Dear Douglas County School District Board of Education,

HOPE Online Learning Academy Co-Op (HOPE) earned a rating of "Meets Criteria" on all indicators in the Douglas County School District (DCSD) Choice Programming Site Visit Report, including Educational Program, Personnel, Safety & Security, School Governance, and Operations, and successfully completed the intensive school audit conducted by the DCSD Choice Programming Office.

Having met the conditions defined in Section 1.1b of its Charter Contract with DCSD, HOPE respectfully requests a three-year extension, through June 30, 2026, to the term of its charter and charter contract. Per the terms of the Charter Contract, the Board of Education "shall consider [HOPE's request] at a meeting held on or before June 30, 2022. The Board of Education's approval of the School's request shall not be unreasonably withheld."

Sincerely,

Heather O'Mara
