### RENEWAL RECOMMENDATION:

It is the recommendation of DCSD staff that the charter contract between Douglas County School District (DCSD) and American Academy be renewed for a term of **5 years**.

### RENEWAL APPLICATION PROCESS & EVALUATION:

The renewal process provides an opportunity for schools to (1) present any new or supplemental evidence of school performance and (2) articulate school plans and capacities for the next charter term. The charter renewal recommendation to the Board will be based on an array of evidence gathered over the charter term, including data and information collected by Douglas County School District Office of Choice Programming, the Colorado Department of Education, and any supplemental information that the applicant group provides.

The renewal process begins in September when the charter school declares its intent to apply for renewal. No later than September 1, the charter school submits its Renewal Application to the DCSD Office of Choice Programming. All information is presented to the Superintendent’s Cabinet through a compilation of evidence collected through the school’s site visit, an analysis of the school’s educational, operational, and financial health, and any feedback provided to the DCSD Office of Choice Programming by the applicant team upon initial review of this final report.
