3 months of school with no sort of extended break. Kids would be so burnt out.
Dislike	155	Everything. If there is not a fall break, then we need to get out in actual summer not mid May
Dislike	156	Extra friday off before winter break
Dislike	157	Extremely Long Christmas break

Dislike	158	Fall break
Dislike	159	Fall break and Winter break do not match Cherry Creek Schools where I work.
Dislike	160	Fall break being gone. Too long school year spring break at the wrong time. It,Äôs a pretty bad schedule
Dislike	161	Fall break doesn,Äôt need to be 1 week
Dislike	162	Fall break is gone
Dislike	163	fall break is missing
Dislike	164	Fall break is too short while Thanksgiving break is too long.
Dislike	165	Fall break removed
Dislike	166	Fall break was too short and spring break was too late
Dislike	167	Fall Break, Thanksgiving, Christmas, and Spring Break should always be 1 full week.
Dislike	168	Finding child care the week of Memorial Day is going to be a challenge.
Dislike	169	First day is too late
Dislike	170	For younger kids fall break is helpful so not having that would be tough for young kids getting used to the schedule, especially kindergarten
Dislike	171	Full week for Thanksgiving, switch with fall break and take 3 days at Thanksgiving
Dislike	172	full week of Thanksgiving break
Dislike	173	get out too early in May
Dislike	174	Getting out in May
Dislike	175	Getting out of school before Memorial Day and the return date of winter break. It is too close to President's Day
Dislike	176	Getting out so late
Dislike	177	Getting rid of fall break is horrible
Dislike	178	Give up fall break but if that's the choice
Dislike	179	Gives up fall break
Dislike	180	Go back to school too early
Dislike	181	Goes into June, no October Break, No week for Thanksgiving
Dislike	182	Going back within the first 2 days of January.
Dislike	183	Good Friday should be a day off
Dislike	184	Hard to know what impacts (if any) on the finals as that was not really called out in the calendar options? Could have had the option of some days in fall break (not full week) and some days for thanksgiving to allow for extended time (but not full weeks)
Dislike	185	has no fall break. should have a short fall break.

Dislike	186	Hate that the kids don't get out until June.
Dislike	187	Hated it but had to choose
Dislike	188	Having no Fall Break is a hard no for all 3 of my kids. Knowing they have a fall breaks makes their quarter easier to get through. In addition, we prefer to take a fun short family vacay and see fall colors during that time. Prefer full week for fall break over Thanksgiving Break.
Dislike	189	Having Spring Break at the end of March is a long time to wait for no-student contact days after winter break. The lack of a fall break is also disappointing. September and April look like long months with only one day away from students.
Dislike	190	Helpful to have a day off between start of school and fall break for teachers and students (aside from Labor Day)
Dislike	191	horrible being and end date, no break
Dislike	192	How late school would end and no fall break
Dislike	193	I am not sure about spring break alignment with other districts.
Dislike	194	I am strongly opposed to eliminating Fall Break in Ocotober.
Dislike	195	I believe kids need the fall break and this calendar doesn't include it.
Dislike	196	I could better see this calendar with a partial week off for TDay and a full week (or partial) for Fall. Tweak the last day of the year a bit to accommodate. Since Fall Break can be a nice time to travel but even 3 days off there is good.
Dislike	197	I did not like having no fall break at all
Dislike	198	I did not like that it eliminated fall break.
Dislike	199	I did not like that it omitted fall break
Dislike	200	I did not like that there was not a full week for October break and spring break is too long after winter break
Dislike	201	I did not like that we only had three days for Thanksgiving
Dislike	202	I did not like the absence of Fall Break.
Dislike	203	I did not like the elimination of Fall Break
Dislike	204	I did not like the lack of a fall break.
Dislike	205	I didn't like ending in May. Would rather add fall break back in to have an end date in June
Dislike	206	I didn't like it. Please don't get rid of fall break.
Dislike	207	I didn't like that fall break was taken away.
Dislike	208	I didn't like that there is no fall break.
Dislike	209	I didn't like that there was no Fall Break
Dislike	210	I didn't like the getting rid of fall break
Dislike	211	I didn't like how early in May the year ended
Dislike	212	I didn't like it at all

Dislike	213	I didn't like skipping Fall Break and having two weeks at Christmas.
Dislike	214	I didn't like that Fall break isn't a full week. Spring break should be later in the year. The middle of March is too cold still for a nice Spring break. Please stop catering to skiers by having such an early Spring break. I would prefer a spring break that was in April.
Dislike	215	I didn't like that it lacked a true Fall Break.
Dislike	216	I didn't like that it went to May 22nd instead of May 28th. I think it should go all the way up until memorial Day. I have mixed feelings about the lack of fall break. On one hand, fall break seems unnecessary since Thanksgiving break is only a month later. But we also like to plan trips during that time. So that takes our option to do that away.
Dislike	217	I didn't like that there was no Fall break
Dislike	218	I didn't like that there was not a fall break.
Dislike	219	I didn't like that we don't have Fall break
Dislike	220	I didn't like the fact that there wasn't a Fall Break.
Dislike	221	I didn't like the fact that they give up fall break for a longer winter break.
Dislike	222	I didn't like the lack of fall break
Dislike	223	I didn't like the longer Thanksgiving break. I wish that was applied to August.
Dislike	224	I didn't like not having a fall break
Dislike	225	I dislike that there is no October break. Families will go ahead and take time off during October which will in turn impact instruction.
Dislike	226	I dislike the long winter break. Why is there no option for a one week break? All 4 calendars only have a 2+ week break option. It is too long for working parents. There should be other options provided.
Dislike	227	I disliked there was no Fall Break in October Disliked the week long at Thanksgiving I wished the start date was later still in August
Dislike	228	I do like fall break as a chance for kids and teachers to break up the long haul of September to Thanksgiving.
Dislike	229	I do not like ending in June. I would rather the year end in May
Dislike	230	I do not like having a week break for Thanksgiving and not having a Fall break. Prefer Fall Break over week long Thanksgiving.
Dislike	231	I do not like that it does not have a week long fall break.
Dislike	232	I do not like that there is no fall break. kids need a fall break!
Dislike	233	I do not like that we do not have a fall break, and I do not like how late our Spring Break is.

Dislike	234	I do not like the lack of any Fall Break. It does not need to be a full week, but a couple days off makes a difference. The school year ends early too. Give a few days for Fall Break, and extend the school year another week. May and June are chilly. Stay in school, learn more , continue to do the things.
Dislike	235	I don't care about fall break so B or C with later start is better
Dislike	236	I don't like it at all. No Fall break.
Dislike	237	I don't like losing fall. Real and shortening Thanksgiving at the same time. Kids need a break
Dislike	238	I don't like no fall break. I would be cool with even a long weekend, but no break is a lot if you start so early
Dislike	239	I don't like starting in. August and ending in May
Dislike	240	I don't like starting so early
Dislike	241	I don't like that spring break is so late in March
Dislike	242	I don't like that there is no fall break! A full week for Thanksgiving is not necessary. We could get more out of those two days somewhere else.
Dislike	243	I don't like the fall break.
Dislike	244	I don't like the removal of fall break.
Dislike	245	I don't think this is a good option. You take away fall break and start date it still early
Dislike	246	I don't like fully losing fall break or how early in May this calendar ends.
Dislike	247	I don't like how close Thanksgiving and Winter Break are. There aren't any real quarters or natural breaks. It gives no incentive for starting the year early...such as quarterly breaks.
Dislike	248	I don't like how early it starts in August, even though it's later than calendar A.
Dislike	249	I don't like it at all
Dislike	250	I don't like losing Fall Break
Dislike	251	I don't like not having a Fall Break.
Dislike	252	I don't like only have two days off for fall break.
Dislike	253	I don't like shortening fall break and having spring break a week later.
Dislike	254	I don't like starting school later in the fall semester and getting out later in May - I prefer to start earlier in August and get out earlier in May.
Dislike	255	I don't like teacher work days before breaks (December 19th). I don't like having no fall break- I'd rather go a week longer in May.
Dislike	256	I don't like that Calendar C starts on only August 13 but does not have a fall break. I'd rather start later and get out later or start on the 13th, have a fall break and get out around May 28. May 22 is too early to be done with school.

Dislike	257	I don't like that fall and thanksgiving break are shortened. I'm unclear when finals would be (if they'd be before winter break or not).
Dislike	258	I don't like that fall break is only a 4-day weekend.
Dislike	259	I don't like that it has no Fall Break.
Dislike	260	I don't like that it starts in August.
Dislike	261	I don't like that the fall break was removed
Dislike	262	I don't like that the October break is gone
Dislike	263	I don't like that there is a shortened fall break. We love the fall break and taking time off when other states/districts are in school. I also don't like how long the Christmas break is.
Dislike	264	I don't like that there is no fall break
Dislike	265	I don't like that there is no Fall Break and that the end date is still so early in May.
Dislike	266	I don't like that there is no fall break for kids.A lot of parents take vacations during that time.
Dislike	267	I don't like that there is no fall break!
Dislike	268	I don't like that there is no fall break.
Dislike	269	I don't like that there is no October fall break.
Dislike	270	I don't like that there is no time off for fall break. I don't think it is necessary to end so early in May.
Dislike	271	I don't like that we do not get a Fall Break
Dislike	272	I don't like the abbreviated breaks.
Dislike	273	I don't like the early start date and the lack of a fall break in October.
Dislike	274	I don't like the early start in August. Move it to September and let's enjoy the summer months with our kids/family.
Dislike	275	I don't like the kids going back to school in August. It's too early.
Dislike	276	I don't like the lack of Fall break.
Dislike	277	I don't like the mid-august start or the May end date.
Dislike	278	I don't like the partial fall break. I would prefer the full week.
Dislike	279	I don't like the removal of fall break
Dislike	280	I don't love that fall break doesn't exist, that there is a whole week off for Thanksgiving break, and such an early finish date. I would rather there be a fall break than a spring break. For families that are not able to travel as often because of time or finances, the weather is typically nicer in October rather than March. In October you can still go out most days to parks, biking, and do activities. March it is more likely that you are stuck in home or have to pay to do indoor activities.
Dislike	281	I don't love that fall break is just a long weekend but will take it for starting later in August

Dislike	282	I don't think we need to end so early in May.
Dislike	283	I don't understand why this calendar is the only option with the later Spring Break. I would prefer the breaks all have the same timing.
Dislike	284	I don't want Calendar C.
Dislike	285	I dont
Dislike	286	I DONT LIKE giving up Fall Break
Dislike	287	I generally liked it!
Dislike	288	I guess I prefer a fall break
Dislike	289	I hate not having a fall break
Dislike	290	I HATE that there is no fall break. That is the best break.
Dislike	291	I hate the fact that there is no Fall Break. We rely on the Fall Break to travel and decompress. It's a much needed break for the kids brains.
Dislike	292	I hate the whole calendar
Dislike	293	I have mixed feelings about the PD and Plan Day in October. While it does give the students a break, it would make it hard for teacher families to do anything as a family as we would be required to be at the PD a not take time off to travel with family. There is no Plan Day in April and I do not know what the Comp Days are tied to. What are the comp days tied to?
Dislike	294	I like the full week breaks.
Dislike	295	I love fall break. Not having one would be horrible!
Dislike	296	I need fall break
Dislike	297	I really do not like not having a fall break.
Dislike	298	I saw a Sunday in which school was scheduled. Was that a mistake? We observe the Sabbath on Sundays, and having school on a Sunday just feels wrong.
Dislike	299	I should not have had to put a calendar c This survey sucks
Dislike	300	I still don't like that they are start in early August and end in May.
Dislike	301	I still don't think it's ideal to start school so early in August.
Dislike	302	I strongly dislike fall break missing and how late spring break is.
Dislike	303	I strongly dislike the lack of Fall Break. Strongly prefer a week off in October. Also don't like the later start date.
Dislike	304	I think all ages need the full fall and spring breaks
Dislike	305	I think August 13 to Nov 24th is too long to go without a fall break of some kind.
Dislike	306	I think August 13th is too early to start school and May 22 is too early to end the school year

Dislike	307	I think it is all too early in my opinion and I think kids should have a little fall break
Dislike	308	I think it would be nice to have at least a 3/4 day fall break in October.
Dislike	309	I think taking out fall break would be a huge mistake.
Dislike	310	I think the last day of school is too early- rather have it be the 28th/29th; I don't like fall break. I like some time off in october
Dislike	311	I think the start date should be even later...late August.
Dislike	312	I think you should combine the teacher work days & professional days, allowing for more days off in a row for the students around president,Ãs day &/or more days before Christmas, fewer at the beginning of January! Keep options to have students begin 2nd or 3rd week in August. Ending year 3rd week in May. Also, there should be more options for when the spring break weeks are.
Dislike	313	I want a Fall break
Dislike	314	I want to keep fall break
Dislike	315	I wish atleast one calendar had a shortened fall break (a long weekend) and kept the full week of Thanksgiving off.
Dislike	316	I wish it had a Fall Break. I wish Spring Break was an earlier week.
Dislike	317	I wish it provided a 3 or 4 day weekend in October, an abbreviated fall break.
Dislike	318	I wish it started 2 weeks later (in the last week of August) and ended in the last week of May. This would have been a perfect calendar.
Dislike	319	I wish it was shifted back later by 1-2 weeks. Late Aug to first week of June to better match other districts and locations.
Dislike	320	I wish the end date was a week later like calendar B and it had a fall break.
Dislike	321	I wish the start date was a week later and the end date was a week later (with no fall break)
Dislike	322	I wish there was a fall break.
Dislike	323	I wish there was a short Fall Break and a short Thanksgiving break. Like a Friday and Monday off in October and only Wed-Fri off for Thanksgiving.
Dislike	324	I wonder if Winter break could be shortened just a bit. It was reported to me at Fall P/T conference that my Kindy has been struggling in school since Winter break due to so much time off. I do feel like Winter break is too long, especially for working parents who need to find and pay for childcare. Further, there is a district holiday every week thereafter for the rest of January (MLK, President's Day)
Dislike	325	I would be okay with a shorter thanksgiving or winter break for a later start date
Dislike	326	I would have added a long weekend where fall break was. Maybe a Thursday/ Friday
Dislike	327	I would like later start date and later end date

Dislike	328	I would like to have a couple of days off for Fall break.
Dislike	329	I would like to start even later into august. I don't like the later spring break
Dislike	330	I would miss the Fall Break
Dislike	331	I would prefer a short fall break
Dislike	332	I would prefer having Fall break. I would get the five days from a shorter Thanksgiving break (two days), a later Winter break start, and then add a day to two to the end of the school year.
Dislike	333	I would prefer to have a fall break. Spring break is too late in this option.
Dislike	334	I would prefer to start after Labor Day
Dislike	335	I would rather end later and still have a fall break, but I'll take not having a fall break if it means we can start the school year later.
Dislike	336	I would rather have a Fall break and shorter Thanksgiving break if we're starting in Mid-August.
Dislike	337	I would rather have some fall break and have them get out of school a little later.
Dislike	338	I would rather have the Kids start after Labor Day in September. Too hot in August in Colorado for kids to be in school class rooms. v
Dislike	339	I wouldn't mind shortening Thanksgiving week to give a few days of break in October. The spring break seems late.
Dislike	340	I,Ãd rather have a few days of fall break and less days off over thanksgiving
Dislike	341	I,Ãm not sure about getting rid of fall break, it takes away family travel opportunities
Dislike	342	Ideally I would like to see fall and spring break still but I wouldn't mind if for both to be shorter than a week so we could either have more time during the holidays or at the start of summer.
Dislike	343	If we are still starting so early in august then we should have a fall break. Would rather have a fall break and shorter thanksgiving
Dislike	344	If you choose a calendar option without a fall break, PLEASE consider additional PD/Planning days for teachers. A lot of us use this break to catch up on grading and planning.
Dislike	345	If you want to preserve teacher and staff sanity, you will give us a Fall break so we can maintain our professionalism. Students are incredibly challenging right now, and frequent breaks are the only way we are making it through.
Dislike	346	Im torn abut taking sway fall break. I think i would give up fall to have more time in the summer
Dislike	347	Incomplete breaks
Dislike	348	Instead of removing the whole fall break maybe make it a four day weekend? Thanksgiving break would be Nov 26-28.
Dislike	349	issues with breaks
Dislike	350	It did not have a fall break.
Dislike	351	It did not have a fall break.

Dislike	352	It does not have a week for fall break.
Dislike	353	It does not offer a Fall Break.
Dislike	354	It doesn't align with other school districts in the area (I work in APS).
Dislike	355	It eliminates fall break while still ending the year too early.
Dislike	356	It eliminates fall break, which is a great time to take a vacation.
Dislike	357	It ends too early in May. It is difficult for working parents as well as students who need consistency in education (like my kids on IEPs) to be out that early in the school year.
Dislike	358	It gets rid of the Thanksgiving Break. While I can understand the desire to have a later start for school, the likelihood that parents will just take their kids from school these days are 95%. After working in education for 24 years, I have had both only Wednesday-Friday off and the whole week. When I worked Monday and Tuesday, attendance was 75% on Monday and 50% on Tuesday. Students will still be gone. We can avoid this by having this entire week off for parents to travel to family. Also, getting out after Memorial Day is ridiculous. Travel is also cheaper in the fall (October).
Dislike	359	It is absolutely disgusting that Douglas County does not acknowledge or celebrate Veterans day. What an embarrassment.
Dislike	360	It needs to keep fall break
Dislike	361	It seems the same as B but they loose their fall break
Dislike	362	It starts and ends too early and doesn't even have a fall break.
Dislike	363	It starts too early in August and ends too early in May.
Dislike	364	It starts too early, it doesn't have a fall break and thanksgiving break is too long
Dislike	365	It still has a mid August start date
Dislike	366	It still is a bit too early to start
Dislike	367	It still starts too early in August and finishes too early in May. Let's go into June.
Dislike	368	It still starts too early in the season
Dislike	369	It was fine.
Dislike	370	It was just ok
Dislike	371	It wasn't clear when the semester ends. The first semester should NOT extend beyond Winter Break. That is not setting students up for success as retention of learned materials diminishes over that 3 week non-classroom time.
Dislike	372	It would be a deal breaker if in middle and/or high school the kids were REQUIRED to complete semester final AFTER Christmas break. This would be very frustrating for students and parents.
Dislike	373	It would be better if breaks/off days were further reduced and the school year started later in August or Sept

Dislike	374	It would be disappointing if we didn't have a fall break
Dislike	375	It,Äôs a great option!
Dislike	376	It,Äôs fine.
Dislike	377	It,Äôs ok, pretty meh
Dislike	378	It's hard to remember all the calendar options as I did not take notes. Our family would prefer a later start to the school year and no fall break.
Dislike	379	It's not a late enough start date to give up Fall Break and the end date is too early
Dislike	380	It's not option d
Dislike	381	It's still too early in August to return to school.

Dislike	429	Losing fall break is tough, but I like the tradeoff of a longer summer instead. Best of both worlds would be a long weekend in October.
Dislike	430	Losing fall break would just suck. Its the best break of the year to take the family anywhere, and it is a unique feature/advantage of our district. Removing it would be so sad.
Dislike	431	Losing our Fall Break. Don't do it. You'll burn your teachers out that have stuck it out this far. Just...don't.
Dislike	432	Loss of fall break

Dislike	433	Loss of fall break
Dislike	434	Loss of Fall Break
Dislike	435	Loss of Fall break is a non-starter.
Dislike	436	Loss of fall break shorten other breaks but no difference in the amount of time in school.
Dislike	437	Loss of fall break; I would prefer to add a week to the school year and maintain fall break, which is our only break with decent weather.
Dislike	438	Love it
Dislike	439	May be adding additional day or two holidays to start late first week of Jan will be good
Dislike	440	Maybe a little later into August to start and later into May for Summer.
Dislike	441	Maybe a little longer fall break.
Dislike	442	Maybe take two days from Thanksgiving Break (Monday and Tuesday) and put them as a Fall Break long weekend (Thursday and Friday). It would be nice to have a LITTLE fall break and not a full week at Thanksgiving.
Dislike	443	Maybe the lack of a fall break but I think it,Äôs worth sacrificing for that earlier and later school start and end. Also the kids get a few days off for Thanksgiving which can offset the need for a whole week off for fall break

Dislike	895	No fall break at all. Let,Ãs push it back to the last week/second to last week in October

Dislike	898	No fall break is a hard pass. We appreciate having a break during the fall and feel it is important for both staff and students for mental health, family time and to reset prior to the craziness of the holidays.
Dislike	899	No Fall Break is a major con.
Dislike	900	No Fall Break is a real miss; it's something so special and gives families a wonderful time of year to travel that's off peak pricing so we can bond as a family without a holiday/ stress and explore the world together
Dislike	901	No fall break is not a deal breaker, but it does give the kids one last "week" before the weather turns.
Dislike	902	No Fall Break is not good for students and teachers
Dislike	903	No fall break is not good for students or teachers
Dislike	904	No fall break is not ideal
Dislike	905	No Fall Break isn't ideal, but if it means we get out earlier in May--there has to be a trade off somewhere--then it's understandable.
Dislike	906	No fall break or full Thanksgiving break. And it starts the year too early.
Dislike	907	No Fall Break with an early start time.
Dislike	908	No fall break would be awful on the kids
Dislike	909	No fall break yet
Dislike	910	No fall break ðüòç
Dislike	911	No fall break- teachers need this break.
Dislike	912	no fall break- YUCK!
Dislike	913	No fall break,
Dislike	914	No Fall Break,
Dislike	915	No Fall Break, and as a caregiver for a special needs child, a Fall Break is crucial.
Dislike	916	no fall break, and full week off at thanksgiving. Pass.
Dislike	917	No fall break, and how are high school finals affected? Will high schoolers have to study over winter break for finals in January, not necessarily a great choice for my high schooler who already struggles with school

Dislike	918	No Fall break, but a week off at Thanksgiving. Our family would rather have a Fall break and a shorter break at Thanksgiving.
Dislike	919	No fall break, but could have a short fall break if thanksgiving break was shorter to allow for more shorter breaks in the 1st semester.
Dislike	920	no fall break, but not that big of a deal, I also don't like how early in May they would finish
Dislike	921	No fall break, early start
Dislike	922	No fall break, early start in August.
Dislike	923	no fall break, ending too early in May
Dislike	924	No fall break, I think you could add a day or two to make a long weekend break.
Dislike	925	No fall break, last day of school a week before Memorial Day weekend/summer break starting too early.
Dislike	926	no fall break, late spring break
Dislike	927	No fall break, long gap before Thanksgiving break
Dislike	928	No fall break, long thanksgiving break
Dislike	929	No fall break, longer Thanksgiving break
Dislike	930	No fall break, only want a couple days, don't need the last week of May
Dislike	931	No fall break, out in May
Dislike	932	No Fall Break, same start and finish time.
Dislike	933	no fall break, short thanksgiving, and later spring break.
Dislike	934	No fall break, should start and end later.
Dislike	935	No fall break, spring break is way too late, need a PD day in April.
Dislike	936	No fall break, too late spring break (really late spring skiing), ends too early
Dislike	937	No fall break, unnecessary long Thanksgiving break, out too early in May
Dislike	938	No Fall Break, which is a big disappointment. Too long of a Thanksgiving and Winter Break - at a minimum the 5 days could be stolen from those 2 to create a Fall Break.
Dislike	939	No fall break, which is imperative for kids/teachers to relax/recharge.
Dislike	940	No fall break;
Dislike	941	No fall break; the friday after thanksgiving we had to be in school
Dislike	942	No fall break!
Dislike	943	no fall break!
Dislike	944	No fall break!
Dislike	945	No fall break!!!

Dislike	946	No Fall Break!!!!
Dislike	947	No fall break?
Dislike	948	No Fall Break.

Dislike	974	No fall break.
Dislike	975	No fall break.
Dislike	976	No fall break.

Dislike	977	No Fall Break.
Dislike	978	No fall break.
Dislike	979	No fall break.
Dislike	980	No fall break.
Dislike	981	No fall break.
Dislike	982	no fall break. could go back jan 2 and have s short fall break - or long weekend.
Dislike	983	No fall break. Full week at thanksgiving
Dislike	984	No Fall Break. I do think teachers and kids need this time off. Spring break is too late in the month.
Dislike	985	No Fall Break. I like to have a Fall Break. It is a natural divider for the quarters.
Dislike	986	No fall break. I think it's good to break up the time between first day and winter break. All Thanksgiving week off isn't necessary.
Dislike	987	No Fall Break. I'd rather not have the week off at Thanksgiving and have a Fall Break.
Dislike	988	No fall break. If we need to make up time for later start date eliminate the some of the teacher work days. There is a ridiculous amount of days off during the year
Dislike	989	No fall break. Just push the end of school to may 31st? Why June 11th!? There,Ãs like 2 weeks to end on
Dislike	990	No fall break. Kids should get a Thurs/Fri off in Oct and just 3 days (Wed-Fri) for Thanksgiving.
Dislike	991	No fall break. Later release date
Dislike	992	No Fall Break. Later Start/End than Calendar A.
Dislike	993	no fall break. like really? we couldn't shorten it to just 2 days or something?
Dislike	994	No fall break. This one is terrible
Dislike	995	No fall break. Boo.
Dislike	996	No fall break. Early start in August.
Dislike	997	No fall break. Fall break is a must!
Dislike	998	No fall break. Fall break is my favorite break.
Dislike	999	No fall break. Full week off for Thanksgiving
Dislike	1000	No fall break. Get out too early in May.
Dislike	1001	No fall break. Get out too early in May.
Dislike	1002	No fall break. I don't think parents are going to whine/complain about it; but life is tough get used to it.
Dislike	1003	No fall break. I,Ãd rather keep the other dates the same and end later
Dislike	1004	No Fall break. it seems silly, but after 25 years of fall break my sanity may not survive you taking it away!
Dislike	1005	No fall break. No break between August and November. Late spring break

Dislike	1006	No fall break. Not ok.
Dislike	1007	No fall break. Seriously.
Dislike	1008	No fall break. Spring sports make spring break difficult for many families to take time away. Fall break leaves an option for families
Dislike	1009	No fall break. Still out later in May.
Dislike	1010	No fall break. That break is absolutely necessary for our kids mental health. It's one of the big things I like about our district is that we do that.
Dislike	1011	No fall break. That sucks.
Dislike	1012	No Fall Break. We look forward to traveling at this time with our families. I believe families will still go and just miss school.
Dislike	1013	No fall break. We love to travel in the fall
Dislike	1014	No full week breaks
Dislike	1015	No full week fall break
Dislike	1016	No I loved it
Dislike	1017	No I really like this one
Dislike	1018	No little break in October. Other schools have a MEA weekend= 4 days. That would be nice in place of fall break
Dislike	1019	No October break
Dislike	1020	no October break
Dislike	1021	No October break at all and the late March break and we still start and end around the same time as A and B. It doesn't make sense.
Dislike	1022	No October fall break
Dislike	1023	No official Fall break, but there appear to be two workdays, so no school anyway. I think it's a nice transition.
Dislike	1024	No specific comments
Dislike	1025	No spring break.
Dislike	1026	No week long Fall break.
Dislike	1027	No week of fall break.
Dislike	1028	No week of fall break.
Dislike	1029	No week off for Fall Break
Dislike	1030	No--it's perfect!
Dislike	1031	No, Calendar C is my first choice.
Dislike	1032	No, this is my top option

Dislike	1033	No.
Dislike	1034	No.
Dislike	1035	No.
Dislike	1036	No.
Dislike	1037	No.
Dislike	1038	No. It is also a great option.
Dislike	1039	None
Dislike	1040	None
Dislike	1041	Nonr
Dislike	1042	Nope
Dislike	1043	Nope
Dislike	1044	nope
Dislike	1045	Nope
Dislike	1046	Nope - best choice!
Dislike	1047	Nope, I really like C
Dislike	1048	Nope, it,Äôs the best option
Dislike	1049	Nope, love it.
Dislike	1050	Nope.
Dislike	1051	Nope.
Dislike	1052	Nope.
Dislike	1053	Not a full fall break
Dislike	1054	Not a full fall break, didn't need full week at Thanksgiving
Dislike	1055	not a full week for thanksgiving, no fall break
Dislike	1056	Not a good option for breaks.
Dislike	1057	Not as good as D
Dislike	1058	Not enough breaks
Dislike	1059	Not enough days of school.
Dislike	1060	Not enough of a fall break!!! And late spring break!!! Too early an end date in may!
Dislike	1061	Not having a fall break
Dislike	1062	Not having a Fall Break - as a teacher, these have saved me from burnout tremendously.
Dislike	1063	Not having a Fall Break at all!

Dislike	1064	Not having a fall break will be a morale killer. That time is needed for kids and staff. Also trying to do a partial week during Thanksgiving is futile. Kids and teachers are checked out and attendance is low.
Dislike	1065	Not having a fall break.
Dislike	1066	Not having a fall break. All other districts have a break during October. It's not worth them having to go back later in August on not getting their break in October.
Dislike	1067	not having a week at thanksgiving
Dislike	1068	Not having fall break makes it a long period of time between the start of school and the week off in November.
Dislike	1069	Not having fall break or full Thanksgiving week
Dislike	1070	Not having the a full week off for Fall Break
Dislike	1071	Not late enough start for no fall break, get out way too early
Dislike	1072	not long enough fall break for family time.
Dislike	1073	Not much
Dislike	1074	Not much variance from current schedule with exception of starting a little later and no fall break. If we start that early, fall break is nice to have
Dislike	1075	Not my favorite
Dislike	1076	Not necessarily something I dislike but just found it interesting that calendar C was the only one with those dates for spring break.
Dislike	1077	Not particularly
Dislike	1078	Not particularly.
Dislike	1079	Not really
Dislike	1080	Not really . . . would really like to start later in August or Start in September.
Dislike	1081	Not really.
Dislike	1082	Not really.
Dislike	1083	Not really. Ok
Dislike	1084	Not starting later in August and finishing later in spring
Dislike	1085	Not starting later.
Dislike	1086	Not sure
Dislike	1087	Not sure when kids get out of school
Dislike	1088	Not that much later of a start
Dislike	1089	Not too much
Dislike	1090	Noted in previous question.

Dislike	1105	Nothing, it's our favorite ☺
Dislike	1106	Nothing. Thought it was well balanced.
Dislike	1107	October PD and workday wouldn't work well for elementary with conferences also being on that week. Complete burn out for teachers to send them into a PD day right after conferences.
Dislike	1108	Omits fall break which we actually use for family vacation.
Dislike	1109	Only 2 days for fall break is a huge problem. Families will take the whole week anyway, staff will want to take the whole week as well, there won't be enough subs, and learning on those 3 days will be greatly affected.
Dislike	1110	Only a week later start, but no fall break -- maybe just shorten fall break. It's a long stretch to holidays. Also in December, we need to be out a couple of days earlier for Winter break - most kids are gone, we just babysit. Make an adjustment somewhere else - take out a PD day (most PD days are not helpful to most staff)
Dislike	1111	Only downfall is no fall break, but it,Äs ok because we start later and we have Thanksgiving break
Dislike	1112	Open-Ended Response
Dislike	1113	Overall like this option.
Dislike	1114	Overall would prefer a shorter winter break
Dislike	1115	Preference is to start school after Labor Day.
Dislike	1116	Pretty much everything else
Dislike	1117	provide full week Fall Break instead of full week Thanksgiving break; don't need Dec 19 & Jan 5 off (parents back to work those days anyway)
Dislike	1118	Rather delay start and get out 1 week later in may
Dislike	1119	Rather later school finish date
Dislike	1120	rather than skip fall break, get out later in May
Dislike	1121	Recommend shorter Thanksgiving break,Ästudents do not need a whole week after just having a week long fall break.
Dislike	1122	Reduced breaks
Dislike	1123	removed fall break which starts date is pushed back
Dislike	1124	Removing Fall Break
Dislike	1125	Removing fall break
Dislike	1126	Return to school date too early. Too hot outside.
Dislike	1127	Returning to school on Jan 8 instead of 2nd like work does
Dislike	1128	Ridiculously early start date.
Dislike	1129	Same
Dislike	1130	Same answer as above

Dislike	1131	Same as B. Start date is still a bit early. Winter break is too long.
Dislike	1132	Same good things and bad things as b Kind neutral in fall break or no fall break.
Dislike	1133	School ended early
Dislike	1134	school ending too early
Dislike	1135	School ends too early in May. If we had fall break, it would help to extend the school year.
Dislike	1136	School of ends way too early. May 22 is unheard of.
Dislike	1137	School on a Sunday is awful for kids and parents. Even though it was only 1, it is stupid
Dislike	1138	School starts and ends too soon. May is cold and August is hot in Colorado. "Summer" break should be during the warmest months instead of sticking kids in school in August when it's still 90-degrees out.
Dislike	1139	School starts early and gets out late
Dislike	1140	School starts to early
Dislike	1141	School starts to early, school should start after Labor Day
Dislike	1142	School starts too early.
Dislike	1143	School starts too soon and ends too soon.
Dislike	1144	School still starts too early (mid-August).
Dislike	1145	School year start and end dates.

Dislike	1151	See comments on dislikes for Calendar A.
Dislike	1152	See previous
Dislike	1153	See previous comment.
Dislike	1154	Seems similar to Calendar B but without fall break?
Dislike	1155	Sept/Oct will feel too long without a small break (I'm assuming we would still have to be around for conferences). It's better to have a small break and get out after Memorial day, but still in May.
Dislike	1156	Several long breaks close together- full week in November, 12 days in Jan/Feb, full week in March.
Dislike	1157	short fall break and Thanksgiving break
Dislike	1158	Short fall break, long Thanksgiving break - would rather have the reverse
Dislike	1159	Short fall break.

Dislike	1160	Short holiday breaks
Dislike	1161	Short spring break
Dislike	1162	Short Spring break.
Dislike	1163	Short thanksgiving
Dislike	1164	Short thanksgiving break
Dislike	1165	Short Thanksgiving break
Dislike	1166	short thanksgiving week. that is a good week to have off instead of having a fall break. Spring break is too late in March.
Dislike	1167	shortened breaks.
Dislike	1168	shortened fall break, early start
Dislike	1169	shortened Thanksgiving break - Many of us must travel to see family for the holiday. This will remove the option of being with any family for the holiday; going into June
Dislike	1170	Shortened Thanksgiving Break but can deal with that for beginning and end dates later in August and into June
Dislike	1171	Shorter breaks
Dislike	1172	Shorter winter break
Dislike	1173	Should have 2 days of fall break
Dislike	1174	Similar to A and B
Dislike	1175	skipping fall break is a big no - high school kids especially can get burnt out quickly without breaks
Dislike	1176	Small issue - A long weekend in Oct and getting out right after Memorial Day would have been a bit better. The issue is B and C split the vote. Why does there have to be 2 options?
Dislike	1177	Spring break a week later than it should be, ends too early in May.
Dislike	1178	Spring break is a little late.
Dislike	1179	Spring Break is a week later
Dislike	1180	spring break is too late in March to be compatible with family that might live in other districts, shortened fall break, only one day off in September (kids need those brain and mental health breaks!),
Dislike	1181	Spring break is too late in the month.
Dislike	1182	Spring break pushed back one week
Dislike	1183	Spring Break seems a little late in the month of March.
Dislike	1184	Spring Break timing
Dislike	1185	Spring break too late
Dislike	1186	Start later and end earlier.

Dislike	1187	Start
Dislike	1188	Start a week later and get out 5/28!
Dislike	1189	Start after August.
Dislike	1190	Start and end date
Dislike	1191	Start and end date too late
Dislike	1192	Start and end dates are too early if you,Äöre taking away fall break. Move start date to 8/18 and end 5/27 or 5/28. As C stands, are high school finals before Xmas break or after? Also, kids should go back 1/5. Why doesn,Äôt this option closely match the 26/27 option C? That one is better than this one!
Dislike	1193	Start and End dates are too late, fall break is too long.
Dislike	1194	Start and stop times
Dislike	1195	Start date
Dislike	1196	Start date for kids back in school needs to be the week of August 18-19th....teachers and staff back the week prior to that date.
Dislike	1197	Start date in August.
Dislike	1198	Start date is far too early. Children should not be in school in August, the hottest month and ideal time for swimming and camping.
Dislike	1199	Start date is still a little earlier than I would prefer
Dislike	1200	start date is still a week earlier than DPS. Spring break still does not line up with DPS
Dislike	1201	Start date is too early
Dislike	1202	Start date no fall break and end date too late
Dislike	1203	Start date of Aug 13
Dislike	1204	start day and last day of school
Dislike	1205	start end end dates are too early....August is too hot which impacts the students ability to learn when AC is mediocre or not available
Dislike	1206	Start late
Dislike	1207	Start late/end late
Dislike	1208	Start timeframe isn't great
Dislike	1209	Start too early
Dislike	1210	Start too early
Dislike	1211	start too early
Dislike	1212	start was still too early.

Dislike	1213	Start's a little to early. Use this calendar but push the start and end dates by one week would be even better.
Dislike	1214	Start/end date
Dislike	1215	Started to early
Dislike	1216	Started too early
Dislike	1217	Starting August 13
Dislike	1218	Starting August 13th

Dislike	1221	Starting the second week of August is too early.
Dislike	1222	starting too early Aug 13th
Dislike	1223	Starting too early in August. Also ending too early in May.
Dislike	1224	Starts a little later in August
Dislike	1225	Starts and ends too early
Dislike	1226	Starts early, but no fall break, and too long Thanksgiving and winter breaks.
Dislike	1227	Starts in August
Dislike	1228	starts to early, ends too early, school should not start in August ever.
Dislike	1229	starts too early
Dislike	1230	Starts too early
Dislike	1231	Starts too early
Dislike	1232	Starts too early
Dislike	1233	starts too early
Dislike	1234	Starts too early
Dislike	1235	Starts too early
Dislike	1236	Starts too early and no fall break
Dislike	1237	Starts too early as too hot in Aug. so money is spent on AC instead of teachers, etc., Spring Break is too short and gets out too early when it is cold and rainy. It is interesting that an option is not offered that is between C and D that would make the most sense.
Dislike	1238	Starts too early in Aug
Dislike	1239	Starts too early in August
Dislike	1240	Starts too early--August is still summer time.
Dislike	1241	starts too early, gets out too early, no fall break

Dislike	1242	starts too early, gets out too early, no fall break.
Dislike	1243	Starts too early, no fall break, no halloween off
Dislike	1244	starts too early, no need for 4 days at thanksgiving

Dislike	1248	Starts too early.
Dislike	1249	Starts too early.

Dislike	1252	Still Begins too early
Dislike	1253	Still an early start date, and no fall break
Dislike	1254	still earlier in August than preferred and with no fall break
Dislike	1255	Still early start but better
Dislike	1256	Still early start date
Dislike	1257	Still ending school super early with too long of Christmas break
Dislike	1258	Still gets out really early
Dislike	1259	still just ok
Dislike	1260	Still not a late enough start
Dislike	1261	still prefer these kids to have most if not all of August off!
Dislike	1262	Still seems like an early start.
Dislike	1263	Still start too early.
Dislike	1264	Still start/end too early
Dislike	1265	Still starting and ending too early in the year.
Dislike	1266	Still starts a little early in August but much better than the beginning of August
Dislike	1267	Still starts and ends too early.
Dislike	1268	Still starts early August and would like to start end of August or early September
Dislike	1269	Still starts early in the year but takes away fal break
Dislike	1270	Still starts in August
Dislike	1271	Still starts in August
Dislike	1272	Still starts pretty early

Dislike	1277	Still starts too early.
Dislike	1278	Still to early
Dislike	1279	Still too early
Dislike	1280	Still too early
Dislike	1281	Still too early of a start and too many days for Thanksgiving break.
Dislike	1282	Still too early of a start date
Dislike	1283	Still too early return to school from summer break.
Dislike	1284	Still too early to start in August!
Dislike	1285	Still too early to start school in August.
Dislike	1286	Still too many breaks and too early of a start.
Dislike	1287	Still too much time off
Dislike	1288	Strongly dislike the early start just to get done 22 May. No need to start 13 Aug
Dislike	1289	Suggestion, what about having a few days off instead of entire week for October .. I really like the sporadic 4 day weekends throughout the school year
Dislike	1290	summary looks like no fall break, but students actually have a 4 day weekend, which helps some, that is not obvious from the summary sheet, you only see that if you studied the actual calendars Spring break seems late in March.
Dislike	1291	summer break starts too early
Dislike	1292	Summer too short. No one wants to go back to school in early August
Dislike	1293	taking away fall break is a mistake and pushing the school year past memorial day is a dumb choice because the teachers are not actively teaching on those days so what is the purpose?
Dislike	1294	Thanksgiving break does not need to be a week long
Dislike	1295	Thanksgiving break too long
Dislike	1296	Thanksgiving too long
Dislike	1297	That it shortens or eliminates breaks just to end early in May.
Dislike	1298	That it,Äôs still starting too early and ending too early
Dislike	1299	That there is no fall break

Dislike	1300	That there is NO Fall Break. The first semester is very long and it is even longer with no break from Labor Day until Thanksgiving. Staff AND students need breaks to get through the year.
Dislike	1301	That there is not a Fall break.
Dislike	1302	That there was no break
Dislike	1303	That there was no fall break
Dislike	1304	That there's no fall break.
Dislike	1305	The 4-day weekend in April is removed.
Dislike	1306	the absence of a fall break
Dislike	1307	The Christmas break wasn't too long
Dislike	1308	The complete removal of Fall break.
Dislike	1309	The dates for Spring break, the lack of Fall break
Dislike	1310	The early ending date in MAy
Dislike	1311	The early start in August and no fall break. When starting early August, Fall Break feels like a necessity.
Dislike	1312	The ed date is a little late but it's the best option
Dislike	1313	The end and start dates are still similar in 2025. I really like the C 2026 calendar here.
Dislike	1314	The full week off for thanksgiving
Dislike	1315	The lack of a fall break
Dislike	1316	The lack of a Fall Break was my biggest issue with C.
Dislike	1317	The lack of a fall break.
Dislike	1318	The lack of a fall break. Deal breaker.
Dislike	1319	The lack of any reasonable breaks in the fall.
Dislike	1320	The lack of fall break
Dislike	1321	The lack of fall break
Dislike	1322	The late Spring break
Dislike	1323	The longer Christmas break
Dislike	1324	The loss of fall break, but that's not a deal breaker for me if there is a longer summer.
Dislike	1325	The loss of Fall Break.
Dislike	1326	The loss of the fall break completely.
Dislike	1327	the same I didn't like about Calendar A
Dislike	1328	The school year ends too early. It's not warm enough to enjoy summer.
Dislike	1329	The school year should start later than it does and end later.

