University diversity designations including Asian American and Native American Pacific Islander-Serving Institutions (AANAPISI) and Hispanic Serving Institutions (HSI) are also part of our consideration of job fair selections in addition to strong teacher preparation

programs (Ex: Vanderbilt) and hiring trends (Ex: IL and TX). DCSD also partners with education organizations for methods in addressing candidate shortages and building pipelines for recruitment. These organizations include: American Association for School Personnel Administrators (AASPA), Colorado Association for School Personnel Administrators (CASPA), Colorado Association of School Executives (CASE), American Association for Employment in Education (AAEE).
