District Concurrent Enrollment Program Proposal

The Concurrent Enrollment Program proposal must be submitted to the Concurrent Enrollment Coordinator. The Concurrent Education (CE) program proposal must include the following information:

Name of CE Program: Business

Name of Institution of Higher Education: Arapahoe Community College

I. GOALS

- Students will apply problem-solving skills to everyday issues that are encountered in business
- Students will understand the importance of resilience in the workplace

A. Provide a brief overview of the Program.

Explores the business skills, personality traits, and commitment necessary to successfully plan, launch, and grow an entrepreneurial venture. This course will cover the challenges and rewards of entrepreneurship. This course will cover the role of entrepreneurial businesses in the United States and the world and their impact on our national and global economy.

B. How does this CE Program fit into the overall educational program?

Offering an entrepreneurship class as part of our concurrent enrollment courses provides students with a head start on college credits, fosters a smoother transition to higher education, and enhances practical skills through real-world applications, giving them a competitive edge in future academic and career pursuits. This course allows them to apply the knowledge from their other business courses, lets them fuel their creativity, and drives their interests while utilizing an entrepreneurial mindset.

C. What benefits would our students receive from this program?

Students would learn valuable life skills, receive college credit, and understand the opportunities available to them to start their own enterprises.

II. Concurrent Education Program Courses:

Provide a flow chart or table that indicates the courses students would take within the program. ** Other courses may be added or changed within the program, based upon the need of students or program modifications.