Dislike	1330	The school year still starts and ends too early.
Dislike	1331	The semester would end after Christmas break
Dislike	1332	The short fall break
Dislike	1333	The spring break and no fall break
Dislike	1334	The spring break week choice.
Dislike	1335	the start and end days of the calendar dont work for me
Dislike	1336	The start date is still earlier than I'd like. It feels too soon to be headed back to school in early or even mid Aug.
Dislike	1337	The start date is too early.
Dislike	1338	The start date isn't that late and no fall break.
Dislike	1339	The start date of August 13th. I'd like to see a later start date. After labor day. August is in the heat of summer in Colorado. June is often much cooler and a better time to be in school.
Dislike	1340	The start date was too early and let out too early, - late Aug to Late May is what we want. No fall break was a negative, a few days is needed at least, I would rather lose/shorten thanksgiving week then lose all of fall break.
Dislike	1341	The start date, the end date, the lack of break schedule in Oct/March. This would be a difficult option to live with.
Dislike	1342	The start date.
Dislike	1343	The start is too early in August. The longer Thanksgiving break is too close to the holiday break. Traveling at Thanksgiving is expensive.
Dislike	1344	The stretch between school start and the first break seems a bit too long
Dislike	1345	The students get out of school too early, winter break is too long.
Dislike	1346	The thought of teaching from August 13-November 21 without a significant break makes me tired already. Teaching is a high energy job where we make a thousand decisions per day. Not having time to recuperate halfway through the semester would be detrimental to my physical and mental health.
Dislike	1347	The too-early start date
Dislike	1348	The two extra days in the winter break. Start mid week. End midweek
Dislike	1349	the whole thing
Dislike	1350	The year ends approximately one month before summer actually starts.
Dislike	1351	There is a short fall break.
Dislike	1352	There is a student contact day on a Sunday, Nov 9th 2025. Last day of school is to early in May. Spring Break is rather late in March doesn't balance as much between Winter Break and Summer Break.
Dislike	1353	There is no break for teachers in October, even if it was just one day.
Dislike	1354	There is no fall break

Dislike	1355	There is no fall break
Dislike	1356	There is no fall break
Dislike	1357	There is no fall break
Dislike	1358	There is no fall break AND the dates didn't change. They get nothing out of not having a fall break. Might want to think about giving those dates back at either one of the other breaks or beginning and end of the year.
Dislike	1359	there is no Fall break, way too long from the start of the year and no real break until Thanksgiving
Dislike	1360	There is no fall break?
Dislike	1361	There is no need for 2 long breaks in the winter. Thanksgiving is fine but the winter break is too long.
Dislike	1362	There is nothing I don't like about calendar c
Dislike	1363	There isn't a fall break. Rather, it fees the calendar is more consolidated to end earlier. Ending early in May doesn't thrill me as the weather is still cold. Whereas, starting later in August, we're able to take advantage of the Colorado summers more.
Dislike	1364	There isn't fall break.
Dislike	1365	There should be another day of for the students in October and April, and a later last day of school.
Dislike	1366	There was no fall break
Dislike	1367	There was no Fall Break! I am not a fan of this!! Other breaks were also shortened. A no go for me.
Dislike	1368	There was not a fall break
Dislike	1369	There were no built in breaks.
Dislike	1370	There,Ãs no fall break
Dislike	1371	There,Ãs no fall break.
Dislike	1372	There's a stretch of 5 weeks in September-October and October-November with not a single PD or WD at all. Then another stretch in the spring of 4 weeks. Plus there's school on Sunday November 9th.
Dislike	1373	There's no fall break
Dislike	1374	There's no fall break and we end the year too early. The weather is still cold and rainy at the end of May.
Dislike	1375	There's no fall break. The kids need these breaks.
Dislike	1376	They get out of school really early when it's still cold
Dislike	1377	They go back too early as well as get out too early. Why can,Ãt we go back after Labor Day and get out in June plus still have a fall break.
Dislike	1378	This calendar eliminates fall break.
Dislike	1379	This calendar starts way to early in August. I end up having students missing for vacations and camping and it is hard to set up the classroom routines and structures with students gone all the time.

Dislike	1380	This is a terrible option, why would you take away fall break????
Dislike	1381	This is my favorite of the options
Dislike	1382	this makes the most sense to me - start later in August, eliminate extra days in November, no fall break.
Dislike	1383	This option still starts (and ends) earlier than I would prefer.
Dislike	1384	Timing of spring break
Dislike	1385	To early of a start date and no fall break
Dislike	1386	To early of a start date. Lose the good days of summer to be outside enjoying colorado.
Dislike	1387	To early start
Dislike	1388	To far
Dislike	1389	To late start, no fall break
Dislike	1390	Too bad fall break it totally lost for not much later start date.
Dislike	1391	too early August start
Dislike	1392	Too early of a start
Dislike	1393	too early of a start !
Dislike	1394	Too early of a start date
Dislike	1395	Too early of a start date
Dislike	1396	Too early of a start date.
Dislike	1397	Too early of a start.
Dislike	1398	too early start date
Dislike	1399	TOO EARLY START DATE
Dislike	1400	Too early start date. We need August off school. It,Äôs still summertime!
Dislike	1401	Too few breaks
Dislike	1402	Too long at thanksgiving
Dislike	1403	Too many breaks
Dislike	1404	too many days off, need to get kids in the classroom more
Dislike	1405	Too many PD Days at the beginning of the year and not spread out to support continuous development of school initiatives
Dislike	1406	Unnecessarily out early at end of year. Would like later start to beginning of year.
Dislike	1407	Want a Fall Break
Dislike	1408	Want fall break
Dislike	1409	Way too early to get out of school. It,Äôs still cold outside. Need to start school later in August.

Dislike	1410	we don't like having such a Loong time off school for winter break. one week would be adequate. We don't like having an entire week off school for Thanksgiving.
Dislike	1411	We enjoy the fall break, but I know my daughter would prefer more summer opposed to a fall break
Dislike	1412	We hate school in August.
Dislike	1413	we like having a fall break to recharge.
Dislike	1414	We lose two days from Fall and Thanksgiving break and go into June. Attendance will be poor, less contact days for students before AP Courses test.
Dislike	1415	We lost our week of Fall Break.
Dislike	1416	We love fall break
Dislike	1417	We need a fall break
Dislike	1418	We need fall break!!!
Dislike	1419	We need FALL BREAK...just keep a partial week for Thanksgiving. All of these breaks disrupt LEARNING. This institution is about learning. Kids needs consistency, not break, and break, and break...
Dislike	1420	We need to start later.
Dislike	1421	We should not be ending until June. Why don't you start on August 20th, keep all the holidays as is, and end on June 4th? I think this is a middle of the road compromise. Preserves some of August so families can still enjoy the heart of the summer. And ends when it should be starting to warm up a little here in Colorado.
Dislike	1422	We still get out too early in May and then we lose a fall break.
Dislike	1423	Went into June.
Dislike	1424	when school ends.
Dislike	1425	When Thanksgiving break starts and when Winter break starts and when school gets out.
Dislike	1426	Where is Fall Break. Oh no no no. Going almost 15 weeks with only one day off (Labor Day) is going to feel like a whole year. Do not like having 3 PD days in Aug. before school starts. Would rather have one somewhere else in the semester.
Dislike	1427	While it starts a little later, it's not late enough. If we're still going back this early, we'd need a fall break option as well.
Dislike	1428	whole week of thanksgiving off
Dislike	1429	Why is there no fall break???
Dislike	1430	Why no fall break
Dislike	1431	Why was fall break removed? I understand the option is there, but no reason why it makes sense to remove it.
Dislike	1432	Winter break

Dislike	1433	Winter break and thanksgiving break too long! I better have longer summer.
Dislike	1434	Winter break is too long
Dislike	1435	Winter break too long
Dislike	1436	Winter break too long. Prefer 12/22-1/2
Dislike	1437	Wish instead of getting out so early in May (22nd) you could push the start date back one week and get out one week later in May (May 28).
Dislike	1438	Wish school started earlier in August
Dislike	1439	Wish spring break was a week earlier but not a huge deal.
Dislike	1440	Wish the start could have been one week later since no Fall Break.
Dislike	1441	Wish the start date was a little later in August so kids have more of a summer - if there was a way to kill out some of the nonsense days (Friday before President's Day weekend, so we could do Labor Day to the end of May would be so great.
Dislike	1442	Wish the start was later
Dislike	1443	Wish there was a longer fall break
Dislike	1444	Wish they started later
Dislike	1445	Wished it went to the end of May
Dislike	1446	Without a fall break on Calendar C students would be in school 5 more days than students following Calendars A. Where are those days reflected on Calendar C? There are no additional 4-day weekends, or extended Thanksgiving, Winter, or Spring break weeks, and school gets out the same day on May 22nd.
Dislike	1447	Wondering why there is no Fall break, if this is so similar to Calendar B. Odd. Didn't like this.
Dislike	1448	Would be better to still have a fall break and then do the shorter Thanksgiving and then just Start on August 11. OR... start on August 25 or 27 (why don't any of the calendars have this option?) and then go through June 5.
Dislike	1449	Would be nice to give the kids a fall break of some kind.
Dislike	1450	Would be nice to have option for fall break, spring break and still start later in August. Also, do not like the later spring break dates
Dislike	1451	Would be nice to start a little later in August and take those days through the end of May.
Dislike	1452	Would like to see an option for a long weekend over fall break. Not sure why there options is only for a full week off for Fall break? This seems deliberate so people don't choose the later start date. There is a much simpler option in the middle. Why can't we have a 4 day weekend in October and then get out May 28th?
Dislike	1453	Would like to still have a Fall Break
Dislike	1454	would love to keep full fall break, full thanks giving break, full christmas break

Dislike	1455	Would prefer 3 days off instead of 5 at Thanksgiving.
Dislike	1456	Would prefer a later school start date if we are removing fall break. Would prefer 8/20 or 27
Dislike	1457	would prefer a later start date
Dislike	1458	Would prefer an even later start
Dislike	1459	Would prefer an option somewhere between B and D
Dislike	1460	Would prefer later start date and only 2 days off for Thanksgiving
Dislike	1461	Would prefer to keep fall break than end early.
Dislike	1462	Would prefer to see full fall break and continue school into June. The best outdoors time in CO is July - August, so would love to be able to take advantage of that.
Dislike	1463	Would students rather start school a week later but have to sacrifice Fall Break? Kind of doubt it.
Dislike	1466	Yea everything
Dislike	1467	Yes
Dislike	1468	Yes
Dislike	1469	Yes - awful. No fall break is really bad. Late spring break is bad. Late finish of the year is bad.
Dislike	1470	Yes August Start Date
Dislike	1471	Yes, everything including no Fall Break?
Dislike	1472	yes, everything.
Dislike	1473	Yes, full thanksgiving week. Would rather the two day off schedule
Dislike	1474	Yes, I did not like calendar C
Dislike	1475	Yes, no Fall Break.
Dislike	1476	yes, there is no fall break
Dislike	1477	Yes, too early dismissal in May. No fall break
Dislike	1478	Yes, we,Äôd love to start back to school in Sept & not Aug. C is better than A&B
Dislike	1479	You already have been giving these kids a fall break, you can,Äôt take it away now, that will be upsetting to them. You need to go to 4 day weeks!
Dislike	1480	You could make a long weekend for fall break and a long weekend for thanksgiving break.
Dislike	1481	You got rid of October break. We love traveling during that time!
Dislike	1482	Start is too early still
Dislike	1483	Winter break starting on a Friday. That makes schedule for work a challenge.
Dislike	1484	the shortened Thanksgiving break the semester ending after the Winter break

Like/Dislike	Comment #	What did you like about Calendar D?
Like	1	Best start and end dates. Love no fall break!
Like	2	I think kids deserve to have a full summer as well as staff. I think we can live without fall break.
Like	3	-Start day is perfect! - No fall break! - End date is a little late but I would rather start later. - No fall break
Like	4	4 full weeks of break
Like	5	a full summer month of August and a few weeks into June
Like	6	A good start date. Starting in Sept would be great....
Like	7	A later start - around Labor Day. And a full week at Thanksgiving.
Like	8	A later start date
Like	9	A post labor day start is much better. Weather is starting to cool down and this allows for a much longer and more traditional summer break, without the interruption of the labor day holiday two weeks after school starts. Better flow for the kids.
Like	10	a REASONABLE calendar. with a late start, no unnecessary break in October and a more consistent schedule. so reasonable!!!
Like	11	Absolutely not on this choice

Like	19	Absolutley did not agree with this one
Like	20	actually having a summer and not having to go to school in 95 degree heat!!!!
Like	21	After Labor Day. 2 and half months of summer. Kids need to be able to work, play sports, and travel. No other schools are getting out in May. Seasonal businesses end in Labor Day.
Like	22	Again, no fall break, so I didn't like it
Like	23	Aligns better to overall working schedule, minimizes breaks during the school year, longer thanksgiving break
Like	24	Aligns more with East coast start date
Like	25	Aligns with a more traditional schedule.
Like	26	All of August off

Like	27	All of August off. The weather here is amazing in August for camping and having the kids outdoors.
Like	28	All of it
Like	29	All of it
Like	30	ALL OF IT
Like	31	All of it! It aligns well with the rest of the United States. Kids get to enjoy the actual summer. I don't mind sacrificing fall break to have a schedule that better aligns with the rest of the US.
Like	32	All of it! Love having all of August off and ending school in mid June is totally fine! Don't need fall break and shorter Christmas break is also fine with me
Like	33	All of it!!! Love this option
Like	34	All of it.
Like	35	All of it. Great start date and not too much time off.
Like	36	All of it. Starting in September is the best, no fall break and a shorter Christmas break, and ending in June.
Like	37	allows for more continuous learning
Like	38	Allows kids to enjoy the summer with still significant breaks
Like	39	Allows the kids to enjoy August summer weather. Having a week off almost every month for various breaks is unnecessary and difficult for working parents.
Like	40	Allows us to enjoy more of the Colorado summer (August is the best month in the mountains)
Like	41	Almost everything - this aligns more with (what feels like) the rest of the US. It supports PARENTS much better by allowing for summer activities and family vacations to align with the rest of the planet....this is the ONLY OPTION that finally starts school at Labor Day....nothing else matters, but we WANT OUR SUMMERS BACK!
Like	42	also nothing. A or B are the only good options.
Like	43	Amazing start date - kids get all of August!
Like	44	An actually reasonable start date! Please do not make the same mistake for another two years. I would desperately like to talk to whoever is in charge of creating this to understand the demand for such an early start date. I have spoken to dozens of families, teachers, administrators and NO ONE wants to start so early. Why is this being pushed? Please select D!!!!
Like	45	Appreciated the later start. Loved having one full week off for Thanksgiving. It's very hard to visit family out of state when you can't fly out until Wed of Thanksgiving week!
Like	46	August is part of summer!!
Like	47	August off school

Like	48	Awesome calendar! The start date avoids the grueling temperatures of August; the end date avoids the late May weather storms
Like	49	Best choice. Later start matches the weather and pool schedules. It makes summer last longer. It reflects a commitment to progressive change.
Like	50	Best dates, start and end. Spring dates are good. This is the best calendar option by far.
Like	51	best of them all start date.
Like	52	Best option!! August is the best month in Colorado for families. Worth giving up fall break to start later!
Like	53	Best option. No fall break, start school and little later and get out around the same time to allow for more summer break!
Like	54	Best option. Start later and end later
Like	55	BEST START DATE!!! No fall break, no extra friday off before winter break, later out of school date
Like	56	Better spring break date
Like	57	Better start time, kids need time off in summer. Having all of august is huge advantage. No need for a fall break
Like	58	By starting the school year in September instead of August, we can align our academic calendar with the natural rhythm of families, providing them with more quality time together during the summer months. This change will promote student well-being, allowing them to return to school refreshed, rejuvenated, and ready to excel academically.
Like	59	C is my first choice
Like	60	calendar d is a good option, but they do end in June and start later in sept. I like this one, but would take some getting used to.
Like	61	Calendar D is also a great logical option. I like starting after Labor Day and that in this option we don't need a fall break with the later start so have a full Thanksgiving week off. I also like the shorter winter break as a working parent.
Like	62	Calendar D is my first choice. School starts at the end of summer and ends at the beginning of summer. I also don't think the system needs a fall break as it disrupts the children's learning, to start school and then after a month and a half they go on break. If a fall break is needed for the administrators, then it could be a few days instead of a week.
Like	63	Calendar D is my least favorite due to the semester break occuring 2 weeks after returning from winter break. While it does have the full week for Thanksgiving, Spring Break does not occur midway through the semester and makes for a very long end of the year stretch for students.
Like	64	Calendar D would be my #1 choice if we took two days less for Thanksgiving break and had a two-day fall break. Thanks.

Like	65	Classes start later and school goes into beginning of June.
Like	66	Colorado has many great outdoor activities that are best enjoyed from July - August. The current calendar system has kids off school during all of June, and then back in school in August. I prefer calendar D as it allows us to better utilize the mountains in the summer than the current schedule.
Like	67	Colorado is not in the eastern part of the United States. There is no reason to conform to their calendar.
Like	68	Colorado summers are incredible and don't really get going until June and the weather through September is still beautiful. Many of the kids activities such as going to the pool, etc are timed to a traditional summer calendar so
Like	69	Colorado weather aligns with this calendar the most. It starts a little later, so we can enjoy the most beautiful month of August and ends when it actually feels more like summer in mid-June. I also love that there are less days off and no fall break. Fall break always feels like we just started getting used to school routines and then they get the week off when we would rather have the extension in the summer.
Like	70	D
Like	71	D is the most cost-effective choice. If the bond doesn't pass, the district will need to save money anywhere it can.
Like	72	D starts near the end of August
Like	73	Days off
Like	74	Days off are together and not spread out
Like	75	Delayed start day!! The playgrounds are too hot in August. Also the length of the holidays.

Like	83	DO NOT like this choice at all
Like	84	Don't like, Kids needs a fall break
Like	85	Don't like it
Like	86	Don't remove fall break. Students and families need it, and many families/teachers plan activities knowing they'll have this time off well in advance.

Like	102	Everything about calendar D - most liked the September start with June finish. In line with more of Colorados summer season/weather
Like	103	Everything I hated
Like	104	Everything, I liked everything. This is a far more realistic school calendar. It aligns for more closely with what an actual summer break should look like. It allows for families to spend more time together engaged in traditional summer activities. It allows kids to actually enjoy the summer months of July and August as well as most of June!
Like	105	Everything; later start date, no fall break, other breaks are reasonable length
Like	106	Everything; loved the later start and ending date and no fall break
Like	107	Everything!
Like	108	Everything! No fall break, longer summer break. It's great!
Like	109	Everything! Started later, which gives the kids all of August. August is a great summer month!
Like	110	Everything! The weather in August is one of the best months to be outside in Colorado. Let the kids get more of that good outdoor time! Typically, the first half of June isn't great for "summer." So, let's go into June and savor the summer fun in August. Bummer to not have even a couple days fall break, but totally worth the trade off, imo.
Like	111	Everything! It,Äôs perfect. No fall break. Who needs that?!
Like	112	everything! Love starting later and getting out later
Like	113	Everything! The best start date! Normal holiday break

Like	114	Everything!!!
Like	115	Everything. Starting school in September is ideal for students, families and local businesses, and matches up to a lot of other parts of the country. The removal of fall break, but keeping Thanksgiving break to allow for one holiday is less disruption to kids who depend on schedule with less disruptions but still allows for family time and vacation. It's unnecessary to get out of school in May when typically, the weather isn't ideal and harder for families to take time off and find appropriate day care/camps.
Like	116	Everything. The kids and parents still get a real summer. Don't need the fall break, especially with Thanksgiving right around the corner.
Like	117	Everything. Kids should go to school late in August or early Sept, do not need a fall break and get out in early June
Like	118	Everything. Late start, no fall break, later finish
Like	119	Everything. Later start and end dates and no fall break. Every parent I talk to wants this calendar but every year we get the same A calendar. Absurd.
Like	120	Everything. Starting after Labor Day, no fall break, going until June
Like	121	EVERYTHING. This is a traditional calendar. Fewer breaks= less routine mess ups
Like	122	Exactly what I want. Much later start so we get to enjoy our whole summer.
Like	123	Fall break
Like	124	Fall Break
Like	125	Fall break didn't used to be a thing. It is just another period of time to find child care. Not needed. Late start is nice. End of school is before weather gets too warm.
Like	126	Fall break is eliminated which makes it much easier for my student to stay in the daily routine of school. Also, the school year starts in Sept when it is much milder and more comfortable in classrooms and on buses (saves money on air conditioning costs)
Like	127	Felt balanced. Wouldn't mind trying to start later.
Like	128	Fewer breaks
Like	129	Fewer breaks
Like	130	Fewer days for time off. Later start.
Like	131	Finally starts later in the year so the kids and families can actually enjoy warmer weather.
Like	132	Finally! A calendar option that makes sense for our Colorado weather! I love that this gives the kids two full months of summer weather before heading back to the classroom. My favorite option BY FAR. I also love that this option gives Halloween off. Not sure if that was intentional or coincidental, but it's absolutely worth losing fall break for the Halloween break.

Like	133	FINALLY! I love the September start date, and getting out in June is absolutely fine as it doesn't get warm enough to be "summer" until mid-June anyway.
Like	134	First day of school in September!!!

Like	176	I absolutely do not want the school year to go into June
Like	177	I absolutely LOVE the start and end dates for the school year. Let families enjoy Summer.
Like	178	I appreciate including this option in the polls. This aligns well with Colorado weather (rainy/cool June, warm August) and mid-West and east coast schedules.
Like	179	I appreciate no fall break. Love the start date, but a little too late if it requires us to go into June. Would rather start a week earlier and get out very end of May.
Like	180	I believe its beneficial to all to get out of school at the beginning of June and go back beginning of September, Memorial day to labor day, I believe this is how the whole United States used to do it, not sure what has changed. Its still very hot here in August, save on classroom AC.
Like	181	I could say the September start date, but then that pushes us into teaching in June. Not a viable option. So honestly nothing as starting school in September means pushing the school year into June.

Like	192	I didn,Äôt.
Like	193	I didn't like anything about calendar D

Like	199	I don,Äôt like it

Like	215	I kinda like the idea of starting school in September. It gives us more time to have fun in the summer. May is still to cold to go outside and do much summer activities anyway
Like	216	I like a later end date and later start date since the weather is usually better in August compared to May.
Like	217	I like best that the start date is in September, giving families the entire month of August for Summer vacation and traveling.
Like	218	I like eliminating fall break and shortening winter break. Starting in late August or early September is much better too.
Like	219	I like gaining a full month of summer break at the beginning of the year.

Like	221	I like how late calendar D starts and you can enjoy the warmer summer months.
Like	222	I like how late it starts
Like	223	I like how the students will actually get a summer break.
Like	224	I like it starts later and still have a full Thanksgiving break
Like	225	I like nothing
Like	226	I like removing Fall Break. This is not necessary and it provides for an additional week of summer break. I also like that school starts in September.
Like	227	I like starting after Labor Day and no October break.
Like	228	I like starting in September and ending in June. This maximizes the summer season.
Like	229	I like starting in September. I don't mind getting out in June.
Like	230	I like starting late in the year and ending when the weather is about to warm up. May is too cold and kids can't enjoy their outside time. Please start the kids late
Like	231	I like starting later and getting out later. Its too cold to swim in June and the state parks in the mountains dont even open until June 15th, but even some of the trails are still closed because the snow hasnt melted. Then in August, when the weather is perfect for swimming and hiking, the kids typically have to go back to school.
Like	232	I like starting later and getting rid of Fall Break. More time in the summer!!!
Like	233	I like starting later but I think it's a little too late.
Like	234	I like that calendar D starts later and the Christmas break is only 2 weeks.
Like	235	I like that it ends in June.

Like	236	I like that it is the latest start to the school year, right after a Labor day holiday. It is in line with many other states in the country and a lot of us have relatives out of state, it makes it easy to plan family vacations
Like	237	I like that it starts after Labor Day and ends in June when it's warm enough to swim in the pool. I also like that the winter break is shorter and kids go back to school after New Year's.

Like	244	I like that it starts later in August and school ends later in June. This optimizes the summers in Colorado.
Like	245	I like that it starts later, but early September is a little too late.
Like	246	I like that later start to Calendar D. That's it.
Like	247	I like that my kids get a full summer June-August and not returning to School until September
Like	248	I like that school doesn't start until September and end until June. The kids will be able to enjoy more of the nice summer weather.
Like	249	I like that school starts later in August. It is so hard to come back at the beginning of August because it is still summer!
Like	250	I like that school starts later than we currently do.
Like	251	I like that the start date is later. Also, okay with only have week off at Thanksgiving, it's not necessary to have two 1 week breaks within a month of each other.
Like	252	I like that there is no fall break and I like the week long for spring break and Thanksgiving.
Like	253	I like that they end in June and start later in the fall. May is a cooler month w/rain and snow at times. It would be nice for the kids to actually get to enjoy a warm summer June-Sept. Graduations would be nicer in June. I also feel like the kids have breaks almost every month so this schedule seems like it would be more conducive to learning.
Like	254	I like that this calendar starts after Labor Day and ends in June. May is still very spring weather and it doesn,Äôt get nice until mid-June. August is one of the nicest months in Colorado and the kids miss out on a lot of it.
Like	255	I like that we start after Labor day and that we end in June, more appropriate for summer break.
Like	256	I like that we would start later in august. The weather is still warm and kids only want to be outside. The weather in June is rainy and still cold. It is silly that we aren't in school, if the weather is crummy.
Like	257	I like that you get halloween off

Like	258	I like that you guys really thought out of the box
Like	259	I like the idea of starting later but think its too late
Like	260	I like the idea of starting later in the summer. Also, just the one fall break is great! We do not need both a full week off in "fall" and then another "fall" week off at Thanksgiving. One of these breaks is more than enough. For students and educators this is too much "up and down" in instructional time--all before MOY assessments are due in December.
Like	261	I like the idea of starting school in September, so we have a longer summer.
Like	262	I like the last start after Labor Day weekend.
Like	263	I like the late start and no fall break
Like	264	I like the late start and the Thanksgiving, winter, and spring breaks
Like	265	I like the late start date.
Like	266	I like the late start date. August is a great weather month in Colorado. August should be summer break, NOT June.
Like	267	I like the late start for the school year.
Like	268	I like the late start, but I don't like a shorted christmas break. You could make a long weekend for fall break and a long weekend for thanksgiving break.
Like	269	i like the later school start (september), i like the early return from winter break.
Like	270	I like the later school start date, I like that there is no fall break, I like the slightly shorter winter break and I like the the fact that the last day of school is in June.
Like	271	I like the later start and end that is about all
Like	272	I like the later start date of calendar D and the full Thanksgiving Break.
Like	273	I like the later start date so August can be utilized for summer weather.
Like	274	I like the later start date.
Like	275	I like the later start date.
Like	276	I like the later start date.
Like	277	I like the later start date. It,Äôs not so hot. I like winter break to start closer to Christmas and end after the new year. Winter break has been too long in the past years.
Like	278	I like the later start in September. August is still summertime with planned family vacations.
Like	279	I like the later start overall
Like	280	I like the later start time

Like	281	I like the later starting date, prefer after Labor Day. This provides us with another opportunity for vacations and a great end to the summer. Starting school in early to mid August just seems like things are cut short and I end up pulling the kids out of school anyways.
Like	282	I like the Sept 2nd start as most schools in the states
Like	283	I like the shift in the school year to have the summer break include more hot weather days.
Like	284	I like the split of the breaks, this is my 2nd favorite option
Like	285	I like the start and end dates
Like	286	I like the start and end dates.
Like	287	I like the start and end days of school. I think starting school in September is ideal.
Like	288	I like the start date
Like	289	I like the start date a lot on this calendar. It gives people a chance to enjoy the warm weather in August and finish traveling so I don't have as many absences.
Like	290	I like the start date in September.
Like	291	I like the start date, end date and no fall break
Like	292	I like the switch to a Sept June calendar but hate no days off in Oct.
Like	293	I like the Thanksgiving break and Christmas break. It is nice that there is a late start into September, although I don't think that late of a start is necessary, especially at the expense of going so far into June.
Like	294	I like the Thanksgiving/Winter/Spring Break lengths.
Like	295	I like the week selected for Spring Break.
Like	296	I like this calendar the best because this gives more time in August for families to spend together.
Like	297	I like working and having kids go to school through June because the weather can still be cold and gloomy. Its nice to have all of August because its truly like summer. Also, I like that there is a week off for thanksgiving and the teacher work days fall on halloween.
Like	298	I liked because the custodian need time to clean!
Like	299	I liked how much later the kids go back to school.
Like	300	I liked seeing the start after Labor Day and that Halloween was a Teacher Work Day.
Like	301	I liked that school started in September.
Like	302	I liked that school started later in the summer
Like	303	I liked that there was no fall break
Like	304	I liked that we started later in the fall.
Like	305	I liked that we started later in the year

Like	306	I liked that we would have more time off in August when the weather is still nice and good for traveling.
Like	307	I liked the abbreviated fall break, and shorter winter break.
Like	308	I liked the idea of starting in Sept and ending in June and be off in the better summer months when the weather is nicer
Like	309	I liked the later start date
Like	310	I liked the later start date and end date of Calendar D. I liked the full week at Thanksgiving and the full week of Spring Break.
Like	311	I liked the much later start. I don't mind having kids end in June since it may not be warm enough for pools, etc in May. I also liked the full break of thanksgiving, Christmas, and spring.
Like	312	I liked the start date in Sept and end date in June.
Like	313	I love being able to enjoy all of august with the kids and the amazing weather.
Like	314	I love having more time in the summer to enjoy the weather and time with my kiddo! No need for a fall break!
Like	315	I love how the kids have all of August for summer break, and they don't get out until the beginning of June. This allows kids to be outside playing during the prime summer weather months. I think they need the extra time in the summer vs. a fall break.
Like	316	I love love LOVE the idea of starting in September.
Like	317	I LOVE not starting the school year until after Labor Day!!! I'd much rather run into June than head back too early in August.
Like	318	I love school starting in September.
Like	319	I love starting back at Labor Day! Give kids a true summer!
Like	320	I love starting in early September, (August is still summer), and the later end in June is fine since its usually a little cool in late May.
Like	321	I LOVE starting September 2nd! We NEED to start later since May's weather is crazy and August is usually the best summer weather.
Like	322	I love that Calendar D starts so late. Having August 1st report dates have been tough, and August just feels like a summer month! I am willing to give up fall break and end later to start later. I also like the timing of spring break
Like	323	I love that it doesn't start until after labor day. The weather in Aug is so much warmer than May/June.
Like	324	I love that it starts after Labor Day, allowing August to be for family vacations when activities are usually also on hiatus. Ending in June is just fine. I also like that October break is eliminated. There are lots of mini-breaks of four days built in. It's a fantastic calendar.
Like	325	I love that it starts after Labor Day!!!!

Like	326	I love that it starts after the holiday and it is not so hot anymore. Like the shorter October and Christmas break.
Like	327	I love that it starts in Sept! I don't mind that they will go into June since the weather is still unpredictable then. It's worth starting later to go later into June.
Like	328	I love that it starts in September because that gives us a much better Summer break. And it makes more sense to start late and not have a October break.
Like	329	I love that it starts in September.
Like	330	I love that school starts in Sept. it helps the kids better enjoy summer break
Like	331	I love that students, staff, and families can enjoy the entire month of August as summer break. This calendar takes advantage of the nice summer weather months. August always has nice weather, whereas the weather at the end of May & in early June is typically not yet warm/hot. I like the long week break for Thanksgiving for families to travel.
Like	332	I love that the kids don't get out of school till mid June and don't go back till September. That allows the kids to enjoy the hottest summer months (July and August) at the pool instead of in the classroom.
Like	333	I love that the kids have the whole month of August off.
Like	334	I love that there would be no school in August, which is so HOT! August feels like summer in a way that none of the other months do and we hate having to spend it in school. September start is the best and no fall break is great. please please please please pick D!
Like	335	I LOVE that this calendar starts in September and ends in June. I colorado the weather is too cold for swimming in may/early June, and is still hot enough for swimming in August. We should take advantage of this time outdoors.
Like	336	I love that we start after Labor day.
Like	337	I love that we would start in Sept
Like	338	I love the idea of have a traditional summer with my kids (Memorial day to Labor day). I would have put this as my first choice but I feel like people are hesitant to this idea so I ranked in second. I also like getting rid of fall break. It's a huge hardship on working parents who can't work from home!
Like	339	I love the idea of moving the start date back a few weeks. Early August is way too early to start school. I am all about starting in early September and going a bit later into June. I also like the shorter winter break.
Like	340	I love the idea of school starting in September and ending in June. August start date is just too early and getting out of school in May when it's still not summer weather is unfair.
Like	341	I LOVE the idea of starting after Labor Day. However, the tradeoff of staying in school until mid-June isn't worth it.
Like	342	I love the idea of starting after Labor Day. The burden of finding and paying for care over all those really long breaks in other calendars is a real burden. I like less week long breaks.

Like	343	I love the idea of starting school after Labor Day and ending the year mid-June. Often, in late May and early June, the weather is still cool. August is way too hot for kids to be on a black top playground. They should be in a pool!
Like	344	I love the idea of the kiddos actually getting to enjoy warm weather. When they get out so early and go back so early, the weather isn't even "summer" weather until late June and then they go back a few weeks after that. This way they can enjoy summer to the fullest and be out during the hottest months.
Like	345	I love the idea that we would have all of August to enjoy the warm weather before school starts. It is okay that the school year doesn't end until June, as CO can be cold, rainy, and sometimes even have a late snow in May which makes it hard to enjoy all of the summer activities until mid-June anyway. I like the couple workdays put together to give everyone a 4 day weekend in October which is a good compromise for fall break week.
Like	346	I love the late start and no Fall Break.
Like	347	I love the late start date in September and going to school a bit later since it doesn't even really get to be pool weather until mid June
Like	348	I love the late start date.
Like	349	I love the late start of school! Enjoying the weather! This is the time that we go to school in Europe all on 1st September when the weather gets colder
Like	350	I love the later start and end dates (although I kind of wish there were something between B/C and D, because I know the majority of people won't vote for D). Same as B and C, I like that there's not a full week off in both October and November (although I think I prefer the full week in October, but I still like option D the most overall). I like that the October break is Thursday and Friday. I like that winter break is two weeks without the extra Friday and Monday on either end.
Like	351	I LOVE the later start date, and finishing the school year in June. This aligns more closely with summer travel and maximizes the summer months
Like	352	I LOVE the later start date. I don't mind not having a fall break since we start later, and I don't mind going into June because the weather doesn't get nice until mid June anyway.
Like	353	I love the later start. This is more in alignment in my opinion of when school should begin. Children are ready to return. No remorse about missing summer. Families are finished with vacation and ready to focus on school
Like	354	I love the later start... it makes so much more sense here in Colorado with our cold Mays and hot Augusts for "SUMMER" Break to occur during the warmest months.
Like	355	I love the September start date

Like	356	I love the September start date and getting out on late June. It aligns better with climate, given that may is still very cold and Aug/September is still very hot. It's better for operation costs and aligns better with other states. Most kids in summer activities get very little downtime with an early August start. A later start is better for teachers as well.
Like	357	I love the September start date and June end date
Like	358	I love the start and end dates!!
Like	359	I love the start date after Labor Day, so that you actually get a full summer of break. Thanksgiving and spring break are still given which is nice.
Like	360	I love the start date and getting out in June. Would really love to move to this calendar!
Like	361	I love the start date and the ending date.
Like	362	I LOVE THE START DATE!!! No fall break is awesome for parents and gives us lots of summer to play outside, camping, traveling, etc. When school starts so early its hard to get those weekend good weather trips in.
Like	363	I love the start date. No reason we should be starting in the full swing of summer 8/1. Later start!!!!
Like	364	I love this calendar the best for the time back to school in September and Out in June. With summers not starting until late June the kids do not get to enjoy summer much with the current calender
Like	365	I LOVE this calendar. I have been trying to convince others to let their voices be heard for this calendar. Most people I talk to agree, in CO the summer weather is best June-August. When we start school in August, we are cutting our summer short. When we start our summer break in May, it's not summer weather yet. So it just makes our summer break not as enjoyable. People think this is just the way it's always been though, so they don't think we can change it. I wish our voices could be heard and enough that felt this way would participate in this survey to change the schedule to give us a more summer like summer break!
Like	366	I LOVE when it starts and ends. The weather isn't nice until mid June anyway
Like	367	I loved how late the calendar started after Labor Day. I like going until June. Please add a fall and Spring Break with only a week or so off for Christmas- New Years or give us more personal days. Previous districts I have been given 11 annual sick/personal days per year. I'd also like to start after Labor Day.
Like	368	i loved that school starts after labor day, short fall break (4 day weekend) and school getting out later. Winter break is plenty long at 2 full weeks
Like	369	I loved the idea of going back to school later and getting out in June. As a staff member beginning at the end of July is too soon.
Like	370	I loved the Sept. start time!
Like	371	I loved the September 2nd start as well as into June ending

Like	372	I loved the September start date! This lets the children enjoy summer activities in the summer. June has been cool for several years in a row.
Like	373	I prefer a later start to the school year. Summer is short in Colorado. The current schedule lets kids out before pools open for example. A later start allows better use of summer.
Like	374	I prefer starting school later in the summer and ending school in June. There are still a lot of hot days in August and September. I prefer to extend summer break into these months. End the school session in June.
Like	375	I really like how with calendar D the kids don't start school until later
Like	376	I really like the late start time and that there is no Fall break.
Like	377	I really like the later start in August
Like	378	I REALLY like the start and end date for the year. This calendar better follows our seasons in CO. I never understood the logic of sending kids back to school in early August when that is some of the best summer weather of the year and why they get out in May when June and late May can still be quite cold and rainy. If this option had a fall break, even if truncated, it would have been perfect.
Like	379	I really like them starting later in the summer, September and getting out in June. This schedule gives them a true summer off.
Like	380	I really liked the Sept. start date and the ability to fully enjoy the summer
Like	381	I really liked the September start.
Like	382	I should not have had to put a calendar d This survey sucks
Like	383	I think starting in September and getting out in June is a much better decision as the weather for the seasons are starting to shift and it,Äôs really warm in August and September and it,Äôs actually still pretty cold and may in June. I also like doing away with October break
Like	384	I think you should combine the teacher work days & professional days, allowing for more days off in a row for the students around president,Äôs day &/or more days before Christmas, fewer at the beginning of January! Keep options to have students begin 2nd or 3rd week in August. Ending year 3rd week in May. Also, there should be more options for when the spring break weeks are.
Like	385	I understand Calendar D will never win the vote, but I applaud DCSD for the option to return to a more traditional school calendar. Early August is still extremely hot in Colorado and I do not like the thought of my children walking home in 90 degree temperatures and being in PE during such extreme heat. Thank you for the option!
Like	386	I wish atleast one calendar had a shortened fall break (a long weekend) and kept the full week of Thanksgiving off.
Like	387	I would like to skip Fall break because the Thanksgiving break is so close.
Like	388	I would love school to start later while it,Äôs still warm to enjoy summer.

Like	389	I'd love the longer summer. I like the shorter Thanksgiving break.
Like	390	I'm fine without Fall break, full Thanksgiving break, and full spring break. The thing I feel is MOST important are the starting Sept 2nd, ending June 11th. Warm weather starts late here, and would like to have August to do more summer activities.
Like	391	I'm not opposed to something like this, but I would only really want to move to this if surrounding districts did something similar. My husband works in DPS and so want those calendars to be as aligned as possible.
Like	392	I've never done it and would like to give it a try! The weather in CO from late May-late June is typically still chilly, not super sunny and kind of gloomy so getting my summer break in July and August when it really feels like summer would be awesome! Still has the whole week of Thanksgiving off too!
Like	393	If we aren't going to have a fall break, then at least the first day of school and last day of school make more sense.
Like	394	In light of the current circumstances, it is imperative that we address the issue of attending school in August, where the excessive heat and constant use of AC not only makes it unbearable but also result in an unnecessary waste of energy.
Like	395	Intriguing idea starting after Labor Day like most of the east coast.
Like	396	It doesn't start the 1st week in August.
Like	397	It gives the kids a summer break in actual summer. August is too hot to be starting school
Like	398	It is absolutely disgusting that Douglas County does not acknowledge or celebrate Veterans day. What an embarrassment.
Like	399	It is perfect!!!
Like	400	It is terrible- nothing to like
Like	401	It isn't C
Like	402	It kept the length of Thanksgiving, Winter and spring break
Like	403	It matches the best with when Colorado's weather is warmest and nicest for outdoor activities.
Like	404	It seems like there are more school days...? I miss growing up on the East Coast and having school Labor Day to memorial Day. Ending the school year with a long weekend and staying it with a long weekend felt perfect in shooting family life.
Like	405	It started after Labor Day
Like	406	It started as late as possible. But why isn't aAug 27th or 20th on the table? Why jump to an extreme so no one will vote for it?
Like	407	It started in September. August is always nice weather to enjoy while on summer break.
Like	408	It started much later. Gives my family to utilize the full month of August to travel.

Like	409	It starts in September, and get out closer to June!
Like	410	It starts in September.
Like	411	It starts us later in the year which then it's not so hot. Because we start later we don't really need a fall break because then we have Thanksgiving break. I like getting out in June. May is still cold and snowy.
Like	412	It would be a big shift, but would allow for all Colorado families to truly enjoy more of the summer season off of school.
Like	413	It would be nice to start school after Labor Day.
Like	414	It,Äôs a normal summer break and the kids done have massive breaks all year. Its normal
Like	415	It,Äôs so hot in August you might as well enjoy it as a summer month. We,Äöd have to get used to this though!
Like	416	It's a very "old-school" traditional calendar.
Like	417	It's fine. I'm used to this from other states.
Like	418	It's hard to remember all the calendar options as I did not take notes. Our family would prefer a later start to the school year and no fall break.
Like	419	it's more aligned with other school districts around US, so will be better when planning vacations with family/friends. and the end of Winter break is Jan 2 which is perfect because most can't get 2 weeks off around the holidays
Like	420	It's still so hot in August and cold in May and June. We need to shift the school year to better accommodate this.
Like	421	It's the best start date out of all the calendars for 2025-26
Like	422	just that there was no fall break and the winter break length was ok. The dates weren't great but doable
Like	423	kids go back to school earlier after winter break which is nice for working parents
Like	424	late Aug start and going into June and no Fall Oct break. I am against fall break in October and would like to see later start (late Aug or early Sept), then later into June if necessary. Summer in Colorado does not start until early or late June and ends in September. Kids end up with very little "summer" time.

Like	443	Late start (summer is hot on playground equipment), no fall break, late winter break, late end of school
Like	444	late start after labor day
Like	445	Late start after Labor Day. We could do a short fall break. But it,Äôs best for the kids
Like	446	Late start after summer break. out later in the year June 11 start summer break.
Like	447	Late start and end date. Typically, CO weather is warmer and better in August than May/early June so it makes more sense to have that time off to enjoy summer.
Like	448	Late start and late finish so the kids can enjoy the warmer months for break. Also better for travel to not match ALL other schools. No fall break is better and a normal two week Christmas. Day care for a three week break is hard and there is nothing for the kids to do in winter.

Like	664	Love love love this option!!! Like the September start, the June finish, the winter break start and finish. This option seems the best for working families.
Like	665	LOVE starting after Labor Day!!! It's cooler than starting in August's hotter weather. The Winter Break time frame is fine since the last day before break would be the 19th and the return date would be the 5th unless you expect staff and students to return on a Friday (the 2nd).
Like	666	LOVE starting in September!
Like	667	Love starting so much later in the summer
Like	668	Love that is doesn't have the fall break, love the start and end times. Much better to enjoy Colorado summer!
Like	669	Love that it starts after Labor Day! Would prefer the full months of July and August off and like that there are less breaks. Feel this is a better way to optimize hotter month of the year.
Like	670	Love that school starts in September! Don't mind getting out in June as the weather is not that great.
Like	671	Love that school would start after Labor Day so that we can fully enjoy the warm weather. I also love getting out in June when it has warmed up more so that we can really enjoy the summer weather

Like	685	LOVE the later start date. Let the kids have all of August for summer break!
Like	686	Love the later start date. The shortened Xmas break.

Like	687	Love the later start in September
Like	688	Love the later start in September and after 3 day labor day weekend as to not interrupt students back to school routine just as they are getting started. Front loaded some works days and PD before students come back from summer. Multiple long weekends instead of a Fall break. Shorter Winter Break, and school ends in June just as the weather starts to get nice instead of May.
Like	689	Love the Sept start
Like	690	Love the September start date, although I know this will not be the majority.

Like	696	Love the start date!! Love no fall break. Love giving kids a summer!
Like	697	Love the start of the year date being in September.
Like	698	LOVE THIS OPTION! Love that it starts in Sept!!!
Like	699	Love this option. No fall break and they start school in September which seems very reasonable with summer sports ending in August!
Like	700	Love this start date!
Like	701	Love this, weather is still cold in May, would love to get out in June and go back in Sept. No reason for a fall break
Like	702	Love this! We should be on this schedule! Maximizes the beautiful summer we get in Colorado!
Like	703	Love to start in Sept and end in June!!!
Like	704	Love, love, love the start and end date!
Like	705	Loved it! Starting later and did away with fall break. We don't need Fall Break and need more time to Summer. It doesn't get warm in Colorado till August.
Like	706	Loved it!! Everything!!
Like	707	Loved starting in Sept.
Like	708	Loved starting in September. End of May and beginning of June are always iffy weather. Going back in early August always feels like its mid summer. So hot, more expensive to cool the schools. It doesn't make sense why we go back so early.

Like	709	Loved starting in September. no fall break, and getting out later in June
Like	710	Loved that school starts later and elimination of fall break.
Like	711	Loved that the kids will get a full summer break. By the time the school year is over summer will be here! I loved no fall break, all of these breaks are very hard on dual working parents and costs quite a bit of \$\$ to find child care.
Like	712	LOVED the delayed start, the lack of fall holiday
Like	713	Loved the Late start after Sept/
Like	714	Loved the later start in September
Like	715	Loved the latest start date. Aligns more with east coast and allows kids to enjoy warm August weather at the pool and not at school. Also loved June end of school date because it's still cold late May here
Like	716	Loved the September start and early June end
Like	717	loved the september start date!
Like	718	Loved the September start date! Loved the June 11 end date - it's finally summer outside.
Like	719	Maintaining a Fall Break.
Like	720	Maintains most of the breaks.
Like	721	Maximized summer break.
Like	722	May is still cool, and August is great weather in Colorado, would be nice to shift school year. Matches east coast schools. Like a week off at Thanksgiving vs fall break.
Like	723	More of a traditional school year. Love the late start and don't mind that it takes us into June. Not a big disruption with a fall break AND Thanksgiving break. Winter break isn't excessive either. Memorial Day weekend will be a little boost at the end of the school year.
Like	724	More traditional alignment with summer dates/weather. No fall break.
Like	725	more traditional start like most schools in the U.S.
Like	726	Moving the start of the year and end of the year.
Like	727	Much better! Later in the year. Shorter winter break.
Like	728	Much more normal/traditional schedule like we grew up with. Love the September start and June finish.
Like	729	Much more similar to a traditional school calendar, the school year should go from labor day to memorial day, that makes the most sense.
Like	730	Much prefer a September start date. August is still summer, the pool is still open, the school can remain closed during a very hot month, the fundrun activities take place when it is far too hot for the kids to safely participate. A May end date is often too cold to participate in summer activities.
Like	731	My favorite. Starts later. Ends later. I don't think we need a fall break.

Like	732	My primary interest in calendar selection is shifting the summer period later in the year...school ending in June and starting later in August or early September.

Like	1165	Perfect time to start the school year!
Like	1166	Perfect timing. Later start date so students can work longer while pools and touristy things are open. Weather is cooler in September so no hot classrooms when the AC doesn't work.
Like	1167	Perfect. Start after Labor Day and go to school through early June. This allows students to enjoy the CO weather in August and go to school while it,Ãs still too cool to enjoy the outdoors in May and June. Additionally, high school athletes in fall sports, including football, are required to stay and play during past fall breaks. Last year senior night was during fall break with half the stands empty. There is no reason to have a fall break and schedule D makes so much sense for athletes, non athletes, and parents alike.
Like	1168	Please do this one, I really like the academic year starting later in the year.
Like	1169	Post-Labor Day start aligns with family school schedules in other parts of the country, and allows for summer travel.
Like	1170	Pretty much all of it. No fall break. Later start date actually allowing the kids/families to enjoy the warmer weather of the summer months we have here. The later end date. No fall break- it's not needed with having Thanksgiving break almost a month later.

Like	1359	Starting later in the year so we have a longer summer break. It,Äôs hard to get kids back to school after a short summer and then all the breaks during school makes it hard to keep the kids engaged.

Like	1472	The later start date in September would be lovely, but the 2026-2027 calendar does not present a similar option so the summer of 2026 would be too short. The shortened (only 2 weeks) for Winter Break is great!
Like	1473	the later start date is nice but it,Äôs a little too late. School should start between 8/18-8/25, amd another long weekend in October might be nice.

Like	1485	The most maddening thing since moving to DCSD is that the kids are always in and out of school. Calendar "D" looks like it give the most consecutive weeks of in class instruction allowing families to keep routines. It is better to lump teacher work days together so that long 3-4 weeks of consistent school attendance can be achieved. It isn't right that kids go to school 5 days, then 4 days the next week (holidays, understand), 5 days, then 3 days, then maybe two full weeks of 5 days. Please do your best to have blocks as long as possible where kids are in school 5 days a week.

Like	1519	The summer appears to be longer, which is nice.
Like	1520	The summer in Colorado is prime between June and August. When school starts in August, it is still during nice weather days and pools are still open. Kids should be outside playing and enjoying the warm weather when we end school in May the summer weather many times has not Begun yet. Our field days are cold and miserable. The last three kids that had graduations were outside and they were miserable. One it was freezing, cold, and snow is everywhere, for another, it rained the entire time. Someone had to be taken away in an ambulance for symptoms of hypothermia. It just makes more sense for us, in Colorado, to have school from September until June.

Like	1533	They start later.
Like	1534	This allows kids to enjoy summer for a longer time in better weather. They don't need a fall breaks. It's hard enough for working parents without a school bus every 5 weeks.
Like	1535	This calendar aligns more with the rest of the county and allows for more opportunities to visit family no matter where they are.
Like	1536	This calendar doesn't work for our family. We spend the holidays with our family and this doesn't give us time for the kids to see the grandparents out of state.
Like	1537	This calendar was by far and away the best option. I like the fact that school starts the first week of September and ends the second week of June. I also like the removal of fall break and allocating other off days to a full week of Thanksgiving. The fact is that we have aging schools, and it's easier to cool them during September.
Like	1538	This calendar works for ag related kids in their families Allowing kids to finish their commitments and for each county and state programs before they start school
Like	1539	This format of survey is not user friendly every time I go see the calendar to provide feedback erases my previous answer must to start over
Like	1540	This gives a better summer. It's warmer in August and cooler June. Also we do not need long Christmas break.
Like	1541	This is a more traditional school schedule. It starts and ends later which allows kids to enjoy the summer weather more.
Like	1542	This is by far my favorite. I like how late the kids start (to maximize their summer off), it removes the unnecessary October break (which is hard on parents) and they get out later in the summer when seasonally the summer has actually started.
Like	1543	This is my preferred calendar, hands down.
Like	1544	This is not feedback but a question. This comes up every time a calendar survey comes out - how will this affect the timing of first semester midterm exams for high school kids? It would be helpful to know this when answering this survey. If midterm exams happen after the 2 week winter break, we're not interested.
Like	1545	This is our families ideal calendar. As most of our family live out of state this is similar to how their schedules line up and allows us more time to travel and visit with people. I love the end and start dates. Especially after labor day. With the weather in Colorado I just think this feels the most natural.
Like	1546	This is perfect! Days off are great, start day is as it should be

Like	1547	This is the best calendar! Let the kids go back to school in September and have the month of August for summer break when the weather actually allows them to get outside and enjoy the time off of school.
Like	1548	THIS IS THE BEST OPTION. I love that it starts AFTER labor day and ends in June. This is much better aligned w/ work schedule which is better for working parents.
Like	1549	This is the same thing as the past 5 years of us being in DCSD. Why keep asking the parents for feedback if you,Äôre not going to change anything?
Like	1550	This is the worst.
Like	1551	This lines up with family in Canada, which would allow better weather and ability to see more family since they would be out of school too.
Like	1552	This makes for a better summer! Students can still be having summer fun during the warmest months. It is fine to go into June a little bit, because early June weather isn't really that great anyway. The District will probably save in air conditioning costs in the month of August.
Like	1553	This makes SO much sense. Longer summer but less breaks during the school year which means more consistent education and less strain on working parents
Like	1554	this one pretty much sucked too.
Like	1555	this option allows summer to be enjoyed fully before starting school. It also eliminates an october break - which always seems too early in the school year
Like	1556	This option starts later so students have a little more summer to enjoy. It also eliminates fall break.
Like	1557	This seems to align with most traditional school calendars. With work days and staff days, the kids don't need long breaks around holidays.
Like	1558	This should be the calendar. Start after Labor Day. Give the kids their summer with of half of June and full July and August. Prepare the kids for testing after Memorial Day.
Like	1559	This was my favorite calander, I love the start date after Labor day and no fall break. The spring break is in the 3 week of March which is ok but the year seems to flow better with the kids getting through middle of june before release for the summer.

Like	1576	We get to actual have a summer where we can enjoy the mountains. We are a mountain state and lots of folks like the outdoors. When the kids get out in may it's mid season in the mountains. There is no opportunity to go backpacking or enjoy the high country until July and then most of the break is over. Literally most of the country starts at the end of September. Calendar d allows for better overlap so we can more easily find time to visit family and cousins.
Like	1577	We hated Calendar D. Feels like punishment to kids, according to my 3 kids.
Like	1578	We have the whole beautiful month of August to enjoy for vacations. The later end of school year works for our family. June is usually stormy and wet - not the best for travel. You could start just before Labor Day and still have a fall break, but that was not provided as an option. If you put a fall break in this option it would win hands down, but this survey is rigged for Option A every year.
Like	1579	We liked that the school year is pushed back to Sept and the kids get out in June

It makes sense to begin school after Labor Day and extend into June, even though the change might be difficult for some to adjust to in the beginning. I do believe that it is appropriate and would become an acceptable and desirable option for Douglas County as well as other districts in our state.

Was there anything you didn't like about Calendar D

Dislike	1	1) No Fall break? This is nice to have 2) We do not need a whole week off at Thanksgiving, two or three days is fine 3) The couple extra days off for Winter Break in January is better 4) School goes too long into June. 5) How does this calendar seem like it has WAY more school days? A combination of Calendar B and D would be perfect.
---------	---	---

Dislike	2	1) You can't take out Fall Break!!! 2) Prefer a full Thanksgiving week instead of half 3) Don't love ending school in Mid June (cuts summer on that end)
Dislike	3	1st semester does not end in December--#1 factor in considering schedules; Too late of end date in June; No fall break;
Dislike	4	1st semester ends after winter break. No fall break. School ends in June
Dislike	5	1st Semester ends in the middle of January.
Dislike	6	2nd semester start 2 weeks after winter break which will not allow the kids to enjoy the holiday time with the family and will affect their grades!
Dislike	7	A & B are strong preference. Fall break is important to families, and kids who need that mind-break mid-semester. By this time in the school year kids are struggling with burnout and exhaustion. A week gives them a little reprieve and refreshes them to finish out the semester.
Dislike	8	A week for Thanksgiving, not necessary.
Dislike	9	Again this is taking away from our much needed breaks throughout the year. Kids also stop learning after Memorial Day but yet they do well in August.
Dislike	10	Again, I have mixed feelings about the lack of fall break. I also don't like that it starts in September instead of August.

Dislike	28	All of it. I want Fall break. I like a full thanksgiving week.
Dislike	29	all of it. no fall break. go into June
Dislike	30	all of it. Starting in september is not worth getting out in mid-June. Barf.
Dislike	31	All of it. We aren't located in the eastern part of the US, so no reason to follow their calendar.
Dislike	32	All the breaks with the late end of year date
Dislike	33	Although I am in favor of starting later in the school year, I cannot afford to have my children so much later than my school district--paying for childcare, camps, etc. to fill their time
Dislike	34	An entire week off for Thanksgiving seems excessive, but at least the week off in October is gone.
Dislike	35	Applies to ALL calendars. I would like to see more consideration taken for days off around major events such as Spring Break, Easter, SuperBowl, Halloween, etc. Too often do we have these events only to have a teacher day or some other time off that would have been better spent following a major event for the kids and family.
Dislike	36	As a school in CO, this feels very much so like an East-coast school calendar. We will still be tested on CMAS and SATs WAY BEFORE school is close to ending. Additionally, we all need a Fall Break.
Dislike	37	Based on the later first/last dates, it appears that finals would possibly fall after winter break. Not ideal for students. Also, unless other districts in Colorado have a similar start/end to their academic calendars, it would seem that coordinating high school sports schedules would be difficult. It would seem that DCSD would have to maintain the same (or similar) schedule, meaning that students who play fall sports would have to start before the school year starts, negating the benefits of a late first day. Also, club sports teams that have summer seasons generally begin around Memorial Day. If the last day of school is in June, there will probably be higher absences because club seasons have started. Unless all districts adopt this same type of academic calendar, clubs likely would not alter their schedules.
Dislike	38	Being in school to last June??? No already on Vacation.
Dislike	39	Best calendar we rather start school later and get out in June enjoy whole august, the pool still open and the weather still nice for the kids to continue getting brig out enjoying the sun vitamin D play outside
Dislike	40	Best of the schedules.
Dislike	41	Break over Halloween. That's always a fun day in elementary school.
Dislike	42	Calendar D is terrible. Starting in September and ending in June?! YUCK Also no fall break!

Dislike	43	Calendar ends way too late. There are so many ways to maneuver the calendars to incorporate most breaks, starting kids back the week of August 18th, shorten the October break by having school Monday and Tuesday that week, and ending just after Memorial Day. We see what you skip every time you put out these calendars. Why do you not have a calendar that starts in the teens of August and goes to the Friday before Memorial Day or ends just after Memorial Day? It is still summer fun in August!
Dislike	44	Christmas break being later
Dislike	45	Christmas break should be two full weeks. I'm unclear if we are to return on the 2nd or the 5th.
Dislike	46	Christmas break starts too late.
Dislike	47	Christmas Break too Short...
Dislike	48	Christmas break was shorter
Dislike	49	Coming back January 2 is too early.
Dislike	50	Cons: starting after Labor Day, no fall break, short winter break, not ending until June
Dislike	51	Could be a shorter Thanksgiving break.
Dislike	52	Cuts out fall break.
Dislike	53	D has no fall break week and goes two weeks past Memorial Day
Dislike	54	D is great
Dislike	55	D is horrible. No fall break. End in June. 1st semester will end in January meaning finals taken after winter break. Not as much time to go through content in AP classes which may result in lower scores since AP dates are set nationally.
Dislike	56	D was the worst, Late Aug to Late May is what we want. September is doable but letting out in June is an absolute no! No fall break is a no go for me, I would rather have only a few days for thanksgiving than lose all of fall break. Winter break is just wrong. Spring break still cuts out St. Patricks day. And again June end date is just no.
Dislike	57	Days off
Dislike	58	decreased breaks
Dislike	59	Definitely DISLIKE going into June for classes which impacts students' ability to work/relax, first semester would have to carry over to January????
Dislike	60	Definitely want my kiddo out of school earlier than June 11. Also, returning to school on January 2 seems too early after winter break. I would prefer to have a fall break as well.
Dislike	61	Did not like full week off at Thanksgiving-would rather those 3 days off in October
Dislike	62	Didn't like it
Dislike	63	Didn't like this calendar
Dislike	64	DIDN'T LIKE AT ALL!

Dislike	65	Didn't like no fall break.
Dislike	66	Didn't like that is ends in June. Maybe consider a short fall break, AND a short Thanksgiving break to get our earlier.
Dislike	67	Didn't like this option
Dislike	68	Dislike the late start to the school year Dislike lack of Fall Break (more expensive to travel in Summer than Fall)
Dislike	69	Do not do this option, shifting school that much is too big of a change. How will that impact CHSAA sports?
Dislike	70	Do not like D. Do not want my student going to school into June.
Dislike	71	Do not like extending school into June
Dislike	72	Do not like start or end date
Dislike	73	Do not like the end of the school year extending into June!
Dislike	74	Do not like the June ending.
Dislike	75	does this impact finals testing? do not like the june 11th timeline.
Dislike	76	Doesn't align to neighboring districts
Dislike	77	Doesn't get out til mid-June.
Dislike	78	Doesn't include fall break
Dislike	79	Don,Äôt get out until mid-June
Dislike	80	Don,Äôt like no fall break. Don,Äôt like going into June
Dislike	81	Don,Äôt like the schedule
Dislike	82	Don,Äôt like this as later start causes the semester to run over into January which for high schoolers puts finals in January with them studying over winter break. Not a good idea
Dislike	83	Don,Äôt like, Kids needs a fall break
Dislike	84	Don,Äôt love ending the school year this late into June. Would rather split the difference, start school closer to Aug 25, a week before Labor Day, bring that end date a week further in so only extend a couple of days into June
Dislike	85	Don't like school starting later and ending later. My daughter is always ready for school to end for summer but dying to go back when it's time to start.
Dislike	86	don't like semester ending in January - move start date to Aug 20 and end semester before Christmas, then end school year around June 4
Dislike	87	Don't like such a late start to the year.
Dislike	88	Don't like that kids/staff would have to come back day after New Years.
Dislike	89	Don't like that there is NO fall break, winter break is so short and out so late in June.
Dislike	90	Don't like the later start and end of the year or no fall break. All those things make it so that we have to visit places the same time as everyone else, which makes trips more expensive.

Dislike	91	Don't like the September start/June end.
Dislike	92	don't love 10/30 and 10/31 as no student contact dates, would rather the week before, otherwise this is good!
Dislike	93	Don't love that finals for the high school kids will be after winter break and I don't like that there is no fall break (even a smaller one would be great!) I would love to have a shorter Thanksgiving Break and Keep a fall break.
Dislike	94	Don't love that it goes into June, but I suppose that's the trade off for starting in September.
Dislike	95	Dont like any of the choices.. How about have a calendar that we can subscribe to that will import in our calendar of choice??
Dislike	96	early start (in August)
Dislike	97	Eliminates fall break
Dislike	98	Eliminating fall break! Students and teachers need this time for a reset. The end date is way too late. Many families need to plan vacations before summer rates skyrocket making it financially impossible to take the vacation.
Dislike	99	Elimination of Fall break and an entire week off for Thanksgiving break (Not necessary)
Dislike	100	End 6/11
Dislike	101	End a little too late--Calendar D for 26-27 is better
Dislike	102	End date
Dislike	103	End date
Dislike	104	End date a bit late ,Äîmaybe first week of June not second,Ä¶
Dislike	105	End date in almost mid June is too late.
Dislike	106	End date is ridiculous, shorter Christmas break, lack of fall break
Dislike	107	end date is unacceptable with travel sports starting memorial day
Dislike	108	End date quite far into June.
Dislike	109	End date should be sooner and all calenders should include a fall break.
Dislike	110	End date was a little late but summer in Colorado doesn,Äôt really start until mid June anyway
Dislike	111	End date, no fall break, winter break schedule
Dislike	112	End date, shortened Winter break
Dislike	113	End date. Mid June, shorter Christmas break and no fall break. No thank you.
Dislike	114	End in June and after winter break semester end.
Dislike	115	End in June. Can,Äôt we figure out how to go from Labor Day to Memorial Day!?
Dislike	116	End time in June and Sept start
Dislike	117	Ended Later (June) I wish there was an option to have no Fall break, A week long for Thanksgiving and started end of August so we would get out end of May. It would be a start and end date in between Calendar C and D.

Dislike	118	Ended mid June and long winter break
Dislike	119	ended near mid june and no fall break
Dislike	120	Ended slightly later than I was thinking but not a deal breaker.
Dislike	121	Ending date
Dislike	122	Ending in June
Dislike	123	Ending in June
Dislike	124	Ending in June but understood with the Sept 2 date.
Dislike	125	Ending in June is the deal breaker
Dislike	126	Ending in June.
Dislike	127	Ending in June. If we don't have a fall break, why do we have to stay until June?
Dislike	128	Ending June 11 is too late.
Dislike	129	Ending mid June
Dislike	130	Ending mid-June
Dislike	131	Ending school in June is very late
Dislike	132	Ending school june 11th
Dislike	133	Ending so late in June. If you could figure out how to end June 4th or 5th, then this calendar would be the absolute best of them all.
Dislike	134	Ending so much later will be hard on families with kids in multiple counties.
Dislike	135	ending too late (June 11 is too far into summer)
Dislike	136	ending too late (June)
Dislike	137	Ends 2nd week of JUNE.
Dislike	138	ends in June
Dislike	139	Ends perhaps a bit too late.
Dislike	140	Ends really late - will make a short summer
Dislike	141	Ends too late
Dislike	142	ends too late in June. I do not like this calendar.
Dislike	143	Ends too late in year.
Dislike	144	Ends too late, cut out some of the extra days throughout the year
Dislike	145	ends very late
Dislike	146	Ends way to late into summer, lacking fall break
Dislike	147	ends way too late and don't like not having a fall break

Dislike	148	Ends way too late in the year
Dislike	149	ENDS WAY too late into the summer
Dislike	150	Even just 3 days for fall break would be great. Again for family getaways and other children / friends being off.
Dislike	151	Even though I like the later start date, I am not a fan of school going into June. Also, not a fan of a shortened winter break.

Dislike	185	everything - late start + late end + no fall break
Dislike	186	Everything else
Dislike	187	Everything else
Dislike	188	Everything else. No Fall break, final exams would be after the kids take a 2 week vacation.
Dislike	189	Everything else... late start date,no fall break, smaller winter break, june end date.
Dislike	190	Everything is terrible in this scenario
Dislike	191	Everything like starting late and ending late. Stop trying to match Colorado school calendar with the West Coast. We are not them
Dislike	192	Everything this is a terrible option the start way to late, and end in the second week of June absolutely NOT OK
Dislike	193	Everything was great except the last day, wish it was before Memorial Day. If they have to shorten thanksgiving break to do this I would like this option better. summer break is way to short
Dislike	194	everything, especially not ending until june
Dislike	195	everything, ESPECIALLY the end date, that will not work with my family schedule (if D is chosen I need to know as soon as possible as that does not fit with any of my family scheduling)
Dislike	196	Everything, it started and ended much too late.
Dislike	197	Everything, the start date the end date the lack of a fall break, who even okayed this as a potential option??
Dislike	198	Everything! Its terrible
Dislike	199	Everything! Starts after labor day, no fall break, minimal time to prep for Christmas, gets out in June
Dislike	200	Everything!!!! It is awful!
Dislike	201	Everything.

Dislike	209	Everything. Starting school late, getting out in the middle of June, no October break. It,Äôs dreadful.
Dislike	210	Everything. It,Äôs a terrible option.
Dislike	211	EVERYTHING. NO FALL BREAK??? No, we need that. sorry...
Dislike	212	Everything. Start and end time is ridiculous
Dislike	213	Everything. Starts too late. Gets out late. Doesn,Äôt have fall break but has a whole week for Thanksgiving the month before winter break which doesn,Äôt give the kids a good break half way through
Dislike	214	Except it kicks the last day not only into June, but the second week of June. Eww.
Dislike	215	Extending school into mid-June
Dislike	216	Fall break and Winter break do not match Cherry Creek Schools where I work.
Dislike	217	Fall break is gone and the student don't get out until June.
Dislike	218	Fall Break, Thanksgiving, Christmas, and Spring Break should always be 1 full week.
Dislike	219	feb seems to have too many days off
Dislike	220	Feels like a long year.
Dislike	221	finish up same time with a lot of the country which means you can't get that jump on summer travel time.
Dislike	222	Finish year in June. Too late
Dislike	223	finishes way too late in June
Dislike	224	Finishing the year so late into June was not acceptable to me.
Dislike	225	first day of school day after Labor Day, work day in January not right after winter break, the second semester doesn't start the first week back from winter break, school year doesn't end until after Memorial Day
Dislike	226	First day of school was too late, which then means no fall break. Kids would be in school till June, that,Äôs too late.
Dislike	227	first semester doesn't end until after winter break - nice not to have to prepare for finals over winter break
Dislike	228	Gets out a little late in June
Dislike	229	Gets out in June
Dislike	230	Gets out mid June, but it,Äôs not a big complaint.
Dislike	231	Gets out too late
Dislike	232	getting out a bit later but then we get to enjoy all of august for summer and start in september which i think is nice
Dislike	233	getting out December 22nd-hard with families not having time before Christmas. In Europe schools don't start until September 5th and still have early out at winter break.

Dislike	234	Getting out in June
Dislike	235	Getting out in June
Dislike	236	Getting out in June is a little late.
Dislike	237	Getting out in June is terrible.
Dislike	238	Getting out in June seems late
Dislike	239	Getting out in June would take some getting-used-to, but I understand that is what needs to happen to start later in September. Of all of the calendar choices, this one has my vote.
Dislike	240	getting out in June, no fall break
Dislike	241	getting out in June, shorter Christmas break, no fall break
Dislike	242	Getting out in June.
Dislike	243	Getting out in later June feels later, is there a way to keep this calendar with having less professional development days every month?
Dislike	244	Getting out in mid-June
Dislike	245	Getting out June 11 may be a hard sell for some. Not for me, but faculty and staff may not appreciate it.
Dislike	246	Getting out June 11. And starting so late in September.
Dislike	247	Getting out June 11. No fall break.
Dislike	248	Getting out mid June is TERRIBLE for finding a summer job. No fall break. This week off in October is just the thing so many students need to solidify learning from the first quarter. Having taught for years in districts that don't have a fall break, I notice a HUGE difference in student's energy levels and ability to learn when they come back from this break. It truly is amazing.
Dislike	249	getting out of school in June
Dislike	250	getting out of school June 11th is too late
Dislike	251	Getting out of school later--although it is not that much later. However, I understand that is the tradeoff for starting school later. This would be ok with me.
Dislike	252	Getting out so late into June, could rein that in a little.
Dislike	253	Getting out too late into June
Dislike	254	give them a 4 day weekend in Maybtowards the end during memorial day. gives the kids that final push for summer
Dislike	255	goes a bit too far into June and no fall break
Dislike	256	Goes into summer, move to august15
Dislike	257	Goes so far into June - with Colorado weather/climate, we miss a good chunk of June
Dislike	258	Goes too late for removing a whole week break

Dislike	259	Goes too late into June
Dislike	260	Going back at the end of August, not having a Fall break, and going through middle of June. The calendar should resemble that of other districts. DO NOT CHANGE TO THIS
Dislike	261	Going back on Jan 2nd which is a Friday is not smart. Might as well wait until Jan 5th as you will likely have people miss the 2nd a lot with family vacations for the holidays
Dislike	262	Going into June
Dislike	263	going into June
Dislike	264	Going into June is not feasible!
Dislike	265	Going into June is ridiculous. Do not take away Fall Break.
Dislike	266	going into June; short fall break - Please consider the impacts of the October slump for teachers. Starting the school year is very busy and stressful. They are working a lot of extra time. It isn't possible to everything in our set working hours, and we cannot work 24/7, so some things must be put on the back burner for a bit. Fall break gives teachers a moment to regroup for mental health and time to catch up on paperwork, spreadsheets, assessment analysis, planning and prepping for differentiated instruction, etc. If your goal truly is to retain teachers, please refrain from shortening breaks. Maybe cut some PD days instead, because in some cases, teachers are planning and presenting at PD days. This adds to their workload instead of providing new learning for them.
Dislike	267	Going into June.
Dislike	268	Going SO FAR into June and no fall break
Dislike	269	Going so late into June
Dislike	270	Going so late into Summer.
Dislike	271	Going spring break through June 11 with basically no break may feel like a lot, especially at the end of the year when teachers and students are getting tired.
Dislike	272	Going that deep into June. Is there a way to end maybe a week earlier?
Dislike	273	going to school until mid june
Dislike	274	Going to school until the middle of JUNE??? Get rid of fall and spring breaks rather than doing that!!!!
Dislike	275	Going two weeks into June is not ideal but much better than starting school in early August. If the school calendar went from Labor day to Memorial day like a traditional school calendar that would be ideal.
Dislike	276	Going until early June 11 is a bit rotten, but picking up days off in August is nice. Winter break is too short and 4 day weekends in Jan and Feb are useless (just do 3-day weekends and shorten the year). Can't ski b/c it's too crowded, can't travel because anywhere close is too cold and anywhere warm is too far for a 4 day weekend (PS - most businesses don't give these days off anymore).

Dislike	277	Going until June 11 with no fall break
Dislike	278	Going until June is rough
Dislike	279	Going until June is terrible
Dislike	280	Going well into June. I don't think it will matter for cooling buildings in June or August and after Memorial Day students mentally check out.
Dislike	281	Good option
Dislike	282	Hate End date to long, will be mentally done No Fall break Short Thanksgiving To close to Christmas Day on winter break This is the worst choice for mental health Worst choice practically when it comes to travel for holidays This schedule will require personal days off and affect learning days the most
Dislike	283	Hate the whole thing
Dislike	284	Hated everything about this calendar. Zero benefit to all kids and families. No Fall Break, short Winter Break, and school doesn't end until way into June. You've pretty much eliminated many kids going to fun camps during the summer. No major school district in Colorado has this awful of a calendar and if our district adopted this, we would find a different district or private school or charter school to enroll in and attend.
Dislike	285	Hated going til June 11. Why not have option of Starting August 19 or 20, have fall break Oct 20 and get out June 3. Would still accomplish all the days needed but give families a full summer. Shifting the dates really matters!!!!
Dislike	286	Hated it all but had to select
Dislike	287	Have less days off during the year to end a bit earlier
Dislike	288	Having a split semester over the winter holiday doesn't set students up for success. This calendar is also misaligned with other districts around the state, causing more scheduling troubles with extracurriculars.
Dislike	289	Having final exams in January would not allow students, nor teachers, to fully relax over winter break.
Dislike	290	Having our kids still in school in June is terrible
Dislike	291	Having the end of the first semester after winter break Summer break also starts much later
Dislike	292	Having the whole week of Thanksgiving off. But if you don't start the year until September as it should be I would gladly accept having the Thanksgiving week off.
Dislike	293	High school finals would be after winter break. Awful for students
Dislike	294	Honestly, people in Colorado are so used to ending at the end of May but ending in June is NORMAL around the country. This calendar is the most normal but no one wants to end in June.
Dislike	295	horrible being and end date, no break
Dislike	296	Horrible that it removes fall break
Dislike	297	how late into june we would go

Dislike	298	How late into the summer school ends
Dislike	299	How late the kids get out of school.
Dislike	300	How late we start/end the year and going back to school right after New Years Day.
Dislike	301	HS finals are probably after Christmas break. Talk about a „Älater start,Ä date. Yikes. Compromise & start around 8/25 and end on or before 6/5? Gives us more summer weather to enjoy. Maybe throw in 1-2 teacher work days in the same October week so there can be a „Äfall break,Ä of some kind.
Dislike	302	I absolutely do not want the school year to go into June
Dislike	303	I am fine with the D schedule. I am assuming that other parents would complain that there is not a Fall Break in this schedule.
Dislike	304	I can get behind a long weekend for fall break.
Dislike	305	I did like having a fall break, but could live without it to start later
Dislike	306	I did not like Calendar D.
Dislike	307	I did not like how late we start in August, I do not like how late we would go into June, I do not like how we don't have a fall break, and I do not like that we don't have a work day or PD Day after Winter break. That would mean teachers are working even more over their break than we already do.
Dislike	308	I did not like how the holiday break ended right after new years
Dislike	309	I did not like school ending in June. A lot of summer activities start in the first week of June in Colorado
Dislike	310	I did not like that fall break was omitted, I did not like the start and end date for the school year.
Dislike	311	I did not like that there is no fall break at all. Kids will take off anyway.
Dislike	312	I did not like that there was no October break
Dislike	313	I did not like the shortened Winter Break of Calendar D.
Dislike	314	I didn,Ä like beginning in Sept and ending in June. I preferred the timeline on the other three options better.
Dislike	315	I didn,Ä like it. Please don,Ä get rid of fall break. Also going until June 11 is too late. Please lump the professional development days in to a week before school starts to give an extra week of summer and not a TON of random days off throughout the year.
Dislike	316	I didn't like anything about Calendar D.
Dislike	317	I didn't like anything about it
Dislike	318	I didn't like anything about this calendar. Starting in September means you're running chronically behind in the AP/IB curriculum, with a lot of dead-time at the end, since those exams are in April/May. There'll be over a month of post-exam class time in some cases, which could have been better served earlier in the year.
Dislike	319	I didn't like getting out in June and not having fall break. I also don't like starting that late in August

Dislike	320	I didn't like how it seems deceptive to change the dates of Christmas break, making it appear like they lose a massive amount and break when it's really mostly weekend and you'd be adding a day on each end. Just seems like you're trying to get people to not choose the schedule that most people want.
Dislike	321	I didn't like how late school started or ended.
Dislike	322	I didn't like how late they get out of school.
Dislike	323	I didn't like how late they go to school in June.
Dislike	324	I didn't like it.
Dislike	325	I didn't like skipping Fall Break or having two weeks at Christmas. I'd rather lose a week at Christmas and have a Fall Break. I'd honestly prefer a track schedule.
Dislike	326	I didn't like that school doesn't get out until the 2nd week of June
Dislike	327	I didn't like that we go back Monday after winter break.
Dislike	328	I didn't like the late start to the year, the no October break, pretty much didn't like the entire schedule
Dislike	329	I didn't like the school year finishing in June.
Dislike	330	I dislike the long winter break. Why is there no option for a one week break? All 4 calendars only have a 2+ week break option. It is too long for working parents. There should be other options provided.
Dislike	331	I dislike this schedule only slightly less than C because of the timing of spring break. PLEASE don't choose this calendar. I do not want summer to go through August - no other districts do this and many of us have kids in other districts. This will gravely impact our family. We have built our lives around the schedule DC has maintained for many years. No fall break and going to school through 2 weeks in June?! Please, no.
Dislike	332	I do not like Calendar D at all. Do not like the late start in September and the late finish in June. Do not like the lack of a Fall Break in October.
Dislike	333	I do not like how late school begins and how late it goes into June.
Dislike	334	I do not like no fall break, and how late the school year ends.
Dislike	335	I do not like not having a Fall break and the week long Thanksgiving break. Prefer Fall Break over week long Thanksgiving.
Dislike	336	I do not like school going past May. The end date was the only thing I disliked about calendar D.
Dislike	337	I do not like starting school in September and ending in mid June.
Dislike	338	I do not like that students will get out in June. Many summer opportunities in Colorado start the week that students are still in school and DCSD would miss out since the calendar is not in sync with other Colorado schools.
Dislike	339	i do not like the entire omission of fall break. why can't we have a two day fall break? i do not like breaking for winter break on dec. 22. would prefer we break for winter on dec. 19 like the other calendars.

Dislike	340	I do not like the lack of breaks!
Dislike	341	I do not want kids to be in school until June 11th. Buildings will be so hot.
Dislike	342	I do t like the time off for fall break and starting so late in August and ending in June.
Dislike	343	I do typically love the weather in CO in October and it is nice to be able to travel when people from many other states aren't traveling at the same time.
Dislike	344	I don,Äôt like anything about it!
Dislike	345	I don,Äôt like getting out of school in June.
Dislike	346	I don,Äôt like going until June 11.
Dislike	347	I don,Äôt like school ending in June. My kids typically attend camps in early June and this would impact that
Dislike	348	I don,Äôt like that one at all, too far into June and finals need to be before Christmas. The perfect calendar would be to start third week of August, get out first week of june
Dislike	349	I don,Äôt like that they have to loose their fall break or that the have to come back so early after Christmas break
Dislike	350	I don,Äôt like that we start so late and end late and there was no fall break
Dislike	351	I don,Äôt like the removal of fall break.
Dislike	352	I don,Äôt like this option at all
Dislike	353	I don,Äôt love having no fall break but would be willing to trade that for being able to be outside during the summer.
Dislike	354	I don,Äôt think that starting after Labor Day and going into June would make sense considering surrounding districts start and end their years earlier.
Dislike	355	I don't like anything about this calendar
Dislike	356	I don't like Calendar D
Dislike	357	I don't like ending after Memorial Day.
Dislike	358	I don't like ending in June
Dislike	359	I don't like getting out in June
Dislike	360	I don't like going back so late and getting out in the middle of June.
Dislike	361	I don't like going into June as where I grew up and where our other family members live and up until this point school has always ended before memorial day. Also no fall break.
Dislike	362	I don't like having such a late start for the school year. It does not align with my school district at all that I teach in.
Dislike	363	I don't like how close break starts near Christmas. I don't like that there is no fall break.
Dislike	364	I don't like how late the school year ends.
Dislike	365	I don't like how late the school year starts or how late it ends.
Dislike	366	I don't like not having a break for 11 weeks between start of school to Thanksgiving Break

Dislike	367	I don't like not having a fall break and ending so late. I know it ends late due to starting so late but is not my preference. Also, all of the long weekends fall on the busiest weekends - MLK Jr, Presidents Day, Easter so trying to do anything fun on those days is congested and not as fun as other random long weekends.
Dislike	368	I don't like not having a fall break in October. I'd rather shorten the Thanksgiving break.
Dislike	369	I don't like pushing school into mid-June.
Dislike	370	I don't like starting in Sept and ending in June. Winter break is also short which isn't ideal. I just don't like this set up--it's doesn't mirror other counties or states.
Dislike	371	I don't like starting so late. I don't like no Fall Break. I don't like the end of first semester coming after Winter Break, because this is not good for students. I don't like ending so late into June.
Dislike	372	I don't like that 1st semester finals are done after Christmas break. I don't like how late the 2nd semester ends.
Dislike	373	I don't like that it allocates an entire week for Thanksgiving break
Dislike	374	I don't like that it ends mid-June
Dislike	375	I don't like that it starts so late and that there is no fall break. I also don't like that they wouldn't get out of school until June.
Dislike	376	I don't like that school gets out so late into June. It would have been better if it could have ended in late May or the first week of June.
Dislike	377	I don't like that the school year goes into June, I don't like that there's no October fall break, and I don't like the late August start.
Dislike	378	I don't like that there is no fall break, the semester start is mid January, we finish in June. My concern is finals and how the students may not retain the information after the winter break. Also with the students I work with this would confuse and they many not remember what they need to for a test or quiz.
Dislike	379	I don't like the dates of spring break- I'd prefer the week of the 23rd
Dislike	380	I don't like the days off on Halloween. I don't like no fall break. I'd rather have the Halloween dates moved up to mid October. I don't like going into the second week of June. I feel like the 1st week of June is ok. I think teachers need a work day after winter break.
Dislike	381	I don't like the fact that Fall break is cut out. Christmas break starts late in December as well. (Less family time)
Dislike	382	I don't like the lack of Fall Break and how late the end date is of calendar D.
Dislike	383	I don't like the late start. I don't like that there is no Fall Break. And I don't like getting out in mid June. This is a horrible option (in my opinion).
Dislike	384	I don't like the shorter winter break and spring break should be later with later last day of school.
Dislike	385	I don't like the start and end dates, I don't like the lack of Fall break.

Dislike	386	I don't like them starting so early in August
Dislike	387	I don't really like that fall break is just a long weekend but do like that the long weekend is over Halloween(end of October). That's preferable to when break is now
Dislike	388	I don't want to begin school in September and end in June. This is NOT helpful for AP tests which are taken in early May. Our students would be behind their peers in other districts and in other states.
Dislike	389	I don't want to get out of school June 11th
Dislike	390	I don't want to go into June for school, even if we start in September.
Dislike	391	I dont
Dislike	392	I dont understand why a short fall break isn't built in.
Dislike	393	I hate that the first semester doesn't end until after winter break. I think it is so important for kids' mental health to be able to have a break from homework and studying while on break. I don't want them to have to stress about studying and preparing for finals just after break. Not to mention that they could regress a bit during break and take some time to get back to the level to get ready for finals. I feel very strongly that the first semester needs to end before Winter Break so there is some true time off.
Dislike	394	I hate that there is no fall break and thanksgiving break is shortened. I cannot imagine anyone in Douglas County agreeing to give up both breaks just for one extra week before school starts. This is the weakest plan for sure.
Dislike	395	I hate the idea of getting out in June. NO PLEASE
Dislike	396	I hate the winter break. Not long enough to see family over break. Also June 11 to get out of school seems ridiculous.
Dislike	397	I I would rather see more time off before Christmas and less time off after. In our family the anticipation and celebration of Christmas is a special time. We like our focus to be on Christ, giving, and gatherings during that time of year.
Dislike	398	I know HS parents are going to gripe about kids coming back for finals after winter break. Most of their parents did that and turned out just fine.
Dislike	399	I know we all hate starting in August - it feels too early. But it gives our kids an academic advantage on high stakes testing in May and it allows us a fall break which is critical for high schoolers. Fall break gives a wonderful mental health break and extra time for seniors who are super busy during first semester, preparing for their post-secondary lives.
Dislike	400	I like it.
Dislike	401	I like spring break to be a week later.
Dislike	402	I like the overall calendar.
Dislike	403	I like this calendar the best.

Dislike	404	I like this calendar.
Dislike	405	I liked because the custodian need time to clean!
Dislike	406	I liked Calendar D - obv. I would like a fall break, but prefer Aug off.
Dislike	407	I liked everything about it.
Dislike	408	I liked it all.
Dislike	409	I love calendar D!!!
Dislike	410	I love fall break! I would rather my kids go to school Mon & Tues of Thanksgiving break and go later into June and have fall break!
Dislike	411	I need fall break
Dislike	412	I prefer a full week for fall break but don't mind this fall break thanksgiving break combo if it means a later start.
Dislike	413	I prefer to start in August and get out by Memorial Day. If going until June I would like to see spring break moved back to late march to help split the time between new years and the end of school.
Dislike	414	I really dislike how late school ends in the summer.
Dislike	415	I really dislike starting so late in August and going into June. It messes with summer activities that are provided in Colorado as other school districts don't go so late into June. It also makes the summer break seem shorter as now there's school in June and still startng in August. Seems like only one full month off for summer.
Dislike	416	I really liked this one as well. I'm torn between C and D
Dislike	417	I should not have had to put a calendar d This survey sucks
Dislike	418	I support Calendar D.
Dislike	419	I think ending in June feels long given the lack of prior practice with that schedule so it may be hard for community to get on board , however as a parent and teacher August is very much the month I'd like to enjoy as summer as opposed to all of June
Dislike	420	I think if school isn't going to be out until June 11, then spring break should probably be a little later.
Dislike	421	I think some kids might not like being in school through part of June. Mine are young enough that they don't know the difference.
Dislike	422	I think starting a week earlier and adding a 2-3 days for a fall break would be perfect.
Dislike	423	I think the dates are perfect but should still have a fall break and shorten the thanksgiving break
Dislike	424	I think the longer summers make it harder for kids to go back/get back to school routines. I also think less breaks during the school year will add more stress for them
Dislike	425	I think there should be a 3 or 4 day weekend for fall break
Dislike	426	I think we will lose more teachers and admin with this schedule, particularly with going back to school on 1/2.

Dislike	427	I think you should combine the teacher work days & professional days, allowing for more days off in a row for the students around president,Ã day &/or more days before Christmas, fewer at the beginning of January! Keep options to have students begin 2nd or 3rd week in August. Ending year 3rd week in May. Also, there should be more options for when the spring break weeks are.
Dislike	428	I understand the students in high school will take finals after winter break, but I think they will adapt and be able to do a little studying over break if they would like.
Dislike	429	I was not too fond of the shorter winter break, the lack of fall break, and getting out later in the year. Seems like there could have been a different compromise for getting out later and starting later.
Dislike	430	I was okay with it.
Dislike	431	I wish atleast one calendar had a shortened fall break (a long weekend) and kept the full week of Thanksgiving off.
Dislike	432	I wish it was shifted forward by 1-2 weeks. Late Aug to first week of June to better match other districts and locations. I doubt enough people will pick this much of a change.
Dislike	433	I wish school ended the first week of June instead of the second. and I wish Winter break could be a bit longer even if that meant that Spring break was a bit shorter.
Dislike	434	I wish that spring break would fall after Easter Sunday, but I understand that that is not important to most families.
Dislike	435	I wish there was a longer fall break than Thanksgiving break.
Dislike	436	I wish there was a short Fall break and a short Thanksgiving break. I don't understand why the start date is all the way in September - it seems like a big disparity with the other 2 schedules when there could be a compromise of late August. This is the schedule I grew up with though minus such long breaks (we had more holidays like Jewish holidays and Easter Sunday) and it felt like it really let us enjoy the summer season. It snows in May still most years - and then the kids go back before they can even enjoy the warm weather.
Dislike	437	I wish there was still a fall break and only 1/2 of a Thanksgiving break. Same answer as C: I would rather there be a fall break than a spring break. For families that are not able to travel as often because of time or finances, the weather is typically nicer in October rather than March. In October you can still go out most days to parks, biking, and do activities. March it is more likely that you are stuck in home or have to pay to do indoor activities. This would have been by #1 choice, but decided to go with B because of the fall break.
Dislike	438	I wish we could squeeze in a long weekend or something instead of losing fall break completely so that more people would vote for this option.
Dislike	439	i wish we could start after Labor Day AND have a Fall break

Dislike	440	I wonder if Winter break could be shortened just a bit. It was reported to me at Fall P/T conference that my Kindy has been struggling in school since Winter break due to so much time off. I do feel like Winter break is too long, especially for working parents who need to find and pay for childcare. Further, there is a district holiday every week thereafter for the rest of January (MLK, President's Day)
Dislike	441	I would like a couple more days off at Christmas time.
Dislike	442	I would like it to have a fall break.
Dislike	443	I would like spring break to line up with LPS.
Dislike	444	I would like to see 3 days for Fall & Thanksgiving Breaks. I have mixed feelings about the PD and Plan Day in October. While it does give the students a break, it would make it hard for teacher families to do anything as a family as we would be required to be at the PD a not take time off to travel with family. I do not know what the Comp Days are tied to.
Dislike	445	I would much rather have the school year start in August and end in May.
Dislike	446	I would prefer the October break to be in the middle of the month rather than at the end. I think it's weird that spring semester starts two weeks after students are back from winter break, but I don't really care since my kids are in elementary and not taking end-of-semester exams.
Dislike	447	I would rather see a week off in October for Fall Break than a week off at Thanksgiving
Dislike	448	I,Äö done
Dislike	449	I'd like to see a bit longer Christmas break or being out quicker in June and have a shorter Thanksgiving break.
Dislike	450	I'm not a fan of classes into June; is the only thing that made me put this one last.
Dislike	451	I'm worried about lbgtai+ agendas getting pushed and promoted at our kids if they have school in the month of June.
Dislike	452	In order for this calendar to be an option, the September start date needs to be continuous on future calendars. Thanksgiving Break could be shortened to allow school to end a little bit earlier as well.
Dislike	453	In our opinion September is too late of a start and ending the school year in June would not be ideal. Also there is no fall break.
Dislike	454	Incomplete breaks and ridiculous start and end dates
Dislike	455	Is there a fall break option that can be paired with this calendar? Also, I don,Äôt like how close to Christmas Winter Break starts.
Dislike	456	issues with breaks
Dislike	457	It conflicts with the first two days of March Madness, which is a huge "guys Vegas weekend" event & not Fall Break
Dislike	458	It could be helpful to provide some explanations, such as why the start dates jump from early August to early September without any later August start date options. I'm sure there are reasons, but it would be helpful to know.

Dislike	459	It does not align with schools in other states and makes it difficult for children with families in other states.
Dislike	460	It does not have a week fall break
Dislike	461	It doesn't align with other school districts in the area.
Dislike	462	It doesn't have a fall break
Dislike	463	It doesn't have a fall break, but will the late start I guess we wouldn't need it.
Dislike	464	It drags the year out for no good reason.
Dislike	465	It eliminates fall break, which is a great time to take a vacation. Also did not like going into June.
Dislike	466	It ends too late in the year for seniors trying to apply to college.
Dislike	467	It ends waaaayyyy too late!
Dislike	468	It gets out too late in June
Dislike	469	It gets rid of the Thanksgiving Break. While I can understand the desire to have a later start for school, the likelihood that parents will just take their kids from school these days are 95%. After working in education for 24 years, I have had both only Wednesday-Friday off and the whole week. When I worked Monday and Tuesday, attendance was 75% on Monday and 50% on Tuesday. Students will still be gone. We can avoid this by having this entire week off for parents to travel to family. Also, getting out after Memorial Day is ridiculous.
Dislike	470	It goes way too late into June. A lot of families take vacations early June because they are cheaper and less crowded than the rest of the summer. Also, as a parent and teacher I prefer to have a fall break.
Dislike	471	It is absolutely disgusting that Douglas County does not acknowledge or celebrate Veterans day. What an embarrassment.
Dislike	472	It is fine
Dislike	473	It is great!
Dislike	474	It is my preferred calendar.
Dislike	475	It is nice that there is a late start into September, although I don't think that late of a start is necessary, especially at the expense of going so far into June. I do not like going that late into June. I don't like that there is no time off for fall break. I don't like Christmas break starting so late and the return to class on 1/2 is very very early. I guess I don't really like anything about this option. ;)
Dislike	476	It looks like a joke to me. Again, i am not given my off time, i will then take it. Family comes first.
Dislike	477	It makes it seem like the winter break is MUCH shorter because of the way you showed the days...even if its not really. Also, you could start August 27 and still do a fall break and then do a shorter Thanksgiving. Something like August 25 - June 5 would have been most ideal...but there's not an option for this for some reason.
Dislike	478	It needs fall break

Dislike	479	It should include a fall break and start just before Labor Day.
Dislike	480	It starts and ends too late.
Dislike	481	It starts too late in Colorado. We should stick to a calendar similar to that of other counties in the state. Getting out in June is way too far into the summer for Colorado, and we miss out on the good weather.
Dislike	482	it surely donot work for me
Dislike	483	It was a big change and loses the fall break
Dislike	484	It won't get chosen because you always manage to find a giant box of votes for A at 3am.
Dislike	485	It would be an adjustment being in school later into June. How would this align with sporting events in other districts?
Dislike	486	It would be nice if it started after labor day.
Dislike	487	It would be nice to have a long weekend instead of a fall break.
Dislike	488	It would just be an adjustment.
Dislike	489	It,Äô gets out too late in June, I,Äôd prefer the first week of June at the latest
Dislike	490	It,Äô good
Dislike	491	It,Äô perfect!!
Dislike	492	It,Äô terrible
Dislike	493	It's a horrible plan to cancel fall break
Dislike	494	It's an awful shift in the traditional calendar. Many families with members who work in or attend other school districts will be severely affected by this change. Not to mention summer athletics, camps, travels, etc.
Dislike	495	it's different and would take some time to adjust to it.
Dislike	496	It's hard to remember all the calendar options as I did not take notes. Our family would prefer a later start to the school year and no fall break.
Dislike	497	It's too hot in June. Don't remove fall break. Students and families need it, and many families/teachers plan activities knowing they'll have this time off well in advance.
Dislike	498	It's too late.
Dislike	499	It's way to big of a change and gets rid of fall break
Dislike	500	Jan 20th start is way too late. It's hard having kids in the hours in the middle of winter for so many weeks. It is easy to do in the summer where there are lots of choices for camps and sports activities. IF school starts beginning of the 2nd week of January, that would be great.
Dislike	501	Jan 2nd is tough to return after the holidays
Dislike	502	Jan 2nd return date from Winter Break

Dislike	503	June 11 end date
Dislike	504	June 11 end is too late to end.
Dislike	505	June 11 end of school year is a bit late/long.
Dislike	506	June 11 feels very late, a shorter break at Christmas is hard for those of us traveling for the holidays. Cost of tickets will be much higher for this short break.
Dislike	507	June 11th end date is too late
Dislike	508	June 11th finish date. Years ago school was able to run from labor day to first week of June. Extend the day to make up the hours
Dislike	509	June 11th is late.
Dislike	510	June 11th is too late in summer- any way to end in May still?
Dislike	511	June dismissal is terrible
Dislike	512	June end
Dislike	513	June end date
Dislike	514	June end date!
Dislike	515	June end. Is there a way to start somewhere between Aug. 13 and Sept. 2? Maybe Aug. 27 or Aug. 20?
Dislike	516	June is hot already so students will have a harder time concentrating when pushing the school year out that far.
Dislike	517	Just about everything.
Dislike	518	Just that it's option D - should be A !
Dislike	519	K8ds get out later
Dislike	520	Keep fall break
Dislike	521	Keep fall break!!!!!!
Dislike	522	Kids/teachers notoriously start checking out 2nd week in May. June 11 would essentially cause an entire month of school lost. :)
Dislike	523	Kinda miss fall break but not worth starting school in August.
Dislike	524	Labor Day - June is stupid
Dislike	525	lack of breaks
Dislike	526	Lack of breaks
Dislike	527	Lack of Fall Break
Dislike	528	lack of fall break
Dislike	529	Lack of Fall Break and later release date.
Dislike	530	Lack of fall break; end date

Dislike	531	Lack of work days around the breaks. The start date was too late and the end date was too late (I used to work in NYC where we had a start after Labor Day, and we went into mid-June. It's rough at the end of the year, and it's hard to get going in the beginning of the year.
Dislike	532	Last day is mid June.
Dislike	533	Last day is so late. Seems that winter break is compressed.
Dislike	534	Last day of school in June
Dislike	535	Last day of school in June
Dislike	536	Late end date, however, it aligns with most of the country and gives you August for vacation.
Dislike	537	Late end date, no fall break, late start date all of it. Just get rid of this one
Dislike	538	Late end date.
Dislike	539	Late end in June
Dislike	540	Late end of school year
Dislike	541	Late finish date. would rather have shortened breaks
Dislike	542	late first day and late last day
Dislike	543	Late getting out and no fall break
Dislike	544	late last day
Dislike	545	Late last day of school
Dislike	546	Late out in June, no fall break, very short winter break that would be hard to travel with
Dislike	547	Late release
Dislike	548	Late school end date. Should be more of a June 5th end date. No fall break. Why??
Dislike	549	Late start
Dislike	550	Late start School in June No fall break
Dislike	551	late start after labor day, no fall break and late finish june 11
Dislike	552	late start and bad breaks
Dislike	553	Late start and end date
Dislike	554	late start and end dates
Dislike	555	Late start and end dates; no fall break
Dislike	556	Late start and end. There are lots of days between August 13 and September 2 to start.
Dislike	557	Late start and finish
Dislike	558	Late start and finish to the year, no fall break
Dislike	559	Late Start and Late End date.

Dislike	560	Late start and late finish, with no fall break and a shorter winter break are not desirable
Dislike	561	Late start date, no fall break, 2nd semester starting after winter break, and school year ending in June
Dislike	562	Late start date.
Dislike	563	late start is fine but end will be good i may 22
Dislike	564	Late start time
Dislike	565	Late start to second semester and no fall break
Dislike	566	Late start, late getting out. No fall break, even with later start date, makes no sense to eliminate Fall break
Dislike	567	Later end date
Dislike	568	Later end!
Dislike	569	Later getting out for summer, not that bad IF it means they go back in later August!
Dislike	570	later start and later out. no fall break. short thanksgiving break. short christmas break
Dislike	571	Later start date, later end date, no Fall Break
Dislike	572	Later start to school year and end
Dislike	573	later start, shorter winter break, no fall break
Dislike	574	Later start/end
Dislike	575	Latest end date, late start to winter break
Dislike	576	Leave's the 3 best month's of Colorado weather to the kids- June, July & August for all the camping and outdoor activities that are the reason we live here.
Dislike	577	Less breaks in the year
Dislike	578	Let,Ãs out way too late
Dislike	579	Liked most of it
Dislike	580	Liked this calendar the least - no Fall Break, starting late after Labor Day, and going to school after Memorial Day
Dislike	581	limited fall break
Dislike	582	Limited full week breaks. Goes until June
Dislike	583	Limited winter break - starts too late and ends too early, can't do both.
Dislike	584	Long stretch from spring break to June 11 with no breaks
Dislike	585	Long thanksgiving break, short Winter break, out way too late
Dislike	586	Longer Thanksgiving break
Dislike	587	Looks great!
Dislike	588	Losing fall break
Dislike	589	Losing fall break

Dislike	590	Losing Fall Break
Dislike	591	Losing Fall break and super late end of year
Dislike	592	Loss of fall break
Dislike	593	Loss of Fall Break is a non-starter.
Dislike	594	Loss of fall break shorten other breaks but no difference in the amount of time in school.
Dislike	595	Love it
Dislike	596	Love it everything
Dislike	597	Love the start date, but a little too late if it requires us to go into June. Would rather start a week earlier and get out very end of May.
Dislike	598	Loved everything
Dislike	599	Loved it.
Dislike	600	Loved the whole thing
Dislike	601	Loved this entire calendar.
Dislike	602	Ma
Dislike	603	Maybe a longer Christmas break
Dislike	604	Maybe cut two days from Thanksgiving break so that we could start summer break a little earlier.
Dislike	605	Maybe take two days from Thanksgiving Break (Monday and Tuesday) and put them as a Fall Break long weekend (Thursday and Friday). It would be nice to have a LITTLE fall break and not a full week at Thanksgiving.
Dislike	606	Maybe too long into June, and shortened Thanksgiving time.
Dislike	607	Mid-June out. No Fall Break. Even Full week for Thanksgiving can't save this brain-fart of a plan.
Dislike	608	Missing fall break
Dislike	609	missing fall break.
Dislike	610	More time in school is not necessary. Fall break should still be a thing and thanksgiving week doesn't need to be a week. And does it have the end that much into June?
Dislike	611	Most everything. Too late. Too short. Just blah.. it's like the school calendars in the Northeast US. UGH. Just no
Dislike	612	most of it
Dislike	613	Most of it
Dislike	614	Most of it. Don't choose this one please.
Dislike	615	Need a fall break
Dislike	616	Need to keep fall break
Dislike	617	Needs 2 days of fall break- less Thanksgiving, longer Christmas break.

Dislike	618	No It was the best calendar.
Dislike	619	no - it was perfect
Dislike	620	No autumn break
Dislike	621	No break between September and November. Multiple weeks of school after Memorial day.
Dislike	622	No break between the beginning of September and late November. A long weekend for Fall Break and 3 days for Thanksgiving would be appropriate to give students and staff small breaks. Also working until December 22nd is very tough for staff as they can't prep for the holidays and many students are already traveling with their families.

Dislike	745	No fall break Shorter Winter break and coming back to school so soon after New Years Ending school in June
Dislike	746	No fall break - give them a Thurs/Fri in Oct, give them Wed-Fri for Thanksgiving.
Dislike	747	No Fall break - see my above comment on why Fall Break is necessary for the littles! End date is too late - June. Students are more than done after Memorial day!
Dislike	748	No fall break :(
Dislike	749	No fall break . First and Last day of school should just be later and keep fall break.
Dislike	750	No fall break & school doesn't end until June
Dislike	751	No fall break and a shorter winter break. We should have one or the other and get out even later.
Dislike	752	No fall break and carries into June.
Dislike	753	No fall break and end time is later. I think we can look and adjust how long breaks are and still start later without having to go into June.
Dislike	754	No fall break and ending in June after Memorial day.
Dislike	755	no fall break and ending late
Dislike	756	no fall break and ends too late
Dislike	757	No fall break and getting out in June would be hard but then again it would be nicer weather for graduations.
Dislike	758	No fall break and going to school into June.
Dislike	759	No Fall Break and having such a very long second semester would add to the challenge of teaching elementary school.
Dislike	760	No fall break and I think the Christmas break is too short.
Dislike	761	No fall break and June 11 that is long time in school. Break should be from 1 June to 1 September for Summer just like in Europe
Dislike	762	No fall break and June 11th end date too late
Dislike	763	No fall break and June dismissal, but worth it to not start until September 2!
Dislike	764	no fall break and late ending
Dislike	765	no fall break and late start and finish dates
Dislike	766	No fall break and later release dates. Our kids are taxed in school enough as it is. Give them more breaks.
Dislike	767	No fall break and long Thanksgiving break.

Dislike	768	No fall break and long Thanksgiving break. Give us two days at Thanksgiving and fall break.
Dislike	769	No fall break and not enough Christmas time

Dislike	773	No fall break and short Christmas break.
Dislike	774	No Fall Break and short Thanksgiving week
Dislike	775	No fall break and shortened winter break. And June 11th is SO LATE to get out for the summer.
Dislike	776	No fall break and start and end date
Dislike	777	No fall break and students get out too early in May.
Dislike	778	No fall break and super late release
Dislike	779	No fall break and the last day of school is too far into June!!!!
Dislike	780	No fall break and the start/end date.
Dislike	781	No fall break and too close to Christmas
Dislike	782	No fall break and too late start
Dislike	783	No Fall Break and too short of a Winter Break.
Dislike	784	No fall break and we have to start so late and go into June. That would be horrible. I like coming back in August. It,Ãs too hot.
Dislike	785	No fall break at all
Dislike	786	no fall break at all and ending June 11th is so late. should at least get 4 day weekend as "fall break"
Dislike	787	No fall break but it,Ãs a small sacrifice
Dislike	788	No fall break is a bummer but again, I love the Halloween break.
Dislike	789	No fall break is not ideal
Dislike	790	No fall break or full week for thanksgiving
Dislike	791	No fall break or long Thanksgiving break. We would prefer to start in Sept, with both breaks and push the school year into mid June if necessary.
Dislike	792	No Fall Break starts too late
Dislike	793	no fall break to late end date
Dislike	794	No Fall Break would be a big struggle.
Dislike	795	No fall break would be awful on the kids
Dislike	796	No fall break- boo.

Dislike	797	No fall break, and I don't like how the year starts in September and gets out in June. Both too late.
Dislike	798	no Fall break, 3 days for Thanksgiving. start too late and ends late
Dislike	799	No Fall Break, a shorter Winter Break, And extending the school year into June!
Dislike	800	No fall break, and a later start to the school year.
Dislike	801	No fall break, but I would like this option way better than the current option. Please take this one!
Dislike	802	No fall break, but I'd take it to start later
Dislike	803	No fall break, but willing to lose it for everything else
Dislike	804	no fall break, but would take that because we'd have more summer break
Dislike	805	No fall break, end date too late!
Dislike	806	no fall break, ends way to late
Dislike	807	No fall break, even two days would be nice. Two days for fall break, two days for Thanksgiving break.
Dislike	808	No Fall Break, extremely late end date. This is a terrible option.
Dislike	809	no fall break, goes into june
Dislike	810	No fall break, late end date
Dislike	811	No fall break, late start to winter break, short spring break
Dislike	812	No fall break, late winter break.
Dislike	813	no fall break, later end
Dislike	814	No fall break, long Thanksgiving break, short Christmas break, gets out after Memorial Day
Dislike	815	No fall break, more time ls parents have to find alternatives for childcare during professional development, start of year to late
Dislike	816	no fall break, not done by Memorial Day
Dislike	817	no fall break, school year goes way too late in too june
Dislike	818	No fall break, short thanksgiving break and ending in June
Dislike	819	No fall break, short Thanksgiving break and getting out in June
Dislike	820	No fall break, short winter break, but the later start date makes up for it
Dislike	821	no fall break, shorter Christmas break - I understand that some people want to start later and get out later, but especially from the perspective of a high school parent, it is not worth sacrificing break time in the years where their focus (and ability to relax so they can re-focus) has a direct and timely impact on their future.
Dislike	822	no fall break, shorter christmas break, super late end
Dislike	823	No fall break, start date and end date
Dislike	824	No Fall Break, Start school in September, Finish school after Memorial day

Dislike	825	No fall break, they get all of Thanksgiving week off (not needed), and they get out two weeks into June
Dislike	826	no fall break, too late a start to the school year, too late an end date for the school year!
Dislike	827	No fall break, too late of start
Dislike	828	No fall break, want a couple days, could shorten Thanksgiving, Xmas Monday is really dumb
Dislike	829	No fall break, way to late start, end date to late
Dislike	830	No fall break, which is imperative for kids/teachers to relax/recharge. Starts in Sept (no summer camps for most kids around here in August) & ends mid-June - which is way too late.
Dislike	831	No fall break, winter break starts too late.
Dislike	832	No Fall Break; End school too late in summer
Dislike	833	no fall break; Friday after thanksgiving; we go so late into June
Dislike	834	No fall break; would rather have a fall break and shorter Thanksgiving break. Late last day of school.
Dislike	835	No fall break!

Dislike	850	No fall break.
Dislike	851	No fall break. And later ending to school year.
Dislike	852	no fall break. Going into june
Dislike	853	No Fall Break. Summer starts too late. It is nice to have all of June and July off from school.
Dislike	854	No fall break. A few days would be nice.

Dislike	855	No Fall Break. Also, between 2024 and 2025 there would be a giant summer break resulting in a lot of student regression.
Dislike	856	No Fall Break. As a caregiver for a special needs child a Fall break is crucial.
Dislike	857	No fall break. End date
Dislike	858	No fall break. Ends too late in June. Does not coordinate well with college schedules.
Dislike	859	No fall break. Even shortening Thanksgiving to 3 days and giving a Th/Fri for a short fall break would be nice.
Dislike	860	No fall break. Fall weather in just about every place in the US is gorgeous. Not to mention that it's off season for many vacation destinations and thus a much more affordable time of year to travel with a family. If you are lower income like my family you can still get out and enjoy the beauty of Colorado because the weather is near perfect. Spring break, on the other hand, in Colorado has some of the worst weather. Huge spring storms limit the possibility of doing anything unless you are wealthy enough to go out of state for vacation. It's also a less affordable time of year to travel. I'd like to see a calendar option with a sept start date, fall break, half thanksgiving break, Christmas break, no spring break, with the last day of school the second week of June. That in my mind would be perfect and would align with our climate and weather patterns. It would also allow lower income families the ability to do more together.
Dislike	861	No fall break. Gets out too late and starts too late in September
Dislike	862	No fall break. I would go later in June for a full week break (or give up time for a shorter Thanksgiving). Please align with other neighboring districts on breaks!
Dislike	863	No Fall break. I'd prefer a fall break over a longer Thanksgiving week off.
Dislike	864	No fall break. Later end date.
Dislike	865	no fall break. No teacher work day after winter break. it's a VERY big shift from what we've had for the last 10 years.
Dislike	866	No Fall break. NOBODY WANTS TO GO TO SCHOOL IN JUNE!!
Dislike	867	No fall break. School year ended way too late. Would prefer school year to start one week earlier and end one week earlier.
Dislike	868	No fall break. School year goes into June.
Dislike	869	No fall break. Start and end too late
Dislike	870	No Fall Break. Take away a couple of days from Thanksgiving and give us at least a couple of days off in October.
Dislike	871	No Fall Break. The end date was a little too late in June
Dislike	872	no fall break. We would prefer a few days off for fall break and a shorter Thanksgiving break.

Dislike	873	No fall break. Would rather have some fall break, it is the best time for vacations and it is still a long stretch for students from Sept 1st to end of November. Would rather have had the Thanksgiving break be 26-28 and start 2 days earlier to get a fall break.
Dislike	874	No fall break. Would rather see continuation into June.
Dislike	875	No fall breaking
Dislike	876	no full week at Thanksgiving
Dislike	877	No I liked calander d
Dislike	878	No I love it!
Dislike	879	No I love this option
Dislike	880	No I loved it
Dislike	881	No issues.
Dislike	882	No it is perfect!!
Dislike	883	No it's the best option.
Dislike	884	No love the flow of start to last day!
Dislike	885	No october break
Dislike	886	no October break
Dislike	887	No October fall break.
Dislike	888	No partial fall break. Ended much later. Shorter thanksgiving break and would be nice to add that in for a small fall break.
Dislike	889	NO please please please consider this for working families.
Dislike	890	no reason for kids to be in school until mid-June. If this calendar is approved we will move districts.
Dislike	891	No soring break
Dislike	892	No specific comments
Dislike	893	No teacher work day the day we come back from winter break
Dislike	894	No we love this one
Dislike	895	No week for October Break
Dislike	896	No week of fall break.
Dislike	897	no workday after winter break extending into June
Dislike	898	no-I would sacrifice Fall Break to have better start and end dates
Dislike	899	No, calendar D is ideal!
Dislike	900	No, I like everything about Calendar D

Dislike	901	No, I like this calendar the best!
Dislike	902	No, it is actually reasonable.
Dislike	903	No, it,Ãs great and exactly what we need!
Dislike	904	No, looks good to me!
Dislike	905	No, this is my preferred calendar
Dislike	906	No, this one is my first choice. Kids should not have to go back to school before September
Dislike	907	No, this was my favorite school calendar and I like it that the kids go through June and do not go back until after Labor Day. Then there is no fall break and the school year flows with out all the disruption of these week long breaks every 6 weeks.
Dislike	908	No!
Dislike	909	No! Best calendar is D
Dislike	910	No! I loved everything about it!
Dislike	911	No! It's perfect!
Dislike	912	No. It is also a good option.
Dislike	913	No. It was my favorite. June ending is very typical and weather is good.
Dislike	914	No. Bad
Dislike	915	No. I liked it all
Dislike	916	No. In my opinion, this is the ideal timing for the school year start, end, and breaks.
Dislike	917	No. It is what I have wanted for 9 years!!!
Dislike	918	No. It's perfect as is.
Dislike	919	No. This is the BEST schedule.
Dislike	920	None
Dislike	921	None, we like it!
Dislike	922	Nope - we don't need a fall break. It's already hard enough to have two full time working parents and to coordinate our children's school calendars. Let's have less days off during the school year and a better calendar that allows families to truly enjoying the summer weather.
Dislike	923	Nope didn,Ãt agree
Dislike	924	nope it was my favorite of the 3
Dislike	925	Nope-I like it all!
Dislike	926	Nope, I love it!
Dislike	927	Nope, I really liked it

Dislike	928	Nope, it's great.
Dislike	929	Nope! Ideal school schedule in my opinion
Dislike	930	Nope! It,Äôs perfect
Dislike	931	Nope. All good here. This is my choice. I suppose parents will say it starts too late so that their children cannot get in finals before Christmas break. Well, welcome to the real world where everything isn't easy. That's what I did when I was a kid, that's probably what you did too. To preserve fall break, just start a week earlier. Again, the best option here would be to start on August 20th, keep all the holidays as-is including fall break and end on June 4th. I think this is a middle of the road compromise. Preserves some of August so families can still enjoy the heart of the summer. And ends when it should be starting to warm up a little here in Colorado. This should be option E. And it would be the winner.
Dislike	932	Nope. It's perfect
Dislike	933	Nope. It's perfect.
Dislike	934	Nope. Loved it!
Dislike	935	Not a big fan of June 11th as the last day. If this calendar would remove a few days in September and maybe have a start date of August 25th, the end date could be closer to June 5th. I am not sure why there was a big jump of start and end dates from August 13 to September 2nd. Why can't there be a bit of a compromise.
Dislike	936	Not a fan of the 1/2 start date after the Holidays, 9/2 is the extreme start date at the beginning. Not sure 6/11 is the answer either to start the summer. I feel this is a lob by DCSD to appease the majority that don,Äôt like the current schedule.
Dislike	937	Not a fan of the after Labor Day start date- we have off for the holiday anyway. No Fall break- a deal breaker for me. breaks were shortened. Way too late end date into June!! ugh! No way!!
Dislike	938	not a full week for thanksgiving, no fall break, really late start and end of the school year
Dislike	939	Not a long enough time for fall break. Hated the shorter Winter Break.
Dislike	940	Not appear to be a Fall break
Dislike	941	Not enough breaks
Dislike	942	Not enough days of school.
Dislike	943	Not enough time off at Winter break
Dislike	944	Not having a fall break
Dislike	945	Not having a Fall Break and Ending in June. What would be the start date the next year if we ended this late?
Dislike	946	Not having a fall break, starting too late
Dislike	947	Not having a fall break, but not sure you would need it if you start so late.

Dislike	948	Not much, although I say that with slight hesitation towards the late finish date
Dislike	949	not really
Dislike	950	Not really.
Dislike	951	Not really.
Dislike	952	Not really.
Dislike	953	Not really. It,Äôs a calendar that makes the most sense for our children to enjoy a summer break with family around the country also on a September-June calendar
Dislike	954	Not sure why were are considering this one. Too much of a drastic change. Many of us have kids in other school districts so planning for day care, etc would be tough. Also - as a high school teacher - this is not ideal for AP testing.
Dislike	955	Nothing - like this one best
Dislike	956	Nothing really other then I would have added a long weekend where fall break was. Maybe a Thursday/ Friday
Dislike	957	Nothing to dislike, the best option!!
Dislike	958	Nothing wrong it,Äôs great!
Dislike	959	Nothing, I love this schedule but we never seem to get it because of the lack of fall break.
Dislike	960	Nothing, it is my favorite. The later start allows the students to enjoy the summer which doesn't start until late June into July.
Dislike	961	Nothing, love it.
Dislike	962	Nothing. It's perfect!
Dislike	963	Nothing. Loved it!!
Dislike	964	Nothing. Perfect schedule
Dislike	965	Of course, no fall break, and ending on June 11th. Why not start Aug 20th, have a fall break, and end on May 29th? Everyone,Äôs happy?
Dislike	966	Omits fall break
Dislike	967	Open-Ended Response
Dislike	968	Out in June. Kids start to really get antsy when the weather gets nice, as a teacher, why would we want to have them in school for longer when behaviors start to go up?
Dislike	969	Out very late in June
Dislike	970	Outside of the late start date to the school year, I did not like anything with the calendar. I especially disliked the end date for school being in June. I hated the shorten break at Christmas and the lack of a fall break as well. Honestly this calendar looks miserable and would be a harsh adjustment to what our students and families are used to.
Dislike	971	Overall would prefer a shorter winter break

Dislike	972	Perhaps keep fall break, but shorten it as well as shorten thanksgiving break. This will allow for an earlier release date.
Dislike	973	Please don't select this one. Im sure exams would be after the Christmas break and that is awful!
Dislike	974	Please know that with the extremely late start date with Calendar D, AP courses will lose a month of preparation! This will make it incredibly difficult to cover all needed content, and have a negative impact on the opportunity for students to earn credit for college.
Dislike	975	Potential issues with the end date of school interfering with travel baseball. We will have played two tournaments by June 11 this year. Would RCHS students be unable to play travel baseball until after school ends? If not, they'll definitely be missing time at school for tournaments/games.
Dislike	976	Pretty much everything - later start and end dates, short Winter and Spring breaks.
Dislike	977	Primary thing that I didn't like is the new semester starting well into January. Could that not be accommodated by starting school the week of the 18th or 25th?
Dislike	978	Really dislike that semester doesn't end until after winter break, very difficult on teachers and students because they will have to work over break.
Dislike	979	Really like this option, just worried its a huge shift from our current so prefer option B because it feels like less dramatic of a shift.
Dislike	980	Removing fall break
Dislike	981	Runs a little long. We previously lived in a school district with that start date and they went with a 3 day thanksgiving break so school finished a couple days after memorial weekend. Meant all the core academics were completed by memorial weekend and the last few days focused on finishing off loose ends and school spirit and culture emphasis in last week after memorial weekend. It had a much more kid and fmaily feel than the current DCSD calendar.
Dislike	982	School starts way too late. School ends too late. No fall break. This is the worst calendar
Dislike	983	school calendars wouldn't line up with all my kids
Dislike	984	school doesn't get out until mid june. that is much too late in the year and there is no fall break for the kids
Dislike	985	School end date is too late.
Dislike	986	School ending on June 11th. Too late
Dislike	987	school ends in June
Dislike	988	School finishes too late
Dislike	989	School goes into JUNE! Missing breaks.
Dislike	990	School goes way too far into the summer.
Dislike	991	School letting out June 11th is too late and winter break starts too late

Dislike	992	School must end before June.
Dislike	993	School start after Labor Day
Dislike	994	School start date and Christmas brake too late.
Dislike	995	School starts and ends too late.
Dislike	996	School starts to late Ends way to late in summer for me
Dislike	997	School starts too late (Sept) and gets out way too late (June). This is my least favorite calendar.
Dislike	998	School starts too late and gets out too late.
Dislike	999	School starts too late, no fall break, shorter winter break
Dislike	1000	School still in session in June.
Dislike	1001	school till June? Starting Jan2? both are terrible
Dislike	1002	School year ending late
Dislike	1003	School year starts and ends too late and no fall break.
Dislike	1004	School year starts too late, which causes Summer break to start too late. Last day of school being in June would be VERY different than how most CO school districts have historically operated (coming from a CO native).
Dislike	1005	see above
Dislike	1006	See above, I don't like this at all, June 11 release date is way too late
Dislike	1007	See comments on dislikes for Calendar A.
Dislike	1008	See response for calendar c
Dislike	1009	Seems to make the possible next year summer break really short
Dislike	1010	Semester does not switch until 2 weeks after winter break, Spring break is not midway through the semester which makes for a very long end of the year stretch for students.
Dislike	1011	Sept 2 is a little late. Would have preferred a week earlier. Like August 25 - June 6
Dislike	1012	Sept start date is much too late. End date of June 11 is much too late. I don't like this option at all.
Dislike	1013	September break, lack of full fall break in October, June end date. This would be terrible for CMAS preparation.
Dislike	1014	September start date
Dislike	1015	September start date
Dislike	1016	September start seems late
Dislike	1017	September starts are not always great Shorter winter break allows for parents to pull students early and return late.
Dislike	1018	September- June is crazy
Dislike	1019	Short Christmas Break No fall break
Dislike	1020	Short fall break

Dislike	1021	Short fall break and late school dismissal
Dislike	1022	Short holidays
Dislike	1023	Short winter break
Dislike	1024	Short Winter Break
Dislike	1025	short winter break
Dislike	1026	Short Winter Break
Dislike	1027	Short winter break and no fall break
Dislike	1028	shorten thanksgiving break and get out 2 days earlier
Dislike	1029	Shortened Christmas break.
Dislike	1030	Shorter winter break
Dislike	1031	Should be something between c and d. Aug 27th start, no fall break so little earlier exit
Dislike	1032	Simialar breaks as schedule A
Dislike	1033	Similar to a comment I made about a start date on another calendar, I wish there was a way for calendar D to have an end date 1 week earlier,Ä¶ first week of June rather than the second,Ä¶
Dislike	1034	So horrible - too late to start, too late to end. All the Colorado summer camps are based on the traditional summer, this would make summer childcare impossible
Dislike	1035	Spring break doesn,Äôt match university of Denver spring break.
Dislike	1036	Spring break should fall a week later, so we are closer to the end of the semester after it's over. That's a long time after spring break until the end of the year. June 11 seems a reasonable date to finish school--not too late into June. I would worry that the calendar would change the following school year though, and we would be back in school again on Aug. 1 (teachers), so that summer would be extra short.
Dislike	1037	Spring break too early
Dislike	1038	Spring semester starting AFTER Winter break is horrible for High School Finals and it does not prepare students for college when this doesn't happen. June is WAY too late to end. No Fall Break.
Dislike	1039	Spring will feel super long without a break for April-May
Dislike	1040	start a week too late, need to be done by memorial day
Dislike	1041	Start and end date. No fall break. I truly believe children should not have school all the way into June.
Dislike	1042	start and end dates too late
Dislike	1043	Start and end dates.
Dislike	1044	Start and end of school year are way too late. No fall break. The option must be removed from consideration.
Dislike	1045	Start and End of year are a little too late. 1-2 weeks.

Dislike	1046	Start and end too late.
Dislike	1047	start and finish is too late
Dislike	1048	Start and finish too late, not enough breaks to provide needed rest for students and staff
Dislike	1049	Start date
Dislike	1050	start date and end dates are way too late
Dislike	1051	Start date for Winter Break. Would prefer to start August 26 or 27 and go on Winter Break on December 19.
Dislike	1052	Start date in September.
Dislike	1053	start date is WAY too late
Dislike	1054	Start date no fall break and end date too late
Dislike	1055	Start date too early. Given Colorado weather start dates should be in September and get out in June. Colorado Native and throughout my life every year there was always someone saying it needs to change.
Dislike	1056	Start date too late End date too late Doesn't coincide at all with any other neighboring districts (to my knowledge)
Dislike	1057	Start date, end date, no fall break
Dislike	1058	Start date, end date, no fall break
Dislike	1059	Start in Sept, out in June no fall break
Dislike	1060	Start late, end late. No fall break, this is not good for students or teachers.
Dislike	1061	Start late/end late
Dislike	1062	Start time is way too late
Dislike	1063	Start too early.
Dislike	1064	Start too late and get out too late
Dislike	1065	Start too late, and end too late
Dislike	1066	Start way late and no fall break.
Dislike	1067	Start/end date
Dislike	1068	start/end dates
Dislike	1069	Started in Sept. End in June.
Dislike	1070	Started to late and ended to late with no Fall break.
Dislike	1071	Starting after Labor Day seems like a good plan, but club sports start in August anyway, so starting this late isn't as helpful.
Dislike	1072	Starting and ending late
Dislike	1073	Starting and ending school so late
Dislike	1074	Starting earlier

Dislike	1075	Starting end of August or beginning of September and ending in June like the rest of the country. August is our hottest month - having kids and teachers in school then is a waste of money to keep the AC blasting and it's too hot for the kids to play on the playground at recess. They should be at the pool, beach, or lake with friends and family.
Dislike	1076	Starting in September and ending in June, this is the right calendar if you start 2 weeks earlier
Dislike	1077	Starting in September and ending in June. This impacts sports and activities in a negative way.
Dislike	1078	Starting in September and no fall break
Dislike	1079	Starting in September is a big shift compared to what we have done in the past. There is no fall break, and finishing in mid-June sounds like it would interfere with a lot of families' travel plans.
Dislike	1080	Starting school after Labor day, no fall break, 1st semester doesn't end until part of the way into January, school still in June
Dislike	1081	Starting so late- I would prefer to start a little later, have a full week off at fall break, a full week at Thanksgiving, a full week at spring break and get out a little later. It is better for kids to not lose so much over the summer.
Dislike	1082	Starting so late, getting out so late and no fall break
Dislike	1083	Starting the school year so late. I might have voted for 'D' if the school year was just pushed one week later, not three weeks later.
Dislike	1084	Starting too late
Dislike	1085	Starting way too early
Dislike	1086	Starts a little too late and ends too late. Why not start on 8/25 and get out on 5/29. Scrap the random days off before and after winter break, before spring break, and the other random 3/4 day weekends, like in September and April.
Dislike	1087	Starts and ends a little too late, but that is preferred to August 6 any year.
Dislike	1088	Starts and ends too late, no fall break
Dislike	1089	Starts and ends too late, no fall break
Dislike	1090	Starts and ends too late.
Dislike	1091	Starts in September No fall break
Dislike	1092	starts late, ends very late, no fall break
Dislike	1093	Starts later
Dislike	1094	Starts maybe a little too late, and ends maybe a little too late into mid-June (late Aug - early June may be more ideal); also gives up fall break
Dislike	1095	Starts too late
Dislike	1096	Starts too late

Dislike	1097	Starts too late and end too late. No Fall break. As a family, we take a family vacation on Fall Break. There is no need for a week off at Thanksgiving if other districts don't also offer this. Many families have members attending or working in different school districts and need calendars to be as aligned as possible.
Dislike	1098	Starts too late and ends too late. Ideally start date should be mid August and last day of school right before Memorial Day.
Dislike	1099	Starts too late and no fall break
Dislike	1100	Starts too late in August No fall break Semester ends after winter holiday-too late to do finals School ends in June
Dislike	1101	Starts too late in August - won't be able to find camps for child care for the last two weeks of August. Goes too late in June, cutting in to camps and summer child care.
Dislike	1102	starts too late, ends too late, no fall break
Dislike	1103	starts too late, ends way too late, no fall break
Dislike	1104	Starts too late, spring break too early
Dislike	1105	starts too late. Ends too late. No fall break
Dislike	1106	Starts WAY too late and ends WAY too late
Dislike	1107	Staying in school until June will be hard for many families.
Dislike	1108	still too many dAYS OFF
Dislike	1109	Strongly dislike school going into June.
Dislike	1110	Students get out too close to Christmas.
Dislike	1111	Super late finish - no way. No fall break.
Dislike	1112	Super late last day
Dislike	1113	Surrounding districts will get out of school in May, so it will make kids feels like they are somehow being punished to be in school until mid-June.
Dislike	1114	taking away fall break is a mistake and pushing the school year past memorial day is a dumb choice because the teachers are not actively teaching on those days so what is the purpose?
Dislike	1115	Terrible
Dislike	1116	Thanksgiving break doesn't need to be 1 week
Dislike	1117	Thanksgiving break is five days instead of three
Dislike	1118	thanksgiving break is too long

Dislike	1119	That late start date in September is HORRIBLE. Please don't do this to our district. More and more schools start in August and our kids don't deserve the mess that would result. And extending school into June would be nothing but depressing and disrupt decades of family patterns in Douglas County for trips and summer vacations, and just be a disaster. The people complaining usually come from the east coast or PacNW where they have these schedules for starting after labor day, but that isn't how we do it here in CO. Not good at all. Losing fall break entirely is just the salt in the wound too. Ugh. No good and I hope this doesn't ever happen while I have kids in Douglas County Schools.
Dislike	1120	That there is no fall break at all, even having 2 weekdays off plus a weekend would allow families to take a fall break. Shorten Thanksgiving to 3 days off to allow for a short fall break.
Dislike	1121	That there is NO Fall Break. The first semester is very long and it is even longer with no break from Labor Day until Thanksgiving. Staff AND students need breaks to get through the year. WAY too late of a end date for kids and students...June should be vacation time and we don't have the cooling in the buildings to deal with those temps.
Dislike	1122	That there is no fall break. Why can,Ã we go back after Labor Day and get out in June plus still have a fall break.
Dislike	1123	That there was no fall break. I would,Ãve chosen this as first choice IF there was a fall break added.
Dislike	1124	That this isn't the standard yet. There is way too much time taken off during the year. Parents have jobs and can't afford all of this time off. STOP DOING THIS TO US!!!!
Dislike	1125	That you gain days back by taking away breaks. Getting rid of fall break is ok but need full winter breaks.
Dislike	1126	That you LABELED the winter break as ending in January on 2nd when kids aren't back in school until the 5th. you are misleading people. Pls put that the last day of break is Jan 4th.
Dislike	1127	The lack of fall break.
Dislike	1128	The break schedules, the star/end dates.
Dislike	1129	The Christmas break is WAY too short. Also wish it started and ended slightly earlier though starting later and ending later if a longer Christmas break and fall break existed would be best.
Dislike	1130	the date to get out was a little later but still not too hot by then.
Dislike	1131	The elimination of fall break.
Dislike	1132	the end date in mid june.
Dislike	1133	the end date is a little longer than i would prefer but is more manageable
Dislike	1134	the end date, too far into June
Dislike	1135	The end dates
Dislike	1136	The end of school date. I have taught into June and it is miserable for ALL involved--staff, students, families, etc. It's an abysmal approach. Learning doesn't happen, parents will pull their kids and leave early for family events, holidays, vacations, etc. Children will be in summer mode by this time. It's not ideal in any way shape or form.

Dislike	1137	The entire schedule.
Dislike	1138	The entire schedule. Starts and ends too late, breaks are non existent and fewer.
Dislike	1139	The finish date is too late. I don't like the later Christmas break start date. Christmas break overall is too short.
Dislike	1140	The full week off for thanksgiving
Dislike	1141	The January 2nd return to school after Winter Break. Even a day more to return on Jan. 3rd would be better!
Dislike	1142	The June end date. A full week for Thanksgiving. The shortened winter break.
Dislike	1143	The June ending to the school year
Dislike	1144	The lack of a fall break.
Dislike	1145	The lack of a fall break. Deal breaker. Also the start/end times are horrible.
Dislike	1146	The lack of any days off for Fall Break is hard. It does not need to be a full week. 2-3 days off makes a big difference.
Dislike	1147	The lack of fall break
Dislike	1148	The lack of Fall break led me to rule this one out. I do like a later August start but not sure I would want to go into September.
Dislike	1149	The lack of fall break, the last day of school being so late. I do not like this one.
Dislike	1150	The lack of fall break, the shortened Thanksgiving Break.
Dislike	1151	The late end date
Dislike	1152	The late finish
Dislike	1153	The late finish date.
Dislike	1154	The late release on June 11 the teachers got a raise and there doesn't need to be as many days off throughout the year
Dislike	1155	the late school year begin and ending in June which is too different from previous years
Dislike	1156	The late start causing finals to be in January for high school students could be challenging with information retention and the winter break wouldn't be as destressing when it is during the semester instead of at the end. It could also be a time with big projects and studying which would overall be bad for students' mental health.
Dislike	1157	The late start of Calendar D would be highly problematic in terms of finding summer camps for kids. I don't know of any nearby summer camps that go all the way through August. I have no idea what I'd do for childcare without camps available.
Dislike	1158	The late start. This would even be 2 weeks after colleges return to class, leaving parents in a bind for childcare who depend on college students for childcare in the summer.
Dislike	1159	The later release date for Christmas break.
Dislike	1160	The later start and end to the school year is not ideal at all

Dislike	1161	The later start will put my marching band and athlete students teams at a big disadvantage it won't work
Dislike	1162	The long week end in Oct (that sort of takes the place of fall break for students, feels a week too late); I know there aren't any options, but the June 11th end date is tough to be excited about
Dislike	1163	The loss of Fall Break and ending the school year in June.
Dislike	1164	The loss of fall break, but that's not a deal breaker for me if there is a longer summer.
Dislike	1165	The minimal amount of breaks throughout the year, the change would be too significant from previous years.
Dislike	1166	The options were not very good. They still got the same amount of time off and not fall break
Dislike	1167	The school year goes into June.
Dislike	1168	The school year going into June
Dislike	1169	The school year start date & later summer release dates
Dislike	1170	The school year starts too late, there is no fall break and goes into June to accommodate for the late start.
Dislike	1171	The school year starts too late.
Dislike	1172	The shorter winter break
Dislike	1173	The shorter x'mas break, the later start and end dates.
Dislike	1174	The Spring could be pretty long for them, I could see needing a partial week off in Feb or May (just a couple extended weekends)
Dislike	1175	The start and end dates! They are far later than neighboring districts and with AP testing being the first 2 weeks in May, having that much time lost for classes with the late start and so much time after the tests is a waste. Please not this one!!!!
Dislike	1176	The start and end times and the lack of a fall break.
Dislike	1177	The start date being in September, no fall break, too close to Christmas for winter break which makes it harder to enjoy the festivities leading up to the holiday and shortens travel time for visiting family out of town, and also did not like the mid-June last day.
Dislike	1178	The start date is too late for high school fall athletes.
Dislike	1179	The start date is too late. It's better to start mid to late August and last day of school after Memorial Day or first week in June.
Dislike	1180	The start date is way too late in 2025 and the end date is way too late in 2026. No fall break is included. Winter breaks length is cut down a significant amount and is unreasonable because that's the break that should have the most amount of days.
Dislike	1181	The start date is way too late.
Dislike	1182	The start/end date. Who's untune idea was that!? HORRIBLE IDEA!!!!!!!

Dislike	1183	The start/end dates were way too late
Dislike	1184	The super late start date. It doesn't align with local districts in the area.
Dislike	1185	The teachers and kids need a little bit more breaks like Fall break
Dislike	1186	The too-early start date
Dislike	1187	The whole schedule
Dislike	1188	The whole thing it,Ãs completely unreasonable
Dislike	1189	The winter break should start earlier
Dislike	1190	The Winter Break starting mid-week vs. the other three Calendar options. Biggest negative is getting out mid-June. Again, if students on Calendar D are in school more 9 more days than students on the other calendars being there is no Fall Break and a shorter Winter Break, why wouldn't the school year end 9 days earlier?
Dislike	1191	The year ends in June
Dislike	1192	The year goes way past Memorial Day, no fall break
Dislike	1193	There doesn't seem to be a natural flow to the way time off is scheduled.
Dislike	1194	There is no fall break
Dislike	1195	There is no fall break AND the dates didn't change. They get nothing out of not having a fall break. Might want to think about giving those dates back at either one of the other breaks or beginning and end of the year.
Dislike	1196	There is no fall break.
Dislike	1197	There is no fall break.
Dislike	1198	There is NO reason to go until June! I am from the mid west and we started later and did not end in June.
Dislike	1199	There isn't a fall break. The kids need these breaks in today's overwhelming world. Quit constantly changing things.
Dislike	1200	There was not a fall break and we get out in June.
Dislike	1201	There were not enough breaks.
Dislike	1202	There,Ãs nothing I dislike about Calendar D
Dislike	1203	There's no fall break
Dislike	1204	There's no fall break.
Dislike	1205	They don't start school until September
Dislike	1206	They need a break in October rather than making summer so long
Dislike	1207	they start too late and end too late, no fall break and winter break too short
Dislike	1208	They start too late, get out too late, and there's no fall break

Dislike	1209	This calendar does not work for the DCSD community. No fall break means families will take a week-long fall vacation on various days, which will have a huge affect on attendance and learning. Staff will also want to take fall break. It gets out far too late, which doesn't work for how summer camps and programs are scheduled in Colorado.
Dislike	1210	This calendar is pretty bad too. Other than the later start, you take away October break, which is my FAVORITE break. This break gives you the stamina to continue after conferences and make it through December. I would rather have fall break than Thanksgiving Break as it is more affordable to travel during October than it is during November, especially the days around Thanksgiving. Please don't choose this calendar. Please don't listen to parents who don't really look at it but only choose it for the later start date.
Dislike	1211	This calendar would negatively impact high schools, AP classes especially. Starting that late in September takes away a month of instruction from AP classes, since the national AP tests are always the same time in May. No fall break It also has a negative impact on athletics and our finals schedules. PLEASE DO NOT IMPLEMENT THIS CALENDAR
Dislike	1212	this is a solid option
Dislike	1213	This is absolutely the worst option of them all. It prohibits anything during June- family travel, athletic training camps out of state. For families with college kids, this eliminates family time over the summer since they start in Aug and finish in May.
Dislike	1214	THIS IS AWFUL! It seems like a good idea to start later and end later, but this will drastically mess up things for teachers teaching AP classes. It will also continue semester classes after winter break, which allows for teachers to possibly assign work over the break, rather than allowing it to be a break. Also fall sports will start prior to school beginning and therefore summer will end early for anyone participating in a fall sport-which defeats the purpose.
Dislike	1215	this is the worst
Dislike	1216	This is the worst available option because school doesn't end until June.
Dislike	1217	This is too drastic of a change for me. Like we moved back east or something
Dislike	1218	This late of a start doesn't match up with anyone else in the state. It's even later than the colleges. Maybe ease into this one and adjust the start date by two weeks the first time.
Dislike	1219	This one is the worst, school from September to June is awful along with returning On my way! day after new years.
Dislike	1220	This sliding of the calendar forward makes the timing for AP testing off as the AP tests are still going to be in early May and the AP classes would go until June. There is not a nice break at Winter break also between the two semesters of high school.
Dislike	1221	This version would make kids stay indoors throughout most of the summer break, due to intense heat from July through August.

Dislike	1222	This was my absolute least favorite because of the super late start, no fall break, 2 week rollover of 1st semester into January, later Christmas break start, and late last day of school in June.
Dislike	1223	This will not be beneficial for students at the high school. I teach multiple AP courses and we would not have adequate time in the classroom prior to the AP Exams. Having semester finals after winter break will not be conducive to student retention, nor is it a break if teachers assign work during break to avoid the retention problem. While this seems ideal for younger students it will not work to keep a balanced two semester system at the high school.
Dislike	1224	This would make for a very long second semester.
Dislike	1225	Timing of Spring Break, and back to school after the Winter Break. This schedule works well with working parents who struggle with child care.
Dislike	1226	To late in June and to late in August
Dislike	1227	To late of a finish to the school year.
Dislike	1228	Too bad don't get fall break
Dislike	1229	Too big of a change historically. Can,Äôt plan years out for programs with this big of a change.
Dislike	1230	Too Early of a start date
Dislike	1231	Too late end date
Dislike	1232	Too late end date, don,Äôt like going to June
Dislike	1233	Too late into the summer
Dislike	1234	Too late of a start and end date
Dislike	1235	Too late of a start and end to school and no fall break
Dislike	1236	Too late of a start and going into June
Dislike	1237	Too late of a start and school year continued into June
Dislike	1238	Too late of a start date
Dislike	1239	Too late of a start date and no fall break
Dislike	1240	Too late of a start for kids in fall sports. No fall break. June 11! Finals in June. Messes up semesters.
Dislike	1241	Too late of an end date
Dislike	1242	Too late of start,Äidon,Äôt like the idea of starting after labor day
Dislike	1243	Too late school start and end
Dislike	1244	Too late start and end date
Dislike	1245	Too late start and too late finish. I do not see this big of change working for this school. Parents are set with ending early.
Dislike	1246	Too late start and too late in June release

Dislike	1247	too late start date
Dislike	1248	too late start date short christmas break late end date - I am on the Board of Innedco and our yearly confernece is June 9-14 so I would l=miss the last week of school or could not attend the conference - nor could anyone form our district.
Dislike	1249	Too late start, too late end
Dislike	1250	too late to start and end in the school year
Dislike	1251	Too late to start and end.
Dislike	1252	too late to start, no fall break, gets out too late, doesn't seem aligned to neighboring districts for sports, etc
Dislike	1253	Too late to start, no fall break, shorter winter break.
Dislike	1254	Too long thanksgiving break and winter break.
Dislike	1255	Too long Thanksgiving Break.
Dislike	1256	Too many days off
Dislike	1257	Too short of Winter Break and gets out a little later than needs. It is interesting that an option is not offered that is between c and D that would make the most sense.
Dislike	1258	Two days off for fall break is not enough and it's so late in the month. I also wouldn't want them to get out in June, that's too late.
Dislike	1259	Unclear why we have options that start Aug 13, and then jump all the way to Sept 2nd. It seems like everyone you talk to (parents/teachers/students), want to start later and get out later. But jumping from Aug 13-Sept 2 is very weird. Is this deliberate so people don't choose the later start date? Why isn't there a calendar that folks want to see with a one week later start date (8/20), still including fall break, and still getting out a bit early. Pretty simple, but again is not an option. Why?
Dislike	1260	Very late beginning for school
Dislike	1261	very late end date of school year
Dislike	1262	Very late end date, no fall break
Dislike	1263	Very late let out in june
Dislike	1264	very late start and finish date, no fall break and wish the spring break was the following week
Dislike	1265	Very late start date, NO FALL BREAK, very late last day of school.
Dislike	1266	Very late start, no fall break
Dislike	1267	Very short Christmas break
Dislike	1268	Waiting until September to start and not having a Fall Break!
Dislike	1269	Want a Fall Break Don't want to go to school in June

Dislike	1270	Want fall break
Dislike	1271	Way too late in June. Again, robbing kids of their summer.
Dislike	1272	Way too late of a school start date
Dislike	1273	way too late of a start, no fall break, out too late for Christmas
Dislike	1274	Way too late of a start!
Dislike	1275	Way too late start and end dates
Dislike	1276	Way too late start and finish
Dislike	1277	Way too late to get out of school - our child would not be motivated when everyone else is already on summer break. There are also therapy camps he wouldn't be able to attend.
Dislike	1278	Way too short Christmas break (and going back on a Friday!), no middle option between ending June 11 and ending May 28 (there's a middle option you could have had!)
Dislike	1279	way too short of break at Christmas time
Dislike	1280	We could reduce the amount of time taken during the Winter Break to just 2 weeks.
Dislike	1281	We don't like fall break proposed for late October, but I guess it's better than No fall break. it could be snowing by then. We don't like having such a long winter break in December and January.
Dislike	1282	We get to actual have a summer where we can enjoy the mountains. We are a mountain state and lots of folks like the outdoors. When the kids get out in may it,Ãs mid season in the mountains. There is no opportunity to go backpacking or enjoy the high country until July and then most of the break is over. Literally most of the country starts at the end of September. Calendar d allows for better overlap so we can more easily find time to visit family and cousins.
Dislike	1283	We have too many conflicts with a calendar ending in June.
Dislike	1284	We lost our week of Fall Break.
Dislike	1285	we love fall break
Dislike	1286	We need fall break.
Dislike	1287	We start school way too early!!
Dislike	1288	We start too late, don't get Fall Break and get out too late
Dislike	1289	We started and ended extremely late.
Dislike	1290	We will need to leave DCSD if this calendar is selected.
Dislike	1291	We would like to see a full week before Christmas with the family.
Dislike	1292	Went into June
Dislike	1293	What happened to a Fall break??

Dislike	1294	When are finals for high school and graduations? Do we have to push out?
Dislike	1295	When is the last day of school?
Dislike	1296	When winter break starts and school ends
Dislike	1297	Where was fall break dates?
Dislike	1298	Whole week off for Thanksgiving
Dislike	1299	Why be like all the east coast timing. I like the shift for travel and the clean break of semesters by starting earlier.
Dislike	1300	why is there no fall break and I do not want to go into June
Dislike	1301	Why was fall break removed? I understand the option is there, but no reason why it makes sense to remove it.
Dislike	1302	Will have to get used to shifted quarters. Should have a mini fall break. Last day of should would feel really late.
Dislike	1303	Winter break and end date is bad for high school students
Dislike	1304	Winter Break ending January 2nd. It would be nice to have more time to relax after the busy holidays.
Dislike	1305	Winter break ending on Jan 2 instead of the 5th
Dislike	1306	Winter break going until January 5 instead of 2, shorter fall brean
Dislike	1307	Winter break is a little too short.
Dislike	1308	Winter break is the shortest - why not have the same dates of Dec. 19 - Jan. 5th or at least Dec. 19th - Jan. 2nd (preferred).
Dislike	1309	Winter break starts too late. Do not like how late into June it goes.
Dislike	1310	winter break too short
Dislike	1311	Wish it had a fall break and a longer winter break.
Dislike	1312	Wish the winter break were longee
Dislike	1313	Wishes it ended the first week of June and had a few extra days to winter break.
Dislike	1314	Working in through June
Dislike	1315	worst one
Dislike	1316	Worst option due to finals probably happening after winter break for high schoolers.
Dislike	1317	Worst possible option
Dislike	1318	Would be better if took 3 days less the week of Thanksgiving and give a full week for a break in October
Dislike	1319	Would be nice to have a 2 day fall break/long weekend in Oct.
Dislike	1320	would be very hard with fall sports to start so late.

Dislike	1321	Would have liked to see maybe a 4 day weekend thrown in during October in replacement of an actual fall break and noted on the calendar. Also, I feel like the dates were misleading for winter break. They would only lose two extra days in this option but it looks like more from not counting the weekend which might mislead people to vote against this.
Dislike	1322	Would like an extra day off after new year to ski ;). Otherwise, it's great. Just about the same as when I was a kid.
Dislike	1323	would love to keep full fall break, full thanks giving break, full christmas break
Dislike	1324	Would love to see kids get out a little earlier in June but otherwise this was my preferred calendar.
Dislike	1325	would miss fall break, but with starting later would be willing to miss it.
Dislike	1326	Would miss having at least a few days for a fall break.
Dislike	1327	Would prefer a slightly longer Christmas break Jan 5 instead of 2 would be good.
Dislike	1328	Would prefer earlier start for winter break, earlier last day of school.
Dislike	1329	Would prefer shorter Thanksgiving Break to allow for longer Winter Break. Definitely would prefer later Spring Break considering the school year goes so late. Seems like the school year goes unnecessarily late based on the rotation of the calendar.
Dislike	1330	would prefer the later (3/23-3/27) spring break option
Dislike	1331	Would prefer to keep some fall break, and shorten Thanksgiving break.
Dislike	1332	Would rather have a fall break over a long thanksgiving break. But still prefer later start time to this.
Dislike	1333	Would rather shorten thanksgiving break by 2 days and then get out of school end of year 2 days earlier. June 11 seems late
Dislike	1334	Would rather spread out long breaks. Have full week in October for fall break and then shorter Thanksgiving break in November.
Dislike	1335	wouldn't mind a shorter Thanksgiving break (Wednesday-Friday or Thursday-Friday) instead
Dislike	1336	We are already adapted to the start of classes in August and end in May
Dislike	1337	Yeah, I didn't like anything
Dislike	1338	Yes
Dislike	1339	Yes
Dislike	1340	Yes
Dislike	1341	Yes, ending mid june.
Dislike	1342	You already have been giving these kids a fall break, you can't take it away now, that will be upsetting to them. You need to go to 4 day weeks!

Dislike	1343	You are going to return from a long break, have two weeks of instruction then start 2nd semester? Does this mean testing after the holidays. NO NO NO And no fall break. Did I mention the delayed start of 2nd semester. Bad idea.
Dislike	1344	You got rid of Fall break :(
Dislike	1345	I wish We ended right before memorial day.
Dislike	1346	the semester ending after holiday break the shortened fall break

Like	3	2nd semester will start right after winter break which allow the kids to enjoy the holiday time with the family. we have fall break to travel. as close as possible to what we used to
Like	4	8/12 start date and week long fall break
Like	5	A & B are strong preference. Fall break is important to families, and kids who need that mind-break mid-semester. By this time in the school year kids are struggling with burnout and exhaustion. A week gives them a little reprieve and refreshes them to finish out the semester.

Like	26	As close to the current schedule as possible. It's best for the school year to start as early as possible.
Like	27	Attendance for Thanksgiving Break will be avoided with this week off.

Like	31	Better break schedule

Like	38	Calendar A has everything, fall break in mid October, a full week at Thanksgiving, starting in August and ending in May.
Like	39	Calendar A is a great calendar. Like that the kids go back relatively early in August and are done by end of May. Love the full week off in October and full week off in November. Like the 3-day weekend in April (4-day weekend is best, but totally happy with the trade off so that kids get full week in Oct and Nov).
Like	40	Calendar A is the best because it starts in August and ends before Memorial Day in May, and includes a full week for fall break and Thanksgiving break. Ending before June and having a full week off for Thanksgiving break is the most important factor for me.
Like	41	Calendar A is the only one that keeps October Fall Break as a full week! Why?! Why are we taking away the best school break? Calendar A also ends 2 days after B. I would gladly take 2 extra days in May to have the full week off in October. WE NEED THAT BREAK!
Like	42	Calendar A keeps fall break
Like	43	Calendar A start dates and end dates for school works well with mid august to late may. It gives the kids breaks in between the year that they need.
Like	44	Calendar is the only option with a fall break

Like	45	Can we skip fall break all together? If the kids start school in late August they will be fine if they do not have a fall break. It,Äôs too hard on parents who have to work. And they rather have a longer summer like most schools in other states have. Their summer break is always cut short due to fall break and an early start. Why can,Äôt the kids start after Labot day, have time off in November, December, and a spring break? They,Äöd get out the first week of June (as long as the required # of days are meant).

Like	132	Fall Break. Don't want to lose that week. Start date is good but could be even better if you added back those 2 days Mon/Tues of thanksgiving week as student days, and moved that PD day in September to the start of the year, and kids could start August 17. Then this calendar would be *perfect*
Like	133	Familiar

Like	136	first day of school is not on a Monday, full week for fall break, full week for Thanksgiving break, first day back from winter break is a work day, the first day of the second semester is week right after winter break, last day of school is before Memorial Day
Like	137	First of all, being a staff member and a parent do NOT give us the color/confusing calendar to make our vote on. Give us the simple black and white version. To sit down and look at all the nuances of it is annoying. Lets just do better in general. Second of all our students have a lot of time off. Looking at the annoying color coated...does not makes sense without a magnifying glass and a toothbrush we do NOT need all of Thanksgiving off. If being in a wealthy school district has given parents the option to vacation their faces off. spring break and fall break are enough.

Like	160	Full fall break week
Like	161	Full fall break--this break does wonders for students--the opportunity to process what they have learned the first quarter of the year really makes a difference. Having worked in districts that do not have this break, I notice a HUGE difference here. The full week off is exactly what students need--a 3 day weekend simply does not have the same effect. Full Thanksgiving off. Work day before and after break--very important for teachers.

Like	238	I do not like Calendar A. Too early of a start in year. Too hot for the kids to go to school during the hottest time of the year in Colorado.

Like	239	I do not want to have short summers! Teachers and students need a long summer.
Like	240	I don't care about the 26-27 school year because our last child will graduate in '25
Like	241	I don't like it
Like	242	I don't like school starts too early summer heat doesn't even start until mid June and then the kids get a shortened summer going back so early
Like	243	I don't like calendar A option at all. I honestly do not see a reason for such long breaks. Not a single employer accommodates these extra long breaks. Plus, why does a child need a break in October when they just started school in August? As for Christmas, also there is no need for 2,5 weeks of time off. Thanksgiving should only be the couple days just like the federal holiday. Our school also does late start every week that makes no sense and only throws off the household schedule.
Like	244	I like fall break.
Like	245	I like having a full week for fall and spring break
Like	246	I like having a whole week off for Fall break.
Like	247	I like starting later and getting out later because of weather here. Those months are better for vacation and camping
Like	248	I like that A starts a little later into August, there is still time off for fall break and Thanksgiving break, I like when Christmas break starts and getting out of school around 5/27.
Like	249	I like that all breaks are given, and the start date isn't extremely early. I like that school is out before Memorial Day holiday weekend.
Like	250	I like that it has a fall break and doesn't start too late into August. But, my question is: Why does it change every year?
Like	251	I like that it has a week off for fall break.
Like	252	I like that it includes fall break and is closest to our current calendar.
Like	253	I like that it is most similar to the schedule that we are currently on.
Like	254	I like that it kept the fall break and school ends before Memorial Day. Ending before Memorial Day is the most important thing to me.
Like	255	I like that it starts a little later in August. I like that there is still a fall break and that the Christmas holiday is longer. I also like that the Christmas holiday starts on the 18th so we have time with the kids to do Christmas stuff before Christmas.
Like	256	I like that it starts on August 6 and doesn't end so late in December
Like	257	I like that some breaks are still there. Students and teachers (I am a teacher working in a local school that follows DCSD calendar) need more breaks through the year versus a few extra days for summer break
Like	258	I like that students get a long winter break. More time with family for holiday traditions

Like	259	I like that the first semester ends before Winter Break. I like that it is similar to what we have had in the past.
Like	260	I like that there is a Fall, Thanksgiving and Winter break built in.

Like	269	I like the later start date and the better amount of days off.
Like	270	I like the longer Fall Break because my son will be a senior and we can use that for college visits

Like	288	I love most things about Calendar A. A few things I like the most are that we start later in August, but we still finish before Memorial Day. We also would still get a full Fall Break in October, as well as a full week off for Thanksgiving Break. I like that there is a teacher workday before students come back in January.
Like	289	I LOVE the full week for Fall Break! Please do not take it away from us!

Like	292	I really like having fall break.
Like	293	I really liked it, just liked B a touch more
Like	294	I want to keep a full week for Fall Break. Is there any talk about going to a 4-day week like many other districts? This could solve a lot of issues.
Like	295	I will just say this - no matter what you do people will complain. I like starting in August and finishing before Memorial Day. What ever needs to happen to make that work is great. I would also like more time before Christmas than after Christmas- going back on the 6,7, or 8 of January is a joke!

Like	611	This is not feedback but a question. This comes up every time a calendar survey comes out - how will this affect the timing of first semester midterm exams for high school kids? It would be helpful to know this when answering this survey. If midterm exams happen after the 2 week winter break, we're not interested.

Like	642	Why are the calendar options so different in 25/26 vs 26/27? Two have a full fall break in 25/26, and two have no fall break. In 26/27, two have a half fall break, one has no fall break, and one has a full fall break. Please make the options more consistent so you can see trends in selections. Option A is the best here because it is the only option with a full fall break
Like	643	Why are we getting 4 calendars to vote on? No one wants the early start calendar, so our vote is getting split between the three later starts and the one early start. Please make two calendars to choose from next time. One early and one later start so our votes stop getting split.

Like	644	Why are you messing with the calendar that we have had for years. People have made plans based on past schedules, only waiting on concrete dates to finalize.

Was there anything you didn't like about Calendar A?		
Dislike	1	I liked that it started a little later in August. I liked having all the breaks. I'd rather start later in August and go later in June. I'd like only a week from Christmas to New Years.
Dislike	2	- I don't see a need for a fall break. - Start date is too early. - I don't like Winter break starting on a Friday. That makes it difficult for work. -
Dislike	3	A full week for fall and Thanksgiving breaks is too much. Shorten one and shorten the school year by a couple days.
Dislike	4	A full week of Thanksgiving is not necessary.
Dislike	5	A has no holiday for Good Friday
Dislike	6	A is perfect.
Dislike	7	A starts and ends too early. It wastes energy on Air Conditioning and costs the district too much money in maintenance.

Dislike	35	Don't need a week of fall break.

Dislike	98	Full week off at Thanksgiving. Yuck.
Dislike	99	Full week off for both Thanksgiving and Fall break. Less then 3 weeks of school between Thanks giving and Winter break.
Dislike	100	Full week Thanksgiving
Dislike	101	full week Thanksgiving break
Dislike	102	FYI - Calendar A is missing a PD Day. There are only 4.
Dislike	103	Get out too early and start too early
Dislike	104	Get rid of a few days of fall break or Thanksgiving and you could start a week later!
Dislike	105	Getting out at the end of May is not ideal
Dislike	106	Getting out later in May
Dislike	107	Goes back too early in August
Dislike	108	Hated starting early and taking away kids and their family time!!
Dislike	109	Having a full week for fall break and another full week for Thanksgiving.
Dislike	110	Having full weeks off for Fall Break and Thanksgiving
Dislike	111	How early in August it starts.
Dislike	112	How early we start
Dislike	113	I absolutely hate that school starts at the beginning of August and would be great if the school district would adjust. Makes so much more sense to start after Labor Day or at the very least at the end of August.

Dislike	114	I didn't like the mid August start and the full week of fall and thanksgiving break. I think those should be shortened or condensed in some manner. Maybe an extended weekend for Fall break and a full week at Thanksgiving or vice versa
Dislike	115	I dislike the early start date. August is hot and the perfect time for swimming and camping.
Dislike	116	I dislike the long winter break. Why is there no option for a one week break? All 4 calendars only have a 2+ week break option. It is too long for working parents. There should be other options provided.
Dislike	117	I do not like the early start for schedule A - too early in August. Students are not ready to begin school
Dislike	118	I do not like the early start, and the full week of Thanksgiving. Prefer shorter Thanksgiving break to start later.
Dislike	119	I do not like the kids starting school so early in August, and having so much time at fall break and Christmas break. I think that time is better enjoyed in the prime summer weather months.
Dislike	120	I don't like fall breaks, makes it difficult for child care and for my child's academic and social progression.
Dislike	121	I don't like how Calendar B, C, D (the 3 options of a later start) will divide the vote. So naturally A will win the votes.
Dislike	122	I don't like when the kids start so early in August.
Dislike	123	I don't like the earlier start and all the breaks.
Dislike	124	I don't like calendar A option at all. I honestly do not see a reason for such long breaks. Not a single employer accommodates these extra long breaks. Plus, why does a child need a break in October when they just started school in August? As for Christmas, also there is no need for 2,5 weeks of time off. Thanksgiving should only be the couple days just like the federal holiday. Our school also does late start every week that makes no sense and only throws off the household schedule.
Dislike	125	I don't like that it's so early in August and that there is a full week at Fall break and Thanksgiving. Thanksgiving could be 2 days.
Dislike	126	I don't like that the school year starts so early in August and ends late May. I'd rather end in June and start later in August.
Dislike	127	I don't like the early start in August or a full week off for Thanksgiving. It is just too hard to travel over Thanksgiving so we'd prefer not to have such a long break that week. Also, August is a great month for camping and doing things as a family.
Dislike	128	I don't love the idea of going back to school on 1/4. I don't know that it is necessary to have an entire week off for fall break and Thanksgiving break.
Dislike	129	I don't think we need a full week for Fall break. I would rather start a week later and have a long weekend for Fall Break.
Dislike	130	I don't think we need an entire week for fall break.

Dislike	131	I hate the early start date. It is the middle of summer the first week of August. I'd rather have school go until June that start so early in August.
Dislike	132	I hate the full week off for both a fall break and Thanksgiving break; this is too much time off for students in a relatively short amount of time!
Dislike	133	I like the idea of a slightly longer fall break but I don't think it's feasible for a lot of families
Dislike	134	I liked everything.
Dislike	135	I liked everything.
Dislike	136	I love calendar A!
Dislike	137	I personally don't understand why we need a whole week for both Fall break and Thanksgiving break...
Dislike	138	I think this is one of the best options we've had in a while for DCSD. I'd be ok with pushing one more week back in August and getting out the first week of June too.
Dislike	139	I think this still starts too early in August.
Dislike	140	I want a later start date.
Dislike	141	I wish Thanksgiving week were shorter so school could start later.
Dislike	142	I wish there was an option between A and B that included a full week off in October and a partial week off for Thanksgiving
Dislike	143	I would consider moving comp day in Feb. to April 26th
Dislike	144	I would like to have the option of a later August start and to end the school year in June
Dislike	145	I would like to see the start time pushed back to Aug. still
Dislike	146	I would love a PD day in April.
Dislike	147	I would prefer school to start later in August or early September.
Dislike	148	I would prefer to have Good Friday off in March, rather than a random Friday in April.
Dislike	149	I would rather start school a few days later and have only 2 days off for Thanksgiving.
Dislike	150	I'd prefer shifting it for later start and stop like other options but want the 1 week fall break to remain
Dislike	151	I've always thought having professional development days and teacher work days is pretty odd. I never had that as a child.
Dislike	152	If we did two day breaks at Fall Break and Thanksgiving, then we could either start a little later or end a little earlier, or both. ;)
Dislike	153	inclusion of Fall Break, full week at Thanksgiving Break
Dislike	154	it cuts into summer and ends too early
Dislike	155	It ends too late.

Dislike	156	It got out 2 days later than B
Dislike	157	It is absolutely disgusting that Douglas County does not acknowledge or celebrate Veterans day. What an embarrassment.
Dislike	158	It is the same as now.
Dislike	159	It looks like fall break is being phased out. I think this full week break should continue to be added
Dislike	160	It provides no changes
Dislike	161	It starts early. Starting later and ending later would be so much better.
Dislike	162	It starts too early
Dislike	163	It starts too early and lets out too early. It is still cold in May and it still summer in August.
Dislike	164	It starts too early and winter break is too long
Dislike	165	It starts too early in August
Dislike	166	It starts too late and ends too late. Why can't we start the first week of August?
Dislike	167	It still starts a little too early when it's still the prime of Summer
Dislike	168	It still starts rather early in August while the weather is still enjoyable for summer break.
Dislike	169	It was my second choice for the end date being the 27th.
Dislike	170	It went past Memorial Day
Dislike	171	It would be better if it started later.
Dislike	172	It would be better to have Thanksgiving reduced to 3 days and extend fall break
Dislike	173	It,Äôs perfect
Dislike	174	It,Äôs preferred
Dislike	175	It,Äôs the same one with a short summer
Dislike	176	It's a pretty good compromise overall. I like the half week in Oct better than a full week though.
Dislike	177	It's all good.
Dislike	178	It's closest to what we have now but gives extra week in August (would like 2 weeks)
Dislike	179	it's fine - very close to current
Dislike	180	It's great!
Dislike	181	It's great. I like it all.
Dislike	182	It's the worst calendar option.
Dislike	183	It's what we've always done.
Dislike	184	Just starting so early in the year.

Dislike	185	Keeping Fall Break. Again, adopt a calendar and stick with it year on year so families have consistency. Don't go back to early start dates after having a September start the previous year. I don't see why you can't do this.
Dislike	186	Last day is a bit later than I prefer but not terrible
Dislike	187	Last day of school after Memorial Day.
Dislike	188	Last day too early
Dislike	189	Later release date
Dislike	190	least favorite - start too early and can't use the fall break if our kids are in athletics. The coaches don't respect the time off and still hold practices - players spots depend on attendance.
Dislike	191	Length of thanksgiving break is too long
Dislike	192	Liked everything
Dislike	193	Liked it all
Dislike	194	Long fall break and Thanksgiving break
Dislike	195	Long thanksgiving
Dislike	196	Longer fall break, friday off before winter break
Dislike	197	Longer Thanksgiving break
Dislike	198	May be adding additional day or two holidays to start late first week of Jan will be good
Dislike	199	Maybe a shorter fall break
Dislike	200	no day off from Spring break to the end of the year
Dislike	201	No day off in April.
Dislike	202	No days off between Spring Break and Graduation.
Dislike	203	No dislikes.
Dislike	204	No it's great!
Dislike	205	no need for fall and thanksgiving breaks
Dislike	206	No need to have all Thanksgiving week off. They start too early, summer break is too short.
Dislike	207	No summer
Dislike	208	No--it's perfect!
Dislike	209	No, Calendar A is acceptable.
Dislike	210	No, I have no issues with this calendar
Dislike	211	no, it looks great!
Dislike	212	No, it,Äôs a great calendar.
Dislike	213	No, it's a solid option.

Dislike	214	No, it's perfect
Dislike	215	No, not really
Dislike	216	No, the schedule works fine for our family.
Dislike	217	No. This is the ONLY one in my opinion
Dislike	218	No. All is good
Dislike	219	No. It is the best option
Dislike	220	NO. QUIT TRYING TO MESS WITH THE CALENDAR!
Dislike	221	Nope just fine
Dislike	222	Nope, first choice
Dislike	223	Nope, it's great.
Dislike	224	Not enough days of school.
Dislike	225	Not really. Would love to start later in August and still finish Memorial Day. Would be willing to see only 3 days at Thanksgiving and maybe 3 days at fall break to start even later in August.
Dislike	226	not sure about 5 days for thanksgiving
Dislike	227	Nothing in particular.
Dislike	228	Nothing other than we can probably get rid of some teacher days
Dislike	229	nothing that I see!
Dislike	230	Open-Ended Response
Dislike	231	Overall would prefer a shorter winter break and overall would recommend the calendars be consistent, e.g. don't do this: have a fall break one year and then no fall break the next.
Dislike	232	Prefer no fall break
Dislike	233	Prefer to start later in August or early September
Dislike	234	Preferred B by a hair, but they're basically interchangeable to me.
Dislike	235	Pretty much everything else: specifically early start date, fall break
Dislike	236	Really do not like having 4 workdays before school starts in August. Three is fine, with the 4th one somewhere else in the first semester (maybe a teacher workday at the end of the 1st quarter). It's far more beneficial and effective to have a workday during the semester to allow teachers to catch up on grading and planning and collaborating.
Dislike	237	Same as with the 25/26 calendar options...I would like to go back to the option of having two week breaks for fall and spring break. I'm willing to have school end later to accommodate this.
Dislike	238	Same ole
Dislike	239	School ends a couple days later than in other options.

Dislike	240	School lets out a little late in May
Dislike	241	School start date too early.
Dislike	242	School starting in august
Dislike	243	School starts to early in the summer
Dislike	244	School starts to early, fall break, remove FB so we can start school later
Dislike	245	School starts too early
Dislike	246	School starts too early
Dislike	247	School starts too early
Dislike	248	School starts too early when it is hot so money spent on AC instead of teachers, etc., no need for a Fall break if school starts later, and school could get out a week later.
Dislike	249	School starts up way too early. August is such a nice month in Colorado. I wish we could start up in September. It doesn't line up with cherry creek school district. We have children that go to both districts.
Dislike	250	School starts way too early, Fall & Thanksgiving break are too long. Shorten the year instead of adding in days that families can't use.
Dislike	251	School year start date too early.
Dislike	252	school year starts and ends too early, different than all other school districts in our state and country. The camps are not open yet in May, hard for parents to plan child care.
Dislike	253	Shorten Christmas break. Give the two weeks off for Christmas and New Years instead of the extra days on the front and tail end of the break - maybe those days could be used at the beginning of the year or end of the year to shorten the schedule. Or make them random as Christmas break is already long enough at two weeks.
Dislike	254	shorter fall break
Dislike	255	Slightly early return from winter break, maybe add another day or two?
Dislike	256	Somewhat early start in August.
Dislike	257	Spring break dates
Dislike	258	Spring break doesn't match university of Denver spring break.
Dislike	259	Spring break should be later in the year. Please stop catering to skiers by having such an early Spring break. A lot of people don't ski and would prefer a later spring break where we can go somewhere warm with warmer temperatures. I would prefer a spring break that was in April.
Dislike	260	Start date
Dislike	261	Start date
Dislike	262	start date

Dislike	263	start date - give kids more hot August days for summer break. They don't need a week in Oct off, a week in Nov off, and 2 weeks in Dec/Jan off.
Dislike	264	start date in early AUG! It's too hot.
Dislike	265	Start date is a bit early. Too many days off in fall semester. A full week in both October and November seems excessive.
Dislike	266	start date is still too early
Dislike	267	Start date is too early
Dislike	268	Start date is too early in August when the Summer temperatures are too hot and make it difficult for students and teachers
Dislike	269	Start date is too early in August.
Dislike	270	Start date so early in August and having a fall break. Spring break not connected to starting after Easter Sunday.
Dislike	271	Start date too early
Dislike	272	Start date too early
Dislike	273	Start date too early in Aug
Dislike	274	Start date too early.
Dislike	275	Start date, end date don't line up with our climate and weather. Spring break is unpredictable and often snowy.
Dislike	276	Start date, to early in August.
Dislike	277	Start date. Would rather start later and stay in school later
Dislike	278	Start day is too early
Dislike	279	start in August 12, full week at Thanksgiving, Dec 18 start to winter break
Dislike	280	Start is too early.
Dislike	281	start time
Dislike	282	Start to early....needs to be the 17th or 24th of August.
Dislike	283	Start too early in Aug
Dislike	284	Start too early, not a fan of Fall Oct break
Dislike	285	Start too early. Why not start on 8/19 or 8/24 and get out on 5/28. Scrap the random days off before and after winter break, before spring break, and the other random 3/4 day weekends, like in September and April.
Dislike	286	Start/end dates too early- if shifted by too weeks, would be perfect!
Dislike	287	Starting Aug 12
Dislike	288	Starting Aug 6
Dislike	289	starting August 12th is so early

Dislike	290	Starting early
Dislike	291	Starting early in August
Dislike	292	Starting early in August, short Thanksgiving week
Dislike	293	Starting on August 6th when students still want to be outside swimming and enjoying the sunny weather.
Dislike	294	STARTING SO EARLY
Dislike	295	Starting so early in August
Dislike	296	Starting so early in August
Dislike	297	Starting so early. ending early. we still get snow in May. why not let the kids enjoy the summer and not deal with may release and questionable weather. it's not like going longer will mess them up. they have so many breaks they never get a routine anyway
Dislike	298	Starting the first week of August is awful.
Dislike	299	Starting too early in August
Dislike	300	Starting too early in August & ending too early in May.
Dislike	301	starts a bit too early
Dislike	302	Starts a little early in August.
Dislike	303	Starts earlier
Dislike	304	starts early
Dislike	305	Starts so early and it feels like a lot of long breaks which are a challenges as a 2 parent working family.
Dislike	306	Starts so early in August
Dislike	307	Starts to early
Dislike	308	Starts to early
Dislike	309	Starts too early
Dislike	310	Starts too early
Dislike	311	Starts too early
Dislike	312	Starts too early
Dislike	313	Starts too early
Dislike	314	Starts too early
Dislike	315	Starts too early during summer and ends before warm weather really arrives. Spring Break is a week too early. That week of March is just another Winter Break.
Dislike	316	Starts too early in August
Dislike	317	Starts too early in August

Dislike	318	Starts too early in August.
Dislike	319	Starts too early in August. Having a fall breaking with 2 working parents is hard to manage.
Dislike	320	Starts too early, ends too early for summer weather
Dislike	321	Starts too early, ends too early, fall break is unnecessary
Dislike	322	starts too early, fall break (unnecessary), long winter break
Dislike	323	starts too early; don't need week off in Oct and Nov; winter break is way too long for students
Dislike	324	Starts too early.
Dislike	325	Starts too early. Too many long breaks.
Dislike	326	Starts too early. Long fall break. Long thanksgiving break
Dislike	327	Starts too early. No need for fall break. Winter break starts too early.
Dislike	328	Starts way too early
Dislike	329	Statlrt date should be later
Dislike	330	Still a mid-August start and late May finish
Dislike	331	Still fall break, still days before and after winter break off
Dislike	332	Still starts too early
Dislike	333	still starts too early
Dislike	334	Still starts too early
Dislike	335	Still wish it started a little later in August. It's SO HOT for the kids to be back at school early August.
Dislike	336	Students don't need a full week break at Thanksgiving if taking a full week fall break.
Dislike	337	Students start pretty early.
Dislike	338	Summer doesn't really start until July in Colorado. Kids should be able to enjoy a full summer. Back to school after Labor Day makes more sense for Colorado. Also no need for a fall break and such a long thanksgiving break. It's a logistical nightmare for working parents.
Dislike	339	Thanksgiving and winter break too long. School starts too early.
Dislike	340	Thanksgiving break could be 3 days instead of 5. Too long.
Dislike	341	Thanksgiving break could be shorter and we could start school a little later in August.
Dislike	342	The breaks and the start and end time.
Dislike	343	The early start date
Dislike	344	The early start date in August
Dislike	345	The early start.

Dislike	346	The kids have so much time off, it's like they barely go to school. Also, the August start date is too soon. The Colorado summer weather just arrives when the kids have to go back to being at school
Dislike	347	The later end date.
Dislike	348	The length of fall break and Christmas break
Dislike	349	The school start date.
Dislike	350	The school year starts and stops too early
Dislike	351	The school year starts too soon and fall break is too long.
Dislike	352	The start date is a little too early. It is still summer!!
Dislike	353	The start date is so early in August and all of the breaks are SO long. It would be nicer to have less long breaks throughout the year and a longer summer.
Dislike	354	The start date is too early
Dislike	355	The start date is too early. We need to start pushing the first day of school back into September. July and August are very hot months.
Dislike	356	The start time is too early. It,Äôs too hot and still summer. The end time is too early in the summer
Dislike	357	The winter break should start earlier
Dislike	358	The year starts too early and ends too early. Too many long breaks during the year.
Dislike	359	There is no PD day in February.
Dislike	360	There should be two weeks off for fall, winter, and spring. 2 weeks allows people to actually travel. D40 school schedule is ideal.
Dislike	361	There was a whole week off during Thanksgiving.
Dislike	362	There was no option for a shorter Thanksgiving break on any of the options except for the one that ends in June
Dislike	363	They are getting out when the weather is so unpredictable for outdoor activities and going back when it's still so hot
Dislike	364	This survey sucks
Dislike	365	to early
Dislike	366	To early of a start date
Dislike	367	To early start in summer
Dislike	368	Too early a start date.
Dislike	369	Too early in August to return to school.
Dislike	370	too early in the summer
Dislike	371	Too early in the year to start school.
Dislike	372	Too early of a start Too many breaks with fall and thanksgiving

Dislike	373	Too early of a start date and end date. Give the kids August off!
Dislike	374	Too early of a start in Aug and they do not need a week off in Oct and Nov
Dislike	375	Too early of start date
Dislike	376	Too early of start date and end date - not enough time off in heart of summer
Dislike	377	too early start
Dislike	378	Too early start
Dislike	379	Too early start after summer break and summer 27 should start later.
Dislike	380	Too Early start date
Dislike	381	too long a fall break. Fall breaks are harder on parents and kids don't need them as they already have thanksgiving break. It is hard on kids who need more consistency (like my kid in special ed).
Dislike	382	too long of Fall break.
Dislike	383	Too long of Thanksgiving break.
Dislike	384	Too many breaks
Dislike	385	Too many breaks too early start
Dislike	386	too many weeks off during semester
Dislike	387	Too much stop and start throughout the year. Fall break is unnecessary.
Dislike	388	Too much time off - we don't need a full Fall Break and then another full week in November.
Dislike	389	Too much time the week of Thanksgiving. Would rather have that extra time for over the summer.
Dislike	390	Two week-long breaks in the fall. Early start.
Dislike	391	Ughh. again send a simplified version. Where the colors depict student non instructional time. If I were to really give my true opinion I would need to print the calendars, compare them to each other and use a magnifying glass to really grasp what all FOUR different calendars depict. Again, Lets do Better.
Dislike	392	Very long Fall break.
Dislike	393	way too early of a start date; in school during best weather month in Colorado - start later around Aug 20; no need for full week for Thanksgiving; no need for Dec 19 & Jan 5 off (parents still working those days anyway)
Dislike	394	Way too early start date
Dislike	395	We do not need a fall break and I think we should go to school after Labor Day.
Dislike	396	we don't like an entire week off for Thanksgiving. We don't like 2 weeks plus off school for winter break. Such a waste of time to have so much time off school in the middle of winter when the weather is potentially cold and snowy and it's better to start later in August. Seems like it would save Air Conditioning expenses to start in late August or Early Sept compared to early August.

Dislike	397	We don't need 2 long breaks within a month.
Dislike	398	we shouldn't be starting school in august
Dislike	399	We start a little later (than this year) and get out before the end of May. However, there are 2 fall breaks (fall & Thanksgiving) and that is way too much up and down instructional time for elementary students--especially when we are trying to get everything wrapped up with MOY assessments just before another break!
Dislike	400	We start earlier in the year thus having a shorter summer.
Dislike	401	We start sooo early.
Dislike	402	week long Thanksgiving break
Dislike	403	Why are A and B even separate options? They are nearly identical. I feel like it's cheating to offer both of these as options. They are only 2 days different. What's the point?
Dislike	404	Why do we need a week off in October when school just started and we have a week in November? Why the early start at the begniing of August?
Dislike	405	Why do you keep putting this insanely early start date as A? No one wants to start this early!
Dislike	406	Why is it being changed?? Why do t you just make school a four day week option?? Like other cities /states??? That would save with costs or make it a 4 day a week in person and the 5th day can be a virtual where students submit their late work or any work online. Stop trying to change what we know and like and works with our schedules. Need money? Make it a four day school week then.
Dislike	407	Winter break dates. I prefer having the kids out closer to Christmas and extending more into January.
Dislike	408	Winter break long.
Dislike	409	Wish Dec. 18 was a school day, and that November 23 and 24 were school days.
Dislike	410	Wish Fall Break starts on Mother Cabrini Day (1st Monday in October). Fall Break starts on 10/5.
Dislike	411	wish spring break was the following week
Dislike	412	Wish the end date was somewhere during the first week of June.
Dislike	413	Wish the start was later.
Dislike	414	Would have liked Aug 19th or later start.
Dislike	415	Would like later start and end dates and 1/2 week for Thanksgiving.
Dislike	416	would love to see even later start in august with maybe abbreviate fall and/or thanksgiving break. Ideally Thanksgiving shortened
Dislike	417	would prefer a later start to winter break.
Dislike	418	Would prefer not to have Fall Break. Also like when Spring Break is a week later.
Dislike	419	Would reduce fall break to push start date back a few days.

Dislike	420	Would shorten Thanksgiving break and end earlier in May
Dislike	421	would take a shorter fall break with starting a couple days later in August
Dislike	422	Wouldn't mind a later start and shorter Thanksgiving break
Dislike	423	Yes it's horrible starting that early
Dislike	424	Yes too early of a start and too long of a winter break
Dislike	425	Yes, school starts when it's still summer and ends when it's still not warm enough for summer activities.
Dislike	426	Yes. Too early of start date

Like/Dislike	Comment #	What did you like about Calendar B?
Like	1	1 week later start in August; still have a fall break and longer winter break; later release in May
Like	2	1st day and last day of school date is good. Full week off for Thanksgiving is nice.
Like	3	1st semester ends in December; Full week thanksgiving break; Ends in May
Like	4	2nd Semester begins on the first day back from winter break.
Like	5	2nd semester start right after winter break which allow the kids to enjoy the break with their family
Like	6	8/12 start date and week long spring break
Like	7	A & B are strong preference. Fall break is important to families, and kids who need that mind-break mid-semester. By this time in the school year kids are struggling with burnout and exhaustion. A week gives them a little reprieve and refreshes them to finish out the semester.
Like	8	A more reasonable time frame for the school year but still starts too early.
Like	9	A shorter fall break seems appropriate with Thanksgiving break.
Like	10	A shorter fall break.

Like	175	I like the structure of start, end and breaks. I think a shorter fall break makes sense
Like	176	I like the timeline of this version of the calendar. I have a 1st grader, who, like nearly all of her peers, enjoys being active and spending time outdoors. Being outside is one of the most developmentally appropriate and healthy ways for a child to spend the summer breaks. Be it in the backyard, park, pool, or the great outdoors. This time is also the most memorable part of childhood. Colorado climate tends to be extremely hot (and thundery) in the peak summer months, between July and September, and it's not as easy to spend time outdoors, as it is in the months prior and after that stretch of time. Therefore, ending as early as possible in May, gives kids much better chances at enjoying summer outdoors, when the temperatures are not too hot yet. Starting as early as possible in August, gives kids a fall break in October, when again, the temperatures are very nice to spend time outdoors. We don't tend to leave the state during that time, but for the families who do enjoy traveling during school breaks, the time before Memorial Day, and the time during the fall break makes it much more affordable and logistically manageable, because the travel-related prices are below their peaks during these times.

Like	478	Starts later, Fall Break
Like	479	Starts later, still had fall break

Like	486	Still had breaks
Like	487	Still has a Fall Break and starts later than Calendar A
Like	488	Still have fall and spring breaks.
Like	489	Still have fall break and Thanksgiving break (but wish they were switched--5 days in October and 3 in Nov)
Like	490	still have some breaks
Like	491	still more traditional, still have some sort of break in October, ends before Memorial Day
Like	492	Still pretty similar and gets out in May.
Like	493	Still some fall break. Not much different is start/end as Calendar A.
Like	494	Still Starts in Early ish Aug and ends late May, preserves most of the breaks - but it makes Fall Break a half week. This is not helpful as it only creates a long weekend - it would make it difficult to take a trip for any length of time.
Like	495	Summer doesn't really start until July in Colorado. Kids should be able to enjoy a full summer. Back to school after Labor Day makes more sense for Colorado. Also no need for a fall break and such a long thanksgiving break. It's a logistical nightmare for working parents.
Like	496	Thank you DCSD in asking for parent/student/community feedback as part of this calendar survey. I am hoping that you will take all feedback into consideration as you plan moving forward. In speaking with many parents and neighbors in the district when it comes to the school calendar survey I hear a lot of frustration around there being one calendar with an early start and an early end date with three other options that are so similar that it splits the votes and the early start, early end calendar always wins despite getting the lowest amount of total votes. The frustration is that the overwhelming majority of parents want a later start to the school year but this never ends up „winning,“ even though the total votes for a later start option far surpass the total number of early start calendar. In the future please either make the survey ranked choice voting or only 2 calendar options. This I believe would be less confusing and give a more accurate picture of exactly what is desired. I would like to see less or shorter breaks in the fall/winter and have more time for families to enjoy the beautiful summer weather here in Colorado. Having so many or longer breaks in the fall/winter is disruptive to learning patterns/school attendance behaviors but is also very disruptive for students with special needs that need more continuity and routine structure in their school environment. Colorado’s summer season on the calendar actually begins around June 20th every year and extends well throughout August which makes more sense to have the school year start later in August or early September and go through the first few weeks of June. I would also be interested in seeing the cost savings to the district as far as air conditioning/energy cost this would provide to start later in the summer.

Like	519	The lengths of the breaks are nice. I also like how both calendars a and b have a little later start date.
Like	520	The only thing I "like" about this calendar is that it gives us a partial fall break.

Like	528	The start and end dates are great. Thanksgiving break, winter break, and Spring break are all a good length.
Like	529	The start date is palatable, less days on fall break (but still too many), starting the new semester right after XMAS, ending prior to Memorial day.
Like	530	the start date, ending two days earlier in the summer by giving up 2 days of fall break, full week for Thanksgiving

Like	538	This is not feedback but a question. This comes up every time a calendar survey comes out - how will this affect the timing of first semester midterm exams for high school kids? It would be helpful to know this when answering this survey. If midterm exams happen after the 2 week winter break, we're not interested.
Like	539	This is the best option. I like the mid-August start, abbreviated fall break, and finish the year before Memorial Day.

Again, Lets do Better.

Like	552	We get a Fall Break but appear to lose a Thanksgiving Break.
Like	553	We start a little later (than this year) and get out before the end of May. However, there are 2 fall breaks (fall & Thanksgiving) and that is way too much up and down instructional time for elementary students--especially when we are trying to get everything wrapped up with MOY assessments just before another break!

Was there anything you didn't like about Calendar B?

Dislike	1	It gets rid of the Thanksgiving Break. While I can understand the desire to have a later start for school, the likelihood that parents will just take their kids from school these days are 95%. After working in education for 24 years, I have had both only Wednesday-Friday off and the whole week. When I worked Monday and Tuesday, attendance was 75% on Monday and 50% on Tuesday. Students will still be gone. We can avoid this by having this entire week off for parents to travel to family. Also, getting out after Memorial Day is ridiculous. Parents tend to make their own calendar anyway and take their kids out because Memorial Day is a huge vacation weekend.
Dislike	2	- Start date is too early. - There is a fall break. - Fall break being 3 days makes work scheduling a challenge. - Winter break starting on a Friday is bad for work scheduling. - Last day of school landing on a Tuesday.
Dislike	3	3 day fall break is not enough this is when seniors visit colleges
Dislike	4	3 day fall break leads to low attendance
Dislike	5	3 day thanksgiving break will have an effect on student attendance
Dislike	6	3 days fall break. A Full week of Thanks giving break when winter break happen only 3 weeks later. Only 2 student contact days the last week of school.
Dislike	7	3 days for fall break makes no sense. Just leads to bad attendance
Dislike	8	3 days instead of 5 for fall break. I would rather have 2 days of school Thanksgiving week and a full week of fall break!
Dislike	9	A shortened Fall break prevents travel. If DCSD shortens or eliminates Fall Break, it is unlikely we will remain in the district.
Dislike	10	A shortened Fall Break. Being a caregiver for a special needs child, a "full" Fall Break is very important. Fall Break gives my child the opportunity to take a break from the school routine.
Dislike	11	a whole week off in Oct and for Thanksgiving
Dislike	12	Again too many long breaks during semester
Dislike	13	All of it
Dislike	14	All of it
Dislike	15	As a parent and teacher I prefer a full week off at fall break! I feel parents will plan week long trips during that week like they're used to and students won't be in class Monday and Tuesday, so those will be wasted learning days.
Dislike	16	As with Calendar A, would be great if Thanksgiving break shortened so could have a later start
Dislike	17	August 12 start date, 3 days for fall break, full week for Thanksgiving, start date of winter break, earliest end date
Dislike	18	August 12 start is a bit too early.
Dislike	19	B has no holiday for Good Friday

Dislike	20	B starts and ends too early. It wastes energy on Air Conditioning and costs the district too much money in maintenance.
Dislike	21	Christmas break is too long. The December 22nd-Jan. 2 option was the best for that break.
Dislike	22	Dates
Dislike	23	Delete fall break and start later.
Dislike	24	Did not like starting in early August or having only 3 days for fall break.
Dislike	25	Did not like the reduction of Fall break to 3 days
Dislike	26	Didn like at all
Dislike	27	Do not feel students need a full week off for Thanksgiving
Dislike	28	Doesn't end in June.
Dislike	29	Doesn't have full week of fall break. Would rather have full week of fall break and shorter Thanksgiving.
Dislike	30	doesn't preserve full fall break
Dislike	31	Don,Äôt get full fall break
Dislike	32	Don,Äôt need that much time for thanksgiving
Dislike	33	DON'T LIKE THIS CALENDAR AT ALL!
Dislike	34	don't need so many extra Fridays off (Dec 19, Jan 5, Feb 13, Mar 13, Apr 23-24); get rid of 3 of those and finish school year on May 22 (before Mem Day); ending May 28 just adds 3 worthless days that no one attends anyway
Dislike	35	Don't shorten Fall Break!!
Dislike	36	Done before memorial day weekend
Dislike	37	Dont like any of the choices.. How about have a calendar that we can subscribe to that will import in our calendar of choice??
Dislike	38	Dont need a fall break at all, Thanksgiving & christmas breaks are too long

Dislike	73	fall break being only three days leads to families taking the whole week making many students miss teaching that often cannot be replicated (as any school day), professional development day and comp day in April being a Thursday and a Friday making for a three day week that interrupts the flow and makes Monday even harder
Dislike	74	fall break being short so cant travel
Dislike	75	Fall break being two days shorter. Parents are just going to excuse the kids those days anyways.

Dislike	76	Fall Break is not necessary, a full week for Thanksgiving, additional day for Winter Break.

Dislike	102	First day too early, fall break too short . Doesn't make any sense.
Dislike	103	For future calendars, could you consider adding two days from Thanksgiving Break to the Fall Break? This would make Fall Break a full week. Then, this would be a great calendar!
Dislike	104	Friday before winter break off

Dislike	105	Full Thanksgiving Break - wish it was a partial week
Dislike	106	Full week for Thanksgiving. Prefer shorter Thanksgiving break and full fall.
Dislike	107	Full week of thanksgiving break
Dislike	108	Full week off for Thanksgiving. Long Christmas break. Parents have jobs and can't afford all of this time off. STOP DOING THIS TO US!!!
Dislike	109	Get rid of fall break altogether or shorten Thanksgiving and start a little later in August!
Dislike	110	Half week for fall break. We like to travel out of town during this time.
Dislike	111	Have a longer fall break and end 2 days later
Dislike	112	How early the kids go back to school in August just to have a fall break and a very long Christmas break.
Dislike	113	I didn't like cutting fall break with not a lot in return at the end of the year. I don't understand getting out early when we have snow for graduations in May.
Dislike	114	I didn't like the shortened Fall Break.
Dislike	115	I didn't like the shortened fall break.
Dislike	116	I dislike the long winter break. Why is there no option for a one week break? All 4 calendars only have a 2+ week break option. It is too long for working parents. There should be other options provided.
Dislike	117	I do not like a shortened fall break but it,Äôs not a dealbreaker in my opinion.
Dislike	118	I do not like fall break being only 3 days
Dislike	119	I do not like only 3 days off for Fall Break. I would prefer a full week off for Fall Break and only 3 days off for Thanksgiving if it were one or the other.
Dislike	120	I do not like that it does not have a full week for fall break. I would prefer to have a full week off at fall break.
Dislike	121	I do not like that there is not a full week for Thanksgiving
Dislike	122	I do not like the 3 day fall break
Dislike	123	I do not like the full week off for Thanksgiving break
Dislike	124	I do not like the truncated fall break. I would prefer to go the other way-have *more* time off rather than less, and I would prefer school end later in the year to accommodate this.
Dislike	125	I don,Äôt like the early start and the partial fall break week. If families want to go somewhere, they won,Äôt be able to and most will just take out those other days to make it easier
Dislike	126	I don't like Calendar B b/c it's an early start and end date.
Dislike	127	I don't like fall break being a random 3 day stretch in October.
Dislike	128	I don't like how early the school year starts.
Dislike	129	I don't like that fall break is not a full week in Calendar B.

Dislike	130	I don't like that fall break is shortened.
Dislike	131	I don't like that our fall break would be so short, students will not show up to class on the two days before the break, which would make it incredibly hard to teach on those days.
Dislike	132	I don't like that we don't have a full week off in October.
Dislike	133	I don't like the April 30th no student day; I having pd on the 23rd instead and moving that non-contact day to fall break
Dislike	134	I don't like the early start in August or a full week off for Thanksgiving. It is just too hard to travel over Thanksgiving so we'd prefer not to have such a long break that week. Also, August is a great month for camping and doing things as a family.
Dislike	135	I don't like the idea of cutting down Fall Break to less than a whole week.
Dislike	136	I don't like the short Fall break in order to get done in May earlier.
Dislike	137	I don't like the shortened Fall Break. We enjoy the full week for traveling and having the kids decompress.
Dislike	138	I don't like the shortened October fall break.
Dislike	139	I don't like the shorter break
Dislike	140	I don't love the idea of going back to school on 1/4. I don't mind the shorter breaks for fall.
Dislike	141	I don't love the partial fall break with the full week of Thanksgiving. I'd rather see a full week for fall break, then partial week for Thanksgiving
Dislike	142	I don't think it's necessary to create a calendar that is only a 2 day difference from Calendar A
Dislike	143	I don't think we need to get out so early. Extend the year until Memorial Day and then use those days to start later or have a full week of Fall Break. I also don't like the extra days around the Christmas break. Shorten Christmas break to 2 weeks and you can use those days to have a longer fall break or start later.
Dislike	144	I dont know
Dislike	145	I hate the early start date. I'd rather have a week for fall break and three days for Thanksgiving.
Dislike	146	I like Calendar B
Dislike	147	I like d
Dislike	148	I like it.
Dislike	149	I liked that it started a little later in August. I liked having all the breaks. I'd rather start later in August and go later in June. I'd like only a week from Christmas to New Years.
Dislike	150	I LOVE the full week for Fall Break! Please do not take it away from us!
Dislike	151	I partial week of for Fall break is really dumb and inconvenient.
Dislike	152	I prefer A
Dislike	153	I prefer a full week in October.

Dislike	154	I really do not like that the kids don't get a full week off in October. I also would prefer that the April break be either the weekend prior or two weekends prior.
Dislike	155	I still wish it could start later in August.
Dislike	156	I think fall break should be a week and Thanksgiving Break 3 days.
Dislike	157	i think it's perfect!
Dislike	158	I think school still starts too early in August.
Dislike	159	I wish there was an option between A and B that included a full week off in October and a partial week off for Thanksgiving
Dislike	160	I worry parents will go ahead and take off Monday & Tuesday if fall break is only 3 days long.
Dislike	161	I would be willing to take off M and T of Thanksgiving break to add to the October break or allow school to end 2 days earlier.
Dislike	162	I would prefer not to have a Fall Break at all. Having a partial week is even less appealing. Also like when Spring Break is a week later.
Dislike	163	I would prefer to shorten thanksgiving and not fall break.
Dislike	164	I would rather have 2 extra days of fall break than get out 2 days early in May.
Dislike	165	I would rather have a full week in October then a full week in November for Thanksgiving
Dislike	166	I would rather have a good hole week for fall break.
Dislike	167	I would rather have a later start in August or early September and I prefer Calendar A and have a longer fall break.
Dislike	168	I'd miss the full week for fall break. I'd rather have those two days and then go two days longer in May.
Dislike	169	I'm ok with just a 3 day fall break, as long as there is still something
Dislike	170	If there,Äôs going to be a fall break why just a couple of days
Dislike	171	If you're going to add a fall break, might as well make it a week.
Dislike	172	It does not have a full week off in October.
Dislike	173	It is absolutely disgusting that Douglas County does not acknowledge or celebrate Veterans day. What an embarrassment.
Dislike	174	It is similar to A, but slightly worse in all respects where is varies from A - i.e. school year ends slightly earlier (too early) at the expense of a shorter fall break.
Dislike	175	It only has a 2 day Fall break
Dislike	176	It seems silly to come back for one day of school after Memorial Day with an end date of May 25, 2027.
Dislike	177	It starts early in the summer, fall break is shorter and the school year ends early.
Dislike	178	It starts too early

Dislike	179	It starts too early and lets out too early. It is still cold in May and it still summer in August.
Dislike	180	It starts too early in August. For the love of everything holy, PLEASE stop sabotaging people's summer. The warmest months in CO are July and August.
Dislike	181	It starts too late and ends too late. Why can't we start the first week of August?
Dislike	182	It still requires an early return to school in August for students & staff.
Dislike	183	It still starts a little too early when it's still the prime of Summer
Dislike	184	It was ok
Dislike	185	It will be very common for families to pull their kids for the whole Thanksgiving week due to travel, so students will be missing days. Going past Memorial Day is very hard on students. Families often just start vacations early or the kids are checked out.
Dislike	186	It would be better to extend fall break to full week and reduce Thanksgiving to three days to end the year earlier. More families travel during fall break than Thanksgiving since it is cheaper, weather is better and less crowded
Dislike	187	It,Äôs a little later but not enough
Dislike	188	It,Äôs pretty good
Dislike	189	It,Äôs too early start
Dislike	190	Just give a full fall break and then a full week at end of May. School at the end of the year is hard when you just have three days.
Dislike	191	Keep October break a full week. Reduce Thanksgiving Break to Weds-Friday instead.
Dislike	192	Keeping Fall break but reducing it to three days. I'd rather see a five day fall break and a three day Spring break since it's cheaper to travel in the Fall.
Dislike	193	Kids are going too soon and ending too soon and a half week for fall break is a complete waste.
Dislike	194	lack of fall break
Dislike	195	Lacks adequate fall break. LEAVE CALENDAR ALONE
Dislike	196	Last day too early in the summer May 25th
Dislike	197	Later end date

Dislike	209	Maybe take two days from Thanksgiving Break (Monday and Tuesday) and add them to make a full week for Fall Break. Spring Break is too early - this is just another winter break.
Dislike	210	Mid August start is not ideal

Dislike	290	Open-Ended Response

Dislike	291	Out after Memorial day
Dislike	292	Overall a good compromise - this is my favorite
Dislike	293	Overall would prefer a shorter winter break and overall would recommend the calendars be consistent, e.g. don't do this: have a fall break one year and then no fall break the next.
Dislike	294	Partial fall break

Dislike	297	Please dont make Fall break shorter!

Dislike	299	Prefer a week at Thanksgiving.
Dislike	300	Really do not like having 4 workdays before school starts in August. Three is fine, with the 4th one somewhere else in the first semester (maybe a teacher workday at the end of the 1st quarter). It's far more beneficial and effective to have a workday during the semester to allow teachers to catch up on grading and planning and collaborating. It's better to have a 5 day fall break and 3 day Thanksgiving break! This is the opposite.
Dislike	301	Sad about fall break being shortened. Would prefer a shorter thanksgiving instead.
Dislike	302	School 1st day is too early, small fall break. Just remove fall break.
Dislike	303	School got out after Memorial Weekend
Dislike	304	school start date is much too early
Dislike	305	School starts too early when it is hot so money is spent on AC instead of teachers, etc., no need for a Fall Break if school starts later, and school gets out too early when it is cold and rainy.
Dislike	306	School starts too early, Thanksgiving break is too long. Shorten the year instead of adding in days that families can't use.
Dislike	307	School starts too early. Thanksgiving and winter break too long. Ending school on a tues seems worthless for that week.
Dislike	308	School year start date too early.
Dislike	309	school year starts and ends too early, different than all other school districts in our state and country. The camps are not open yet in May, hard for parents to plan child care.

Dislike	334	Short Fall break
Dislike	335	Short Fall Break - Please consider the impacts of the October slump for teachers. Starting the school year is very busy and stressful. They are working a lot of extra time. It isn't possible to everything in our set working hours, and we cannot work 24/7, so some things must be put on the back burner for a bit. Fall break gives teachers a moment to regroup for mental health and time to catch up on paperwork, spreadsheets, assessment analysis, planning and prepping for differentiated instruction, etc. If your goal truly is to retain teachers, please refrain from shortening breaks. Maybe cut some PD days instead, because in some cases, teachers are planning and presenting at PD days. This adds to their workload instead of providing new learning for them.

Dislike	389	Small fall break
Dislike	390	Somewhat early start in August.
Dislike	391	Spring break
Dislike	392	Spring break doesn't match university of Denver spring break.
Dislike	393	Spring break should be later in the year. Please stop catering to skiers by having such an early Spring break. A lot of people don't ski and would prefer a later spring break where we can go somewhere warm with warmer temperatures. I would prefer a spring break that was in April.

Dislike	409	Start to early....needs to be August 17th or 24th. Also, don't give us a full week for Thanksgiving, take the 23rd and 24th and add them to Fall Break!
Dislike	410	Start too early not a fan of Oct break
Dislike	411	Start too early. Why not start on 8/19 or 8/24 and get out on 5/28. Scrap the random days off before and after winter break, before spring break, and the other random 3/4 day weekends, like in September and April.

Dislike	446	Teachers return after Memorial Day for one last day, early August start
Dislike	447	That fall and spring breaks weren't full weeks.
Dislike	448	That Fall break is only a few days vs. a full week for Thanksgiving
Dislike	449	That they don,Äôt get out until after Memorial Day
Dislike	450	The August start date. I would like school to start in September.
Dislike	451	The beginning date is too early- it is still summer!!!
Dislike	452	The fall break is only 3 days.
Dislike	453	The fall break was short and there was a whole week planned at thanksgiving.
Dislike	454	The fall break wasn,Äôt long enough
Dislike	455	The full week in fall break is nice, but I understand if it was shorter.

Dislike	456	The half week off for fall break.... What this happens, so many kids take the full week anyway and then instruction time is not well used for the kids that are there
Dislike	457	The length of Christmas break.
Dislike	458	The short Thanksgiving Break.
Dislike	459	The shorter fall break, but as previously mentioned fine to be able to end the year sooner.
Dislike	460	The start date is so early in August and all of the breaks are SO long. It would be nicer to have less long breaks throughout the year and a longer summer.
Dislike	461	The start date is still too early
Dislike	462	The start date is too early. We need to start pushing the first day of school back into September. July and August are very hot months.
Dislike	463	The start date of school.
Dislike	464	The start day is too early and too many breaks and days off
Dislike	465	There are only 3 days of fall break.
Dislike	466	There is a shorter Fall break, not a huge deal.
Dislike	467	There is no benefit to Calendar B - starting Aug 12 with short fall break to get out 2 days earlier.
Dislike	468	There is no point to shorten fall break, just to have everyone get out 2 days earlier in May. It would be better to have a later start date in August, then to get out earlier in May (when it could still have a late snow in CO)
Dislike	469	There is still a fall break. Again, make the calendars consistent year on year.
Dislike	470	There should be a day off for teachers/students between spring break and the end of the school year.
Dislike	471	There was nothing I dislike about calendar B
Dislike	472	There wasn't really any break in January
Dislike	473	There's only a 3 day fall break. Speaking as a teacher, students/families will take the entire week off so the first two days of that week will be "fluff" days where we can't teach anything of substance.
Dislike	474	This is the same as A but with a shorter Fall break and earlier end. It's not a good schedule. If it started later and ended later and had a full fall break that would be best
Dislike	475	This survey sucks
Dislike	476	To early of start date
Dislike	477	To early start
Dislike	478	To late to end and not enough fall break
Dislike	479	Too early a start and too many breaks - why start early just to have long and many breaks?
Dislike	480	too early in August

Dislike	481	Too early in August to return to school.
Dislike	482	Too early of a start and they do not need time off in Oct
Dislike	483	Too early of a start date
Dislike	484	Too early of a start date.
Dislike	485	Too early of a start, too early of and end of school date (June is not a warm summer time, better to have more time in August)
Dislike	486	Too early of start and end date
Dislike	487	Too early start after summer break and summer 27 should start later.
Dislike	488	Too early start and get out too early
Dislike	489	Too early start date
Dislike	490	Too early, short breaks.
Dislike	491	Too long of a Thanksgiving break and Christmas break
Dislike	492	Too many breaks
Dislike	493	Too many breaks between fall break and Thanksgiving Too early of a start
Dislike	494	Too many days off and it's too early of a start date. Kids in Colorado should be in school until June and then return for the new school year in September. It makes the most sense with our weather patterns.
Dislike	495	Too much time off
Dislike	496	Ughh. again send a simplified version. Where the colors depict student non instructional time. If I were to really give my true opinion I would need to print the calendars, compare them to each other and use a magnifying glass to really grasp what all FOUR different calendars depict. Again, Lets do Better.
Dislike	497	Use the cut days from Thanksgiving to still end by memorial Day
Dislike	498	Useless Fall Break - too short to travel. Last day of school on a Monday?? This will be an absolutely worthless day, and will likely be very poorly attended.
Dislike	499	way too early start and end. We're back to this ridiculous summer start. Why???????????
Dislike	500	We appear to lose a full Thanksgiving Break.
Dislike	501	We do not need a fall break and I think we should go to school after Labor Day.
Dislike	502	We don't need a whole week off for thanksgiving.
Dislike	503	we don't like having an entire week off for Thanksgiving. We don't like having 2 weeks plus off for Winter break.
Dislike	504	We get rid of two days of Fall break to get out two days earlier, why?
Dislike	505	We need 2 weeks at Fall, 1 full Week at Thanksgiving, 2 weeks for winter, and 2 weeks for Spring break. It allows people to travel.

Dislike	506	We start a little later (than this year) and get out before the end of May. However, there are 2 fall breaks (fall & Thanksgiving) and that is way too much up and down instructional time for elementary students--especially when we are trying to get everything wrapped up with MOY assessments just before another break!
Dislike	507	week long Thanksgiving break--doesn't need to be that long
Dislike	508	Winter break is long.
Dislike	509	Winter break too long
Dislike	510	Wish it started 8/14 and ended 5/27.
Dislike	511	wish it started a bit later
Dislike	512	Wish it started even a week or two later in August
Dislike	513	wish spring break was the following week
Dislike	514	Wish Thanksgiving break would be shorter. Wish there was school on Dec. 18. Wish school ended May 27 or 28. Finding childcare for the week of Memorial Day is going to be hard enough without adding May 27 and 28 to it.
Dislike	515	Wish the start was later and longer breaks throughout the year.
Dislike	516	Without a full fall break, families will take those other two days off anyway. Staff will want to as well, which puts schools in a difficult position.
Dislike	517	Would forgo fall break all together, extend school to the end of May and still be out before June
Dislike	518	Would like 1 week of Fall Break. You can shorten Thanksgiving
Dislike	519	Would like an earlier end date.
Dislike	520	Would love a start date at least a week later in August.
Dislike	521	Would prefer a full week for fall break, less time at thanksgiving
Dislike	522	Would prefer a return to school after winter break on 1/3.
Dislike	523	WOULD PREFER EVEN A LATER START
Dislike	524	Would prefer fall break as a full week and thanksgiving break just 2-3 days
Dislike	525	Would still prefer to push start date back a few days.
Dislike	526	Yes, it starts too early in August
Dislike	527	Yes, there weird end time of breaks. I also don't think we need full weeks for Thanksgiving or Fall break so we could start later in August. Fall break could be October 16-18th or something like that.
Dislike	528	Yes, too early to start! Come on!
Dislike	529	You don't need a full week for fall and thanksgiving. that could give you a later start date.

Like	5	A later start in August was okay, abbreviated fall break, and abbreviated Thanksgiving break.
Like	6	Absolutely nothing. Letting school out in June is ludicrous.
Like	7	Again, addressing Colorado's ideal summer months, field days, and outdoor high school graduations, the ideal time to go to school would be September through June. This way we can have the optimal summer months on our break, have warm field days, and warm, outdoor high school graduations.
Like	8	Again, the later start in August.

Like	81	I like a later start date so kids can finish their August activities

Like	82	I like how late in August the kids go back to school, while still maintaining some breaks throughout the year. Kids getting out in June is very normal for most parts of the country.
Like	83	I like it still had fall break
Like	84	I like pushing the start date closer to September.
Like	85	I like that it starts and ends later. I would even prefer to shift it one more week later than it is. Summer should align with the summer weather. Colorado springs are still cold and don't get hot until mid-June or later. The best month of the year is August and we should be enjoying the beautiful weather as our summer break.
Like	86	I like that it ends in June. Now we get snow the last week of May and into June, so being in school is no problem
Like	87	I like that it starts in late August, and still contains a few days off for fall break and thanksgiving break without a full week.

Like	102	I like the later start date a lot, and getting out in June is absolutely fine since the weather doesn't usually warm up until mid-June. To me, this is really the absolute ideal calendar.
Like	103	I like the later start date and the fact that they still would get all the breaks

Like	107	I like the later start in August, and later ending. Colorado weather is cool in late May and it is hot in August. I'd rather the kids be on break when the summer weather is here.
Like	108	I like the later start in August.
Like	109	I like the later start to school which provides more time for summer vacations and getting into the mountains while the weather is still good as well as some time in October which also has decent weather.

Like	118	I liked that it started a lot later in August. I liked having all the breaks. I'd rather start later in August and go later in June. I'd like only a week from Christmas to New Years.
Like	119	I liked the breaks
Like	120	I liked the shorter fall and Thanksgiving breaks. I like the end of school going to the 1st week of June, but I don't like that it goes to the 2nd week of June.
Like	121	i love but may be end may 27 is much better
Like	122	I love that calendar C starts school later and gets out later. In august, the weather is finally perfect for hiking and swimming, but the kids typically have to miss out on that to go back to school. However when they are typically out in June, its too cold to swim and the mountain trails arent even open because of snow.
Like	123	I love that it starts later in Aug and ends later in June. This is more aligned w/ two working parents work schedule.

Like	130	I loved this one, which started in August and ended in June. This is more conducive to Colorado summer. And still had fall break, even though it was shorter.
Like	131	I prefer a later start date and end date! September-June
Like	132	I really like the later start in August and the the short Thanksgiving break. It also has a short fall break which is nice. I would love for school to start after Labor Day and end in June. Also, many schools in the nation start earlier in August, so starting in late August or early September allows traveling without the crowds.
Like	133	I really like the later start on 8/26, that there is time off for fall and Thanksgiving breaks and when Christmas break starts.
Like	134	I think Calendar C is a great option - later start in August is great for school readiness for students and staff alike. This schedule offers smaller breaks for fall and Thanksgiving but that is fine.

Like	154	It's ok
Like	155	It's perfect. It starts later, has a fall break, and a shorter thanksgiving break
Like	156	It's the best option to choose from. Makes zero sense why you wouldn't add two more days to the start and end date so the kids don't go back to school until after Labor Day, like the previous years calendar options, but it's way better than having our summer ruined.

Like	295	LOVE the bit later in August start but still with a fall break!! It doesn't even get warm in Colorado anymore til mid June and the going back later in August could save some building costs on AC? I'd be fine to come back after Memorial Day for a final week.

Like	300	Maintains most holidays - but the late start in Aug shortens the fall break and pushes end of school to late in Aug
Like	301	Most preferred. Later start date, but kids get out closer to June.
Like	302	Much better start date. It is too hot outside to have the kids in school in mid-august. A post labor day or late august start is much better.

Like	415	Now we are talking! We miss so much school in August because it is the best month of the year for family vacation. So I like that it starts later, but still has a couple days for fall break. June 8 doesn't feel too late to get out as the weather still isn't that great.

Like	472	Start date is closer to September. This better aligns with the great summer weather we have and lets kids be outside to enjoy it longer. June 8 end date keeps them in school through some of the more unpredictable weather in late spring instead of sitting at home waiting for cold weather and rain to better resemble summertime. For parents who work from home like our household this is extremely important and healthier for the kids. I like that thanksgiving break is shorter because neither my wife or I get much time off that week.

Like	494	Starting later in the year and going into June
Like	495	Starting later into August allows families to maximize nice summer weather. May can be a little unpredictable with the rain and cold still. August is typically beautiful weather, which makes for nicer summer vacations.
Like	496	Starting later is kind of nice - except for those students doing sports. I like that there is less time away from school in fall - especially Thanksgiving break. That period of time between Thanksgiving and Christmas is a challenge since students have somewhat checked out after a week away in November. But in the past, when we have had shorter Thanksgiving break weeks, parents have taken their students out of school anyway, which hinders learning and ability to accomplish curriculum content for those who are in class. I would be curious how students who participate in sports would be affected by a later start and end - time management, adapting, missing out on family vacations, peers not coming to support them at games, etc.

Like	541	The only thing I liked was 1 day off in April.
Like	542	The school year starts in August.
Like	543	The short fall and Thanksgiving breaks.
Like	544	The short Oct & Nov breaks! Not starting at beginning of Aug
Like	545	The start date
Like	546	The start date and end date is ideal for kids to enjoy the summer while they are still young! I really like the shorter Fall and Thanksgiving breaks. Early June end date feels ideal to me.
Like	547	The start date and fall, winter, spring breaks.
Like	548	The start date for the school year is good and the dates and times for the breaks and holidays are good.
Like	549	The start date is amazing! I LOVE that Thanksgiving break and Christmas break are shortened!! I also really like the end date. It's perfect!!
Like	550	The start date is ok
Like	551	The start date.
Like	552	The week of spring break
Like	553	There are at least some days for fall break.
Like	554	There being a Fall Break.
Like	555	There is a fall break, although small
Like	556	There is at least 3 days off at fall break and 1 less day at Christmas break (which is too long).
Like	557	there is some time for fall break
Like	558	There was a fall break planned and a short thanksgiving break.
Like	559	This is a good calendar.
Like	560	This is by far the best of all 8 options. Later school start, later school finish (as discussed in earlier comments, May is more conducive to class time and August more conducive to break time), maintains all 4 breaks.
Like	561	THIS IS HANDS DOWN THE BEST OPTION OVER BOTH YEARS. The school year needs to start late August and end early June. That matches up with Colorado weather etc. It needs to have a fall break and as long a winter break as possible. THIS ONE IS WHAT EVERY YEAR SHOULD BE MODELED AFTER!
Like	562	This is not feedback but a question. This comes up every time a calendar survey comes out - how will this affect the timing of first semester midterm exams for high school kids? It would be helpful to know this when answering this survey. If midterm exams happen after the 2 week winter break, we're not interested.
Like	563	This is the best but why can't we start after Labor Day? The 2025/2026 calendars were better

Like	564	This is the best calendar off all options for both school years. It is a "sweet spot" between starting a little later (but not into September) and getting some of our Colorado summers back, but still keeps a short fall break. I wish there was an option like this for 2025-26 as well.
Like	565	THIS IS THE BEST CALENDAR OPTION!!! No joke, this is absolutely the greatest calendar. It starts later in August so the kids have a summer. It gives them some fall break. They have a great Christmas break, starting on the 18th so time to do Christmas stuff before Christmas. Spring break is perfect and then they go a little into June which is fine for Colorado because it's rarely warm enough to go swimming or anything summer before then. PLEASE do this calendar!!!
Like	566	This is the best choice in terms of start and end times.
Like	567	This is the best one because it starts later in August.
Like	568	This is the best one. Starts and ends on good dates and we still get three days for fall break. I,Äôd much rather start later in august and not have the full week fall break or full week Thanksgiving.
Like	569	This is THE best schedule! Starts later, gets out later, and still has spring and fall break.
Like	570	This is the closest to my preference for starting after Labor Day. I think we need to pick a time to start (after Labor Day) and stick with it. Yes we wouldn,Äôt start until almost mid September in 2026, but that,Äôs one year while setting a new standard. We can deal with it.
Like	571	This is the one CO needs in order to have a full summer break. When we start in the beginning of August, and end in May, it takes away from having the best weather for summer. Also, outdoor graduations are always iffy. My last 2 kids that graduated in 2019 and 2021, their graduations were FREEZING. Snow one year, freezing rain the next. If we don't have an indoor option, this calendar is definitely the best in ensuring outdoor graduations won't be snowing or freezing.
Like	572	THIS IS THE PERFECT CALENDAR. Starts later in August so kids can enjoy the warm weather. A shorter fall and Thanksgiving break allows vacation time without feeling like there is way too much of it for those who don't travel during the breaks.
Like	573	This is the WINNER! Would be great if this could be the schedule every year. You get later start, get out of school beginning of June. Get a bit of fall break and Thanksgiving break. LOVE this option!
Like	574	This one looks great. Start later in August, but still gives breaks during the year.
Like	575	This survey sucks
Like	576	This was my least favorite. The half week in Oct as opposed to a full week though is cool.
Like	577	This was the best. Start and end date was the best. Makes way more sense and actually enjoy the summer
Like	578	Time at Christmas

Like	581	two day Fall Break, starting Aug 26
Like	582	Ughh. again send a simplified version. Where the colors depict student non instructional time. If I were to really give my true opinion I would need to print the calendars, compare them to each other and use a magnifying glass to really grasp what all FOUR different calendars depict. Again, Lets do Better.
Like	583	Wasn,Äôt my favorite schedule.
Like	584	We appear to get a full Thanksgiving Break and we also seem to have a bit longer of a summer.
Like	585	We like that we don't have a fall break.
Like	586	We love the later August start date. we appreciate the shorter time off for Thanksgiving and the good amount of time for October break.
Like	587	We start a little later (than this year). However, there are 2 fall breaks (fall & Thanksgiving) and that is way too much up and down instructional time for elementary students--especially when we are trying to get everything wrapped up with MOY assessments just before another break!

Was there anything you didn't like about Calendar C?		
Dislike	1	super late end date
Dislike	2	- I don't see a need for a fall break. - Thanksgiving is only three days. It should be a week. - Winter break starting on a Friday. That makes work scheduling difficult.
Dislike	3	.
Dislike	4	1st semester ends in January instead of December--#1 factor in deciding schedules; No full week fall and thanksgiving breaks; ends too late in June
Dislike	5	2 days at Thanksgiving
Dislike	6	2nd semester starts after winter break which will not allow the kids to enjoy the time with the family and after 2 weeks, will affect their grades! school continue after memorial weekend which again for older kids means they need to study instead of enjoying the long weekend, and for younger kids not much of studies will happen
Dislike	7	3 day fall break, starting later in August and ending in June, not having the full week off for Thanksgiving
Dislike	8	3 day fall break. Teach work day before winter break, winter break is already long enough. 1st semester ends 2nd week of January. Only 2 student contact days the last week of school.
Dislike	9	3 days for Fall/ Thanksgiving. Late start/ late end
Dislike	10	3 instead of 5 days of fall break.
Dislike	11	A & B are strong preference. Fall break is important to families, and kids who need that mind-break mid-semester. By this time in the school year kids are struggling with burnout and exhaustion. A week gives them a little reprieve and refreshes them to finish out the semester.
Dislike	12	A little late start and end
Dislike	13	A lot- I don't want kids in school until June 8th.
Dislike	14	A shortened Fall break prevents travel. If DCSD shortens or eliminates Fall Break, it is unlikely we will remain in the district.
Dislike	15	against Fall Oct break
Dislike	16	all of it
Dislike	17	All of it
Dislike	18	All of it
Dislike	19	All of it.
Dislike	20	All of it. Not having a full fall break and a full week for thanksgiving.
Dislike	21	Although I like the longer summer, I like having a full week for fall and Thanksgiving.

Dislike	22	August start
Dislike	23	Better option than A.
Dislike	24	Better than D
Dislike	25	Both fall and Thanksgiving breaks are shorter than usual. Teachers won't bother doing productive work those weeks.
Dislike	26	breaks (fall and thanksgiving)
Dislike	27	Breaks are shortend
Dislike	28	C has school for two days before Thanksgiving and goes after Memorial Day, and has no holiday for Good Friday
Dislike	29	C starts and ends too early. It wastes energy on Air Conditioning and costs the district too much money in maintenance.
Dislike	30	Calendar C is the worst option because school doesn't end until June, yet somehow there is only 3 days off for both fall break and Thanksgiving break. I don't understand where the seat time is going. If we are in school until June, we should have ample breaks throughout the school year.
Dislike	31	Calendar C would be better if school started and ended a week earlier. Start=August 19th, End=June 1st
Dislike	32	Children wouldn't have much free time in the month of May to enjoy outside. May is the best month for a school year to end, so that the kids are not forced to spend as much time indoors during their summer breaks. If the school year ends in June, that doesn't leave them much time before the peak summer heat sets in July and August.
Dislike	33	christmas break is too long, don't need a fall break
Dislike	34	Christmas break needs to be 2 weeks. I know there is only one day on the front end of it but move that to a day off at the end of the school year to get out sooner. Same with the compensation day in May. Move that so kids would get out a day earlier.
Dislike	35	Could have moved it to start after Labor Day. Half week at Thanksgiving seems silly. Just tack the days on to June.
Dislike	36	Cuts out fall break
Dislike	37	Dates
Dislike	38	Dates are later
Dislike	39	Delete fall break and start later.
Dislike	40	Did not like only 3 days for fall break.
Dislike	41	Didn,Äôt get fall beeak
Dislike	42	Didn,Äôt have a fall break
Dislike	43	Didn't fully need Fall Break. Winter break starts too early.
Dislike	44	didn't like it

Dislike	45	Dislike that school starts late in August and goes so far into June. Really dislike having semester go past winter break-will make students and teachers have to work over break.
Dislike	46	Do not like ending school AFTER Memorial day - kids are DONE, difficult to teach.
Dislike	47	Do NOT like the abbreviated weeks for Fall and Thanksgiving breaks. Would prefer to eliminate Fall Break and have off the entire Thanksgiving break . Invariably, when there are abbreviated weeks, many families extend them to full weeks. That increases absentee rates, which puts more pressure on teachers to figure out how to manage make-up work AND get students caught up on the academics they missed. Also think that the later first/last day of school will not work well, unless all CO districts move to this schedule. For example, fall sports calendars would probably remain the same. Means that athletes will likely still have to start seasons at the same time they do now, negating the benefit of having a "longer" summer for families, coaches, etc. On the other end, many summer club sports start around Memorial Day. Those schedules likely won't change if DCSD changes its calendar. Think many students who play on summer club teams will miss time in June.
Dislike	48	Do not like the partial fall break
Dislike	49	Do not want to end in June
Dislike	50	Doesn't have a full fall break week
Dislike	51	Doesn't align with neighboring districts my children won't have the same breaks as me (teacher in neighboring district.
Dislike	52	Doesn't have full week of fall break. Would rather have full week of fall break and shorter Thanksgiving.
Dislike	53	Don't have a full week break at all in first semester
Dislike	54	Don't like June release
Dislike	55	Don't like that students go until June.
Dislike	56	Don't love ending in June, would gladly give up those few days in October for a shortened fall break in order to shorten the days in June needed for school days.
Dislike	57	Don't love June 8th end date but probably nothing that can be done given the later start date (which is preferred).
Dislike	58	Don't need fall break. Would prefer Monday / Tuesday before Thanksgiving instead .
Dislike	59	Don't have fall break
Dislike	60	DON'T LIKE THIS CALENDAR AT ALL!
Dislike	61	Don't need a fall break. Push starting after summer into September.
Dislike	62	Don't want to go to school into June

Dislike	63	Dont give us a full week for Thanksgiving, take the 23rd and 24th and add them to Fall Break! Getting a three day break in January is dumb following XMAS Break. Add it to fall break or Thanksgiving. But only take MLK off. Also, going to June is not feasible.
Dislike	64	Dont know
Dislike	65	Dont like any of the choices.. How about have a calendar that we can subscribe to that will import in our calendar of choice??
Dislike	66	Dont like the reduced fall break

Dislike	100	Fall break
Dislike	101	Fall break and getting out of school in June
Dislike	102	Fall break and Thanksgiving breaks need to be a full week.
Dislike	103	Fall break being only 3 days. And ending the school year in June. I'd rather see a five day fall break and a three day Spring break since it's cheaper to travel in the Fall.
Dislike	104	Fall Break is not nessesary, extra friday off for Winter Break.
Dislike	105	Fall break is too short
Dislike	106	fall break is too short
Dislike	107	Fall break is too short and school lasts into June.
Dislike	108	Fall break is too short, last day of school should be later instead
Dislike	109	Fall break is unnecessary
Dislike	110	Fall break should be full week and winter Break should start earlier
Dislike	111	fall break too short
Dislike	112	Fall break too short. Why can,Â they just have a later first and last day of school and keep the breaks ??
Dislike	113	Fall break wasn't a full week
Dislike	114	Fall break- would like to get rid of that completely to either add those days to have a full week off for Thanksgiving or a later start date. Fall break is not needed when you have days off for Thanksgiving a month later. Spring break not being connected to the Sunday after Easter.
Dislike	115	Fall break, remove fall break, longer thanksgiving break, last day of school needs to be before Memorial Day not in June
Dislike	116	Fall break, too many breaks on the first half of the year.
Dislike	117	finished way too late in June.

Dislike	118	Finishing in June
Dislike	119	First dy of school is too late, short fall break, out after Memorial Day
Dislike	120	Get rid fall break altogether and get out of school a little earlier. Would like to be out by end of May.
Dislike	121	Gets out too late
Dislike	122	Gets rid of fall break
Dislike	123	Getting close to being a very late start for school
Dislike	124	Getting out in June
Dislike	125	Getting out in June, shortened breaks, 1st semester will end after winter break. Not in the best interest of high school students.
Dislike	126	Getting out in June.
Dislike	127	Getting out of school June 8th
Dislike	128	Getting out so early in May.
Dislike	129	go into June
Dislike	130	Goes too far into June.
Dislike	131	Goes too far into the Summer - programs are already starting for kids, and it's hard for Summer jobs too - short fall break
Dislike	132	Goes until June.
Dislike	133	Going into June; short Thanksgiving Break - Many of us must travel to see family for the holiday. This will remove the option of being with any family for the holiday. Short Fall Break - Please consider the impacts of the October slump for teachers. Starting the school year is very busy and stressful. They are working a lot of extra time. It isn't possible to everything in our set working hours, and we cannot work 24/7, so some things must be put on the back burner for a bit. Fall break gives teachers a moment to regroup for mental health and time to catch up on paperwork, spreadsheets, assessment analysis, planning and prepping for differentiated instruction, etc. If your goal truly is to retain teachers, please refrain from shortening breaks. Maybe cut some PD days instead, because in some cases, teachers are planning and presenting at PD days. This adds to their workload instead of providing new learning for them.
Dislike	134	Going into June. I do not want to start later and end in June. The cheapest time to travel is the end of May, after Memorial Day.
Dislike	135	Going to school in June!
Dislike	136	Great calendar, nothing wrong with it.
Dislike	137	Half week for Fall & Thanksgiving breaks, ends too late

Dislike	138	Half week for fall break
Dislike	139	Half week off for Thanksgiving, Semester starts 2 weeks after winter break, school year goes into June with Spring break in Mid March leaving a long stretch of time with no break.
Dislike	140	Half week thanksgiving break
Dislike	141	Has a fall break
Dislike	142	has a fall break
Dislike	143	Hate it. Need a fall break and a full week for Thanksgiving
Dislike	144	Hated it all
Dislike	145	Having final exams in January does not fully allow students and teachers to relax over winter break.
Dislike	146	Having no breaks in the 3.5 months between mid-August and Late November.
Dislike	147	Horrible - too late to start, too late to end, no summer camp or childcare options in Colorado start/end that late
Dislike	148	horrible being and end date, no break
Dislike	149	Horrible calendar. 3 days for both fall break and thanksgiving. Are we trying to have attendance issues? If you talk to other districts who do this, there should be statistics that show this is not a good idea. Late start and late end is not a good idea either.
Dislike	150	I acknowledge the fall and thanksgiving breaks are shorter but believe it makes sense to allow a longer summer break.
Dislike	151	I am not in favor of calendars that start school later than the school district where I work because I cannot to pay for childcare, camps, etc. for kids who are starting after me in August.
Dislike	152	I did not like the 3 day fall break, but could do it seeing they start later in August.
Dislike	153	I didn,Äôt like Calendar c
Dislike	154	I didn,Äôt like the breaks. I didn,Äôt like that there wasn,Äôt a fall break. We would need one starting that early in the year. The way the breaks were set up were disappointing .
Dislike	155	I didn,Äôt not like the end date as much
Dislike	156	I didn't like anything about this option (except the start date). I don't like that the Fall Break and Thanksgiving Break are only 3 days. I don't like that the end of school is in the second week of June. This is not a good option at all.
Dislike	157	I didn't like how late the kids get out of school for summer.
Dislike	158	I didn't like School ending after Memorial Day
Dislike	159	I didn't like that we go too late into June. I also didn't like that we wouldn't get a full week off in October or November. I also believe that starting the second semester in Mid January would be difficult.
Dislike	160	I didn't like the fact that the first semester ends in January. Students won't retain as much information for Finals after Winter Break.

Dislike	161	I dislike the Christmas break dates, and end of school date in June.
Dislike	162	I dislike the long winter break. Why is there no option for a one week break? All 4 calendars only have a 2+ week break option. It is too long for working parents. There should be other options provided.
Dislike	163	I do not like Calendar C at all - least favorite. August 26 is too late to go back, and June 8th is too late for dismissal. The short Thanksgiving and short Fall Break make travel to family really challenging. Much prefer full week off for both October and November break.
Dislike	164	I do not like going until June
Dislike	165	I do not like that there is no Fall Break.
Dislike	166	I do not like that there is no fall break.
Dislike	167	I do not like the truncated breaks for fall and thanksgiving. I would prefer to go the other way-have *more* time off for these breaks, and end school later in the year (mid june is fine) to accommodate this.
Dislike	168	I do not want to have kids go to school in June!
Dislike	169	I don't like the year goes into June.
Dislike	170	I don't like getting out in June
Dislike	171	I don't like going back on 1/3 or school not ending until 6/8.
Dislike	172	I don't like how early Christmas break starts, I think most parents are trying to wrap up work stresses and holiday stresses at that time. It would be better to break closer to Christmas and extend past the New Year farther if you need to.
Dislike	173	I don't like pushing the semester start into January and feel that would negatively affect both finals and the winter break for high schoolers. I think performance would suffer and mental health because of the break being mid-semester.
Dislike	174	I don't like that fall break and thanksgiving breaks are shortened and I hate that kids would still be in school in June!
Dislike	175	I don't like that there is a Fall break when we start later
Dislike	176	I don't like that there isn't the full week off at Thanksgiving.
Dislike	177	I don't like the calendars that have school days into June.
Dislike	178	I don't like the idea of cutting down Fall Break and Thanksgiving Break to less than a whole week.
Dislike	179	I don't like the short fall break and thanksgiving break, I do not like getting done so late in June.
Dislike	180	I don't like the shortened breaks and the lengthened end of year.
Dislike	181	I don't like us ending the year in June. Too many activities start in June for summer
Dislike	182	I don't love the partial fall break, but will take it if it means starting school a little later in August
Dislike	183	I hate having a fall break.

Dislike	184	I hate kids getting out of school mid-June.
Dislike	185	I hate that first semester doesn't end until a couple weeks after Winter Break. Also, there doesn't seem to be much of a break in the fall. There is a Spring Break. I feel like there needs to be a break in the Fall.
Dislike	186	I hate that neither fall break or thanksgiving break is a full week.
Dislike	187	I like it
Dislike	188	I like that winter break is a day shorter, although I still think it's too long. I like the 4-day weekends but I'd prefer them to be Thu and Fri off instead of Fri and Mon.
Dislike	189	I like this calendar the best
Dislike	190	I liked that it started a lot later in August. I liked having all the breaks. I'd rather start later in August and go later in June. I'd like only a week from Christmas to New Years.
Dislike	191	i love but may be end may 27 is much better
Dislike	192	I love it - no issues.
Dislike	193	I prefer a shorter Thanksgiving week break. It's difficult professionally to have that entire week with kids out of school, and there isn't much to do. I'd rather distribute those extra days as longer weekends over the course of the year.
Dislike	194	I prefer a week at Thanksgiving and would rather skip an October break to have 5 days in November.
Dislike	195	I really don't like ending in June. One of the things I love is being done in May. Also if we are shorting fall break and Thanksgiving break by two days each, couldn't we come back on 1/4/27 instead of 1/3/27? My feedback related to athletics from the above question could also go here. Would we have the same student engagement if sports are in session but the rest of the student body is on vacation. Would there be the same community support?
Dislike	196	I think fall breaks are unnecessary
Dislike	197	I think it is good. If I could make one change, it would be to have a full week for fall break. I think fall breaks are much better than spring break (so I would rather have 1/2 a week for spring break). For families that can't travel because of time or finances- fall break is so much easier to get out and do things outdoors. Spring break it is much more likely to have to stay inside or pay to go do indoor activities.
Dislike	198	I think it's important to finish school by Memorial Day.
Dislike	199	I think we would go way too far into the summer, and the short fall break would create a lot of attendance issues for teachers because students will likely be travelling during that time.
Dislike	200	I want fall break.

Dislike	201	I will never understand spring break and why the calendar options never provide an option in which IT is shortened instead of fall break. Fall break is a lot easier for families of all income brackets to enjoy together whether traveling or staying local. Spring break on the other hand is very hard for lower income families if there are significant storms or weather in the area, which is often the case in CO. Why not provide a full week for fall break and just a couple days or a long week for spring break?
Dislike	202	I will not send my children to school in June
Dislike	203	I wish it would start in Sept
Dislike	204	I wish that fall break was a full week.
Dislike	205	I worry parents will go ahead and take off Monday & Tuesday if fall break is only 3 days long.
Dislike	206	I would eliminate October break and shorten Christmas break
Dislike	207	I would prefer fall break be a full week and we get out of school a couple of days later in June and maybe even start a week later
Dislike	208	I would rather have a full week off for Thanksgiving; I don't like going into the 2nd week in June. I'd rather the last day of school be June 4th
Dislike	209	I would think with the extend year the kids would have more contact days
Dislike	210	I,Äôd like to see it pushed back to after Labor Day, but overall the breaks and timeline are most preferable.
Dislike	211	I'd rather do away with fall break and have them get out earlier in June.
Dislike	212	If I changed anything, it would be to add 2 days to fall break and go two extra days into June but this calendar is awesome!
Dislike	213	If we go into June one year, we should have the later start date the next year. We should shorten the summer so there should be consistency in the 2 calendars
Dislike	214	It does not have a full week off in October.
Dislike	215	It doesn,Äôt line up with cherry creek school district.
Dislike	216	It ends too late in the year. Also, I don't like that it wasn't a full week for Thanksgiving. Giving a full week for Thanksgiving helps for families who travel (we don't, but many others do). This gives them options for driving or flying during times when EVERYONE is not competing for the road or the airplane seat.
Dislike	217	It ends too late.
Dislike	218	It goes into June. Get rid of the October break. Start later in school and get out in May. We don,Äôt need so many breaks at school. Even my kid hates all of the breaks.

Dislike	219	It goes way too late into June! Also, as a parent and teacher I prefer a full week off at fall break! I feel parents will plan week long trips during that week like they're used to and students won't be in class Monday and Tuesday, so those will be wasted learning days.
Dislike	220	It is absolutely disgusting that Douglas County does not acknowledge or celebrate Veterans day. What an embarrassment.
Dislike	221	It is not teacher friendly with the time off. I do think teachers need a full week either at Fall Break or Thanksgiving break (preference being Fall Break).
Dislike	222	It pushes the school year into mid-June
Dislike	223	It still begins too early in the summer
Dislike	224	It was the best of the group. Ideally I'd like anything that has kids start around 9/1 and get out around 6/1.
Dislike	225	It wasn't A
Dislike	226	It went into June
Dislike	227	It's the best option by far!!!
Dislike	228	It's the most dissimilar to other school districts and would make child care most difficult. We will need to leave the school district if this option is chosen.
Dislike	229	It's the only calendar that has sensible winter and spring breaks. STOP putting DCSD breaks on stupid weeks. You should be trying to line breaks up with every other major district in Colorado, and even the colleges, for that matter.
Dislike	230	its okay nothing special
Dislike	231	June 8th
Dislike	232	June 8th for the last day is too late. Late start date.
Dislike	233	June is too late.
Dislike	234	June is way too late to end the school year. Like out by end of May.
Dislike	235	Just Christmas break to be longer
Dislike	236	Kinda a late start
Dislike	237	lack of break time
Dislike	238	Lack of fall break
Dislike	239	Lacks adequate fall and thanksgiving break. LEAVE CALENDAR ALONE
Dislike	240	Last day in June
Dislike	241	Last day in June.
Dislike	242	Last day in June. -Dont need a fall break
Dislike	243	Last day of school in June

Dislike	244	Last day of school in June is way too late for summer break to start.
Dislike	245	last day of school is in June, not a whole week off for fall break or thanksgiving break
Dislike	246	Late end of school date, friday before winter break off, short thanksgiving break, friday before winter break off
Dislike	247	Late last day
Dislike	248	Late release
Dislike	249	late Spring break
Dislike	250	Late start and end dates to the year. Also, fall break is not needed.
Dislike	251	late start and end times, hate the short fall break
Dislike	252	late start and end times, short fall break
Dislike	253	Late start to second semester, short fall break and full week at Thanksgiving
Dislike	254	Late start, Late end. 3 day breaks for fall and thanksgiving, is our goal low attendance?
Dislike	255	Late start. Ends in June. Shorter Thanksgiving break. First semester does not end before winter break.
Dislike	256	Late start/end of school year. Fall Break not being a full week. Wish Fall Break starts on Mother Cabrini Day (1st Monday in October). Fall Break starts on 10/5.
Dislike	257	Later end date in June
Dislike	258	later end date, I would shorten fall break.
Dislike	259	Later end, but it looks like this is the most optimized option
Dislike	260	later start in August and shortened Fall Break
Dislike	261	Later start/end to the school year. No full week for fall break. A lot of families I know travel because the weather is good and will likely want to take the Monday/Tuesday off. Although we don't travel for Thanksgiving, many families do and a short break is not ideal.
Dislike	262	Length of Christmas break.
Dislike	263	Length of days in June, shorter breaks.
Dislike	264	Let,Äôs put too late in June.
Dislike	265	Liked most of it
Dislike	266	Longer Christmas break.
Dislike	267	Losing fall break
Dislike	268	lots! too late to start, no fall break or thanksgiving break week, out too late in june
Dislike	269	Make fall break full week and shorten thanksgiving break by two days
Dislike	270	make Oct break a full week and Thanksgiving break only 2-3 days; Spring break is too late (move 1 week earlier); don't need Dec 19 & Jan 5 off (parents back at work anyway)

Dislike	271	May be adding additional day or two holidays to start late first week of Jan will be good
Dislike	272	Most of it
Dislike	273	Most of it is rough...1/2 week breaks are not effective (Fall Break & Thanksgiving) Getting out in June isn't preferred
Dislike	274	Move spring break to the following week where it is actually in spring and not a second winter break.
Dislike	275	Much later school year start and no reason to be in school in June. Short fall break and Thanksgiving break should be the entire week or else attendance decreases
Dislike	276	Need a 4 day weekend in October at least
Dislike	277	need fall break
Dislike	278	No break with an early start date
Dislike	279	No fall break
Dislike	280	No fall break
Dislike	281	No fall break
Dislike	282	no fall break
Dislike	283	No fall break
Dislike	284	No fall break
Dislike	285	No fall break
Dislike	286	no fall break
Dislike	287	No fall break
Dislike	288	No fall break
Dislike	289	No fall break
Dislike	290	No Fall Break
Dislike	291	No fall break
Dislike	292	No fall break
Dislike	293	No fall break
Dislike	294	No fall break
Dislike	295	No fall break
Dislike	296	No fall break and short Thanksgiving break.
Dislike	297	No fall break, late end date
Dislike	298	no fall break, no thanksgiving break
Dislike	299	no fall break, start and end day
Dislike	300	No fall break!

Dislike	301	No fall break. Later end date.
Dislike	302	No fall break. Too late start time
Dislike	303	No full fall break
Dislike	304	No full fall break and school went into June. Like to finish before Memorial Day.
Dislike	305	No full fall break or Thanksgiving break.
Dislike	306	No full week for fall break. Semester does not end before Christmas.
Dislike	307	No full week off in the fall - makes it harder for families to plan vacations that don't impact child's time away from school. Classes continue into June - makes it difficult when many camp/childcare options for summer begin at the start of June.
Dislike	308	No it,Âs perfect
Dislike	309	No need for a Fall Break. Thus, Thanksgiving Break could be longer and Winter Break could be longer.
Dislike	310	No need for fall break
Dislike	311	No Week Long Fall Break
Dislike	312	No week-long break in the fall.
Dislike	313	No, its great!
Dislike	314	No.
Dislike	315	No. Loved it
Dislike	316	No. This option is perfect.
Dislike	317	NOBODY wants to go to school in June
Dislike	318	None
Dislike	319	None, we like it best
Dislike	320	Nope
Dislike	321	Nope
Dislike	322	Nope
Dislike	323	Nope
Dislike	324	Nope, great option.
Dislike	325	Nope, it's perfect! PLEASE CO people! We need to figure this out!! We can change from tradition and ensure more summer weather and better outdoor graduations!
Dislike	326	Nope!
Dislike	327	Nope!
Dislike	328	Nope.

Dislike	329	nope.
Dislike	330	not a full fall break
Dislike	331	Not a full fall break, hard pass.
Dislike	332	Not a full Thanksgiving week off
Dislike	333	Not a full week break for Thanksgiving, Not a work day for teachers after coming back from Winter break
Dislike	334	not a full week for fall break
Dislike	335	Not a full week for fall break
Dislike	336	Not a full week for Fall Break
Dislike	337	Not a full week for Fall Break
Dislike	338	not a full week for fall break or Thanksgiving break leading to many families taking the whole week making many students miss teaching that often cannot be replicated (as any school day), work day in January is not the first day back from winter break, first day of the second semester is not the week right after winter break
Dislike	339	Not a full week for thanksgiving break or fall break; I don't like teacher work days before breaks like Dec 18th; I would rather end school on a Friday and not go into the 2nd week of June
Dislike	340	Not a full week for Thanksgiving or Fall Break
Dislike	341	Not a full week for Thanksgiving, fall breaks
Dislike	342	Not a full week of fall break or Thanksgiving break
Dislike	343	Not a full week of fall break.
Dislike	344	Not a full week off at Thanksgiving
Dislike	345	Not a full week off for fall break. Not a full week off for Thanksgiving.
Dislike	346	Not a lot
Dislike	347	Not enough days of school.
Dislike	348	Not full weeks off at BOTH fall break and Thanksgiving and going past Memorial Day
Dislike	349	Not having a full week for either fall break or Thanksgiving
Dislike	350	Not having a full week for Fall Break Not having a full week for Thanksgiving break End date in June
Dislike	351	Not having a full week off for Fall Break. Families travel a lot during this time and parents will call their students out for the full week anyways to travel and then we will have to get the students caught up.
Dislike	352	NOT having a WD immediately after winter break.
Dislike	353	Not having full weeks for breaks. The ending date that late in June is garbage.
Dislike	354	not really
Dislike	355	Not really!

Dislike	356	Not to have fall break
Dislike	357	Nothing - we like this one
Dislike	358	Nothing really
Dislike	359	Nothing that I,Ãm not willing to give up
Dislike	360	Nothing! Calendar C is ideal
Dislike	361	Nothing. It's exactly what I would have wanted.
Dislike	362	October break, only half week Thanksgiving break
Dislike	363	October Fall Break is unnecessary and shortens summer break.
Dislike	364	Ok option
Dislike	365	Open-Ended Response
Dislike	366	Out in June is late, so would have to adjust quarters.
Dislike	367	Overall would prefer a shorter winter break and overall would recommend the calendars be consistent, e.g. don't do this: have a fall break one year and then no fall break the next.
Dislike	368	Partial Fall Break and June end date
Dislike	369	Partial fall break, June end date, partial Thanksgiving break
Dislike	370	PD day in September is too close to start date, maybe a week later or move to Oct. 19 so families feel they have a longer break.
Dislike	371	Prefer one break in the fall rather than 2.
Dislike	372	Presence of fall break, late end date
Dislike	373	Restore Fall Break to 5 days!
Dislike	374	Return too early from winter break.
Dislike	375	Returning Jan 5 instead of Jan 2 from winter break due to work
Dislike	376	School ends far too late.
Dislike	377	school ends to late
Dislike	378	School ends way too late. Should end by 6/1.
Dislike	379	School gets done too late.
Dislike	380	school gets out much too late in the year
Dislike	381	School getting out in June, that's a bit late I think. Also the short Thanksgiving break, we should have a week here.
Dislike	382	school goes into June which is a no-no, start date is too late in August, eliminating this late start in August could give back days for fall break and Thanksgiving break??
Dislike	383	School must end before June.

Dislike	384	School starts late, fall break is too short, Thanksgiving break is too short and they get out after Memorial Day
Dislike	385	School year ending in June. This is way too late and would interfere with camps and vacation we have annually during that time.
Dislike	386	school year ends really late in the year
Dislike	387	Second semester starting after Winter Break, students finish after Memorial Day
Dislike	388	Second semester starts to long after XMAS, still has a fall break,
Dislike	389	Second week of August is too early. It would be better to start the third week of August and end a week later in May.
Dislike	390	See above. Teaching in June is not okay with me.
Dislike	391	short fall break
Dislike	392	Short fall break
Dislike	393	Short fall break
Dislike	394	short fall break
Dislike	395	Short fall break
Dislike	396	Short fall break Short Thanksgiving break Semester ends after winter holiday-too hard for high school students with finals School ends in June
Dislike	397	short Fall Break & Thanksgiving Break, delayed 2nd semester start, June last day of school
Dislike	398	short fall break and ends too late
Dislike	399	Short fall break AND short thanksgiving
Dislike	400	short fall break and thanksgiving break
Dislike	401	Short Fall Break and Thanksgiving break
Dislike	402	short fall break and too long winter break
Dislike	403	Short fall break is bad. Short Thanksgiving break is bad.
Dislike	404	short fall break--why not all week?
Dislike	405	short fall break, get's out too late in the summer
Dislike	406	Short fall break, late end date
Dislike	407	Short fall break, out late for last day
Dislike	408	short fall break, parents will take kids out because they are used to a full week
Dislike	409	Short fall break, short Thanksgiving break, gap between long break and start of 2nd semester
Dislike	410	short fall break, short thanksgiving break, shortened winter break, end date way too late
Dislike	411	Short fall break.
Dislike	412	Short fall break.

Dislike	413	Short fall breaks
Dislike	414	Short Spring break
Dislike	415	Short thanksgiving
Dislike	416	short Thanksgiving break,
Dislike	417	Short Thanksgiving break.
Dislike	418	Short thanksgiving. Would rather go further into June.
Dislike	419	Shorten Winter Break by 1-2 days to extended Fall Break. But overall, this calendar is pretty good!
Dislike	420	Shortened fall and Thanksgiving break. Who hurt you?
Dislike	421	Shortened Fall and Thanksgiving Breaks
Dislike	422	Shortened fall break
Dislike	423	Shortened fall break
Dislike	424	shortened fall break and Thanksgiving break
Dislike	425	Shortened fall break, shortened thanksgiving break and end day
Dislike	426	Shortened fall break, shortened thanksgiving break, gets our way too late in June
Dislike	427	shortened fall break, shortened Thanksgiving break, shortened holiday break
Dislike	428	Shortened fall break. School doesn't end until June
Dislike	429	Shorter breaks aren't ideal
Dislike	430	Shorter fall and Thanksgiving break
Dislike	431	Shorter fall and Thanksgiving break and we go into June. I think staff and students should have breaks during the year. Losing a few days in the summer isn't really noticeable.
Dislike	432	Shorter fall break
Dislike	433	Shorter fall break
Dislike	434	Shorter fall break
Dislike	435	shorter fall break
Dislike	436	shorter fall break and Thanksgiving break, both
Dislike	437	Shorter fall break is no good.
Dislike	438	shorter fall break, later end to school year
Dislike	439	shorter fall break, not done by Memorial Day
Dislike	440	Shorter fall break, shorter Thanksgiving break, shorter winter break, and the end of the school year ends a week into June.
Dislike	441	shorter Thanksgiving break

Dislike	442	Shorter Thanksgiving break (a lot of families need those extra days because they travel); return from winter break a day earlier; last day is later than I would prefer (I'd like to be out by June 1)
Dislike	443	shorter Thanksgiving break, but good with this overall
Dislike	444	Shorter Thanksgiving break. Half of kids will skip the entire week of school
Dislike	445	Shorter winter break
Dislike	446	Some of the breaks were shorter.
Dislike	447	Spring break should be later in the year. Please stop catering to skiers by having such an early Spring break. A lot of people don't ski and would prefer a later spring break where we can go somewhere warm with warmer temperatures. I would prefer a spring break that was in April.
Dislike	448	Start & End dates - why not start Aug 24 and end June 4???
Dislike	449	start and end dates, too short fall break
Dislike	450	Start and end too late
Dislike	451	Start and end too late.
Dislike	452	Start and finish too late Spring break is too early
Dislike	453	Start date
Dislike	454	Start date
Dislike	455	Start date in August a little late. Short Fall break is sad. School in June just sucks and no kid here wants to be doing that! Its summer break.
Dislike	456	Start date should be post labor day. The interruption of the Labor Day holiday takes kids who are just getting into the flow of the new school year out of their rhythm.
Dislike	457	Start date, end date, break schedule.
Dislike	458	Start in August AND end in June...please.
Dislike	459	start time
Dislike	460	Start too early. Why not start on 8/19 or 8/24 and get out on 5/28. Scrap the random days off before and after winter break, before spring break, and the other random 3/4 day weekends, like in September and April.
Dislike	461	Start too late and get out too late no work day after the winter holiday--this is VERY VERY hard for teachers as most of us come back to work before break is over shortened fall break
Dislike	462	Start/end dates, only 3 days for fall and Thanksgiving breaks.
Dislike	463	starting a new semester in January (a couple weeks after break) can be a bit challenging, but I think that could be ironed out and be done intentionally with staff/classes
Dislike	464	Starting later and ending in June after Memorial day

Dislike	465	Starting time is still a little early
Dislike	466	Starting too late in August, no full week fall break, no full week Thanksgiving Break, no PD day to start the semester in January (extremely helpful), and I definitely don't want to go into June!
Dislike	467	Starts and ends too late
Dislike	468	Starts so late in August. And ends well into June. All breaks except spring break are shorter.
Dislike	469	Starts too early
Dislike	470	Starts too early
Dislike	471	Starts too late, gets out too late, short Fall break.
Dislike	472	Starts too late, not a full week break for thanksgiving.
Dislike	473	Starts too late. Particularly the first summer switching to that start date, there would be a lot of regression in learning with such a big gap.
Dislike	474	Starts way too late and gets out way too late
Dislike	475	Starts WAY too late in August and January (don't go back until 1/19!!!). It's VERY hard for working (and stay at home) parents to have kids home for a whole month for winter break. It is also too long for kids because it makes it harder to get them back into the swing of things for school. However, the calendar crosswalk says Winter Break ends 1/3 - so not sure which one is right???? Also goes WAY too late into June
Dislike	476	Still has a fall break
Dislike	477	Still has a fall break.
Dislike	478	Still start and ending earlier than I,Äôd like but much better
Dislike	479	Still starting in August. Why do we have to start in mid August just for a fall break? can't we do a later start, fall break is not a normal break to have having lived in other states.
Dislike	480	Still starts pretty early but best of the 4 choices
Dislike	481	Summer could be longer
Dislike	482	Terrible Second Semester start date. School going into June.
Dislike	483	thanksgiving too short
Dislike	484	That they don,Äôt get a Fall Break.
Dislike	485	The August 13th start date. I would like to start later in the summer, preferably September. August is the perfect time for swimming and camping. June is cooler in the mountains.
Dislike	486	The end date being in June is awful and is not something I like at all.
Dislike	487	The end date is not desirable.
Dislike	488	The fact that it,Äôs even an option. This calendar is insanity.

Dislike	489	The fall break and the Thanksgiving break were too short and we get out really late
Dislike	490	The fall break was short.
Dislike	491	The kids are still getting way too many days off school. The time off in October is not necessary- they just started the school year. I'd prefer the school year start in September and end in June. It makes the most sense with the weather patterns in Colorado.
Dislike	492	The last day of school, fall break and the inconsistency from the previous school year.
Dislike	493	The late start and end dates, the shortened breaks - all bad
Dislike	494	The late start and late end date.
Dislike	495	The late start date will negatively impact AP classes -- contact days BEFORE the AP Exam will be lost making it difficult to cover all content, thus making a challenging exam even more difficult for students.
Dislike	496	The late start in Aug shortens the fall break and pushes end of school to late in Aug. A half week of Fall Break leaves it only as a long weekend and hinders trips/vacations. We need a break at that stage of the year.
Dislike	497	The late start of Calendar C is problematic with respect to childcare - most summer camps do not run all the way through August, which is a problem for working parents.
Dislike	498	The late start! A lot of us depend on college students for childcare over the summer and they have already returned to class.
Dislike	499	The length of Christmas break.
Dislike	500	The long Winter Break.
Dislike	501	The only thing I,Äd say is that if fall break and winter break were extended slightly and it ended a few days earlier, that could be a tweak but seriously this calendar is easily the best of the options for either year and I,Äve talked to so many parents that agree.
Dislike	502	The rest of it
Dislike	503	The school year starts too late, there are only 3 days in fall break and the school year goes to June.
Dislike	504	The short fall break is weird. Just start August 24 and then do a full Fall break. The kids can go to a full week their first week... teachers would actually appreciate doing their planning the week before with a weekend in between probably. Or...just go through June 10 instead of June 8.
Dislike	505	The shortened Fall Break, and shortened Winter Break. As the caregiver for a special needs child, these breaks give my child the opportunity to rest and renew before returning to the routine of school.
Dislike	506	The start and end dates are late
Dislike	507	The start and ending dates for school are too late and doesn't mirror other counties. Fall break is also too short and winter break is cut down by a day.

Dislike	508	The start date is way too late in August and makes the end dates too late into the summer. Fall break is only 3 days long which isn't enough. Thanksgiving break is also only 3 days long which is again not enough, especially for a holiday as important as Thanksgiving.
Dislike	509	The start date is way too late into August and throws off the entire year. Short fall break is no good. The last day of school is in June which is awful. June is terrible time to end.
Dislike	510	The start time in August is too late and I would prefer school not extend after memorial day
Dislike	511	The whole thing
Dislike	512	There are still 2 "fall breaks" and we get out after the end of May. I would prefer 1 fall break, start slightly later in August, and get out at the end of May.
Dislike	513	There was no Fall break. It is way too long from start of school all the way until Thanksgiving
Dislike	514	There was really any breaks for the last 3 months of school.
Dislike	515	They don't get out of school until June
Dislike	516	This is a terrible calendar. The partial weeks off for break will lead to tons of kids being gone the other part of the week leading the instructional time to not be useful for the kids that are there. It also starts and ends too late
Dislike	517	This one is terrible. Gets out in June. Only 2 days Thanksgiving break. Only 3 days thanksgiving break. Terrible
Dislike	518	This survey sucks
Dislike	519	This was my least favorite. The school start date being so late in August means there will be at least two weeks of no summer camps and no child care. The late end in June means it cuts into summer camps and summer child care. Wish the June end would end by June 4.
Dislike	520	Three day fall break, first semester doesn't end until after winter break...who wants to study over Christmas break? I never had to do this growing up here...
Dislike	521	To early start
Dislike	522	To early start and end date
Dislike	523	to late start time and shortened fall break
Dislike	524	Too early and first and last day
Dislike	525	Too far into June.
Dislike	526	too late of a start and late out
Dislike	527	too late of a start, prefer full week off for fall break and Thanksgiving, too late to get out for summer
Dislike	528	Too late of end of school date
Dislike	529	Too late of start. Too late of finish. No full fall break. No full thanksgiving week.
Dislike	530	too much time off in oct

Dislike	531	Too short for fall and Thanksgiving breaks
Dislike	532	Ughh. again send a simplified version. Where the colors depict student non instructional time. If I were to really give my true opinion I would need to print the calendars, compare them to each other and use a magnifying glass to really grasp what all FOUR different calendars depict. Again, Lets do Better.
Dislike	533	Useless Fall Break - too short to travel. Very late start date and late end, takes away all the advantages that the DCSD has traditionally provided when traveling to see family and other locations. Travel expenses go up by hundreds of dollars each direction. Crowds increase. Everything is worse.
Dislike	534	VERY concerned about finals after winter break.
Dislike	535	way too late of start; does this impact finals testing? would be good to call that out somewhere in the calendar comparison; way too late to end.
Dislike	536	way too late to get out for summer
Dislike	537	We do not get the full week off for Thanksgiving.
Dislike	538	we don't like having 2 weeks plus off for winter break in December and January.
Dislike	539	We don't need Fall break, just let the kids go back later or end sooner. Shorten the year instead of adding in days that families can't use.
Dislike	540	We end a little late, but not too bad
Dislike	541	We lose part of our Fall Break.
Dislike	542	We need 2 weeks at Fall, 1 full Week at Thanksgiving, 2 weeks for winter, and 2 weeks for Spring break. It allows people to travel.
Dislike	543	Went late
Dislike	544	Why are you extending the school year into June, and still having them back in August? It is much easier as a working parent to deal with a longer summer break, and less weird days off during the school year.
Dislike	545	Why did you screw up the ordering of the start dates from 25/6 to 26/27? Why don't you mirror the schedules? You are creating confusion for people and not allowing us to pick a representative schedule. So in this case, if we want a reasonable later start date, we HAVE to be on board with a fall break? This feels like whoever created this is purposefully trying to make this confusing for everyone who wants to start later. This is not rocket science - you need to create an equitable survey for true results.
Dislike	546	Why do you not simply push the end of school to June 10th and give people the full week for fall break. Then this option would be perfect.
Dislike	547	Why take away fall break?
Dislike	548	Why would we have them forego fall break and keep the start and stop the same?

Dislike	549	Winter break dates: I would prefer a date closer to Christmas and extending more into January.
Dislike	550	Winter break too long.
Dislike	551	wish it started after labor day
Dislike	552	wish there was no fall break (10 14-16) and instead a longer thanksgiving break.
Dislike	553	Without a full fall break, families will take those other two days off anyway. Staff will want to as well, which puts schools in a difficult position.
Dislike	554	Worst option
Dislike	555	would be okay with full week at Thanksgiving and going two days later in June
Dislike	556	Would like a full week of Fall break. You can shorten Thanksgiving. Ends too late
Dislike	557	Would love for it to start school after Labor Day.
Dislike	558	WOULD MISS FALL BREAK
Dislike	559	Would prefer start after Labor Day and don't need a Fall Break so could go longer in summer.
Dislike	560	Would sacrifice two days off of Thanksgiving for a full Fall Break.
Dislike	561	YESS!!!! We start later finally!!!! We need more August summer time! Its hot and more expensive to keep the schools open. May/June is always raining and cool so being in school is not too bad. I LOVE the late start!
Dislike	562	You still kept fall break

Like/Dislike	Comment #	What did you like about Calendar D?
Like	1	A later start at the beginning of the year and no October week
Like	2	A little later start and later end.
Like	3	a little later start, no Fall break, full week Thanksgiving break
Like	4	A longer Thanksgiving Break
Like	5	A option like this would be my first choice for 25-26 yr. Later start but not too late, later end but not too late. A change but not so much it,Ãs a challenger.
Like	6	A slightly later start date.
Like	7	ABSOLUTELY LOVE THE SEPTEMBER START
Like	8	Absolutely nothing. It's terrible.
Like	9	Again I think this is the best option to take advantage of the weather and when the rest of the country is on summer break so it's easier to travel. Sending kids and teachers to school in the beginning of school is miserable. It is our hottest month - why are we wasting money pumping the AC when they could be at the pool with friends? It just doesn't make any sense.
Like	10	Again, a week off for Thanksgiving is absurd, especially joined with any sort of fall break (half week or full week), and a huge Christmas break. Thanksgiving is one single meal on one single day.
Like	11	All of it - Start dates, end dates, appropriate breaks
Like	12	As a household with both parents working full-time, it's very difficult to balance childcare with all of the breaks during the school year. So I really like how Calendar D eliminates Fall Break and gives a longer Thanksgiving break.
Like	13	August 19 start date is more reasonable.
Like	14	August is one of the warmest months and perfect for vacationing, so I like the idea of starting at the end of August. Also, it doesn't get warm here until the middle of June, so the first few weeks of summer on the current schedule have typically been cool and wet, whereas August is much better weather to enjoy outdoor summer activities. I started my teaching career in Boston and we had a similar schedule to the D calendar and it allowed for a better summer break.

Like	48	Finally no Fall Break, latter start date in August and get out the same time as calendar A

Like	49	Finish before Memorial Day. As with all others starting later into August or September, this is worthless to families who have kids in fall sports. They have to be around and reporting to practice so there is no benefit to family time to start school later.
Like	50	first day of school is not a Monday, full week off for Thanksgiving, last day of school is before Memorial Day, the January 4th work day right after winter break and I assume the day after is the first day of the second semester (Jan. 5 is not shaded)

Like	121	I like the begin date of August 19, and the end date

Like	142	i love but may be end may 27 is much better
Like	143	I love everything about calendar D! And if all my kids were in DCSD still, I would definitely vote for it! I LOVE the late start and end dates and would easily give up fall break. But I have two college students now and their schedules line up more with calendar B or C.
Like	144	I love that the start date is later than usual but we still finish before Memorial Day.
Like	145	I love the extended summer allowed to kids in August.
Like	146	I love the idea of having a traditional summer break (Memorial day to Labor day). It lets the kids enjoy the actual summer months! I also like the idea of not having a fall break. Like	267	Love the start and end dates. Appreciate no fall break!
Like	268	Love this! Had this timeline when I was in school in California! Allows the kids to still be in school during cold May and then get out when the weather finally turns nice in Colorado. They have more time to be outside and be kids. Pools are still open in August and we can still travel during the hottest time of the year. Not sure why we send them back in hot August so deal with walking and playing in the heat.

Like	458	That it starts later.
Like	459	That it still ends the year in May
Like	460	That we start later in August.
Like	461	The full week at Thanksgiving allows for travel. The later date prior to Christmas break is just fine to allow a later start date.
Like	462	The late August start is perfect. I also really like less days off during the year and spreading them around some.

Like	494	The very late start date and shortened winter break and the dates for Thanksgiving.
Like	495	The week long break in October being removed.
Like	496	There is not much I like about this calendar.
Like	497	There wasn't anything I really liked about calendar D.
Like	498	They still start in August and get out before Memorial Day

Like	499	This is not feedback but a question. This comes up every time a calendar survey comes out - how will this affect the timing of first semester midterm exams for high school kids? It would be helpful to know this when answering this survey. If midterm exams happen after the 2 week winter break, we're not interested.
Like	500	This is the best calendar option we've seen in three years. The later start date allows our family to finish camps and have time together at the end of summer, and puts less pressure on us as parents to take so many vacation days between October-December
Like	501	This is the next best due to the little later return to school date, Aug. 19th.
Like	502	This is the option we've been waiting for every year (almost)! One week later start. BUT, we could still have fall break and then just get out one week later. Why isn't that an option? Is it because you know people won't choose this because they want fall break? Why can't we have this schedule, with fall break and a June 8th end of school date?
Like	503	this one is good - removal of fall break makes sense to me.
Like	504	This survey sucks
Like	505	Ughh. again send a simplified version. Where the colors depict student non instructional time. If I were to really give my true opinion I would need to print the calendars, compare them to each other and use a magnifying glass to really grasp what all FOUR different calendars depict. Again, Lets do Better.
Like	506	we appreciate the late August start date.
Like	507	We get a longer summer. Love that.

Like	517	Start date -no fall break -Thanksgiving is a whole week. -Winter break Starts on a Monday -End date

Was there anything you didn't like about Calendar D		
Dislike	1	1st day of school is to early, start after labor day
Dislike	2	1st semester ends in January instead of December--#1 factor in deciding schedules; No fall break;
Dislike	3	1st Semester ends mid January.
Dislike	4	2nd semester begins weeks after XMAS break.
Dislike	5	2nd semester starts after winter break which will not allow the kids to enjoy the time with the family and after 2 weeks, will affect their grades! no fall break
Dislike	6	A & B are strong preference. Fall break is important to families, and kids who need that mind-break mid-semester. By this time in the school year kids are struggling with burnout and exhaustion. A week gives them a little reprieve and refreshes them to finish out the semester.
Dislike	7	A day or two for fall break is nice
Dislike	8	A long weekend for a Fall Break and a shorter Thanksgiving Break (split a week between Fall Break (a Friday and a Monday in addition to a weekend), and a three-day Thanksgiving Break). A bit of a break is needed between early September and late November, for both students and staff.
Dislike	9	A lot- No fall break the biggest.
Dislike	10	absence of a fall break
Dislike	11	Add a long weekend in October.
Dislike	12	Again with the lack of a fall break, just why?
Dislike	13	Again, we need to start later in the summer to prevent uncomfortable classrooms in the heat of early August and allow families to have some summer time for events, travel, camps, etc., and get out of school during first weeks of June, avoiding these terrible frozen May graduation memories. Adapt these calendars to our families and Colorado weather, rather than extended breaks during the school year.
Dislike	14	All
Dislike	15	all of it
Dislike	16	all of it
Dislike	17	All of it
Dislike	18	All of it
Dislike	19	All of it.
Dislike	20	All of it.
Dislike	21	Although it starts later in August, it is still too early in my opinion.

Dislike	22	As a parent and teacher I prefer a week long fall break!
Dislike	23	August 19 start (though it's better than August 12), full week for Thanksgiving
Dislike	24	August 19, is better than the beginning of August but would still like to see it after Labor Day. Loved that there was no fall break.
Dislike	25	August start.
Dislike	26	Best option to date.
Dislike	27	Better than c
Dislike	28	bit late of a start date
Dislike	29	Breaks are consolidated.
Dislike	30	but you need a long weekend for fall and thanksgiving break instead of nothing and a week.
Dislike	31	Calendar D is the best choice
Dislike	32	Christmas break starts too late, no fall break. Thanksgiving break is too long.
Dislike	33	Could have taking the two days from thanks giving to make a small fall break and this would be the perfect calendar!!!
Dislike	34	could start a week later for me
Dislike	35	D has no fall break at all and no holiday for Good Friday (Are you getting the point here? Good Friday must have a high rate of absenteeism for both staff and students. It wouldn't be hard to schedule a comp day to alleviate that.)
Dislike	36	D starts and ends too early. It wastes energy on Air Conditioning and costs the district too much money in maintenance.
Dislike	37	Did not like no fall break.
Dislike	38	Did not like not having a fall break.
Dislike	39	Dislike that it starts late in August, there are no breaks for teachers until fall break, really dislike that semester goes past winter break- students and teachers will have to work over break
Dislike	40	Dislike week of Spring Break. Wish one of the proposed calendars included dates for the final full week of March.
Dislike	41	Do not get rid of fall break!
Dislike	42	do not like not having a fall break, full week of thanksgiving break. Prefer Fall Break over week long Thanksgiving break.
Dislike	43	Do not take away Fall Break, it will create burnout for teachers and students.
Dislike	44	Doesn't align with neighboring districts my children won't have the same breaks as me (teacher in neighboring district.
Dislike	45	Doesn't have full week of fall break. Would rather have full week of fall break and shorter Thanksgiving.
Dislike	46	Doesn't make sense to start mid Aug and go that late in June when there's no Oct break.

Dislike	47	Don,Äôt get fall break
Dislike	48	Don,Äôt like no fall break and other breaks are too short
Dislike	49	Don,Äôt like September to June
Dislike	50	DON'T LIKE THIS CALENDAR AT ALL!
Dislike	51	Don't take out Fall Break! Since it's already a short summer and the Fall weather is better than Spring, why would you take out that break? Families deserve to travel & be together!
Dislike	52	Dont give us a full week for Thanksgiving, take the 23rd and 24th and add them to Fall Break! Getting a two day break in January is dumb following XMAS Break. Add it to fall break / Thanksgiving / take off the end of the year. But only take MLK off. Like to be out by May 26th.
Dislike	53	Dont like any of the choices.. How about have a calendar that we can subscribe to that will import in our calendar of choice??
Dislike	54	DougCo's week long Fall Break is a wonderful perk of being in this district. Please don't consider discontinuing it. School in June is better than not having a fall break.
Dislike	55	Early Aug start, full week for Thanksgiving
Dislike	56	Early spring break
Dislike	57	Eliminates fall break.
Dislike	58	Eliminating Fall Break entirely
Dislike	59	Elimination of fall break
Dislike	60	End date
Dislike	61	end date, no fall break, too long of a thanksgiving break
Dislike	62	End day is late
Dislike	63	End on 5/28 and go back on 1/4 to give kids a 2-day fall break. Maybe take a day from Thanksgiving week? Fall break is nice even if it,Äôs a short one
Dislike	64	End really late and don't have fall break
Dislike	65	Ends enirely too late!! Why!?!? Hated going til June 11. Why not have option of Starting August 19 or 20, have fall break Oct 20 and get out June 3. Would still accomplish all the days needed but give families a full summer. Shifting the dates really matters!!!!
Dislike	66	Ends too late
Dislike	67	Ends way too late
Dislike	68	Ends way too late.
Dislike	69	everything

Dislike	70	Everything
Dislike	71	Everything
Dislike	72	Everything
Dislike	73	Everything
Dislike	74	Everything
Dislike	75	Everything
Dislike	76	Everything else. No fall break?
Dislike	77	Everything!
Dislike	78	EVERYTHING. It is ghastly. You replace October Break with a PD DAY?! The best break in the school year is replaced by the worst days of the school year?! Is this a sick joke?! Sure, we start later and end at the same time as A and B, but you have taken away a break that keeps staff/student sanity.
Dislike	79	Everything. No Fall Break?
Dislike	80	Everything. This calendar does not meet our family's needs.
Dislike	81	Fall break
Dislike	82	Fall break is missing!!
Dislike	83	Fall Break is missing.
Dislike	84	fall break is too short.
Dislike	85	Fall break isn't included. Winter break is shortened by 3 days.
Dislike	86	Fall break should be full week and winter Break should start earlier
Dislike	87	Fall is too long without a short break.
Dislike	88	First semester ends after winter break.
Dislike	89	Full week for Thanksgiving and no fall break.
Dislike	90	Gets rid of fall break
Dislike	91	Getting rid of fall break
Dislike	92	Goes a little too late into June for finishing up.
Dislike	93	Goes back WAY too late in January (calendar says 1/21, but crosswalk says 1/4 - so if it is 1/21 that is TOO LONG). Parents DO NOT want students home for a month for break, and it is then harder for students to get back into the routine of school.
Dislike	94	Going into the second week of June is too long. The school year should be Labor day to Memorial Day.
Dislike	95	Greatly dislike that there is not an option for later start date.
Dislike	96	HATE FINISHING IN JUNE

Dislike	97	Hate it. Need a fall break and a full week for Thanksgiving
Dislike	98	hate that there's no fall break
Dislike	99	Hated it all
Dislike	100	Having a full week for thanksgiving.
Dislike	101	Having final exams in January does not fully allow students and teachers to relax over winter break. Also, there is no break at all for staff in October.
Dislike	102	horrible being and end date, no break
Dislike	103	How late the kids would be starting and ending school.
Dislike	104	I did not like the lack of a fall break.
Dislike	105	I did not like this calendar
Dislike	106	I did not like this calendar because I starting a lot later in August. I liked having Fall and Spring the breaks. I'd rather start later in August and go later in June. I'd like only a week from Christmas to New Years.
Dislike	107	I didn't like that it only gives 1 day for Fall break. Spring break should be later in the year. Please stop catering to skiers by having such an early Spring break. A lot of people don't ski and would prefer a later spring break where we can go somewhere warm with warmer temperatures. I would prefer a spring break that was in April.
Dislike	108	I didn't like that there wasn't a fall break and the shorter winter break, but I understand that would need to happen to start later and to be out prior to Memorial Day.
Dislike	109	I didn't like that we don't have a break in October.
Dislike	110	I didn't like the fact that there is only one day off in October.
Dislike	111	I dislike the long winter break. Why is there no option for a one week break? All 4 calendars only have a 2+ week break option. It is too long for working parents. There should be other options provided.
Dislike	112	I do not like no fall break
Dislike	113	I do not like that there is only one day for fall break. I also don't like that all of the long weekends fall on holidays where places are busier. I would rather have a shortened Thanksgiving break and longer Fall Break.
Dislike	114	I do not like the complete lack of a fall break, nor do I like the truncated thanksgiving break. I would prefer the fall and spring breaks be LONGER, not shortened or eliminated.
Dislike	115	I do not like the idea of eliminating Fall Break in Ocotober.
Dislike	116	I do not like the idea of going into June as well as not having a Fall Break.
Dislike	117	I do not like this calendar.
Dislike	118	I don't like not having fall break.
Dislike	119	I don't like that fall break is gone.

Dislike	120	I don't like that there is no fall break and that we go to school until 12/22/27. Related to fall break, usually both staff and students need a break at that point of the semester, plus it allows struggling students a catch-up and reset going into 2nd quarter.
Dislike	121	I don't like that there is not a fall break.
Dislike	122	I don't want to go into June, or have finals after winter break.
Dislike	123	I don't care for Calendar D. I don't like that they start late in August. I really dislike that there is no Fall Break. Much prefer a full week off in October.
Dislike	124	I don't like having nothing for fall break. I don't like the full week of Thanksgiving off.
Dislike	125	I don't like that there is no fall break and winter break is too short.
Dislike	126	I don't like that there is no Fall Break at all.
Dislike	127	I don't like that there is no fall break in October for Calendar D.
Dislike	128	I don't like that there is no fall break.
Dislike	129	I don't like that there is no October fall break.
Dislike	130	I don't like the elimination of the fall break instead of extending school into June, or starting later in August.
Dislike	131	I don't like the full week off for Thanksgiving break.
Dislike	132	I don't like the idea of no break in Oct for fall break. I don't love the idea of getting out for Christmas break on 12/21 and starting again on 1/4 (especially the going back on 1/4).
Dislike	133	I don't like the length of fall break
Dislike	134	I don't like the no October fall break and later start in August.
Dislike	135	I don't like the start date; I don't like no fall break
Dislike	136	I don't like the start date; I don't like no time off for fall break
Dislike	137	I don't like there isn't a fall break. I think the Christmas break is way too short.
Dislike	138	I don't really like anything else about this calendar. No fall break, full Thanksgiving break, early end date.
Dislike	139	I don't understand this calendar. Is the start date correct? It feels like there should be a start date in September.
Dislike	140	I don't understand why this calendar starts before Calendar C but doesn't have a Fall Break.
Dislike	141	I feel very strongly that the first semester needs to end before Winter Break.
Dislike	142	I hate that fall break is completely gone.
Dislike	143	I hate that winter break doesn't start until Dec. 21st.
Dislike	144	I like at least a 2 day fall break
Dislike	145	I like it best overall
Dislike	146	I like this calendar

Dislike	147	I like this one. No changes needed.
Dislike	148	I like when Winter break starts on the Friday.
Dislike	149	i love but may be end may 27 is much better
Dislike	150	I love fall break! I need fall break!
Dislike	151	I love it!
Dislike	152	I prefer a fall break separate from Thanksgiving, as that week is usually filled with family plans, cooking, etc. that makes it hard to have fun/relaxing family time to help the child decompress from school
Dislike	153	I really dislike how late school gets out in the summer.
Dislike	154	I think a fall break would be more welcome than stopping prior to June when it,Äôs still too cold to swim.
Dislike	155	I want at least two days off in October to enjoy fall stuff. Winter break is still too long. Once January starts, get them back to school. The holiday festivities are over and there's no reason to still be off.
Dislike	156	I wish it started and ended a little later into June (like calendar C... Aug 26 - June 8).
Dislike	157	I wish that there was a shortened fall break included.
Dislike	158	I wish there was a 2 day break for Fall Break instead of none and only a 3 day break for Thanksgiving.
Dislike	159	I wish there was an option for a later start date without fall break but later august/sept start would be more beneficial
Dislike	160	I wish they could swing a 3 or 4 day weekend in October.
Dislike	161	I would like the year to start after labor day.
Dislike	162	I would prefer a full fall break.
Dislike	163	I would rather have some fall break days and start a little later. I don't think we need a ton of time for Thanksgiving.
Dislike	164	I'd like a day or 2 in October.
Dislike	165	I've always thought having professional development days and teacher work days is pretty odd. I never had that as a child.
Dislike	166	if we end so late the year before, we should start later in august.
Dislike	167	In school to late no thank you
Dislike	168	It does not have a full week off in October.
Dislike	169	It doesn,Äôt have fall break. It ends too late.
Dislike	170	It ends late.
Dislike	171	It ends too far into the summer.
Dislike	172	It gives up fall break
Dislike	173	It got rid of fall break

Dislike	174	It is absolutely disgusting that Douglas County does not acknowledge or celebrate Veterans day. What an embarrassment.
Dislike	175	It should start last week of August if you're going all the way until Thanksgiving before a break. Would be better if they and a fall break for a week in October and then just the holiday and day after for Thanksgiving since they'll be going on Winter break shortly after.
Dislike	176	It start too early in August.
Dislike	177	It was a close second to Calendar B. Not much I didn't like.
Dislike	178	It was too bad that they give up Fall Break.
Dislike	179	Its the worst of all scenarios.
Dislike	180	Lack of a fall break is a deal breaker.

Dislike	189	Late start of school year and late ending to the school year, in addition to no Fall break
Dislike	190	Later end time in June and no fall break
Dislike	191	Later start date, more time off before Christmas, not after would be nice.
Dislike	192	Later start to Winter break.
Dislike	193	Less break time for Christmas
Dislike	194	Less days for Thanksgiving break
Dislike	195	Long stretch from spring break to June 11 release
Dislike	196	Long Thanksgiving break, early start/end dates
Dislike	197	Longer Thanksgiving break.
Dislike	198	looks good to me!
Dislike	199	Losing fall break
Dislike	200	Losing Fall Break, School year end time.
Dislike	201	Loss of Fall Break

Dislike	202	May be adding additional day or two holidays to start late first week of Jan will be good

Dislike	209	need fall break
Dislike	210	No because as with the '25-'26 calendar, you have to take from somewhere within the year to make up for the later start time in August and still get out at the end of May and not early June.

Dislike	292	No fall break

Dislike	293	No fall break It,Äôs important kids have opportunities to go on vacations or just breaks and time with their family. Togetherness. Memories. Fostering happy kids.
Dislike	294	No fall break lacking teacher work day in December prior to winter break
Dislike	295	no fall break no work day before the winter holiday--difficult for report cards
Dislike	296	No fall break Semester ends after winter holiday-too hard for high school students with finals
Dislike	297	No fall break Short Christmas break
Dislike	298	No fall break Shorter Winter break than the other 2 calendars
Dislike	299	no fall break - I will never support a calendar without a fall break!
Dislike	300	No Fall Break - Please consider the impacts of the October slump for teachers. Starting the school year is very busy and stressful. They are working a lot of extra time. It isn't possible to everything in our set working hours, and we cannot work 24/7, so some things must be put on the back burner for a bit. Fall break gives teachers a moment to regroup for mental health and time to catch up on paperwork, spreadsheets, assessment analysis, planning and prepping for differentiated instruction, etc. If your goal truly is to retain teachers, please refrain from shortening breaks. Maybe cut some PD days instead, because in some cases, teachers are planning and presenting at PD days. This adds to their workload instead of providing new learning for them. Shortened Winter Break
Dislike	301	No fall break , the last day of school should be later
Dislike	302	No fall break and a week off at Thanksgiving? Nope. Don't like that at all. Also same comments apply for first semester ending after winter break.
Dislike	303	No fall break and end date is not desireable.
Dislike	304	No fall break and long Thanksgiving.
Dislike	305	no fall break and longer Thanksgiving break
Dislike	306	No fall break and short winter break
Dislike	307	no fall break and short winter break
Dislike	308	No fall break and shorter Holiday break.
Dislike	309	No fall break and shorter winter break
Dislike	310	No fall break and that breaks were shorter overall.
Dislike	311	No Fall Break at all
Dislike	312	No fall break at all and It starts too early and lets out too early. It is still cold in May and it still summer in August.
Dislike	313	No fall break at all is horrible. Late semester 2 start is horrible. This option is the worst
Dislike	314	No fall break at all. A couple days would be nice.

Dislike	315	no fall break but a week in Nov - why??? Give a Thurs/Fri in Oct and Wed-Fri in Nov. What's with the Wed school start dates? Ridiculous - start on a Monday!
Dislike	316	No fall break given august start
Dislike	317	no fall break in October, the second work day in January
Dislike	318	No fall break in October.
Dislike	319	No fall break is a down side. Would have preferred at least 3days fall and 3days Thanksgiving break with the roughly Aug 19-May 27th start/stop dates.
Dislike	320	No fall break is a hard NO thanks
Dislike	321	No fall break is a huge problem. Families will take a week off anyway, and will take them on random weeks which will make things very difficult for schools. Staff will want to take a week off as well, which will cause more problems. The school year gets out too late, which doesn't align with how camps and children's summer programs work in Colorado.
Dislike	322	No fall break is not good for students and teachers.
Dislike	323	No fall break is not good for younger students - they need the days off then to rest, refresh, and regroup.
Dislike	324	No fall break is not ideal
Dislike	325	No Fall break is terrible. Weird January 3 days off mini-holiday is just strange, makes no sense really since we just got off the Holiday longer break. At least the year ends before memorial day tho.
Dislike	326	No fall break is the dealbreaker for me; this is always when we take a family road trip.
Dislike	327	No fall break optino
Dislike	328	No fall break planned.
Dislike	329	No fall break would be awful on the kids
Dislike	330	no fall break, delayed 2nd semester start date in Jan.
Dislike	331	No Fall Break, full week of Thanksgiving Break.
Dislike	332	No fall break, hard pass.
Dislike	333	No Fall break, it is very much needed
Dislike	334	no fall break, late starting date for winter break (as a parent I HATE it when we get out so late)
Dislike	335	No fall break, late winter break start,
Dislike	336	No fall break, later Christmas break, all to still end in May
Dislike	337	No fall break, later start to winter break, and starting school early? How does this make sense?
Dislike	338	No fall break, long Thanksgiving break

Dislike	339	No fall break, no PD day in April. Why can't we leave the calendar alone? It has worked great the way it is for years! I also have one other request. Each feeder area should have graduation day off so teachers from the feeder schools could attend graduation. We can't all take the day off, and we still have connections with our students. It isn't only the high schools who have relationships with kids.
Dislike	340	No fall break, not even two days
Dislike	341	no fall break, not starting winter break until December 21st
Dislike	342	no fall break, off too late for winter break
Dislike	343	no fall break, out too late for Christmas break
Dislike	344	No fall break, short Thanksgiving break
Dislike	345	No fall break, short winter break and long thanksgiving break
Dislike	346	No Fall break, shortened Winter break. As the caregiver for a special needs child, these breaks are critical needs. It gives my child the opportunity to rest and renew, and be ready to take on the challenges of the school year.
Dislike	347	No fall break, too early of start and end dates
Dislike	348	No fall break, will finals fall after winter break?

Dislike	372	No fall break. Could shorten Thanksgiving break and add a short fall break.
Dislike	373	No Fall break. Could there be 2 day off ?(15-16th, with the weekend they would have a 4 day break) and take that from a whole week off at Thanksgiving and make Thanksgiving a 3 day break (5 days with the weekend). That way they would have somewhat of a break for both.
Dislike	374	No fall break. Terrible!
Dislike	375	No fall break. This isn't a good idea!
Dislike	376	No fall break. Wish it was a shorter thanksgiving break and those dates were added to make a short fall break.
Dislike	377	No Fall break. But a good trade off
Dislike	378	No fall break. I don't think you understand about the October crash for teachers. I thought your goal was to retain teachers. This doesn't work toward that goal.
Dislike	379	No fall break. I wish there were at least two days for fall break.
Dislike	380	No Fall Break. Late start date.
Dislike	381	no fall break. later start time
Dislike	382	No fall break. LEAVE CALENDAR ALONE!
Dislike	383	No fall break. Winter break starts later.

Dislike	391	No, I am ok with not having a fall break.
Dislike	392	No, I like it all
Dislike	393	No, it is great!

Dislike	394	No, it would be a much need change to the schedule as kids generally don't work as well in the heat.
Dislike	395	No, it's the best option.
Dislike	396	No! Thank you for finally giving multiple options for calendars that start later than early August in both the 25-26 years and 26-27 years! So appreciated!
Dislike	397	No.
Dislike	398	No. Liked it all.
Dislike	399	none, we like it
Dislike	400	Nope - this one is great!
Dislike	401	Nope, great option.
Dislike	402	Nope! Looks great!
Dislike	403	Not a full week for fall break
Dislike	404	Not any days for fall break, but a week at Thanksgiving. Why not split the difference?
Dislike	405	Not as good as calendar C
Dislike	406	Not crazy about loosing fall break because I plan to use that for college visits
Dislike	407	Not enough breaks for the kids and teachers
Dislike	408	Not enough days of school.
Dislike	409	not even a couple of days off for fall beak and still not even starting alot later in Aug. would trade a couple of days at thanksgiving to have a couple of days off for a short "fall break" to even it out...
Dislike	410	Not fall break. I'd rather have a fall break than a week at thanksgiving.
Dislike	411	not full weeks for fall/thanksgiving break
Dislike	412	Not having a Fall Break at all! This is the best part of the DCSD schedule! Also, having a shorter Winter Break.
Dislike	413	Not having a fall break.
Dislike	414	Not having a fall break.
Dislike	415	omitted fall break, shortened Christmas break
Dislike	416	one day of fall break - would like to see 2-3 days so families could use it for trips
Dislike	417	only 1 week at winter break
Dislike	418	Only having one day off for Fall break. I would rather move some of the days off for Thanksgiving to Fall break.
Dislike	419	Only one day off for fall break.
Dislike	420	Only that it came as an option so late
Dislike	421	Open-Ended Response

Dislike	422	Overall would prefer a shorter winter break and overall would recommend the calendars be consistent, e.g. don't do this: have a fall break one year and then no fall break the next.
Dislike	423	Parents are used to a fall break. Don't think they will go for it. Also why put a work day Jan 19 when we have only been in school a two weeks? Consider moving it to Feb. 11
Dislike	424	people are going to complain no fall break but i don't think kids nor working families need a week a month. it's awful
Dislike	425	Perfect calendar
Dislike	426	Please take major events into considerations when planning Teacher/Professional days or any other additional days off. Days like Easter, Halloween, SuperBowl, etc. It would nice if some of these extra days off coincided with events so the kids could enjoy a later night filled with sugar fun.
Dislike	427	Really like this kne
Dislike	428	Same as my response above for C - you created a schism for those who want any type of later start date by disrupting the mirrored schedule from 25/26. Now if you want the later start date you HAVE to be on board with fall break. This middle ground option has no fall break. So it might create confusion.
Dislike	429	Same comment as above, would prefer to start after Labor Day and then have school continue into June. Would like to have a long weekend for fall break.
Dislike	430	School starts and ends too soon.
Dislike	431	school starts much too early in the year and no fall break for the kids.
Dislike	432	School starts too early, Winter Break is short and school gets out too early.
Dislike	433	School starts too late and gets out too late
Dislike	434	School year does not end till June
Dislike	435	School year stats too early.
Dislike	436	Second Semester Start date, No fall break
Dislike	437	Second semester starting after Winter Break
Dislike	438	Semester begins 2 weeks after winter break.
Dislike	439	Short and late winter break, no fall break.
Dislike	440	Short winter break
Dislike	441	Shorten Thanksgiving Break and start school a few days later.
Dislike	442	Shorter Christmas break
Dislike	443	shorter Christmas break. Would really like this one if Christmas was longer and just extend school year an extra couple of days.
Dislike	444	Shorter fall and Thanksgiving breaks

Dislike	445	Should start a week later, which is possible if no spring break, or shorten spring break
Dislike	446	Sort of early start of school date
Dislike	447	Spring break doesn't match university of Denver spring break.
Dislike	448	Spring Break is too early. Move it to the following week. It is not necessary to end before Memorial Day. I suggest to go another week after Memorial Day and put in at least a long weekend for Fall Break.
Dislike	449	Spring break not being connected to starting after Easter Sunday.
Dislike	450	Start and finish to too late Spring break is too early
Dislike	451	start date and end date. no fall break
Dislike	452	Start date is too early.
Dislike	453	Start date, end date, break schedule
Dislike	454	Start school after labor day weekend. As a matter of fact, in many eastern european countries school starts 9/1 across the board and it is known as the national school day every year. So this would make more sense if schools here started after the labor day.
Dislike	455	Start too early. Why not start on 8/19 or 8/24 and get out on 5/28. Scrap the random days off before and after winter break, before spring break, and the other random 3/4 day weekends, like in September and April.
Dislike	456	Starting 8/26 would be even better (just shorten Thanksgiving by 2 days and make the Jan/Feb holidays 3 day weekends instead of 4). For the love of God - shorten the year instead of adding in days that families can't use.
Dislike	457	starting a new semester in January (a couple weeks after break) can be a bit challenging, but I think that could be ironed out and be done intentionally with staff/classes
Dislike	458	starting after Labor day is nice, but too late because it pushes semester into January; start on Aug 20 instead and end semester in December; take Sept 26, Oct 30-31, Nov 24-26 and make a full week break from Oct 13-17
Dislike	459	Starts and ends perhaps a little too late. I really liked C.
Dislike	460	Starts early but no fall break. Thanksgiving Break too long.
Dislike	461	starts too early
Dislike	462	Starts too early to skip fall break; doesn't end later than A or B. Not a fan
Dislike	463	Starts too late and ends too late
Dislike	464	Starts too late, not enough breaks for traveling without having to miss school
Dislike	465	Starts too late. Ends too late into June.
Dislike	466	Still early but good
Dislike	467	still get out too early, would rather start later
Dislike	468	Still starts too early

Dislike	469	Still too early of a return date in August. Would prefer an after Labor Day return every year.
Dislike	470	Still too early of a start in August. Bump the start back a week and finish in June.
Dislike	471	Still wish it would start the school year later
Dislike	472	Thanksgiving break is a whole week. End time for school is early
Dislike	473	Thanksgiving break should be longer and have the kids get out in June instead of May to make up the additional days.
Dislike	474	thanksgiving break too long
Dislike	475	That there is a full week off at thanksgiving.
Dislike	476	That there is not a full week fall break, stop trying to get rid of fall break.
Dislike	477	That there is zero fall break, but Thanksgiving still is a whole week. I would prefer to shorten Thanksgiving and have a fall break
Dislike	478	That they don't get a Fall break, they get out for summer so late and they don't start until after Labor Day. There is nothing that I like about this calendar.
Dislike	479	The amount of days off throughout the year
Dislike	480	The lack of fall break
Dislike	481	The lack of fall break is a dealbreaker to me.
Dislike	482	the loss of fall break all together, but I'm OK with that if it means a longer summer break.
Dislike	483	The loss of Fall break.
Dislike	484	The proximity to the holidays will make holiday planning and travel very difficult. I've also noticed that as days are closer to Christmas, and programming for school performances gets closer to Christmas, there seems to be an increase in germ sharing and sick kids over the holidays. State data supports this observation: https://cohealthviz.dphe.state.co.us/t/DCEED_Public/views/Viral_Respiratory_Disease_Report/HomePage?%3Aembed=y&%3AisGuestRedirectFromVizportal=y An earlier break before Christmas would likely decrease viral spread overall and improve the winter break experience for families. It would also push school programming (concerts etc) up in the calendar, likely resulting in better performances and participation.
Dislike	485	The school year starts in August, which is too early. Colorado summer weather is just beginning at this time. Send the kids back to school in September. Also, we don't need a week off for Thanksgiving. If you want to give the kids more time off school, give them a longer summer break.
Dislike	486	The shorter winter break. The inconsistency from the previous years. Get it together DCSD. Parents want a consistent calendar for planning purposes. LPS doesn't have this issue because their calendars are consistent year after year.
Dislike	487	The start date. This is my preferred schedule overall, but I'd like to see it pushed back.
Dislike	488	The whole thing

Dislike	489	there is no fall break
Dislike	490	There is no fall break and Thanksgiving break is too short
Dislike	491	There is no fall break AND the dates didn't change. They get nothing out of not having a fall break. Might want to think about giving those dates back at either one of the other breaks or beginning and end of the year.
Dislike	492	There is no fall break and we get out later
Dislike	493	There is no fall break.
Dislike	494	There is no Fall Break. Everything else was fine.
Dislike	495	There is no fall break. My kids need a break after that many days of school!
Dislike	496	There is no fall break. Winter break starts too late. I would take two days from Thanksgiving to make a long weekend in October for fall break.
Dislike	497	There was no fall break
Dislike	498	There's no fall break
Dislike	499	There's no Fall break
Dislike	500	There's no fall break at all. Really do not like having 4 workdays before school starts in August. Three is fine, with the 4th one somewhere else in the first semester (maybe a teacher workday at the end of the 1st quarter). It's far more beneficial and effective to have a workday during the semester to allow teachers to catch up on grading and planning and collaborating. Comp day is in Feb. instead of April. We would prefer having our PD day on President's Day weekend instead of August before school start.
Dislike	501	This eliminates fall break and gives a week at Thanksgiving. Boo
Dislike	502	This is the option we've been waiting for every year (almost)! One week later start. BUT, we could still have fall break and then just get out one week later. Why isn't that an option? Is it because you know people won't choose this because they want fall break? Why can't we have this schedule, with fall break and a June 8th end of school date?
Dislike	503	This survey sucks
Dislike	504	to late end and no fall break
Dislike	505	Too early of a start date in August.
Dislike	506	Too early start after summer break and summer 27 should start later.
Dislike	507	Too early start and end date
Dislike	508	too far into june
Dislike	509	Too late of end date
Dislike	510	Too long of a Thanksgiving break.

Dislike	511	Too many breaks are not in this calendar. This is the worst possible option. Teachers and students need these breaks throughout the year.
Dislike	512	Ughh. again send a simplified version. Where the colors depict student non instructional time. If I were to really give my true opinion I would need to print the calendars, compare them to each other and use a magnifying glass to really grasp what all FOUR different calendars depict. Again, Lets do Better.
Dislike	513	Ummmm....fall break???? One day is not enough....If you have a kiddo who struggles with being physically present in class for mental health reasons (anxiety, bullying, incompatibility with the teacher) then these breaks are life-saving.
Dislike	514	Unclear when the semester ends, but guessing it's after Christmas break. Dislike that there is no fall break.
Dislike	515	Very short fall break.
Dislike	516	Want a Fall Break
Dislike	517	Want a Fall Break. Can shorten Thanksgiving break.
Dislike	518	we don't like having 2 weeks plus off for winter break in December and January.
Dislike	519	We lose our Fall Break.
Dislike	520	We need 2 weeks at Fall, 1 full Week at Thanksgiving, 2 weeks for winter, and 2 weeks for Spring break. It allows people to travel.
Dislike	521	We need a fall break! Fall break is a must.
Dislike	522	When does 2nd semester start? No fall break.
Dislike	523	Why wouldn't you add a week onto the end of school to end in June and add back in fall break? This is why I like C the best.
Dislike	524	Winter break starts too close to Christmas and there,Ãs no fall break.
Dislike	525	Winter break starts too late.
Dislike	526	Wish it would start later and end later in the year, like calendar C
Dislike	527	wish it would still include part of a fall break and get out a little later
Dislike	528	Wish school started a week later and ended a week later. Wish Thanksgiving break started the 25th vs 23rd.
Dislike	529	Wish school started the week prior, as finding child care during the week of August 10th is going to be a challenge.
Dislike	530	With this option the calendar doesn't align with my other kids
Dislike	531	Would even start school a little later in August for another tradeoff- pushing end date to the very end of May, cutting Thanksgiving break to just 3 days, etc. The kids seem to have so many breaks as is,Ã¶.
Dislike	532	Would like a later start date since the weather is still beautiful into September. I don't mind teaching into June since the weather is still cold and rainy typically until mid June.
Dislike	533	Would like Monday /Tuesday off before Thanksgiving and go a couple days into June instead.

Dislike	534	Would like to have a few days off for fall break in October.
Dislike	535	Would love the partial fall break if possible.
Dislike	536	Would prefer fall break and only Thursday and Friday off for Thanksgiving
Dislike	537	Would prefer starting after Labor Day.
Dislike	538	Would prefer to keep some fall break, and make Thanksgiving break shorter.
Dislike	539	Yes, I don't like the later start in Aug causing the elimination of Fall Break completely
Dislike	540	Younger kids fall break is good
